

## Integrated Annual Report | 2023-2024

TRANSFORMING INDUSTRIES

20 years of creating value for you  
Since our IPO in 2004

## About TCS

Tata Consultancy Services is an IT services, consulting and business solutions organization that has been partnering with many of the world's largest businesses in their transformation journeys for over 56 years. Its consulting-led, cognitive powered, portfolio of business, technology and engineering services and solutions is delivered through its unique Location Independent Agile™ delivery model, recognized as a benchmark of excellence in software development.

A part of the Tata group, India's largest multinational business group, TCS has over 601,000 of the world's best-trained consultants in 54 countries. The company generated consolidated revenues of US\$29.1 billion in the fiscal year ended March 31, 2024, and is listed on the BSE and the NSE in India.

TCS' proactive stance on climate change and award-winning work with communities across the world have earned it a place in leading sustainability indices such as the MSCI Global Sustainability Index and the FTSE4Good Emerging Index. For more information, visit [www.tcs.com](http://www.tcs.com)

### Transforming Industries

The TCS' FY 2023-24 (FY 2024) Integrated Annual Report delves into the capability of technological innovations and their impact on business models. Technology is increasingly an enabler in what enterprises can do to adapt and thrive in this new era. Businesses are relying on technologies to help improve their competitive advantage, drive strategy and growth. From Banking, Retail and Manufacturing to Healthcare and Utilities, technology is **Transforming Industries** in the way they operate, and enhance their customer and employee experience.

TCS, with its full services capability and industry specific contextual knowledge, has always remained relevant to clients and stayed close to them in the past technology cycles. The synergistic relationship between Cloud and AI/GenAI technology, is ushering in a significant shift in how industries approach innovation and efficiency. With over half of the workforce trained in AI/ML and Gen AI, TCS will continue to be clients' trusted transformation partner.

*“Across industries globally, there are multiple mega trends that are shaping priorities of businesses: AI, New Energy, Supply Chain and Talent. These transitions will require substantial investment in technology across industry sectors. Your company is making significant investments and building capabilities to partner with customers during this phase of rapid technological shifts.*

## Letter from the Chairman

**Dear Shareholder,**

In FY 2024, your company has continued to deliver strong performance. I am pleased to share with you that your company has crossed annual revenues of **₹240,893 crore**, a growth of **6.8%**, over the previous year. With relentless focus on operational excellence, this growth has come at an industry leading operating margin of **24.6%\***, an increase from 24.1% last year. The order book for FY 2024 came at an all-time high of **US\$ 42.7 billion** supported by strong client relationships and engagement. Client metrics continue to exhibit healthy progress with strong client additions. Employee retention continues to be at benchmark levels in the industry. TCS has been selected as a **Top Employer of Choice** in 32 countries. TCS has retained its ranking as the second most valuable global IT services brand, valued at **US\$19.2 billion**, an increase of **US\$2 billion** from last year.

The global environment around the world continues to go through significant shifts. Post the pandemic, which resulted in supply chain shocks, there was an economic slowdown especially in developed markets. While initial signs of stability began to emerge, the military conflicts have further intensified this year and continue to impact the global supply chains.

After two years of recessionary fears, persistently high inflation, and unprecedented monetary tightening, the global macro-outlook looks relatively better now with improving growth, disinflation, and monetary easing in sight. Across industries globally, there are multiple mega trends that are shaping priorities of businesses: **AI, New Energy, Supply Chain and Talent**.

- GenAI technologies will impact almost every sector and country going forward. Enterprises have already invested in cloud, data infrastructure and large processing power which will aid AI/ GenAI. GenAI will not only improve productivity, but also create impact we hitherto have not seen or imagined.
- Global energy transition is accelerating, and businesses are making clear commitments towards a sustainable future. The energy requirement of our fast-changing world is enormous. Key is to lower the cost of energy while also transitioning to renewables. This transition requires large investment in technology, electric mobility, renewable power, hydrogen and sustainable fuel.

\*Excludes settlement of legal claim

- Geo-political challenges are continuing to alter established supply chains and companies are rebalancing their supply chains to address both resilience and efficiency. New global supply chain ecosystems are being created, with India playing an important role in advanced manufacturing.
- Advanced manufacturing, new technologies like AI, new energy, data and business models are changing the future of work and are compelling new skillsets to be built for the future.
- Secure networks have become a key necessity as data is the foundation for businesses of today. These networks power everything from predictive analytics and AI to personalized customer experiences. As value of data increases, along with concerns of privacy and protection, it has rightly become a focal point of security for all businesses.

The key question is what these disruptions mean to the IT services industry and how your company is preparing for these? As enterprises globally prepare to respond to these mega trends, we see multiple opportunities for your company. Every industry is embracing these trends and their business is being shaped for the future. For example:

- The deployment of AI and GenAI will significantly help financial institutions in both driving efficiency as well as target new customers and serve customers in a very personalized manner. For example, Insurance claims will be processed in a matter of minutes, lending and disbursements will become much faster.
- Adoption of new energy solutions and AI technology is driving the future of automobiles. It is not only driving reduction of emissions but also providing a new level of customer experience.
- AI is accelerating drug development by screening millions of compounds, predicting interactions and generating new candidates for testing.
- Connected medical devices together with AI and GenAI will transform Healthcare in a significant way. It will enhance productivity, enable remote care and help overcome shortage of skilled resources.
- In Advanced manufacturing, an AI-first approach will drive new benchmarks in productivity, efficiency and sustainability.
- Telecom industry globally is upgrading communication infrastructure to 5G/6G. These high speed, low latency networks, along with edge compute and AI will become the backbone of businesses in future.

These transitions will require substantial investment in technology across industry sectors. Your company is making significant investments and building capabilities to partner with customers during this phase of rapid technological shifts:

- In FY 2024, TCS has consolidated AI and Cloud expertise with the creation of the AI.Cloud unit. In addition, each of the business groups are developing domain-specific AI/GenAI offerings relevant to the industry value chain. Over 300,000 employees have been upskilled on GenAI technologies in FY 2024. TCS' products and services are also being enhanced with AI capabilities. For example, TCS BaNCS™ is enriching its product portfolio with integrated AI/ML and GenAI capabilities; AI is also being embedded in Cybersecurity services to enable predictive capabilities.
- To partner with customers on their energy transition agenda, TCS is investing in research on green hydrogen, biofuels; developing digital platforms to help customers reduce Scope 1/2/3 emissions. Our proprietary ESG framework enables enterprises to build transparency into operations and simplifies compliance reporting.
- TCS is pioneering the engineering of the 5G/6G communication stacks using open standards. Two state-of-the-art labs for future ready communication infrastructure and interoperability have been setup at Bengaluru and Gurugram. Investments are being made in multiple niche technologies such as 5G SA Core, O-RAN radios, to build these solutions indigenously.
- Your company continues to invest in upskilling its talent base of over 600,000 employees. Employees are actively leveraging experiential and personalized learning on a wide range of emerging technologies, clocking over 51 million learning hours in FY 2024. TCS continues to build strong talent supply chains with deep partnerships with leading educational institutions, shaping the curriculum for new skill needs for the future.

On behalf of the Board of Directors of the company, I want to thank you for your continued trust, confidence, and support.

Warm regards,  
**N Chandrasekaran**  
Chairman

*The rise of GenAI has been catching customers' attention, and it promises a leap in productivity and accelerates the creation of new products and services. Although still in the early stages of adoption, the use of GenAI is expected to transform every industry.*

## Letter from the CEO<sup>1</sup>

### Dear Stakeholder,

It is my privilege to be writing to you from this desk as we near 20 years to our listing since August 25, 2004. Over the last two decades, your company's Revenue and Net Profits have grown at a compounded annual growth rate of over 18% each.

It has been almost a full year since my transition as CEO, and I am happy to report that it has been a very stable and seamless experience for all our stakeholders. During this period, we refocused on our industry and technology expertise, emphasized and refreshed the core values that define who we are as a company, and doubled down on customer centricity and employee empathy.

We had a strong finish to the fiscal year FY 2024, with revenue for the year at **₹240,893 crore**. This is, a growth of **6.8%** over the previous year (**3.4%** in constant currency). Demand for our services showed remarkable resilience as macroeconomic uncertainties and geopolitical volatilities continued in major markets through the year.

This growth came with an industry leading operating margin of **24.6%**<sup>2</sup>. More importantly we exited the year with a quarterly operating margin of **26% in Q4**, demonstrating our commitment to the margin band of 26% to 28%. Our Net Margin was at **19.3%**<sup>2</sup>.

The Earnings Per Share was at **₹127.74**<sup>2</sup>, a growth of **10.9%** over the prior year.

Among the Business Segments, Manufacturing grew **10.6%**, Life Sciences and Healthcare grew **8.7%**, Banking, Financial Services and Insurance grew **5.6%**, Consumer Business grew **4.9%**, Communication, Media and Technology grew **4.6%**, while Others grew **14.5%** (YoY in reported currency).

Among geographies, growth was led by emerging markets: Latin America grew **21.1%**, India grew **20.3%**, Middle East & Africa grew **14.8%** while Asia Pacific grew **4.0%**. The UK grew **17.7%**, Continental Europe grew **6.5%**. North America grew **2.3%** (YoY in reported currency).

We are seeing strong deal momentum across markets resulting in double-digit growth in our TCV of **US\$ 42.7 billion**, which reflects our deepening partnership with our clients and gives us optimism for the medium to long term growth outlook.

In keeping with our capital allocation policy of returning substantial free cashflow to shareholders, the Board has recommended a final dividend of **₹28** per share, bringing the total dividend for the year to **₹73** per share. The company also successfully completed its fifth buyback program, distributing **₹17,000 crore** to shareholders. For the full year, the company's shareholder payout was **₹47,445 crore**, which will be our largest payout to date. Our average shareholder payout has been **more than 100%** during the last 5 years.

<sup>1</sup>GRI 2-22

<sup>2</sup>Excludes settlement of legal claim

## Business Overview

Established in 1968, our company has been a pioneer in the IT industry, across various technology cycles. At each of these defining moments, we refocused our investments, reinvented ourselves, and helped clients transform their businesses to stay ahead of the technology curve.

During FY 2024, customers continued reprioritization of projects in favor of those which are considered business-critical and where ROI realization is likely faster. We continue to see pressure on customers' discretionary spending. The recently won deals are converting into revenue as planned, the ongoing engagements started during the pandemic are being re-examined for the incremental value generated. While transformation remains a key ask, customers are expecting the same to be funded through savings from operations. Hence, the key engagement themes we saw during the year were around cost optimization and cloud transformation.

Demand was led by vendor consolidation, cloud migration and transformation, customer and employee experience enhancement, operating model transformation, business process optimization, supply chain initiatives, sustainability, AI enablement i.e. creating a cloud and data foundation for AI, and early-stage AI-infused transformational engagements.

Today, clients are seeing cloud as a strategy for business transformation and growth. The shift to cloud-native products and platforms is being fast-tracked, to achieve increased collaboration, security, scalability and efficiency. Hybrid, multi-cloud platforms are now becoming mainstream. Cloud adoption is a catalyst for innovation, and a strategy for business and growth itself. It provides the unifying digital fabric that forms the foundation for a connected future—one that continues to unfold with each technological advancement, including generative AI (GenAI).

The rise of GenAI has been catching customers' attention, and it promises a leap in productivity and accelerates the creation of new products and services. Although still in the early stages of adoption, the use of GenAI is expected to transform every industry. Many of our clients who are early adopters have begun experimentation and exploration on various use cases of GenAI, with our help.

## The Innovation Edge

Exploring innovative uses of GenAI continues to be a key focus area. We are helping our customers to use AI to:

(i) Assist, leveraging AI to supplement tacit knowledge with contextual knowledge to boost work effectiveness (ii) Augment, accelerating elite performance through collaborative intelligence, where humans and machines complement and magnify each other's talents, and (iii) Transform, leaping to a knowledge-driven superstructure with fast, consistent, and high-quality decision output to deliver new ways of working and the full realization of enterprise-wide AI. We have created one of the largest AI / ML and GenAI talent pools in the industry. We have doubled down on partnerships in areas such as AI, cloud, quantum computing and cybersecurity. These early investments have given TCS a head start in being a partner in our customers' technology adoption journey.

With our contextual knowledge and domain expertise, engineering DNA and intellectual capital, we have been the preferred partner for many customers in their strategic initiatives. This year, we signed several deals that are industry-defining in nature. We have included narratives about the work we did for **BSNL** – building an indigenous network, a true nation building project and how we built an advanced post trading platform for **SIX** in this Integrated Annual Report.

Our continued investments in Research and Innovation, and in building intellectual property, have further strengthened our transformational credentials. Many of our earlier R&I programs have matured into successful platforms and solutions which performed very well this year and helped differentiate our growth. We leveraged TCS HOBS™ to transform Celcom Axiata Berhad's core business support systems. For PostNord, TCS TwinX™ is helping increase sorter capacity, remove bottlenecks, and improve the collection and distribution sort plan. Similarly, TCS Omnistore™ is helping European home improvement company Kingfisher orchestrate a faster, smoother, and seamless checkout experience.

## Building a Skilled Workforce

Our approach to talent is strategic — we consider our employees as key stakeholders in our growth. Our ability to cycle through different technology and business model changes, continuously embrace new knowledge and stay relevant, defines us and gives us a significant edge over our competitors.

We have a strength of **601,546** employees, and our LTM attrition in IT services was **12.5%**, down by **760 bps** over the previous year. Our workforce continued to be very diverse, with over **152** nationalities represented and with women making up **35.6%** of the employee base.

**“**

We launched several initiatives this year to inculcate a strong engineering culture among our employees and build deeper skills in market relevant technologies like Cloud, AI, Cyber Security and more. TCS is collaborating with all the hyperscalers and entering new partnerships with other important players in the AI ecosystem to upskill at scale and build AI computing infrastructure to develop AI solutions for our customers.

We launched several initiatives this year to inculcate a strong engineering culture among our employees and build deeper skills in market relevant technologies like Cloud, AI, Cyber Security and more. TCS is collaborating with all the hyperscalers and entering new partnerships with other important players in the AI ecosystem to upskill at scale and build AI computing infrastructure to develop AI solutions for our customers.

In FY 2024, TCSers logged **51 million** learning hours, and acquired nearly **5 million** competencies. A culture of lifelong learning and innovation, by closely linking learning with careers and rewards, has placed us as the Global Top Employer for the 9th consecutive year, across 32 countries — placing us as one in only 16 organizations worldwide to achieve this status.

### **Embracing Aalingana**

We have fully adopted Project Aalingana, the Tata group's sustainability roadmap and the aim is to be net zero by 2045, integrating sustainability into business strategy and concentrating on three interlinked pillars of the project, i.e., promoting the decarbonization of our company and value chains; utilizing a systematic, circular economy approach to reduce resource usage and waste; and protecting and regenerating the environment.

We continue to make good progress in our net zero journey, on the environmental front. TCS had set a target to reduce its absolute Scope 1 and Scope 2 emissions by 70% by 2025 and become net zero by 2030. We are well ahead of our initial Scope 1 and 2 targets and have achieved a reduction of **80%** in Scope 1 and 2 emissions in FY 2024 over a baseline of 2016. We are doing this by increasing use of renewable sources of energy and improving energy efficiency.

The company's strategy for reducing emissions includes addition of more green buildings to the company's real estate portfolio, reduction of IT system power usage, responsible sourcing, and the use of TCS Clever Energy™, which leverages IoT, machine learning and AI to optimize energy consumption across campuses.

TCS is not only improving its own sustainability but also helping clients develop and implement their sustainability strategies and improve outcomes. We have built a comprehensive suite of over 200 offerings in sustainability services and solutions across different industry verticals. These solutions help enterprises decarbonize their operations and create net-zero pathways, addressing biodiversity loss and growing inequity. We help customers embed circularity in their products and services, by helping design agile, resilient, and sustainable supply chains and promoting reuse, recapture, and recycling.

### **Passion for Our Purpose**

TCS is meaningfully connecting marginalized groups, including women and youth, to economic opportunities. We continue to work with communities across the world, pursuing our long-standing commitment to programs in the areas of education, literacy for livelihood, skilling for employment, and digital entrepreneurship; while exploring areas of healthcare, digital inclusion, water, climate and sustainability.

Through clearly defined focus areas and strategic programs, our work has impacted the lives of over **7.1 million people**. We are working with public and social sector organizations to help close the literacy gap among the most marginalized adults, helping them access government entitlements and improving access to livelihood. We are empowering students in government schools with 21st century skills, introducing them to careers of the future, while empowering and building capacity of the teachers and education system.

By working with other private sector organizations, we are helping marginalized youth transition from college to meaningful careers across a variety of sectors. Our digital entrepreneurs are connecting disadvantaged communities in rural and aspirational districts across India with front line services in social welfare, banking, finance, insurance, health, e-commerce, logistics and more.

Our employee volunteer program called **HOPE** (Hours of Purpose by Employees) resulted in over **6.7 million hours** dedicated to purpose projects across dimensions of biodiversity, mental health, climate action, circularity, literacy, education, skilling, mentoring, conservation and more covering the 17 UN Sustainable Development Goals.

### **Greater Governance**

Governance at TCS encompasses ensuring ethical and transparent business conduct, addressing sustainability risks and opportunities and aligning robust disclosure requirements under the aegis of the board. At TCS, the Tata Code of Conduct serves as a guide for all employee behavior.

TCS consciously embeds the highest standards of governance in its operations. We have a holistic compliance framework and an integrated governance structure that encourages a strong commitment to global Environment, Social and Governance (ESG) disclosure standards for promoting transparency and accountability. As part of the Tata Group, we have long recognized the ESG stewardship as core to our purpose. We have a proud legacy of pioneering positive change, not just within the industry but in the communities where we operate as well, and our commitment remains steadfast.

### **Looking Ahead**

Our all-time high order book, continued deal flow and pipeline velocity give us confidence in our business momentum. Looking forward, we see greater opportunities ahead, as businesses become more technology-intensive and depend on technology to drive competitive differentiation and transform their industries. Our integrated business model which drives value creation for all our stakeholders, will continue to help us benefit from each new wave of technology change, and be a force multiplier for our growth and leadership in years to come. We thank you for your continued support in our journey ahead.

Best regards,

**K Krithivasan**

Chief Executive Officer and Managing Director

# The Year Gone By

**Q4**

Announced a 15-year expansion of its partnership with **Aviva**, the UK's leading insurance, wealth and retirement provider, to transform Aviva's UK life business and enhance customer experience leveraging the **TCS BaNCS™** platform. As part of this, the end-to-end policy administration and servicing will expand to cover over 5.5 million policies.

Announced a **final dividend of ₹28 per share**, taking the total dividend for the year to ₹**73** per share. The company also completed its fifth successful buyback returning ₹**17,000 crore** to shareholders, wherein the buyback process was completed in record time of **63** days. The **total shareholder payout** for the year was ₹**47,445 crore**.

Recognized as a **Global Top Employer** by the **Top Employers Institute** for the ninth consecutive year, for TCS' pioneering employee engagement and talent development initiatives. TCS was also named a top employer in **32 countries** and regions, including Europe, the UK, the Middle East, North America, Latin America, and South-East Asia.

Ranked the **#1 IT service provider for customer satisfaction in Europe** in an independent survey of over 2,000 CXOs of the continent's top IT spenders by **Whitelane Research**, for the **11<sup>th</sup> consecutive time**. The study also revealed that TCS demonstrated an 'exceptional' level of performance across five key IT domains: Digital Transformation, Workplace Services, Security Services, Application Services and Cloud Services, where TCS scored more than **80%**, and maintained a healthy lead compared to industry average scores.

Launched an **AI Experience Zone** to foster hands-on proficiency in AI and GenAI for its employees. Within this immersive environment, TCS employees can explore, engage, and experiment with cutting-edge GenAI-powered applications, creating innovative use cases, with all necessary guardrails and while upholding Responsible AI principles.

Launched **TCS Pace Port™ London**, the company's sixth global research and co-innovation hub, which is set to become a dynamic center for cutting-edge technology research and development in the region. The Pace Port will focus on innovation across a cross-section of industries, government priorities and critical national infrastructure while creating an ecosystem of experiences.

Featured on **FORTUNE® Magazine's 2024 list of the World's Most Admired Companies**, also featured in the **Forbes Global 2000 Rankings of the largest companies** in the world.

From Fortune, ©2024 Fortune Media IP Limited.  
All rights reserved. Used under license.

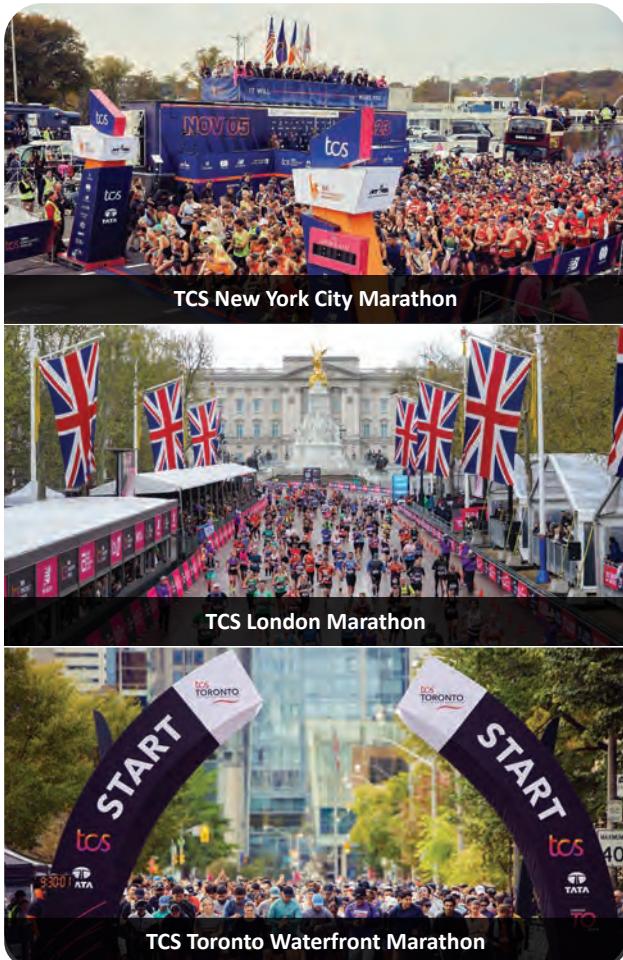

Ranked the **second most valuable IT services brand** (brand value up **11.5% to US\$19.2 billion**) by **Brand Finance**, with the incremental **US\$2 billion** growth being the highest absolute growth posted among the Top 25 leading IT firms in the world.

Former Executive Director, **Phiroz Vandrevala**, passed away in January 2024. He was a key part of the leadership team and made many significant contributions, such as being part of the efforts to take TCS public in its IPO in 2004, opening-up new markets, mentoring a new generation of TCSers, and in building a strong foundation for the company in the life and pensions industry.

Enabled Europe's most modern post-trade platform with **Euroclear Finland**, the national central securities depository of Finland, to integrate its core platform with the European securities settlement engine. This transformation program ensures easier cross-border settlements for investors in Finnish securities, attract more investment into the country, improve access to capital for Finnish issuers and also reduce cross-border settlement risks and costs for investors.

Sponsored 13 running events through the year, including the **TCS New York City Marathon**, **TCS Amsterdam Marathon**, **TCS London Marathon**, **TCS Toronto Waterfront Marathon** and **TCS Lidingöloppet**, where total distance covered by the runners crossed more than 80 million miles.

Partnered with **Macquarie University** to launch the **TCS GoZero Hub**, a research and innovation center to guide Australian organizations in their journeys towards **net zero carbon emissions**. Aligning with the central themes of COP28, this hub will focus on five core themes – *energy transition, carbon management, nature positive future, circular economy and sustainable waste management, and climate adaptation and resilience* – and how to limit and prepare for future climate change. The TCS GoZero Hub will also support education pathways, providing relevant skills and knowledge to prepare students for successful, future-focused careers.

Professor Dan Johnson, Pro Vice-Chancellor – Research, Innovation and Enterprise, Macquarie University; K. Krishivasan, CEO & MD, TCS; and Girish Ramachandran, President, TCS Growth Markets at the launch of the TCS GoZero Hub in Sydney.

Paid tribute to the passing away of **Mr. Y P Sahni**, one of the members of the original founding team at TCS, who laid the foundations of the company and served as the President till his retirement in 1996.

Signed a multi-year partnership with **ASDA** in a divestiture and digital transformation deal, to help implement a new organization-wide IT operating model, following its divestiture from Walmart. The strategic partnership will leverage TCS' cloud, AI, and security solutions to help ASDA deliver the divestiture smoothly, on-time and securely, in addition to further enabling ASDA in enhancing its customer experience and innovation capabilities to help increase their market share and retain price leadership.

Selected by **TPG Telecom**, Australia's leading telecommunications company, as a strategic technology transformation partner, to simplify and streamline internal systems and platforms, enhance customer journeys and products, and increase digitisation. This will help TPG Telecom become Australia's best digital telco by delivering great value connectivity services to end customers.

Selected by **ASX**, Australia's primary securities exchange to provide a next generation clearing and settlement platform to service the Australian market. TCS will leverage its flagship product TCS BaNCS for Market Infrastructure to enable the transformation, replacing ASX's existing platform for cash equities clearing and settlement.

Partnered with **The Munch Museum** in Oslo, to create immersive and interactive drawing experiences for local visitors and global audiences. Scientists from TCS Research will leverage their expertise in AI and Machine Learning to bring Edvard Munch's artworks and creative process to life through the power of digital innovation. TCS will also provide IT consultancy, collaborative workshops, and talent exchanges to help create immersive museum experiences that showcase the future of art.

Partnered with **SIX**, the operator of the Swiss and Spanish financial market infrastructures, to transform its post trade market infrastructure, which offers greater flexibility, security, and ease of maintenance and its modern, cloud-ready architecture can also integrate more easily with digital

ecosystems, opening-up possibilities of innovative new products and services. The program is more scalable and currently processes more than 4 million transactions per day, covering more than 60 global markets.

The signing of the Swiss Securities Clearing Corporation (SECOM) deal in 1989, marked TCS' entry on the global stage, competing with a select set of large consulting firms for executing large, complex programs involving deep domain expertise. SIX' mission critical core platform was originally built by TCS, and was one of the world's first online real-time settlement systems.

**Q2**  
Selected by **BSNL**, state-owned telecom operator of Government of India, to roll out a modern 4G/5G mobile communication infrastructure across India covering 100K telecom sites, as part of its efforts to build indigenous telecom technology and local manufacturing of the telecom gear.

Partnered with **JLR**, a large UK based multinational automobile company, to accelerate digital transformation across its business, TCS will deliver a broad range of services spanning application development & maintenance, enterprise infrastructure management, cloud migration, cybersecurity, and data services. TCS will help JLR transform to a leaner and scalable operating model with a future-ready digital core, by leveraging new technologies to transform IT operations and adopting new ways of working.

Chosen by **British Council**, the UK's international organization for educational opportunities and cultural relations, to transform its professional services function that includes Finance, Procurement, Human Resources and Digital & Technology. TCS will leverage its contextual knowledge, deep domain expertise and proprietary platforms to help develop more innovative and user-friendly services. The partnership will also enable the British Council to focus on improving the quality and efficiency of services, ultimately leading to an enhanced customer experience.

Selected as a strategic partner by the **Government of India** to transform the **Government e-Marketplace (GeM) platform**, into a world-class platform. The project will enable growth and scale, improve inclusivity for MSME enterprises, enhance data analytics for improved supply-chain operations and provide enriched user experience through innovation and domain expertise of TCS.

Partnered with **Dassault Systèmes** through its **Living Heart Project** that unites an ecosystem of cardiovascular researchers, educators, medical device developers, regulatory agencies including US FDA, and practicing cardiologists, to develop and validate realistic digital simulations of the human heart. The TCS Bio Digital Twin is a biophysics-based high-fidelity computational model developed by TCS' researchers, to enable investigation of the function of a particular human organ remotely and non-invasively.

- Created the first-ever digital heart of long-distance runner, two-time Olympian, and Boston Marathon champion Des Linden. The twin will help see, measure, and monitor the heart going through significant stress—and predict with high accuracy how it will perform, to transform how the athlete trains.

## Q1

Selected by **Nest**, UK's largest workplace pension scheme, to digitally transform its scheme administration services with a future-ready, digitally enabled, omnichannel platform powered by TCS BaNCS™. TCS will leverage the latest technologies and data analytics to deliver enhanced, personalized, and self-directed experiences to members. This will enable Nest's 12 million members and 1 million employers to access the right information at the right time, in the way that suits them best.

Awarded a 10-year contract by the **UK's Department for Education (DfE)** to manage the scheme administration services and further enhance customer experiences for the **Teachers' Pension Scheme in England and Wales**. TCS' future-ready, digitally enabled, omnichannel platform, powered by TCS BaNCS™, will enable accurate administration of pension records, payment of benefits, effective scheme finance management, proactive member engagement and easy access to information.

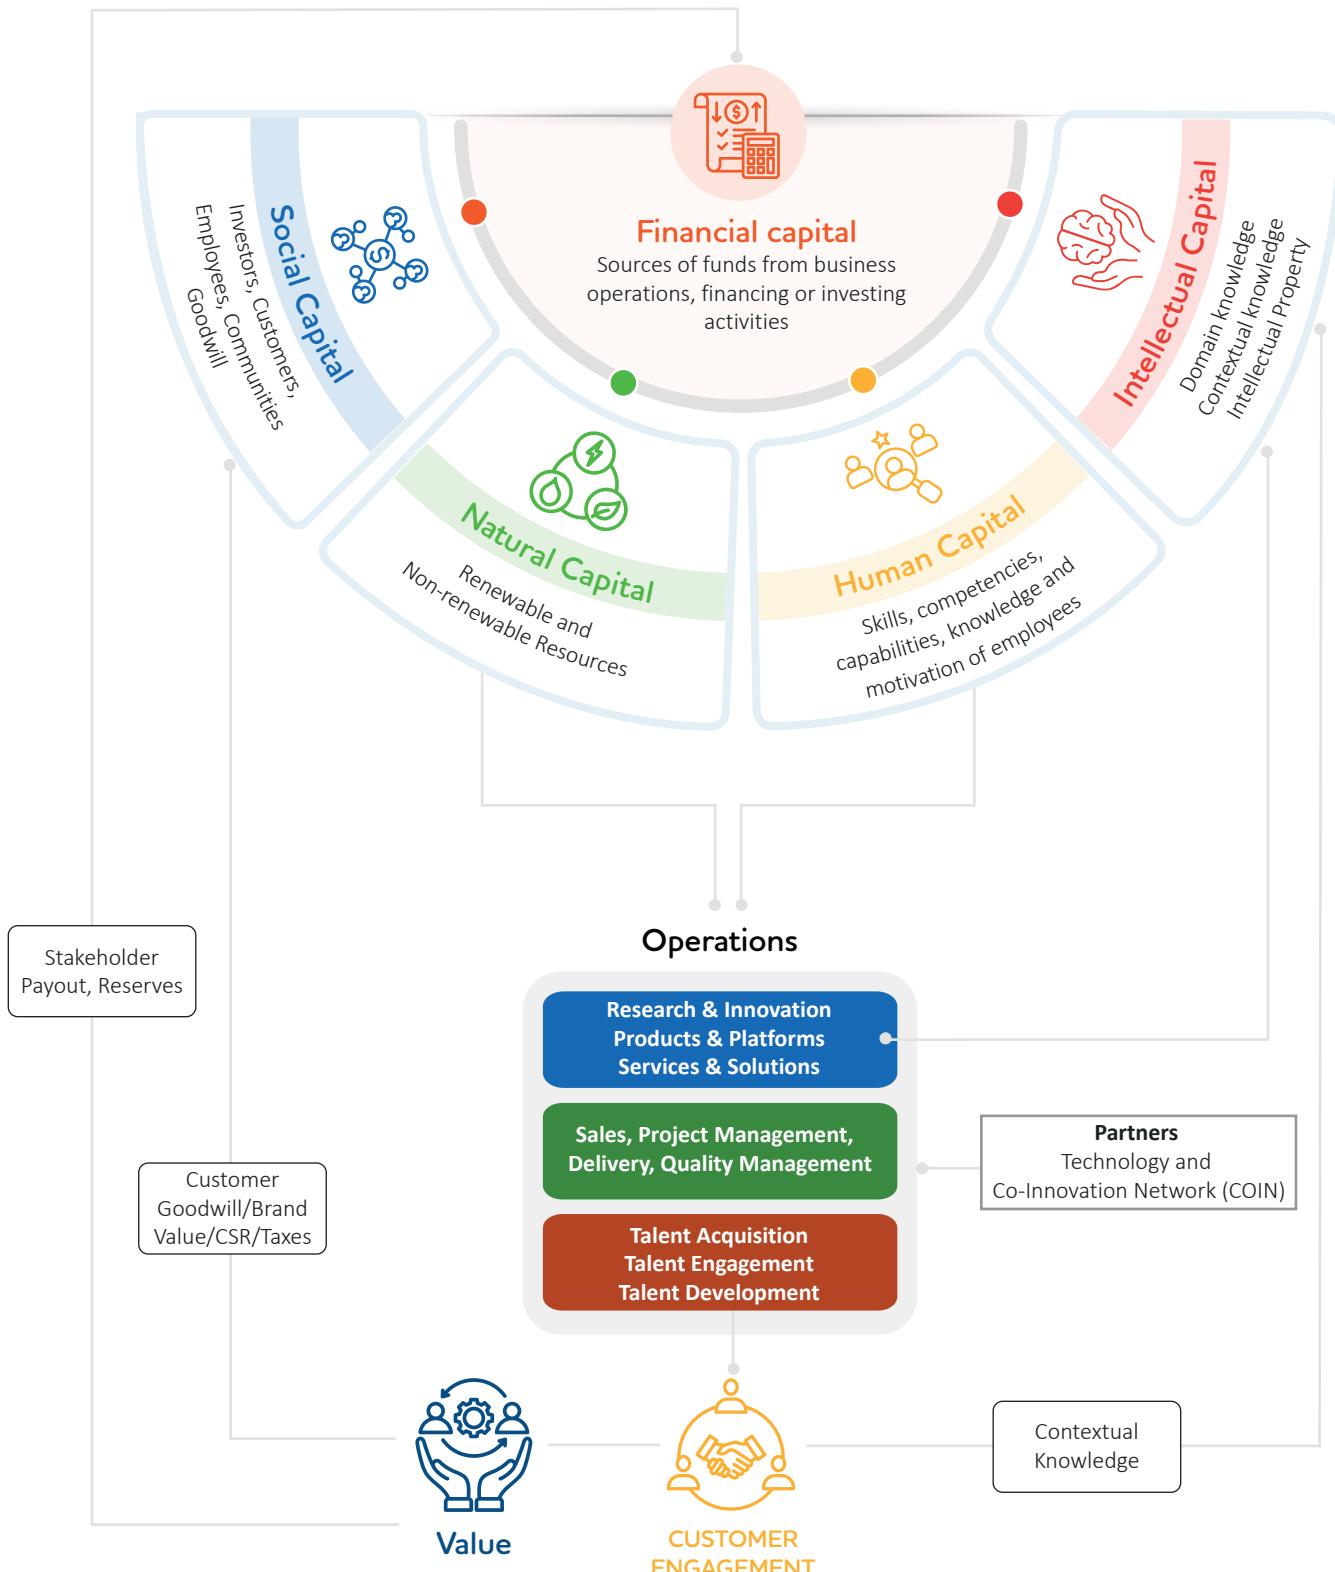

Engaged by **Standard Life International DAC**, a wholly owned subsidiary of the Phoenix Group, to transform its operating model and enhance the customer experience for its policyholders in Europe, using the TCS Digital Platform for Life and Pensions, powered by TCS BaNCS. TCS will set up a customer operations center in Germany, and a future-ready Life and Pensions Digital Platform for Germany and Austria. As part of the transformation, TCS will create comprehensive, omnichannel, journey-based digital experiences for policyholders and advisors.

Celebrated 20 years in Mexico by inaugurating a new office in **Monterrey**, becoming TCS' **ninth office** in the country overall, with a state-of-the-art building which is one of the tallest in the cities. TCS serves more than 250 clients out of these centers.

# TCS Integrated Business Model

## Value Creation using the Five Capitals

# Financial Capital

TCS' longevity is a testimony to the strength of our business model and our ability to reinvent ourselves in an ever-evolving technology landscape to stay relevant to our customers while remaining focused on creating value for all our stakeholders.

## Outcomes

- Best in class profitability and strong balance sheet provide greater ability to invest in newer capabilities and to weather economic downturns
- Superior Return Ratios
- Sustained long term cashflow
- Consistently high shareholder returns

Purposeful AI

Computing Futures

Digital Sciences

Sustainable Futures

### Physical Sciences

- Meta Materials for Communications
- New Materials Formulation
- Li-ion Batteries
- Catalysis
- Effluent Treatment

### Behavioural and Business Sciences

- Emotional Wellbeing for Enterprise
- Consumer Behavior in Retail
- Gamified Engagement and Learning
- Understanding Personae in Connected Homes

### Life Sciences

- Generative Design in:
  - Drug (including vaccines and proteins) design and synthesis
  - Molecules, Formulations and Manufacturing Processes

### Computing / Data Sciences

- Generative AI
- High Performance Computing and AI
- Multicloud deployments
- Cyber Cloud- Data Residency, Compliance, Security- Resilience on Cloud
- Low Energy Hardware, Low Energy High Performance Computing
- Edge Hardware for Compute and Communication
- Quantum Communications
- Robo Logistics
- Learning Aided Adaptive Software
- Digital Transformation for Applications
- AI in Software Development Lifecycle and Data Analytics
- AI for Cybersecurity
- Privacy preserving Service Operations, Privacy preserving Biometrics, Trustworthy AI
- Remote Sensing Spacetech for Sustainability and Infrastructure
- Energy Internet and Carbon Market
- Sustainability in Manufacturing, Carbon Capture, NetZero Transition and Renewables

# Products and Platforms

## tcs BaNCS™

- 29 new wins and 38 go-lives in FY 2024, including 5 large insurance platform wins
- Services more than 30% of the global population for Banking, 100+ Countries covered
- 8 out of top 10 custodian and asset management firms run on TCS BaNCS
- Largest independent solution provider in financial market infrastructure, serving over 20 countries with mission critical systems
- Market leader in Indian brokerage and trading system, with 35% volume market share, across front, back office, risk and professional clearing
- Largest BpaaS provider, delivering digital transformation to the UK Life & Pension industry, serving 1 in 3 UK citizens
- Services more than 140 million property and casualty policies globally; also leading India's general insurance segment

- Market leading autonomous enterprise platform encompassing unified observability, AI platform and end to end closed loop automation
- 130+ deals closed, 20 new customers went live in FY 2024 with AI and GenAI use cases
- Business Health Monitoring (BHM), Business Transaction Monitoring (BTM), hybrid and multi CloudOps with FinOps capabilities

## tcs iON

- 425+ new wins in FY 2024
- 65 million candidates assessed
- More than 2,900 question papers delivered in FY 2024, 54% increase YoY
- Over 3,100 corporates have access to fresher talent pool through TCS iON NQT

## tcs ADD™

- Comprehensive suite, powered by AI, for digital transformation of drug development and clinical trials
- 1250+ studies onboarded by TCS ADD Platform
- More than 1 million adverse event case processed by TCS ADD Platforms using AI.
- 2 new wins and 4 go-lives in FY 2024

## tcs HOBS™

- Plug and play SaaS based business platform to digitally transform business, network and revenue management domains of subscription-based businesses
- 3 new wins and 5 go-lives in FY 2024

## tcs Optumera™

- AI /ML powered merchandise optimization platform that enables retailers to unlock exponential value by optimizing space, mix, price in an integrated manner
- 1 new win in FY 2024

## tcs TwinX™

- AI powered enterprise digital twin covering customer, product and process to help business leaders simulate and optimize enterprise decisions, predict and proactively manage outcomes
- 13 new wins and 8 go-lives in FY 2024
- Helps businesses achieve:
  - Enhanced and accelerated cashflows upto 10%
  - Upto 10-15% increase in revenues
  - Upto 2X faster time to market
  - Build a sustainable competitive advantage
  - Enhanced customer experience
  - Improved asset utilization by 5%

## tcs OmniStore™

- AI powered composable commerce platform that provides a unified, personalized and 'always on' checkout experience for shoppers across channels, helping businesses roll out omnichannel customer journeys and new services quickly without worrying about channel constraints
- 2 wins and 1 go-live in FY 2024

## tcs MasterCraft™

- Digital platform to optimally automate and manage IT processes.
- GenAI driven digital products to optimally and securely modernize legacy applications and data.
- Processed 325 billion records for data privacy and 15 billion records for data quality
- Automated generation of 60+ mn lines of Java and JavaScript code, with over 50% productivity gains
- Analyzed 600 million lines of legacy code, delivering a productivity improvement of 20-30%
- 110 new wins in FY 2024

## jile

- Scalable Agile DevSecOps platform to accelerate software development and delivery
- 29 new wins in FY 2024

## QUARTZ

- Business solutions, foundational technology and tools that bring together combinatorial power of next-gen technologies including DLT/AI, across varied industries like BFSI, Supply Chain, Energy, Utilities and eGovernance.
- 6 new wins and 3 go-lives in FY 2024

# Social Capital

TCS' business model and strategy have resulted in fostering long term relationships with its customers, suppliers, a highly skilled workforce, continuous increase in market share, maintain integrity and strong ethics as a responsible corporate citizen and transform industries through a proven track record in longer term value creation. All of this has significantly enhanced the company's brand value, which is a quantifiable measure of its social capital with stakeholders.

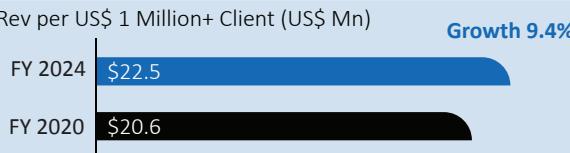

## Customers

Customer-centricity is at the core of TCS' business strategy. It seeks to deliver superior outcomes, and build strong, enduring relationships. By proactively investing in building newer capabilities, and launching new services and solutions with which to add value in newer parts of the client's business, TCS continually expands and deepens its client relationships.

### Large Client Metrics

### Rev per US\$ 1 Million+ Client (US\$ Mn)

TCS hosted customer summits across North America, Europe, Japan and APAC, bringing together distinguished C-suite executives, partners and thought leaders, with the focus shifting to face-to-face interaction and collaboration in FY 2024.

## Shaping our journey together

K. Krishivasan  
CEO & MD, TCS

## Outcomes

- Expanding participation across broad range of stakeholders across the enterprise including business heads, CMOs, CROs, COOs, CFOs and even CEOs
- Continual expansion of customer relationships in terms of services consumed
- Highly satisfied customers

## Investors

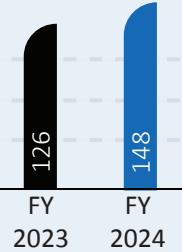

TCS is seen as a benchmark in its outreach to investors, its transparency and disclosures, and communication of its longer-term strategy. For the last many years, its Investor Relations program has been winning awards based on surveys of investors and analysts across Asia.

## Industry Analysts

TCS has a robust engagement program with research firms and industry analysts. Briefing industry analysts and participating in competitive assessments ensures visibility with prospective clients who use such reports to evaluate vendors.

### Assessment in which TCS was ranked a Leader by Research Firms

## Branding

TCS posted the highest growth in brand value in the IT Services sector this year, increasing the value of its brand by US\$ 2 billion according to **Brand Finance**. Its current brand valuation of **US\$ 19.2 billion** cements its position among the Top 2 Brands globally in its industry. The Kantar BrandZ 'Most Valuable Global Brands 2023' report also ranked TCS among the Top 50 brands globally, across all industries.

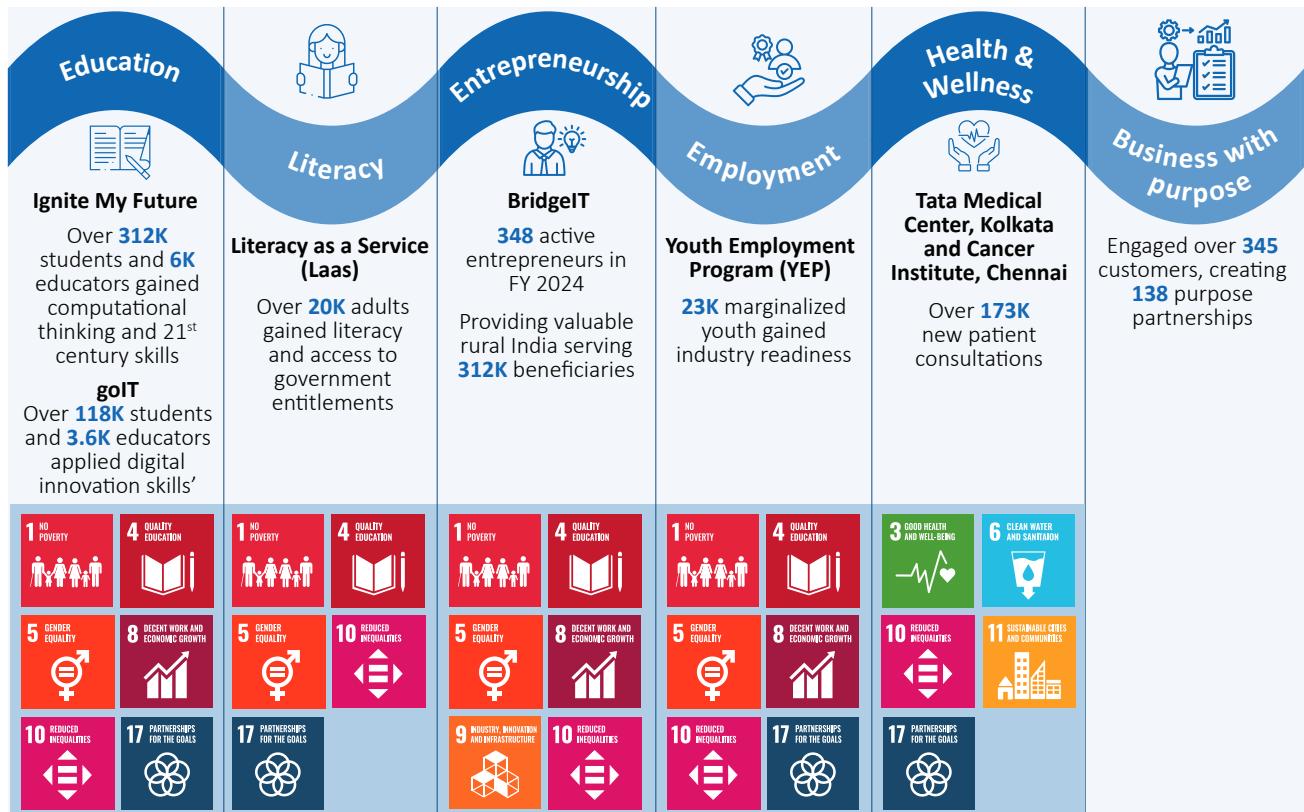

### TCS Brand Valuation

# Natural Capital

TCS combines its strong sense of purpose with digital expertise and innovation to drive not only its own sustainability journey, but also that of its customers, business partners and stakeholders.

The company's environmental stewardship rests on four pillars: carbon footprint mitigation, water conservation and recycling, waste reduction and recycling, and preserving biodiversity.

## Energy Management and GHG Emissions Reduction

### Target:

70% reduction of Scope 1 + 2 emissions by 2025 (vs base year 2016) and Net Zero by 2030

### Initiatives for reduction of Scope 1 and Scope 2 emissions:

- Energy Efficiency and Optimization
  - New campuses designed as per green building standard and innovative technology used.
  - Optimize operational energy efficiency with real-time monitoring and controls.
  - Upgrade legacy equipment/utilities
- Green IT
  - Procurement of energy efficient IT equipment.
  - Data center and distributed IT power management.
- Greater use of Renewable Energy
  - Maximize roof top solar capacities and RE procurement.

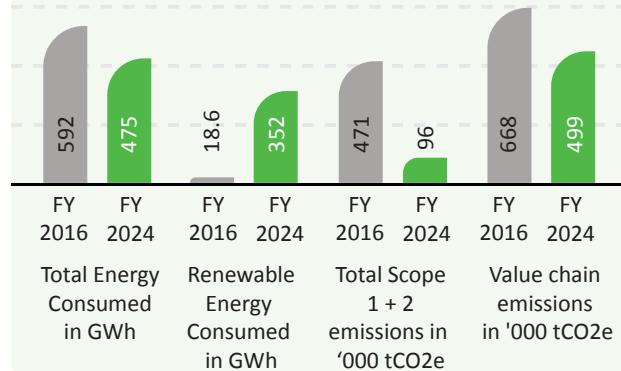

### Initiatives for reduction of Scope 3 emissions:

- Employee Commute:
  - Transition to transport fleet of cabs and buses with EV.
  - EV charging facility for private vehicles of employees.
  - Employee engagement for use of public transport.
- Business Travel:
  - Reduce business travel through use of collaborative tools and technology.
  - Use of flights having sustainable aviation fuel (SAF) or other options, as and when these are commercially available.

### Outcomes

Reduced Energy Consumption and... ...Increased Use of Renewable Energy... ... reduced TCS' Carbon footprint.

20% ↓ 19x ↑ 80% ↓ 25% ↓

## Achievements

We have reduced our absolute carbon footprint across Scope 1 and Scope 2 by 80% in FY 2024 over a baseline of 2016, exceeding our target achievement by 10%, one year ahead of time

**67.3%**

% total office space (for India) as per Indian Green Building Council standards.

**74%**

Renewable energy as % of total energy consumed

**1.7 PUE**

weighted average PUE at TCS data centers

**10.2 MWP**

Rooftop solar generation capacity across TCS campuses

## Water Conservation

### Target:

3% YoY reduction in freshwater consumption across owned campuses

### Initiatives:

Initiatives include conservation, sewage treatment and reuse, rainwater harvesting (RWH) and employee awareness. All new campuses have been designed for higher water efficiency, treatment and recycling of sewage, and rainwater harvesting.

## Waste Reduction and Reuse

### Target:

Reduction in waste generation, maximizing recycling and reuse to divert waste to landfill

Maximize recycling of all recyclable waste like e-waste, office paper, packaging and plastic wastes

**95%**

Food waste treated in biodigesters and organic waste converters in owned campuses

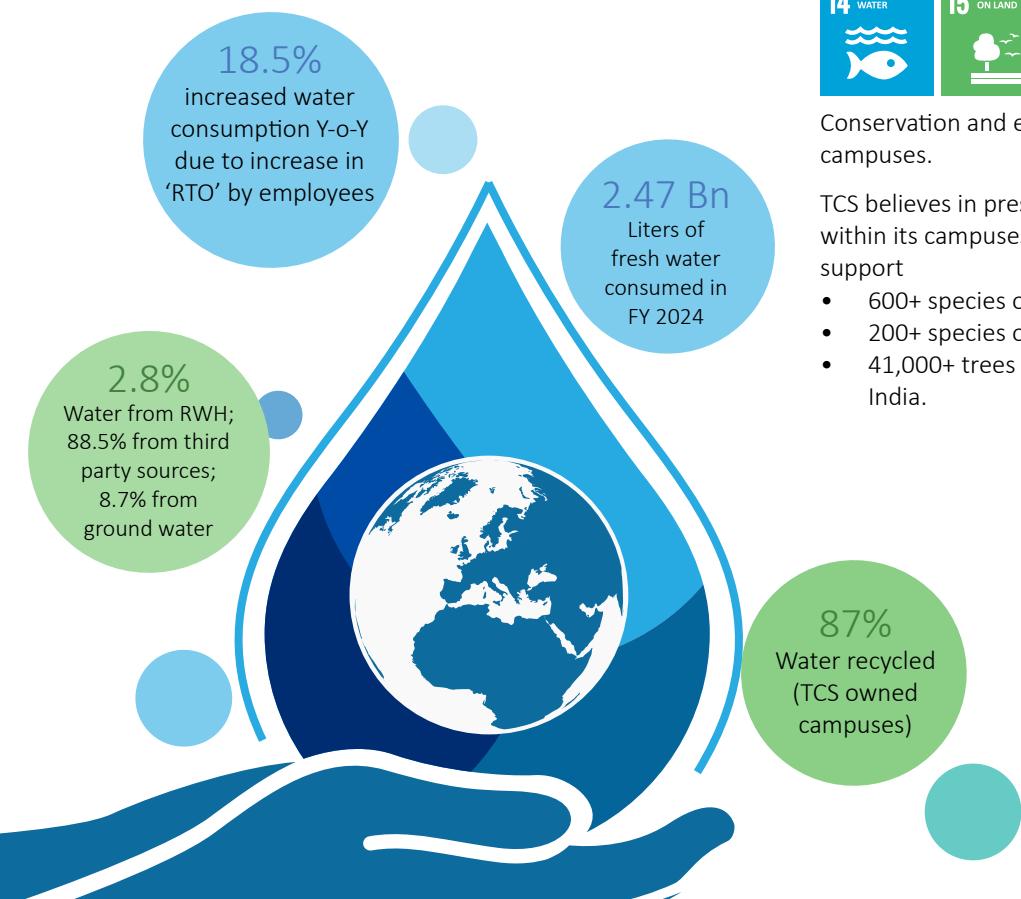

## Biodiversity

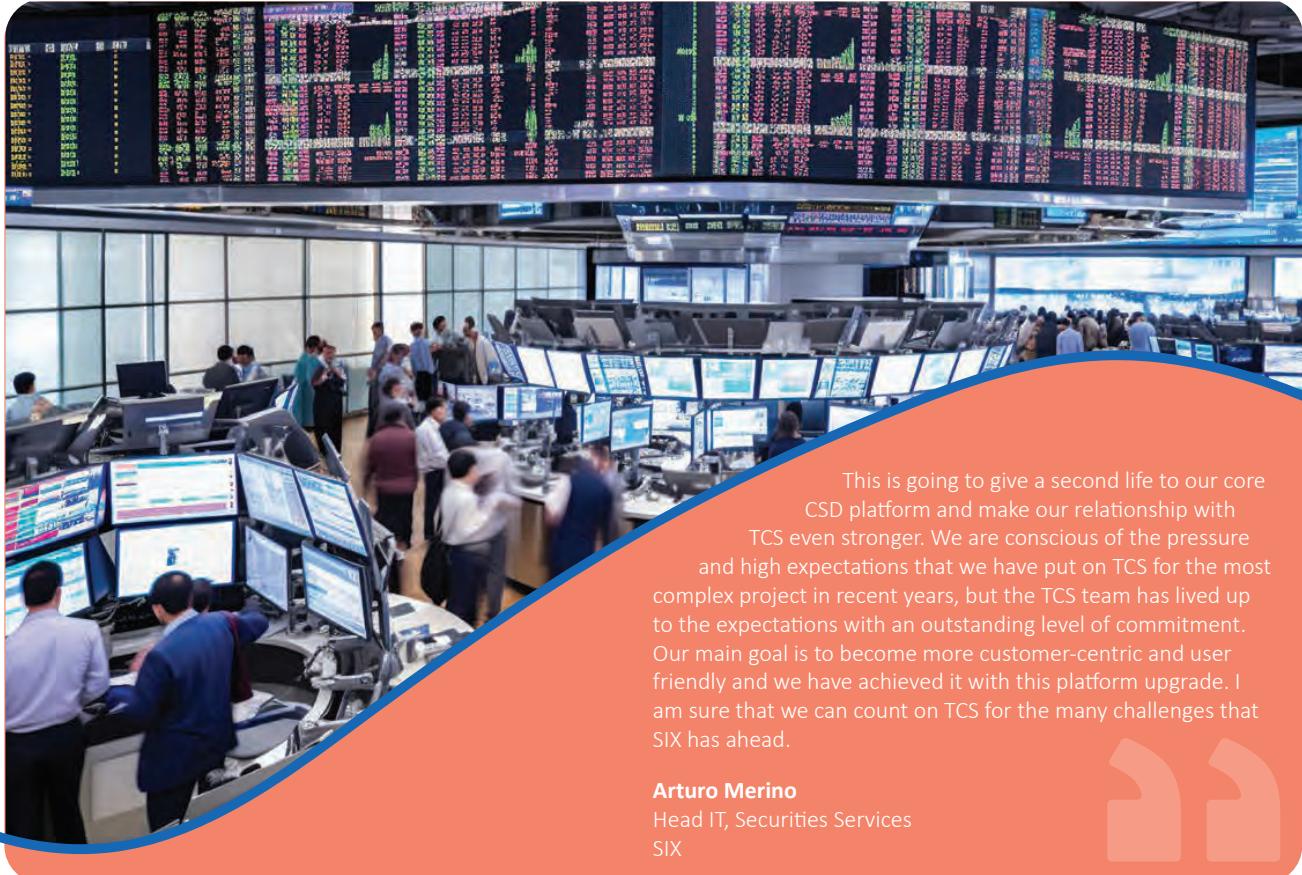

Conservation and enhancement initiatives within TCS campuses.

TCS believes in preserving and enriching the biodiversity within its campuses. Various initiatives have helped support

- 600+ species of flora
- 200+ species of fauna
- 41,000+ trees present across 18 TCS campuses in India.

## Trading old for new: SIX unveils an advanced post trading platform

With 13,500 trade legs per minute, 13 million transactions per day and few trillion USD worth of securities in custody, SECOM is the electronic post trading system used by SIX for automated processing and settlement of transactions. Built by TCS, SECOM was one of the world's first real-time gross settlement (RTGS) systems and formed the backbone of the Swiss capital market. But can a three-decade old system meet the strenuous demands of modern times? TCS and SIX both knew the answer was 'no'. SIX decided to embark on a journey of transformation yet again, backed by three decades of relation and trust it shares with TCS.

Back in 1990, when SIX was looking to enhance the scalability of its batch system to meet the market demands of the future, TCS proposed a new platform called SECOM. This platform would be real time, cutting-edge, scalable, and modular with robust architecture. Enabling straight-through processing, it was amongst the most sophisticated systems of its time. Over the years, TCS continued to manage this system for SIX.

Three decades later, SIX partnered with TCS to accomplish another mega feat. TCS executed a PoC to demonstrate the

This is going to give a second life to our core CSD platform and make our relationship with TCS even stronger. We are conscious of the pressure and high expectations that we have put on TCS for the most complex project in recent years, but the TCS team has lived up to the expectations with an outstanding level of commitment. Our main goal is to become more customer-centric and user friendly and we have achieved it with this platform upgrade. I am sure that we can count on TCS for the many challenges that SIX has ahead.

**Arturo Merino**  
Head IT, Securities Services  
SIX

feasibility of modernizing the existing system. TCS showed how this transformation would serve SIX for decades to come – making it more efficient, enabling speed and growth for the firm. Placing trust in TCS' execution capabilities, SIX decided to go ahead with the transformation. Thus, the next journey from mainframe to an open and more resilient system began.

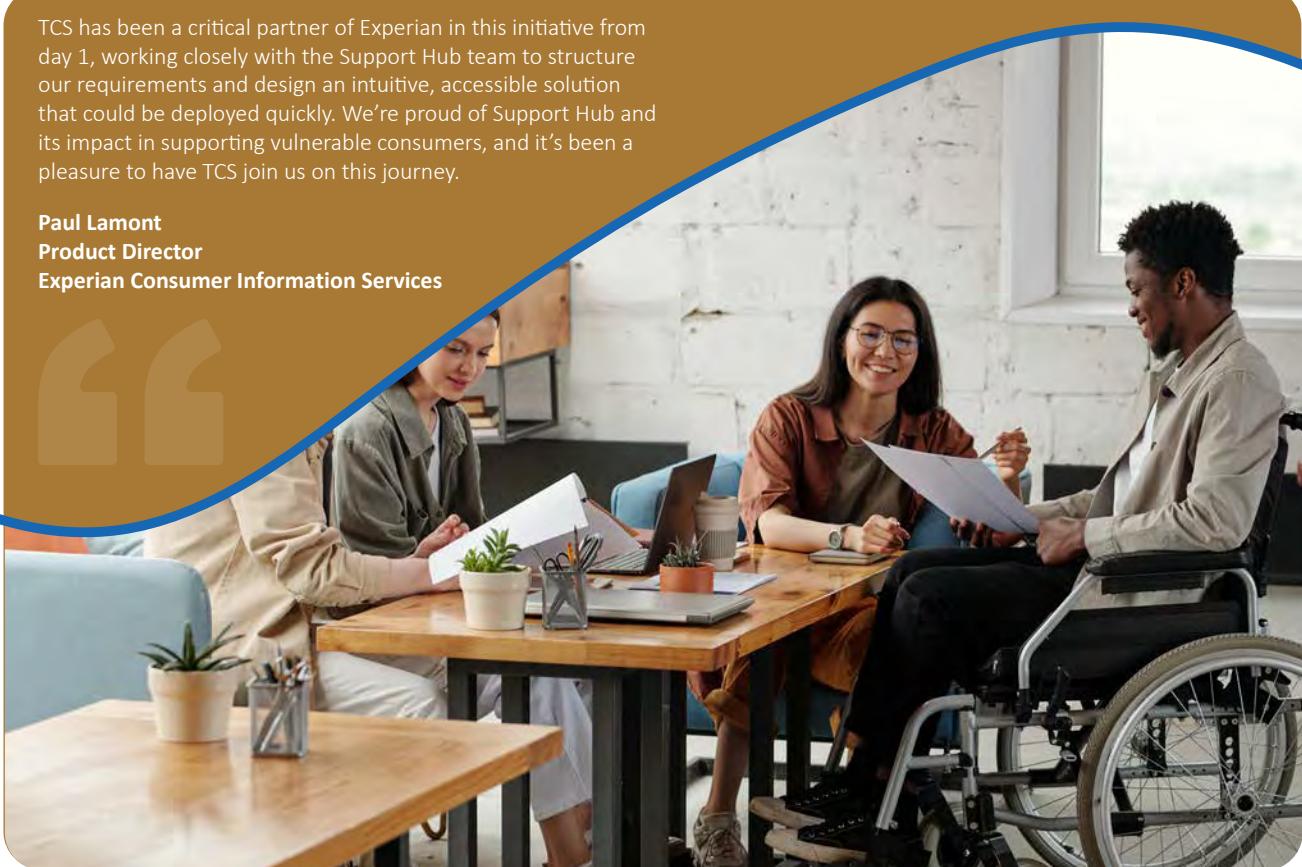

To take this forward, TCS tapped into its design labs to create a platform that reimagined the user experience and enabled faster response to queries. TCS was able to fast-track this development with an ingenious automation solution which migrated over 500 billion records in record time, saving 10-12 months' time from the overall process.

The flexible, secure, and cloud-ready platform is economical and makes SIX' internal operations and process more efficient. The ability to customize individual post trade processes depending on market requirements in different parts of the world has set SIX on a steady path of growth and expansion. With this new and advanced system, SIX became more modern, up to date and market-friendly – boosting customer-centricity and overall competitiveness – and maintaining its pole position in the Swiss financial market.

TCS has been a critical partner of Experian in this initiative from day 1, working closely with the Support Hub team to structure our requirements and design an intuitive, accessible solution that could be deployed quickly. We're proud of Support Hub and its impact in supporting vulnerable consumers, and it's been a pleasure to have TCS join us on this journey.

**Paul Lamont**  
**Product Director**  
**Experian Consumer Information Services**

## Shaping a future of accessibility and financial inclusion

With a commitment to empower all individuals to access financial services equitably, Experian PLC, a global leader in consumer and business credit reporting services, has taken a significant step towards bridging the gap in financial inclusion for differently abled people in the UK.

As the Dublin, Ireland headquartered company helped differently abled people take control of their credit with complete access to their data and offers, it discovered that this demographic is mostly under-served. Organizations across utilities, retail and banking are not aware or not able to cater to their support needs effectively, providing the company an opportunity to get closer to its customer and deliver more accessible products and services.

With TCS as a partner, Experian developed the Support Hub to help vulnerable people get easier access to essential services like banking, utilities, telecom and retail. For the first time, consumers can disclose their support needs to multiple organizations at the same time and have complete control over their data with an intuitive and accessible UX designed exclusively for them.

Leveraging the TCS Pace™ and TCS Accessibility Centre of Excellence from design to testing, Support Hub is instrumental in improving Experian's user engagement. The Experian Support Hub allows people to share their support needs with multiple service providers in a simple, standardized way. For instance, the end customer can now define their needs like requesting statements in Braille or getting longer appointments or more support when visiting a branch.

Through this unique initiative, Experian has been able to expand its partner ecosystem which will help them enter new markets and make a pivotal advancement in fostering financial inclusion. By 2030, Experian aims to help seven million consumers connect with over 200 organizations.

## Connecting India, Faster: BSNL 4G/5G Network roll-out

In response to the Government of India's '*Atmanirbhar Bharat*' call, TCS collaborated with Centre for Development of Telematics (C-DOT) and Tejas Networks Limited (Tejas) to design and develop an indigenous telecom stack. This complex initiative was undertaken with significant efforts to design the equipment, establish a lab and testing infrastructure of scale besides building the entire manufacturing ecosystem in India. The resultant solution of EPC Core, RAN, IMS, and the cognitive NMS was proven by integrating it in the state-owned Bharat Sanchar Nigam Limited's (BSNL) existing network through a well-structured proof of concept. The indigenously designed equipment are programmable and the overall network will be 'Software Defined' and highly configurable. With this, India became only the fifth country in the world to have developed this complex technology end to end.

Post the satisfactory evaluation of the indigenous telecom stack, BSNL awarded TCS the mandate to supply, install and commission the pan India 4G/5G mobile network across 100,000 sites. The contract involves the following key dimensions:

- Establishing modern cloud native data centers with geographical redundancies for each of the four zones and about 30+ edge data centers closer to the clients.

- Deploying the EPC Core and IMS software supplied by C-DOT integrating it with the existing BSNL landscape in a high scalable cloud architecture along with TCS' Cognitive Network Operations (CNOps) to efficiently manage and configure the network.
- Install, commission, and optimize the Radios (RAN) meeting the specifications of BSNL and global standards, supplied by Tejas.
- Extend Operations and Maintenance support to the network on an on-going basis.

This project is governed as a 'mission-mode' project by TCS, BSNL and the Department of Telecommunications. As of April 2024, TCS has delivered 11,000 sites and are well on its way to complete the roll-out by end of this year. BSNL has already added to the scope another 22,000 sites to further densify the coverage and to include 'saturation' sites. This is to ensure digital inclusivity to rural and remote areas of India.

This is a historic and significant leap towards bridging the digital divide, ushering in the benefits of a powerful voice and data network to all corners of the country. With this, TCS along with its partners is enabling BSNL to enhance its competitiveness, increase revenues, offer a compelling enterprise proposition, and explore new business opportunities.

## A joint venture gives rise to a digitally powered insurance firm

What happens when two companies with a shared vision join forces? We have a greenfield insurance firm that is digital-first, always available and provides gold standard customer experience to its members.

Irish bank, AIB and Great West Life Co entered a joint venture to transform the life, pensions, and investment market in Ireland. They also wanted to address the 35% gender gap in pensions. TCS was selected as a strategic partner for the newly launched AIB life in Ireland, including greenfield operations set up in Letterkenny. TCS helped create a modern, cloud-based technology stack from the ground up with its unique insurance-in-a-box solution.

In Ireland, insurance offerings mainly follow a tiring process where the sales process can take weeks. TCS and AIB life re-imagined the entire journey, with a digital first ambition and customers at the heart of everything.

The entire system was built on a public cloud. The scalable, resilient, and future-ready system was up and running within 15 months and AIB life had exceeded 5,000 new policy sales by the end of 2023.

A dedicated, cloud-enabled contact center and back-office in Ireland supports AIB life's operations – allowing their distributor to advise customers on 12 different product offerings. Further differentiated products are envisaged to enable AIB life to respond to market changes.

TCS continues to support the firm in its mission of creating truly omnichannel experience, while handling 100+ policy activations on an average day, with self-service capabilities and straight through processing.

After an extensive review of the market, it was clear that TCS' contextual industry knowledge, European cloud-based technology and global delivery team based in Letterkenny was a great fit for us. As we build and scale what is a new greenfield life company, it is key that we start on a foundation of cutting-edge technology, and from the outset, establish a digital business with a partner that shares our vision, with the capacity and experience to back our ambition to build our new company at pace, while being committed to delivering the very best for our customers. In addition, TCS' investment in Ireland through their Global Delivery Centre in Letterkenny, from where we are servicing AIB life customers, enables us to deliver customer service excellence as we support the financial wellbeing of our customers, their families, and their businesses. Being able to do that from within Ireland was particularly important.

**Bryan O'Connor**  
Chief Executive Officer  
AIB life

# AI for Business Study

## From potential to performance by design

The advent of GenAI expands the arc of traditional machine learning and AI, which is one of recognition and reasoning intelligence, to create an operative intelligence that partners with humans to create new possibilities and new opportunities that have the potential to dramatically reshape business. Today's AI delivers far more than just cost savings or improvements in productivity or quality. When combined with human creativity and strategic thinking, companies can continuously improve

customer value chains through differentiation and consistent, high-quality organizational output designed to deliver elite outcomes. The recent GenAI technology revolution has taken the world, including business, by storm. The advent of GenAI tools raises the potential of "traditional AI" to a new level for TCS clients, especially those seeking to embrace a strategic approach to its adoption and integration.

**To understand how companies are approaching AI in the next few years, the TCS Thought Leadership Institute surveyed nearly 1,300 CEOs and senior executives in large cross-industry enterprises in 24 countries.**

### Survey highlights and takeaways

Executives weigh in about the potential impact of AI on their business

are excited or cautiously optimistic about AI's potential impact.

Assessing the best approach to AI adoption

want to take a strategic approach to AI, whether it's an AI-first or business-model-first approach to maximize benefits to their companies.

Many employees will come to rely on GenAI in the near future

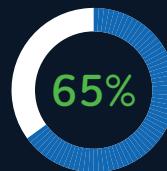

think up to half their employees will be using GenAI daily in the near future.

AI impact on revenue streams

are already using AI in some way to enhance current revenue streams or to create entirely new revenue streams.

AI's impact on organizations' competitive positioning and decision-making

say human strategic decision making, intuition, and creativity will remain essential to their company's competitive advantage.

AI impact to strategy and operating models

are reworking or planning to rework their company's strategy, operating model or offerings to extract the most benefits from and to mitigate any risks of AI implementations.

Current focus of AI is innovation

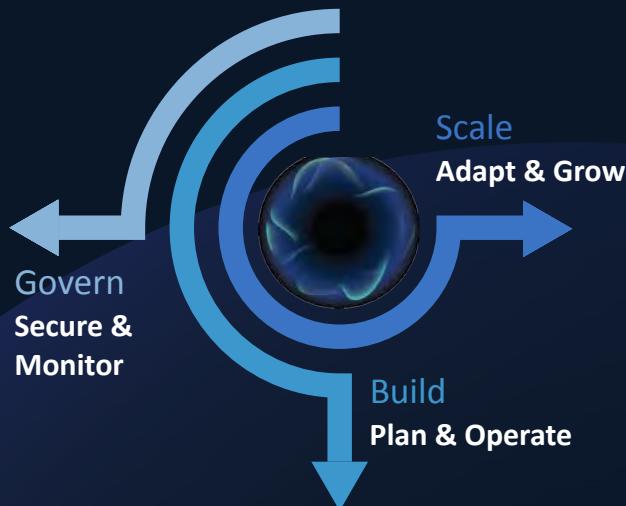

are more focused on using AI to spur innovation than on lowering costs and optimization.

### Top 3 challenges to AI adoption

- #1 – Current IT infrastructure
- #2 – Customers' expectations
- #3 – Current IT service providers

## TCS Methodology for AI Adoption with a multilayered approach

### Where do we start?

- Start with value (the why and what); identify use cases, not technology. Create a blueprint in the context of the overall value chain.
- 
- 

### How do we scale?

- Design and build for constant change. Maximize stakeholder collaboration and an enterprise network of continuously evolving purposive agents.
- 
- 

### How do we drive organizational changes?

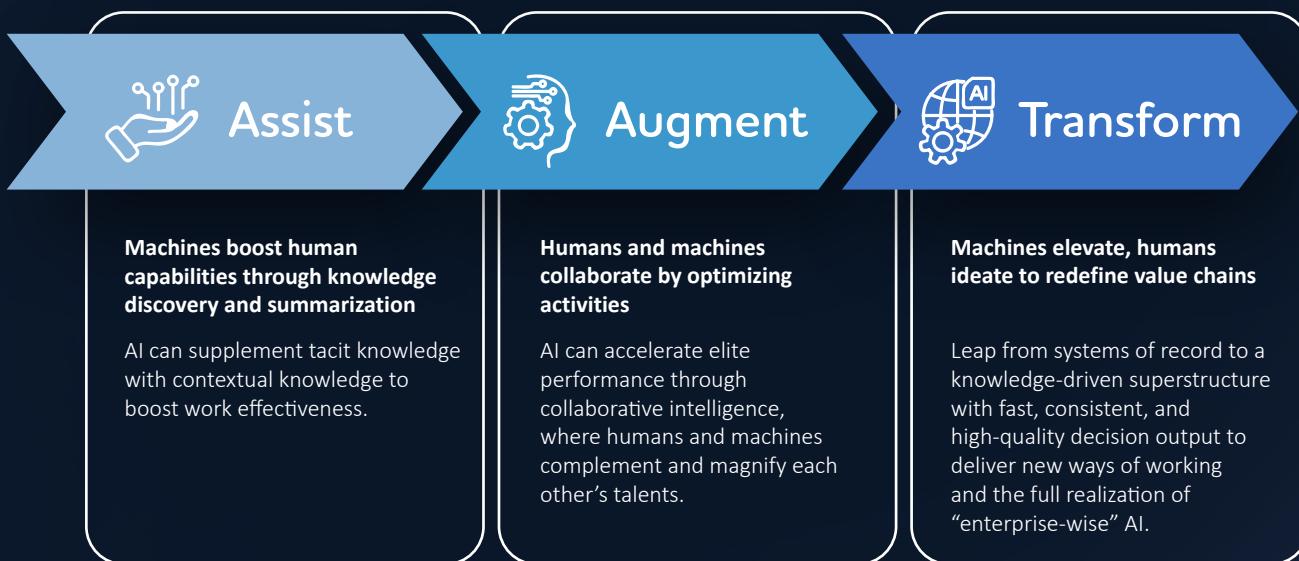

- Create space for adaptation and establish a culture of innovation. Evolve talent and redefine roles on an ongoing basis.
- 
- 

### How do we manage the risks?

Make the model safe. Establish a governance model for information security, regulatory compliance, and bias mitigation guardrails. Monitor primary metrics/KPIs with stakeholders at frequent intervals.

## By design: Accelerating better decisions, performance, and innovation

Getting the most from AI will require a multilayered strategy that creates a foundation designed for accelerated productivity, innovation, and performance. This means using AI strategically to:

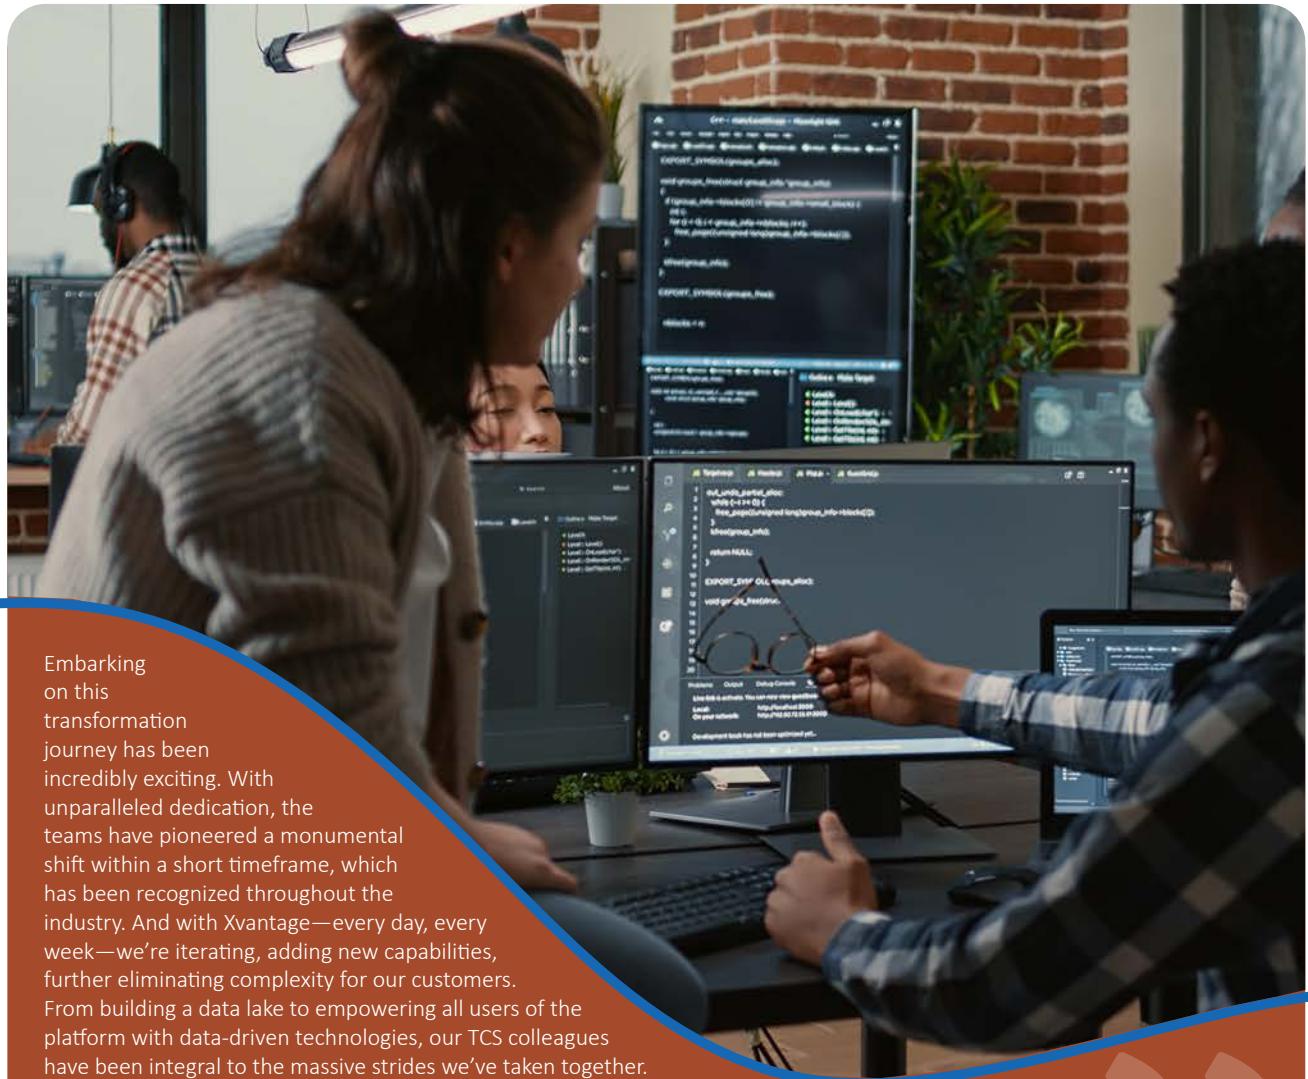

## Disrupting Industry Boundaries from Transactions to Interactions

In partnership with TCS, Ingram Micro, an innovative, US-based global technology distribution company, successfully completed an unprecedented industry transformation to a digital experience company through its groundbreaking platform, Xvantage™. This business model transformation leverages proprietary AI/ML-enhanced technologies and a global, real-time data mesh containing many years of operational and transactional data to enhance operational efficiencies, streamline supply chain processes, and provide world-class, unified experiences for its customers, vendors and associates.

The team at TCS was instrumental in the revolutionary build and implementation of Xvantage, resulting in end-to-end transformation across design, architecture, product development, AI, and cloud platform technologies. By embracing a customer-centric approach and fostering innovation in distributed channels with optimized value chains, Xvantage is serving as Ingram Micro's digital twin in helping their customers boost efficiency, increase revenue opportunities, and grow their businesses.

Embarking on this transformation journey has been incredibly exciting. With unparalleled dedication, the teams have pioneered a monumental shift within a short timeframe, which has been recognized throughout the industry. And with Xvantage—every day, every week—we're iterating, adding new capabilities, further eliminating complexity for our customers. From building a data lake to empowering all users of the platform with data-driven technologies, our TCS colleagues have been integral to the massive strides we've taken together.

**Sanjib Sahoo**  
EVP & Chief Digital Officer  
Ingram Micro

## Travel better with a Next GenAI Solution

A leading North American airline customer wanted to drive operational efficiency throughout the airport operations control domain by enabling key stakeholders with operations information in real time. In addition, their objective was also to improve customer experience through next GenAI technologies.

For all **US airlines**, **116 million** are the **delayed minutes** every year. With an average of 100 passengers on each flight, this results in 11.6 billion minutes of passenger delays and frustration. *Travel better during delays* was the core around which the airline customer and TCS embarked on a GenAI journey to help their end customers reach their destination by seamlessly capturing contextual data along with their preferences. TCS' solution provided a conversational experience to deliver contextualized personalized message while apologizing for the flight delay, leveraging GenAI to ask about preferences including final location, drive time, earliest arrival, or least waiting time along with an end-to-end integration to provide options and rebooking for a seamless passenger experience.

The boarding twin continuously monitors boarding progress and its deviations in real time by merging camera vision data with enterprise events and contextualizing the user experience with proactive and relevant notifications on boarding progress of all flights.

## Warranty Claims Anomaly Detection Solution

The warranty claims received by a global manufacturer of engines and power system products, for its service network included a mix of structured data, narratives/ notes. The notes were used by experts to determine the validity and the warrantable items in a manually adjudicated claim process. In auto adjudicated claims, there were certain anomalous claims that got cleared for payment if met the criteria of a standard claim.

TCS conceptualized and implemented an Intelligent adjudication and anomaly detection solution that automated the review of all claims using Machine Learning for structured data, Natural Language Processing for unstructured data and a scenario-based modelling approach for anomalies, in combination with business rules to provide informed inference to adjudicators or adjust claims wherever apparent before further adjudication.

TCS solution provides a scalable model for all types of claims including traceability needed for decision support, and could automate **91% of claims' approval**, resulting in efficient utilization of adjudicator's time and improved realization time for the service providers. The solution delivered an increase in productivity hours, an **annual savings of over US\$5 million in terms of warranty costs and identification of anomalous claims**.

## Built Proactive maintenance Paradigm for Gas Turbine Compressor casing

TCS customer is a leading electricity generating and gas retailing company in ANZ, whose strategy is to develop new power generation infra and improve existing assets to drive long-term growth while meeting sustainability. Currently, significant fuels used to generate electricity are natural gas and coal and three gas turbines are being used to meet peak load of grid. One of the gas turbine compressor casing had developed crack and functionally failed which resulted in shut down. The customer wanted to avoid these unwanted shutdowns by predicting the survival probability for combustor casings.

TCS' IP2™, an intelligent power plant solution that uses AI, IoT, and digital twin technologies was deployed to extract operational life experience profile from timeseries sensors' information of the gas turbine process including more than seven years of historical data. The solution summarizes the data and predicts and validates crack length based on the same for other gas turbines.

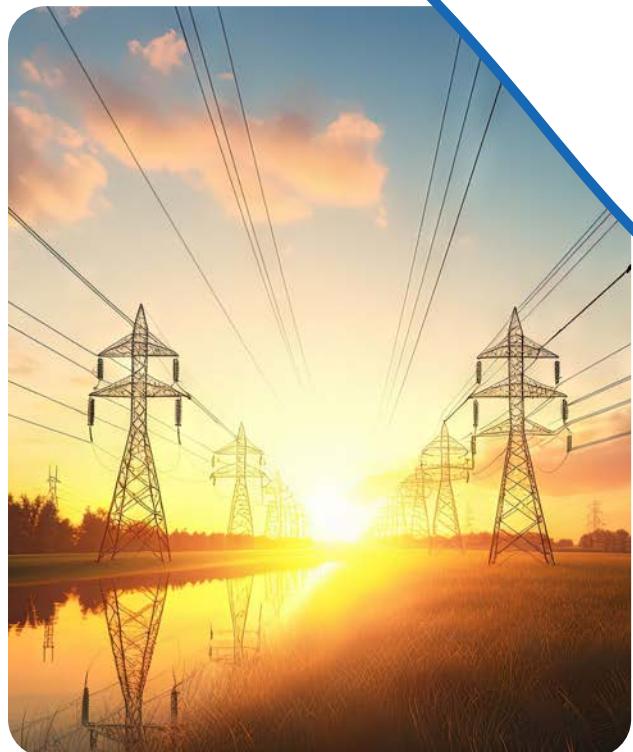

TCS solution has helped in ensuring that the gas turbines operate efficiently and in **preventing costly unplanned maintenance** and helps in reducing plant O&M costs while **reducing carbon emissions**.

## Agent Assist for Travel Insurance Policy Servicing

TCS customer is a leading Global Insurance and Asset Management Provider. The customer's contact center agents need to respond to user queries related to travel insurance policies' terms & conditions across various states it is presently servicing. Agents had to search through many T&C, resulting in high wait time for the customer.

TCS designed a GenAI led solution to generate quick yet consistent and contextual responses for end users. The state-wise T&C and insurance plans were extracted and semantically chunked to provide context to GenAI models based on user query. Prompt templates were created to extract contextual information needed for agents to generate responses to the end user query. Guardrails have been implemented using responsible AI principles. Agents can review, validate, and fine tune responses as needed.

The solution can help **reduce the average handling time by 40%** and thereby result in an overall improvement in customer satisfaction.

# Notice

Notice is hereby given that the twenty-nineth Annual General Meeting of Tata Consultancy Services Limited ("Company" or "TCS") will be held on Friday, May 31, 2024, at 3.00 p.m. (IST) through Video Conferencing ("VC")/Other Audio Visual Means ("OAVM") to transact the following business:

## **6. Registrar and Transfer Agent (“RTA”)**

Pursuant to the Order passed by National Company Law Tribunal (NCLT) dated December 18, 2023, TSR Consultants Private Limited has merged with Link Intime India Private Limited with effect from December 22, 2023. Accordingly, the name of RTA of the Company is changed from TSR Consultants Private Limited to Link Intime India Private Limited (Link Intime / RTA).

## **7. Final Dividend for FY 2023-24:**

The Board of Directors at its meeting held on April 12, 2024, has recommended a final dividend of ₹28 per equity share. The Record date fixed for determining entitlement of Members to final dividend for the financial year ended March 31, 2024, if approved at the AGM, is Thursday, May 16, 2024.

- If the final dividend is approved at the AGM, payment of such dividend subject to deduction of tax at source (“TDS”) will be made on Tuesday, June 4, 2024, as under:
  - i. To all Beneficial Owners in respect of shares held in dematerialized form as per the data as may be made available by the Depositories, as of close of business hours on Thursday, May 16, 2024.
  - ii. To all Members in respect of shares held in physical form after giving effect to valid transmission or transposition requests lodged with the Company as of the close of business hours on Thursday, May 16, 2024.

SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD\_RTAMB/P/CIR/2021/655 dated November 3, 2021 (subsequently amended by Circular Nos. SEBI/HO/MIRSD/MIRSD\_RTAMB/P/CIR/2021/687 dated December 14, 2021, SEBI/HO/MIRSD/MIRSD-PoD-1/P/CIR/2023/37 March 16, 2023 and SEBI/HO/MIRSD/POD-1/P/CIR/2023/181 November 17, 2023) has mandated that with effect from April 1, 2024, dividend to security holders (holding securities in physical form), shall be paid only through electronic mode. Such payment shall be made only after furnishing the PAN, choice of nomination, contact details including mobile number, bank account details and specimen signature.

Further, relevant FAQs published by SEBI on its website can be viewed at the following link: [https://www.sebi.gov.in/sebi\\_data/faqfiles/jan-2024/1704433843359.pdf](https://www.sebi.gov.in/sebi_data/faqfiles/jan-2024/1704433843359.pdf)

## **8. TDS on dividend**

Pursuant to the Finance Act, 2020, dividend income is taxable in the hands of shareholders and the Company is required to deduct tax at source from dividend paid to shareholders at the prescribed rates. For the prescribed rates for various categories, please refer to Income Tax Act, 1961 and the Finance Act, 2020, of the respective years. The shareholders are requested to update their PAN with the Depository Participants (DPs) (if shares held in dematerialized form) and the Company/Link Intime India Private Limited (if shares are held in physical form).

A Resident individual shareholder with PAN and whose income does not exceed maximum amount not chargeable to tax or who is not liable to pay income tax, as the case may be, can submit a yearly declaration in Form No. 15G/15H, to avail the benefit of non-deduction of tax at source by e-mail to [TCS-Exemptforms2425@linkintime.co.in](mailto:TCS-Exemptforms2425@linkintime.co.in) or upload the documents on <https://liiplweb.linkintime.co.in/formsreg/submission-of-form-15g-15h.html> by 11:59 p.m. (IST) on Friday, May 10, 2024. Shareholders are requested to note that if the PAN is not correct/ invalid/inoperative or have not filed their income tax returns, then tax will be deducted at higher rates prescribed under Sections 206AA or 206AB of the Income-tax Act, as applicable and incase of invalid PAN, they will not be able to get credit of TDS from the Income Tax Department.

Non-resident shareholders [including Foreign Institutional Investors ("FIIs")/Foreign Portfolio Investors ("FPIs")] can avail beneficial rates under tax treaty between India and their country of tax residence, subject to providing necessary documents i.e. No Permanent Establishment and Beneficial Ownership Declaration, Tax Residency Certificate, Form 10F, any other document which may be required to avail the tax treaty benefits. For this purpose, the shareholder may submit the above documents (PDF/JPG Format) by e-mail to [TCS-Exemptforms2425@linkintime.co.in](mailto:TCS-Exemptforms2425@linkintime.co.in) or upload the documents on <https://liiplweb.linkintime.co.in/formsreg/submission-of-form-15g-15h.html>. The aforesaid declarations and documents need to be submitted by the shareholders by 11:59 p.m. (IST) on Friday, May 10, 2024.

For further details please refer to FAQs on Taxation of Dividend Distribution at <https://on.tcs.com/IR-FAQ>.

9. Members are requested to intimate changes, if any, pertaining to their name, postal address, email address, telephone/mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc.

**a. For shares held in electronic form:** to their Depository Participants ("DPs")

**b. For shares held in physical form:** to the Company/RTA in prescribed Form ISR-1 and other forms pursuant to SEBI Master Circular No. SEBI/HO/MIRSD/SECATF/P/CIR/2023/169 dated October 12, 2023. To mitigate unintended challenges on account of freezing of folios, SEBI vide its Circular No. SEBI/HO/MIRSD/POD-1/P/CIR/2023/181 dated November 17, 2023, has done away with the provision regarding freezing of folios not having PAN, KYC, and Nomination details. Members may also refer to Frequently Asked Questions ("FAQs") on Company's website <https://on.tcs.com/IR-FAQ>.

10. Members may please note that SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD\_RTAMB/P/CIR/2022/8 dated January 25, 2022 has mandated the Listed Companies to issue securities in dematerialized form only while processing service requests viz. Issue of duplicate securities certificate; claim from unclaimed suspense account;

renewal/exchange of securities certificate; endorsement; sub-division/splitting of securities certificate; consolidation of securities certificates/folios; transmission and transposition. Accordingly, Members are requested to make service requests by submitting a duly filled and signed Form ISR – 4, the format of which is available on the Company's website at <https://on.tcs.com/IR-FAQ> and on the website of the Company's RTA, Link Intime at <https://linkintime.co.in/>. It may be noted that any service request can be processed only after the folio is KYC Compliant.

11. In terms of Regulation 40(1) of SEBI Listing Regulations, as amended from time to time, transfer, transmission and transposition of securities shall be effected only in dematerialized form. In view of the same and to eliminate all risks associated with physical shares and avail various benefits of dematerialization, Members are advised to dematerialize the shares held by them in physical form. Members can contact the Company or Link Intime, for assistance in this regard.
  12. Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company or Link Intime, the details of such folios together with the share certificates along with the requisite KYC Documents for consolidating their holdings in one folio. Requests for consolidation of share certificates shall be processed in dematerialized form.
  13. As per the provisions of Section 72 of the Act, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. If a Member desires to opt out or cancel the earlier nomination and record a fresh nomination, he/she may submit the same in Form ISR-3 or SH-14 as the case may be. The said forms can be downloaded from the Company's website <https://on.tcs.com/IR-FAQ>. Members are requested to submit the said details to their DP in case the shares are held by them in dematerialized form and to Link Intime in case the shares are held in physical form.
  14. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company as on the cut-off date will be entitled to vote during the AGM.
  15. SEBI vide Circular Nos. SEBI/HO/OIAE/OIAE\_IAD-1/P/CIR/2023/131 dated July 31, 2023, and SEBI/HO/OIAE/OIAE\_IAD-1/P/CIR/2023/135 dated August 4, 2023, read with Master Circular No. SEBI/HO\_OIAE/OIAE\_IAD-1/P/CIR/2023/145 dated July 31, 2023 (updated as on August 11, 2023), has established a common Online Dispute Resolution Portal ("ODR Portal") for resolution of disputes arising in the Indian Securities Market.
- Pursuant to above-mentioned circulars, post exhausting the option to resolve their grievances with the RTA/ Company directly and through existing SCORES platform, the investors can initiate dispute resolution through the ODR Portal (<https://smartodr.in/login>) and the same can also be accessed through the Company's website <https://on.tcs.com/ODRPortal>

16. Members seeking any information with regard to the financial statements or any matter to be placed at the AGM are requested to write to the Company on or before May 30, 2024, through e-mail on [investor.relations@tcs.com](mailto:investor.relations@tcs.com). The same will be replied by the Company suitably.
17. Members are requested to note that dividends, if not encashed for a period of 7 years from the date of transfer to Unpaid Dividend Account of the Company, are liable to be transferred to the Investor Education and Protection Fund ("IEPF"). Further, all the shares in respect of which dividend has remained unclaimed for 7 consecutive years or more from the date of transfer to unpaid dividend account shall also be transferred to IEPF. In view of this, Members are requested to claim their dividends from the Company, within the stipulated timeline.

The Members whose unclaimed dividends and/or shares have been transferred to IEPF, may contact the Company or RTA and submit the required documents for issue of Entitlement Letter. The Members can attach the Entitlement Letter and other required documents and file the IEPF-5 form for claiming the dividend and/or shares available on [www.iepf.gov.in](http://www.iepf.gov.in). For details, please refer to Corporate Governance Report which is a part of this Integrated Annual report and FAQ of investor page on Company's website <https://on.tcs.com/IR-FAQ>. The procedure for claiming the shares from IEPF Authority is available on <https://on.tcs.com/IEPF>

18. Members attending the meeting through VC/OAVM shall be counted for the purpose of determining the quorum under Section 103 of the Act.
19. Instructions for e-voting and joining the AGM are as follows:

#### **(A) VOTING THROUGH ELECTRONIC MEANS**

- i. In compliance with the provisions of Section 108 of the Act, read with Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended from time to time, Regulation 44 of the SEBI Listing Regulations and in terms of SEBI Circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 in relation to "e-voting Facility Provided by Listed Entities", the Members are provided with the facility to cast their vote electronically, through the e-voting services provided by NSDL, on all the resolutions set forth in this Notice. The instructions for e-voting are given herein below.
- ii. The remote e-voting period commences on Tuesday, May 28, 2024 (9:00 a.m. IST) and ends on Thursday, May 30, 2024 (5:00 p.m. IST). During this period, Members holding shares either in physical form or in dematerialized form, as on Friday, May 24, 2024, i.e. cut-off date, may cast their vote electronically.

The e-voting module shall be disabled by NSDL for voting thereafter. Members have the option to cast their vote on any of the resolutions using the remote e-voting facility, either during the period commencing from Tuesday, May 28, 2024 and

to Thursday, May 30, 2024, or e-voting during the AGM. Members who have voted on some of the resolutions during the said voting period are also eligible to vote on the remaining resolutions during the AGM.

- iii. The Members who have cast their vote by remote e-voting prior to the AGM may also attend/participate in the AGM through VC/OAVM but shall not be entitled to cast their vote on such resolution again.
- iv. The Board of Directors has appointed P N Parikh (Membership No. FCS 327) and failing him, Jigyasa Ved (Membership No. FCS 6488) of Parikh & Associates, Company Secretaries as the Scrutinizer to scrutinize the e-voting process in a fair and transparent manner.
- v. The voting rights of Members shall be in proportion to their shares in the paid-up equity share capital of the Company as on the cut-off date.
- vi. Any person holding shares in physical form and non-individual shareholders, who acquires shares of the Company and becomes a Member of the Company after sending of the Notice and holding shares as of the cut-off date, may obtain the User ID and Password by sending a request at [evoting@nsdl.com](mailto:evoting@nsdl.com). However, if he/she is already registered with NSDL for remote e-voting then he/she can use his/her existing User ID and Password for casting the vote. In case of individual shareholders holding securities in dematerialized mode and who acquires shares of the Company and becomes a Member of the Company after sending of the Notice and holding shares as of the cut-off date may follow steps mentioned below under **"Login method for remote e-voting and joining virtual meeting for individual shareholders holding securities in dematerialized mode"**.
- vii. The details of the process and manner for remote e-voting are explained herein below:

The way to vote electronically on NSDL e-voting system consists of "Two Steps" which are mentioned below:

Step 1: Access to NSDL e-voting system

Step 2: Cast your vote electronically on NSDL e-voting system.

#### **Details on Step 1 are mentioned below :**

##### **I) Login method for remote e-voting and joining the virtual meeting for individual shareholders holding securities in dematerialized mode**

Pursuant to SEBI Circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020, on "e-voting facility provided by Listed Companies", e-voting process has been enabled to all the individual demat account holders, by way of single login credential, through their demat accounts/websites of Depositories/DPs to increase the efficiency of the voting process. Individual demat account holders would

be able to cast their vote without having to register again with the e-voting service provider ("ESP") thereby not only facilitating seamless authentication but also ease and convenience of participating in e-voting process. Shareholders are advised to update their mobile number and e-mail ID with their DPs to access e-voting facility.

Login method for individual shareholders holding securities in dematerialized mode is given below:

Type of shareholders	Login Method
Individual Shareholders holding securities in dematerialized mode with NSDL	<p><b>A. NSDL IDeAS facility</b></p> <p><b>If you are already registered, follow the below steps</b></p> <ol style="list-style-type: none"> <li>1. Visit the e-Services website of NSDL. Open web browser by typing the following URL: <a href="https://eservices.nsdl.com/">https://eservices.nsdl.com/</a> either on a Personal Computer or on a mobile.</li> <li>2. Once the home page of e-Services is launched, click on the "Beneficial Owner" icon under "Login" which is available under "IDeAS" section.</li> <li>3. A new screen will open. You will need to enter your User ID and Password. After successful authentication, you will be able to see e-voting services.</li> <li>4. Click on "Access to e-voting" appearing on the left-hand side under e-voting services and you will be able to see e-voting page.</li> <li>5. Click on options available against Company name or e-Voting service provider- NSDL and you will be re-directed to NSDL e-voting website for casting your vote during the remote e-voting period or joining virtual meeting and e-voting during the meeting.</li> </ol> <p><b>If you are not registered, follow the below steps</b></p> <ol style="list-style-type: none"> <li>a. Option to register is available at <a href="https://eservices.nsdl.com/">https://eservices.nsdl.com/</a>.</li> <li>b. Select "Register Online for IDeAS" Portal or click at <a href="https://on.tcs.com/NSDLRegn">https://on.tcs.com/NSDLRegn</a>.</li> <li>c. Please follow steps given above in points 1-5.</li> </ol> <p><b>B. e-voting website of NSDL</b></p> <ol style="list-style-type: none"> <li>1. Open web browser and type the following URL: <a href="https://www.evoting.nsdl.com/">https://www.evoting.nsdl.com/</a> either on a personal computer or on a mobile phone.</li> <li>2. Once the home page of e-voting system is launched, click on the icon "Login" which is available under 'Shareholder/Member' section.</li> <li>3. A new screen will open. After successful authentication, you will be redirected to NSDL website wherein you can see e-voting page. Click on options available against Company name or e-voting service provider- NSDL and you will be redirected to e-voting website of NSDL for casting your vote during the remote e-voting period or joining virtual meeting and e-voting during the meeting.</li> </ol> <p><b>C.</b> Shareholders/Members can also download NSDL Mobile App "<b>NSDL Speede</b>" facility by scanning the QR code mentioned below for seamless voting experience.</p> <p style="text-align: center;"><b>NSDL Mobile App is available on</b></p> <div style="display: flex; justify-content: space-around;"> <div style="text-align: center;">  <p>App Store</p> </div> <div style="text-align: center;">  <p>Google Play</p> </div> </div> <div style="display: flex; justify-content: space-around; margin-top: 10px;"> <div style="text-align: center;">  </div> <div style="text-align: center;">  </div> </div>

Type of shareholders	Login Method
Individual Shareholders holding securities in dematerialized mode with CDSL	<ol style="list-style-type: none"> <li>Users who have opted for CDSL Easi/ Easiest facility, can login through their existing user id and password. Option will be made available to reach e-voting page without any further authentication. The users who to login Easi/Easiest are requested to visit CDSL website <a href="http://www.cdsindia.com">www.cdsindia.com</a> and click on login icon &amp; New System Myeasi Tab and then use your existing my easi username &amp; password.</li> <li>After successful login the Easi/ Easiest user will be able to see the e-voting option for eligible companies where the e-voting is in progress as per the information provided by the Company. On clicking the e-voting option, the user will be able to see e-voting page of the e-voting service provider for casting your vote during the remote e-voting period or joining virtual meeting &amp; voting during the meeting. Additionally, there is also links provided to access the system of all e-voting service providers, so that the user can visit the e-voting service providers' website directly.</li> <li>If the user is not registered for Easi/Easiest, option to register is available at <a href="http://www.cdsindia.com">www.cdsindia.com</a> and click on login &amp; New System Myeasi Tab and then click on registration option.</li> <li>Alternatively, the user can directly access e-voting page by providing Demat Account Number and PAN from a e-voting link available on <a href="http://www.cdsindia.com">www.cdsindia.com</a> home page. The system will authenticate the user by sending OTP on registered Mobile &amp; e-mail as recorded in the Demat Account. After successful authentication, user will be able to see the e-voting option where the e-voting is in progress and also able to directly access the system of all e-voting service providers.</li> </ol>
Individual Shareholders (holding securities in demat mode) login through their DPs	<ol style="list-style-type: none"> <li>You can also login using the login credentials of your demat account through your DP registered with NSDL/CDSL for e-voting facility.</li> <li>Once logged-in, you will be able to see the e-voting option. Once you click on e-voting option, you will be redirected to NSDL/CDSL Depository site after successful authentication, wherein you can see e-voting feature.</li> <li>Click on options available against Company name or e-voting service provider- NSDL and you will be redirected to e-voting website of NSDL for casting your vote during the remote e-voting period or joining virtual meeting and e-voting during the meeting.</li> </ol>

**Important note:** Members who are unable to retrieve User ID/Password are advised to use Forgot User ID and Forgot Password option available at respective websites.

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. NSDL and CDSL.

Login type	Helpdesk details
Securities held with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at <a href="mailto:evoting@nsdl.com">evoting@nsdl.com</a> or call at +91 22 48867000
Securities held with CDSL	Please contact CDSL helpdesk by sending a request at <a href="mailto:helpdesk.evoting@cdsindia.com">helpdesk.evoting@cdsindia.com</a> or contact at toll free no. 1800225533

**II) Login method for e-voting and joining virtual meeting for shareholders other than Individual shareholders holding securities in demat mode and shareholders holding securities in physical mode.**

How to Log-in to NSDL e-Voting website?

- Visit the e-voting website of NSDL. Open web browser by clicking the URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
- Once the home page of e-voting system is launched, click on the icon “Login” which is available under “Shareholder/ Member” section.
- A new screen will open. You will have to enter your User ID, Password/OTP and a verification code as shown on the screen.
- Alternatively, if you are registered for NSDL eservices i.e. IDeAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDeAS login. Once you log-in to NSDL eservices after using your login credentials, click on e-voting and you can proceed to Step 2 i.e. Cast your vote electronically.

5. Your User ID details are given below:

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your User ID is IN300***12*****
b) For Members who hold shares in demat account with CDSL	16 Digit Beneficiary ID For example if your Beneficiary ID is 12***** then your User ID is 12*****
c) For Members holding shares in Physical Form	EVEN Number followed by Folio Number registered with the Company For example if EVEN is 123456 and folio number is 001*** then User ID is 123456001***

6. Password details for shareholders other than Individual shareholders are given below:

- a) If you are already registered for e-voting, then you can use your existing password to login and cast your vote.
- b) If you are using NSDL e-voting system for the first time, you will need to retrieve the ‘initial password’ which was communicated to you by NSDL. Once you retrieve your ‘initial password’, you need to enter the ‘initial password’ and the system will force you to change your password.
- c) How to retrieve your ‘initial password’?
  - (i) If your e-mail ID is registered in your demat account or with the Company, your ‘initial password’ is communicated to you on your e-mail ID. Trace the e-mail sent to you from NSDL in your mailbox from [evoting@nsdl.com](mailto:evoting@nsdl.com). Open the e-mail and open the attachment i.e. a .pdf file. Open the .pdf file.

The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your ‘User ID’ and your ‘initial password’.

- (ii) In case you have not registered your e-mail address with the Company/Depository, please follow instructions mentioned below in this notice.

7. If you are unable to retrieve or have not received the “Initial password” or have forgotten your password:

- a) Click on “**Forgot User Details/Password?**”(If you are holding shares in your demat account with NSDL or CDSL) option available on [www.evoting.nsdl.com](http://www.evoting.nsdl.com).
- b) “**Physical User Reset Password?**” (If you are holding shares in physical mode) option available on [www.evoting.nsdl.com](http://www.evoting.nsdl.com).
- c) If you are still unable to get the password by aforesaid two options, you can send a request at [evoting@nsdl.com](mailto:evoting@nsdl.com) mentioning your demat account number/folio number, PAN, name and registered address.
- d) Members can also use the OTP based login for casting the votes on the e-voting system of NSDL.

8. After entering your password, tick on Agree to “Terms and Conditions” by selecting on the check box.

9. Now, you will have to click on “Login” button.

10. After you click on the “Login” button, home page of e-voting will open.

#### **Details on Step 2 are given below:**

How to cast your vote electronically on NSDL e-voting system?

1. After successful login at Step 1, you will be able to see all the companies’ “EVEN” in which you are holding shares and whose voting cycle and general meeting is in active status.
2. Select “EVEN” of Company, which is 128475 for which you wish to cast your vote during the remote e-voting period and casting your vote during the General Meeting. For joining virtual meeting, you need to click on “VC/OAVM” link placed under “Join Meeting”.
3. Now you are ready for e-voting as the voting page opens.

4. Cast your vote by selecting appropriate options i.e. assent or dissent, verify or modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
5. Upon confirmation, the message "Vote cast successfully" will be displayed and you will receive a confirmation by way of a SMS on your registered mobile number.
6. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
7. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

#### **General Guidelines for shareholders**

1. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential. Login to the e-voting website will be disabled upon five unsuccessful attempts to key in the correct password. In such an event, you will need to go through the "Forgot User Details/Password?" or "Physical User Reset Password?" option available on <https://www.evoting.nsdl.com> to reset the password.
2. In case of any queries related to e-voting, you may refer the Frequently Asked Questions ("FAQs") for Shareholders and e-voting user manual for Shareholders available at the download section of <https://www.evoting.nsdl.com> or call on +91 22 48867000 or send the request to Pallavi Mhatre, Senior Manager, NSDL at [evoting@nsdl.com](mailto:evoting@nsdl.com)
3. Members may send a request to [evoting@nsdl.com](mailto:evoting@nsdl.com) for procuring User ID and password for e-voting by providing demat account number / Folio number, client master or copy of Consolidated Account statement, PAN (self-attested scanned copy of PAN card), AADHAAR (self-attested scanned copy of Aadhaar Card). If you are an Individual shareholder holding securities in demat mode, you are requested to refer to the login method explained above.
4. The instructions for members for e-voting on the day of the AGM are mentioned in point number 19(A).

#### **(B) INSTRUCTIONS FOR MEMBERS FOR ATTENDING THE AGM THROUGH VC/OAVM ARE AS UNDER**

1. Members will be able to attend the AGM through VC/OAVM or view the live webcast of AGM provided by NSDL at <https://www.evoting.nsdl.com> following the steps mentioned above for login to NSDL e-voting system. After successful login, you can see VC/OAVM link placed under Join meeting menu against company name. You are requested to click on VC/OAVM link placed under "Join Meeting" menu.

Members who do not have the User ID and Password for e-voting or have forgotten the User ID and Password may retrieve the same by following the remote e-voting instructions mentioned in the Notice.

Further Members can also use the OTP based login for logging into the e-voting system of NSDL.

2. Facility of joining the AGM through VC/OAVM shall open 30 minutes before the time scheduled for the AGM.
3. Members who need assistance before or during the meeting, can contact NSDL on [evoting@nsdl.com](mailto:evoting@nsdl.com) +91 22 48867000 or contact Amit Vishal, Deputy Vice President – NSDL at [evoting@nsdl.com](mailto:evoting@nsdl.com) or Sanjeev Yadav, Assistant Manager-NSDL at [sanjeevy@nsdl.com](mailto:sanjeevy@nsdl.com)
4. Members who would like to express their views or ask questions during the AGM may register themselves as a speaker by sending their request from their registered e-mail address mentioning their name, DP ID and Client ID/Folio number, PAN, mobile number at [tcsagm.speakers@tcs.com](mailto:tcsagm.speakers@tcs.com) from Saturday, May 25, 2024 (9:00 a.m. IST) to Monday, May 27, 2024 (5:00 p.m. IST). Those Members who have registered themselves as a speaker will only be allowed to express their views/ask questions during the AGM. The Company reserves the right to restrict the number of speakers depending on the availability of time for the AGM.

#### **Other Instructions**

1. The Scrutinizer shall, immediately after the conclusion of voting at the AGM, unblock the votes cast through remote e-voting (votes cast during the AGM and votes cast through remote e-voting) and will submit a consolidated Scrutinizer's Report of the total votes cast in favour or against, if any, to the Chairman or a person authorised by him in writing, who shall countersign the same. The results will be announced within the time stipulated under the applicable laws.
2. The result declared along with the Scrutinizer's Report shall be placed on the Company's website [www.tcs.com](http://www.tcs.com) and on the website of NSDL <https://www.evoting.nsdl.com> immediately. The Company shall simultaneously forward the results to National Stock Exchange of India Limited and BSE Limited, where the shares of the Company are listed.

Based on current applicable threshold for determining the related party transactions that require prior Shareholders approval and to facilitate seamless contracting and rendering/availing of product and services between the Company and “related parties”, the Company seeks the approval of the shareholders to approve entering into contracts/arrangements within the thresholds and conditions mentioned in the resolutions. All the contracts/arrangements and the transactions with “related parties” are reviewed and approved by the Audit Committee. Further, the transactions that require testing of arm’s length pricing are reviewed by our statutory auditors for being at arm’s length.

Information required to be disclosed in the Explanatory Statement for Item Nos. 4 to 7 pursuant to the SEBI Master Circular No. SEBI/HO/CFD/PoD2/CIR/P/2023/120 dated July 11, 2023 read with SEBI Circular No. SEBI/HO/CFD/CMD1/CIR/P/2021/662 dated November 22, 2021, are as follows:

#### **Item No. 4**

##### **Material Related Party Transactions with Identified subsidiaries of Promoter Company and/ or their subsidiaries**

S/N	Description	Particulars

## 2. Return of surplus funds to Shareholders

In line with the practice of returning substantial free cash flow to shareholders and based on the Company's performance, the Directors have declared three interim dividends of ₹9 per equity share and a special dividend of ₹18 aggregating to ₹45 per equity share involving a cash outflow of ₹16,355 crore during the year. The Directors have also recommended a final dividend of ₹28 per equity share. The final dividend on equity shares, if approved by the Members, would involve a cash outflow of ₹10,131 crore. The total dividend for FY 2024 amounts to ₹73 per equity share and would involve a total cash outflow of ₹26,486 crore, resulting in a dividend payout of 60.8 percent of the standalone profits of the Company.

In addition to the above, the Company bought back 4,09,63,855 equity shares at a price of ₹4,150 per equity share

for an aggregate consideration of ₹17,000 crore. The offer size of the Buyback was 24.5% and 20.5% of the aggregate fully paid-up share capital and free reserves as per audited condensed standalone interim financial statements and audited condensed consolidated interim financial statements of the Company as on September 30, 2023, respectively. The Buyback represented 1.1% of the total issued and paid-up Equity Share capital of the Company, as on September 30, 2023. The settlement of bids and payment of buyback consideration was made on December 12, 2023 and the shares were extinguished on December 13, 2023.

The Shareholders' payout with respect to dividend and buyback including tax on buyback (excluding transaction costs, other incidental and related expenses) aggregated to ₹47,445 crore, resulting in a payout of 108.9 percent of the standalone profits of the Company.

In FY 2023, the Company paid a total dividend of ₹115 per equity share, including a special dividend of ₹67 per equity share, which resulted in an outflow of ₹42,079 crore and a dividend payout of 107.6 percent of the standalone profits of the Company.

The Dividend Distribution Policy, in terms of Regulation 43A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") is available on the Company's website at <https://on.tcs.com/Dividend>.

### **3. Transfer to reserves**

The closing balance of the retained earnings of the Company for FY 2024, after all appropriation and adjustments was ₹55,173 crore.

### **4. Company's performance**

On a consolidated basis, the revenue for FY 2024 was ₹2,40,893 crore, higher by 6.8 percent over the previous year's revenue of ₹2,25,458 crore. The profit after tax (PAT) attributable to shareholders and non-controlling interests for FY 2024 and FY 2023 was ₹46,099 crore and ₹42,303 crore, respectively.

The PAT attributable to shareholders for FY 2024 was ₹45,908 crore registering a growth of 8.9 percent over the PAT of ₹42,147 crore in FY 2023.

On a standalone basis, the revenue for FY 2024 was ₹2,02,359 crore, higher by 6.3 percent over the previous year's revenue of ₹1,90,354 crore in FY 2023. The PAT attributable to shareholders in FY 2024 was ₹43,559 crore registering a growth of 11.4 percent over the PAT of ₹39,106 crore in FY 2023.

### **5. Quality initiatives**

The Company continues to strengthen its commitment to the highest levels of quality, superior customer experience, best-in-class service management, robust information security and privacy practices and mature business continuity management.

The TCS Integrated Quality Management System (iQMS) is a structured framework to ensure consistent delivery of products and services to meet or exceed customer requirements and achieve operational efficiency. iQMS is continually evaluated and upgraded to keep pace with the external environment and emerging technologies, such as AI and Cloud, to deliver with certainty and provide outstanding value and experience to its customers.

TCS has once again successfully achieved Maturity level 5 of ISACA's Capability Maturity Model Integration- Services (CMMI-SVC® V2), a worldwide recognized industry benchmark and performance improvement model. TCS continues to maintain enterprise-wide certification to the following globally recognized standards: ISO 9001:2015 (Quality Management), ISO 20000-1:2018 (IT Service Management), ISO 22301:2019 (Business Continuity Management), ISO 27001:2022 (Information Security Management), ISO 27017:2015 (Information Security Controls for Cloud Services), ISO 27018:2019 (Protection

of PII in Public Clouds as PII Processors), ISO 27701:2019 (Privacy Information Management Systems). The Company also continues to maintain certification to health, safety and environment standards such as ISO 14001 (Environment management), ISO 45001 (Health and safety), ISO 50001 (energy management) as well as industry domain specific standards such as AS9100 (Aerospace), TL9000 (Telecom) and ISO 13485 (Medical devices).

The customer-centricity, focus on their transformation, rigor in operations and commitment to delivery excellence have resulted in sustained high customer satisfaction levels in the periodic surveys conducted by the Company. This is validated by top rankings in third party surveys as well. TCS achieved the top position in Whitelane customer satisfaction survey for the eleventh consecutive year, with an overall satisfaction score of 82 percent, 7 percentage points above the industry average.

TCS has received multiple external awards this year, a few of which are mentioned here.

- The Data Security Council of India (DSCI) Excellence Award 2023 in category Best Privacy Practices by Data Processors;
- PICCASO Privacy Awards Europe 2023 for International Privacy Protection;
- Best DevOps Cloud Project in DevOps Awards 2023, UK;
- Multiple awards won in Corporate Excellence Awards (CEA) 2024 conducted by Symbiosis Centre for Management and Human Resource Development (SCMHRD), Pune;
- Multiple awards won in Lean Six Sigma Case Study Presentation Contest 2023 from National Institution for Quality & Reliability (NIQR) Bangalore;
- Platinum and Gold Recognition won in the Confederation of Indian Industry (CII) National Six Sigma Competition 2023;
- TCS was honoured with the award for the Company with Significant Engagement in Improvement Interventions at the Tata Business Excellence Convention (BEC) for the fifth consecutive year.

### **6. Subsidiary companies**

On March 31, 2024, the Company has 51 subsidiaries and there has been no material change in the nature of the business of the subsidiaries. There are no associates or joint venture companies within the meaning of Section 2(6) of the Companies Act, 2013 ("Act").

The name of Tata Consultancy Services Technology Solutions AG was changed to Tata Consultancy Services Technology Solutions GmbH w.e.f April 13, 2023.

W.e.f August 29, 2023, Saudi Desert Rose Holding B.V., was merged with Tata Consultancy Services Netherlands BV, a 100 percent subsidiary of the Company.

Diligenta Limited, a 100 percent subsidiary of the Company, incorporated a wholly owned subsidiary, Diligenta (Europe) B.V. in Netherlands on September 14, 2023.

Pursuant to the provisions of Section 129(3) of the Act, a statement containing the salient features of financial statements of the Company's subsidiaries in Form No. AOC-1 is attached to the financial statements of the Company.

Further, pursuant to the provisions of Section 136 of the Act, the financial statements of the Company, consolidated financial statements along with relevant documents and separate audited financial statements in respect of subsidiaries, are available on the Company's website at <https://www.tcs.com/investor-relations>.

## **7. Directors' responsibility statement**

Pursuant to Section 134(5) of the Act, the Board of Directors, to the best of its knowledge and ability, confirm that:

- i. In the preparation of the annual accounts, the applicable accounting standards have been followed and there are no material departures;
- ii. They have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit of the Company for that period;
- iii. They have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- iv. They have prepared the annual accounts on a going concern basis;
- v. They have laid down internal financial controls to be followed by the Company and such internal financial controls are adequate and operating effectively;
- vi. They have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

Based on the framework of internal financial controls and compliance systems established and maintained by the Company, the work performed by the internal, statutory and secretarial auditors and external consultants, including the audit of internal financial controls over financial reporting by the statutory auditors and the reviews performed by management and the relevant board committees, including the audit committee, the Board is of the opinion that the Company's internal financial controls were adequate and effective during FY 2024.

## **8. Directors and Key Managerial Personnel**

As on March 31, 2024, the Company has nine Directors with an optimum combination of Executive and Non-Executive Directors including two women directors.

The Board comprises of seven Non-Executive Directors, out of which five are Independent Directors.

During the year, the Members approved the following appointment and re-appointment of Directors:

- appointment of K Krishivasan (DIN 10106739) as the CEO & MD of the Company with effect from June 1, 2023.
- re-appointment of Hanne Sorensen (DIN 08035439) and Keki Mistry (DIN 00008886) as Independent Directors for a second consecutive term of five years from December 18, 2023 upto December 17, 2028.
- appointment of Al-Noor Ramji (DIN 00230865) as an Independent Director for a term of five years from October 12, 2023 to October 11, 2028.

In the opinion of Board, Hanne Sorensen, Keki Mistry and Al-Noor Ramji are persons of integrity and fulfils requisite conditions as per applicable laws and are independent of the management of the Company.

During the year, Don Callahan (DIN 08326836) ceased to be Director of the Company with effect from January 10, 2024, upon completion of his term as an Independent Director. The Board places on record its appreciation for his invaluable contribution and guidance.

On April 16, 2022, the Members approved the re-appointment of N G Subramaniam (DIN 07006215) as the COO & ED of the Company for a further period from February 21, 2022 to May 19, 2024, as per the retirement age policy for Directors of the Company and will hold office till such date. O P Bhatt (DIN 00548091) was re-appointed as an Independent Director at the twenty-fourth Annual General Meeting (AGM) of the Company held on June 13, 2019, for a second term of five years and will hold office till June 26, 2024. The Board places on record its appreciation for their invaluable contribution and guidance.

N Chandrasekaran (DIN 00121863) retires by rotation and being eligible, offers himself for re-appointment. A resolution seeking Shareholders' approval for his re-appointment along with other required details forms part of the Notice.

Pursuant to the provisions of Section 149 of the Act, the Independent Directors have submitted declarations that each of them meets the criteria of independence as provided in Section 149(6) of the Act along with Rules framed thereunder and Regulation 16(1)(b) of the SEBI Listing Regulations. There has been no change in the circumstances affecting their status as independent directors of the Company.

During the year under review, the non-executive directors of the Company had no pecuniary relationship or transactions with the Company, other than sitting fees, commission and reimbursement of expenses, if any.

Pursuant to the provisions of Section 203 of the Act, K Krishivasan, CEO & MD, N G Subramaniam, COO & ED, Samir Seksaria, Chief Financial Officer and Pradeep Manohar Gaitonde, Company Secretary are the Key Managerial Personnel of the Company as on March 31, 2024.

#### **9. Number of meetings of the Board**

Five meetings of the Board were held during the year. For details of meetings of the Board, please refer to the Corporate Governance Report, which is a part of this report.

#### **10. Board evaluation<sup>1</sup>**

The Board of Directors has carried out an annual evaluation of its own performance, board committees, and individual directors pursuant to the provisions of the Act and SEBI Listing Regulations.

The performance of the board was evaluated by the Board after seeking inputs from all the directors on the basis of criteria such as the board composition and structure, effectiveness of board processes, information and functioning, etc.

The performance of the committees was evaluated by the Board after seeking inputs from the committee members on the basis of criteria such as the composition of committees, effectiveness of committee meetings, etc.

The above criteria are broadly based on the Guidance Note on Board Evaluation issued by the Securities and Exchange Board of India on January 5, 2017. In a separate meeting of Independent Directors, performance of Non-Independent directors, the Board as a whole and Chairman of the Company was evaluated, taking into account the views of executive directors and non-executive directors.

The Board and the Nomination and Remuneration Committee reviewed the performance of individual directors on the basis of criteria such as the contribution of the individual director to the board and committee meetings like preparedness on the issues to be discussed, meaningful and constructive contribution and inputs in meetings, etc.

At the board meeting that followed the meeting of the independent directors and meeting of Nomination and Remuneration Committee, the performance of the Board, its Committees, and individual directors was also discussed. Performance evaluation of independent directors was done by the entire Board, excluding the independent director being evaluated.

#### **11. Policy on directors' appointment and remuneration and other details**

The Company's policy on appointment of directors is available on the Company's website at <https://on.tcs.com/ApptDirectors>.

The policy on remuneration and other matters provided in Section 178(3) of the Act has been disclosed in the Corporate Governance Report, which is a part of this report and is also available on the Company's website at <https://on.tcs.com/remuneration-policy>.

#### **12. Corporate Social Responsibility (CSR)**

TCS' CSR initiatives and activities are aligned to the requirements of Section 135 of the Act.

A brief outline of the CSR policy of the Company and the initiatives undertaken by the Company on CSR activities during the year are set out in **Annexure I** of this report in the format prescribed in the Companies (Corporate Social Responsibility Policy) Rules, 2014. This Policy is available on the Company's website at <https://on.tcs.com/Global-CSR-Policy>

For other details regarding the CSR Committee, please refer to the Corporate Governance Report, which is a part of this report.

#### **13. Internal financial control systems and their adequacy**

The details in respect of internal financial control and their adequacy are included in the Management Discussion and Analysis, which is a part of this report.

#### **14. Audit committee**

The details pertaining to the composition of the Audit Committee are included in the Corporate Governance Report, which is a part of this report.

#### **15. Auditors**

At the twenty-seventh AGM held on June 9, 2022, the Members approved the re-appointment of B S R & Co. LLP, Chartered Accountants (Firm Registration No.101248W/W-100022) as Statutory Auditors of the Company to hold office for a period of five years from the conclusion of that AGM till the conclusion of the thirty-second AGM to be held in the year 2027.

#### **16. Auditor's report and Secretarial audit report**

The statutory auditor's report and the secretarial auditor's report do not contain any qualifications, reservations, or adverse remarks or disclaimer. Secretarial audit report is attached to this report as **Annexure II**.

#### **17. Risk management**

The Board of Directors of the Company has a Risk Management Committee to frame, implement and monitor the risk management plan for the Company.

The Committee is responsible for monitoring and reviewing the risk management plan and ensuring its effectiveness. The Audit Committee has additional oversight in the area of financial risks and controls. The major risks identified by the businesses and functions are systematically addressed through mitigating actions on a continuing basis.

The development and implementation of risk management policy has been covered in the Management Discussion and Analysis, which forms part of this report.

#### **18. Vigil Mechanism**

The Company has a Whistle Blower Policy and has established the necessary vigil mechanism for directors and employees in conformation with Section 177(9) of the Act and Regulation 22 of SEBI Listing Regulations, to report

concerns about unethical behaviour. This Policy is available on the Company's website at <https://on.tcs.com/WhistleBP>.

#### **19. Particulars of loans, guarantees and investments**

The particulars of loans, guarantees and investments as per Section 186 of the Act by the Company, have been disclosed in the financial statements.

#### **20. Transactions with related parties**

None of the transactions with related parties fall under the scope of Section 188(1) of the Act. Accordingly, the disclosure of related party transactions as required under

Section 134(3)(h) of the Act in Form AOC-2 is not applicable to the Company for FY 2024 and hence does not form part of this report.

Pursuant to SEBI Listing Regulations, the resolution for seeking approval of the Shareholders on material related party transactions is being placed at the AGM.

#### **21. Annual Return**

Pursuant to Section 92(3) read with Section 134(3)(a) of the Act, the Annual Return as on March 31, 2024 is available on the Company's website at <https://on.tcs.com/annualreturn-23-24>.

#### **22. Particulars of employees**

The information under Section 197 of the Act read with Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014:

- a. The ratio of the remuneration of each director to the median remuneration of the employees of the Company and percentage increase in remuneration of each Director, Chief Executive Officer, Chief Financial Officer and Company Secretary in the financial year:

Name	Ratio to median remuneration	% increase in remuneration in the financial year
<b>Non-executive Directors:</b>		
N Chandrasekaran®	-	-
O P Bhatt	38.3	3.1
Aarthi Subramanian®®	-	-
Dr Pradeep Kumar Khosla	34.9	4.1
Hanne Sorensen	34.9	3.6
Keki Mistry	38.3	3.5
Al-Noor Ramji*	\$	\$
Don Callahan**	\$	\$
<b>Executive Directors:</b>		
K Krishivasan#	\$	\$
N G Subramaniam	346.2	8.2
Rajesh Gopinathan##	\$	\$
<b>Chief Financial Officer:</b>		
Samir Seksaria	95.4	24.0
<b>Company Secretary:</b>		
Pradeep Manohar Gaitonde	37.3	31.6

® As a policy, N Chandrasekaran, Chairman, has abstained from receiving commission from the Company and hence not stated.

®® In line with the internal guidelines of the Company, no payment is made towards commission to the Non-Executive Directors of the Company, who are in full time employment with any other Tata Company and hence not stated.

\* Appointed as Independent Director w.e.f. October 12, 2023.

\*\* Ceased to be Director w.e.f. January 10, 2024 upon completion of his term as Independent Director.

# Appointed as the Chief Executive Officer and Managing Director w.e.f. June 1, 2023.

## Ceased to be Chief Executive Officer and Managing Director w.e.f. June 1, 2023.

\$ Remuneration received in FY 2024 is not comparable with remuneration for FY 2023 (for part of the year) and hence not stated.

- b. The percentage increase in the median remuneration of employees in the financial year is 10.8 percent.
- c. The number of permanent employees on the rolls of Company are 6,01,546.
- d. The average annual increase was in the range of 5.5-8 percent, with top performers receiving double digit increment in India. However, during the course of the year, the total increase is in the range of 7-9 percent, after accounting for promotions and other event based compensation revisions. Employees outside India received a wage increase varying from 1.5-6 percent.

The increase in remuneration is in line with the market trends in the respective countries. In order to ensure that remuneration reflects the Company's performance, the performance pay is also linked to organization performance and individual utilization in addition to individual performance.

Increase in the managerial remuneration for the year was 8.2 percent for COO & ED. Remuneration for current and erstwhile CEO & MD, is for part of the year and hence not considered.

- e. The Company affirms that the remuneration is as per the remuneration policy of the Company.
- f. The statement containing names of top ten employees in terms of remuneration drawn and the particulars of employees as required under Section 197(12) of the Act read with Rule 5(2) and 5(3) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, is provided in a separate annexure forming part of this report.

Further, the report and the accounts are being sent to the Members excluding the aforesaid annexure. In terms of Section 136 of the Act, the said annexure is open for inspection and any Member interested in obtaining a copy of the same may write to the Company Secretary.

### **23. Integrated Report**

The Company has voluntarily provided Integrated Report, which encompasses both financial and non-financial information to enable the Members to take well-informed decisions and have a better understanding of the Company's long-term perspective. The Report also touches upon aspects such as organization's strategy, governance framework, performance and prospects of value creation based on the five forms of capital viz. financial capital, intellectual capital, human capital, social capital and natural capital.

### **24. Disclosure requirements**

As per SEBI Listing Regulations, the Corporate Governance Report with the Auditors' Certificate thereon, and the integrated Management Discussion and Analysis, the Business Responsibility and Sustainability Report ("BRSR") form part of the Director's Report.

The BRSR indicates the Company's performance against the principles of the 'National Guidelines on Responsible Business Conduct'. This would enable the Members to have an insight into Environmental, Social and Governance initiatives of the Company.

The Company has devised proper systems to ensure compliance with the provisions of all applicable Secretarial Standards issued by the Institute of Company Secretaries of India and that such systems are adequate and operating effectively.

### **25. Deposits from public**

The Company has not accepted any deposits from public and as such, no amount on account of principal or interest on deposits from public was outstanding as on the date of the balance sheet.

### **26. Conservation of energy, technology absorption, foreign exchange earnings and outgo**

#### **Conservation of energy:**

The Company is committed towards conservation of energy and climate action which is reaffirmed in its Environmental Sustainability policy ([Environmental-Sustainability-Policy.pdf \(tcs.com\)](#)).

During the year, several initiatives were aligned to achieve the carbon targets which included those in building and IT infrastructure. Initiatives in building infrastructure included higher energy efficiencies in heating, ventilation, and air conditioning (HVAC) systems, uninterruptible power supply (UPS), green buildings and energy monitoring & analytics (Clever Energy & Resource Optimisation Centre) which have resulted in energy savings of 16,301 MWh, equivalent to 11,671 tCO<sub>2</sub>e reduction during FY 2024.

Initiatives in green IT focussed on data centre and IT device consolidation and optimization to reduce the carbon footprint. The Company reduced power consumption in one of the data centres by 80kW through server consolidation and optimization. As a concomitant interim outcome, the weighted average PUE increased marginally from 1.66 in FY 2023 to 1.7 during FY 2024. In FY 2025, TCS plans to optimize and consolidate the UPS infrastructure, towards reducing the non-IT load, thereby achieving the PUE target of 1.65. In addition to this, TCS will continue to ensure energy efficiency of the equipment procured.

TCS' IoT-based Real-time Energy Management System (TCS Clever Energy™) which involves real time energy monitoring continues to yield benefits in terms of optimization of operational energy efficiency across all offices.

The roof top solar photo voltaic installations this year remained at 10.2 MWp contributing to 3 percent of total electricity use in the reporting year. A rooftop solar photovoltaic (PV) of 260 KWp has been planned for implementation in FY 2025. The Company increased the renewable energy procurement through switch over to green tariffs for its operations in several states in India, in addition to open access power purchase agreements (PPA) for renewable energy in some cases. Renewable energy

procurement has resulted in an increase in renewable energy use to 74 percent of total energy use during the year.

TCS is certified to ISO 50001:2018 standards for Energy Management Systems (EnMS) across 22 campuses in India. Out of these, 2 campuses were added under certification in FY 2024, continuing our commitment to energy conservation and management.

The above energy efficiency and renewable energy procurement efforts helped achieve a year-on-year reduction in absolute carbon footprint (across Scope 1 and Scope 2) of TCS' global operations by 31 percent. The company has achieved 80% reduction in absolute emissions (Scope 1 and Scope 2) when compared to the base year of FY 2016. The electricity consumption across TCS operations increased by 14.6% in the current year compared to FY 2023. This is due to increased scale of operations considering increase in number of associates returning to office and inclusion of 14 locations globally in the reporting boundary, leading to a 2.8% increase in electricity consumption.

The Company has achieved carbon neutrality across Scope 1 and Scope 2 in Asia Pacific (including Japan), Europe, North America, UK & Ireland, Latin America, Middle East & Africa regions during the reporting year.

Continued focus on the above initiatives will enable the company's aspiration of achieving its carbon target of Net Zero by 2030.

**Technology absorption, adoption and innovation:  
Research & Development (R&D): Specific areas in which R&D was carried out by the Company**

TCS Research and Innovation delivered significant value to TCS' customers, the research community and society at large through numerous initiatives and impactful outcomes.

**Inventing for Impact:**

TCS Research continued to expand its foundational research in computing and its intersection with the sciences with an emphasis on AI, especially Large Language Models (LLM).

The exploration of innovative uses of GenAI has been a focal point for TCS Research this year. TCS delved deep into three key areas: (i) Generative design for scientific and engineering applications, (ii) Transformation of knowledge work, encompassing but not restricted to software development and operations management, and (iii) Reimagination of the user engagement paradigm across diverse domains.

TCS explored use of GenAI to identify new molecules or modifications of existing molecules that show promise of being useful as new drugs (of medicinal value), as well as to evaluate them for ease of synthesis and manufacturing. TCS used GenAI to design alloys and materials while at the same time using generative exploration of the chemistry and the process route. The Company leveraged LLMs through the lens of domain models to curate ontology (information

model) as well as failure/performance knowledge for large manufacturing operations reducing the time needed for such activities from months to days. The Munch Museum in Oslo is exploring the use of GenAI with TCS to create a co-drawing system for museum visitors. The use of GenAI in all domains of human activity is exploding and TCS Research is at the forefront of several such explorations.

The Company's research on enterprise digital twins witnessed accelerated growth due to a growing interest and adoption of this technology across industries from communications to airlines and retail. TCS' strategy of investing in robotics translated to a business initiative and gained traction with customers leading to collaborative partnerships with major robotics accelerators such as the National Robotarium, UK and MassRobotics, US. The software research teams continued with their focus on self-healing and adaptive model-driven software architecture, adapting to changes and uncertainties seamlessly.

TCS continues to explore and invest in foundation research encompassing topics like computing for finance, building digital twins for the human heart and brain, quantum computing and nano sensing for future IoT and healthcare applications, meta-material based reconfigurable intelligent surfaces for next-generation wireless systems like 6G, neuromorphic computing for low-power edge-AI, post-quantum cryptography, and other emerging as well as futuristic technologies.

TCS continues to contribute to standards in areas such as environmental engineering, cyber security, cyber resilience, Internet of Things, smart cities, software architecture, quantum computing and communication, accessibility of ICT for the differently abled, AI, Metaverse, Agile Devops, e-Learning and FinTech-RegTech.

Our brand TCS Research won at the Global Social Media Awards UK 2023 for 'Best Use of LinkedIn'. The Global Social Media Awards celebrates businesses around the world that are crashing through the algorithms and channelizing the chatter to create innovative, meaningful engagement that produces tangible results. This recognition is a testament to content innovation and motivates the Company to continue to inspire and transform the world through impactful stories of research and innovation.

**Strengthening IP Base:**

TCS launched new IP-based offerings and enhancements of existing IP-based offerings. The Revenue Management Solution strategically navigates CPG growth by leveraging data and insights to optimize pricing, promotions, product mix, and trade investments. TCS' Observability Solution ensures intelligent, secure, and proactive monitoring for hybrid cloud applications, supporting diverse environments from SAP to Oracle ERP to custom applications across multi-cloud landscapes. The Company's Cross Industry Digital Commerce Platform provides multitude core capabilities, industry specific capabilities and an ecosystem orchestration capability to the Retail, CPG, Airline and Telecom industries.

TCS ADD™ Metadata Repository won two awards for Excellence in Ancillary Pharma Services and Excellence

in use of Technology at the India Pharma Awards 2023. TCS was also recognized with 2 Golds and 1 Bronze at Stevie Asia Pacific Awards 2023 for ignio™ (Gold), TCS Data Privacy (Gold) and TCS Travel Chatbot "Trawiz" (Bronze).

The Company's intellectual property grew with 257 publications and presentations in top-tier journals and conferences. As of March 31, 2024, 8,040 patents have been filed (cumulatively) by the Company and 3,919 have been granted. TCS won many awards relating to IP, including the Asia IP Elite Award 2023, the National Intellectual Property Award 2023 in the category 'Top Public Limited Company for Patents Filing, Grant & Commercialization in India in the field of Service/Others Sector' and the World Intellectual Property Organization's (WIPO) National Award for Enterprises for being an exemplar of IP value creation. TCS also recognized with CII Industrial Intellectual Property Awards 2023, Special Appreciation Award by CII acknowledging very special and distinctive features of some inspiring IP initiatives of the organization.

#### **Innovating at Scale with the Ecosystem:**

TCS Pace™ is the fulcrum of TCS' thought leadership and continues to leverage pioneering innovation to steer businesses through emerging technologies and define co-innovation strategies with customers. TCS Pace Port™ New York engaged with customers, analysts, and partners during the TCS Innovation Forum North America 2023. TCS Pace Port™ Amsterdam hosted the analyst community from EU and UK region, during the TCS Europe Analyst Summit 2023.

TCS COIN™ expanded its global footprint by reaching out to over 250 unique TCS customers this year who need access to new technologies from start-ups. COIN Business Accelerator, a high-touch program with emerging tech companies, kicked off its 3rd cohort. The Accelerator is playing an instrumental part in TCS' ecosystem strategy, increasing its innovation footprint, and winning deals. TCS and Jaguar Land Rover (JLR) launched JLR's Open Innovation program in Tel Aviv to foster disruptive mobility innovation and strengthen relationships between JLR and Israeli start-ups, scale-ups, corporate entities, investors, and academia as part of JLR's Reimagine strategy. This partnership will leverage TCS COIN™ in Israel to identify local technology offerings and scale them to global mobility solutions and services.

The academic network of TCS COIN™ funds 42 strategic research project engagements across 23 academic institutions. TCS inaugurated a Research facility within the IIT Kharagpur Research Park in Kolkata this year. The new center will enable greater collaboration with IIT Kharagpur and establish TCS Research firmly within the Cyber Physical Systems and Digital Health research landscape.

TCS and WIPO have joined hands to collaborate, extending the TCS Access Infinity platform to Accessible Books Consortium partner libraries in developing and least developed countries. TCS has strategically collaborated with Dassault Systèmes within the ambit of the Living Heart Project, fostering a collaborative environment encompassing cardiovascular researchers, educators, medical device developers and regulatory bodies such as the US FDA. This partnership aims to drive digital transformation in cardiovascular science by creating authentic digital simulations of the human heart.

#### **Building a Culture of Innovation:**

TCS Research and Innovation continued with enterprise-wide initiatives to inspire and foster creativity across the domain. This year five teams from TCS made it to the finals of Tata Innovista 2023 and TCS won awards in the "Piloted technologies" and "Implemented Innovations – Products and Services" categories. TCS Innovista 2024, an internal shark-tank competition, concluded with the largest ever participation from TCS'ers. 12,371 teams vied for the top honors across multiple categories. The second edition of the organization wide incubation bootcamp was organized to encourage and support entrepreneurial ideas in areas of sustainability, GenAI, decentralization, EV ecosystems, and connected health. This year's edition witnessed 126 applications across 48 business units.

Digital Impact Square (DiSQ) encourages innovation using digital technologies to address social challenges and has impacted 190,543 lives across various startups in FY 2024. The DiSQ has been awarded with Zero Project Award 2024 for inclusive vocational training models, inclusive education, and ICT. Several companies within the purview of DiSQ have won awards. With an aim to inspire and empower young minds to solve real-world environmental and societal challenges through technology, TCS Sustainathon Singapore addressed challenge statements issued by Dell Technologies, Citi, and LinkedIn under the theme of 'Empowering Women in STEM'. TCS Sustainathon South Africa 2023 focused on sustainable water and sanitation management. TCS CodeVita Season 11 received the highest ever registration of more than 4,44,000 from 95 countries.

#### **Future course of action:**

TCS will continue scaling its investments in IP creation, partnerships and offerings to deliver market leading value to its customers, with a focus on agility and speed to market that matches the fast pace of digital transformation of its customers are undergoing. At the same time, it will continue to build its talent base and focus on building a culture of innovation in the Company.

#### **Expenditure on R&D:**

TCS research and innovation centers are located in India and other parts of the world. The research centers in India function from Pune, Chennai, Bengaluru, Delhi-NCR, Hyderabad, Kolkata and Mumbai.

Expenditure incurred in the R&D centers and innovation centers of TCS during FY 2024 and FY 2023 are given below:

Expenditure on R&D and innovation		Standalone		Consolidated	
		FY 2024	FY 2023	FY 2024	FY 2023
a.	Capital	8	1	8	1
b.	Recurring	419	375	426	380
c.	<b>Total R&amp;D expenditure (a+b)</b>	<b>427</b>	<b>376</b>	<b>434</b>	<b>381</b>
d.	Innovation center expenditure	2,228	2,048	2,317	2,119
e.	<b>Total R&amp;D and innovation expenditure (c+d)</b>	<b>2,655</b>	<b>2,424</b>	<b>2,751</b>	<b>2,500</b>
f.	R&D and innovation expenditure as a percentage of total turnover	1.3%	1.3%	1.1%	1.1%

**Foreign exchange earnings and outgo:**

Export revenue constituted 93.5 percent of the total standalone revenue in FY 2024 (94.3 percent in FY 2023).

(₹ crore)

Foreign exchange earnings and outgo		FY 2024	FY 2023
a.	Foreign exchange earnings	1,93,252	1,83,412
b.	CIF Value of imports	174	144
c.	Expenditure in foreign currency	81,726	75,786

**27. Acknowledgements**

The Directors thank the Company's employees, customers, vendors, investors and academic partners for their continuous support. The Directors also thank the Government of India, Governments of various states in India, Governments of various countries and concerned Government departments and agencies for their co-operation.

The Directors appreciate and value the contribution made by every member of the TCS family.

On behalf of the Board of Directors

**N Chandrasekaran**  
Chairman  
DIN 00121863

**Annexure I****Annual Report on CSR Activities****1. Brief outline on CSR Policy of the Company**

TCS' vision is to empower people and communities to build self-reliance through technology while promoting the values of fairness, equity, and respect for human rights. It endeavors to connect people and communities to opportunities in the digital economy by building equitable and inclusive pathways for women, youth, and marginalized groups.

To address the most pressing needs of the community, TCS primarily focuses on the areas of education, skilling, employment, and entrepreneurship. The Company enables social innovation and community projects targeted at marginalized sections of society, bridging the opportunity gap, and investing in quality education, good health and well-being, clean water and sanitation, climate action, and disaster relief efforts in support of the basic needs of global communities. Additionally, TCS forms strategic partnerships, delves into research, provides insights, and pro-bono technology consultation to bolster the capacity of grassroots organizations.

**2. Composition of the CSR committee:**

Sr. No.	Name of Director	Designation/Nature of Directorship	Number of meetings of CSR Committee held during the year	Number of meetings of CSR Committee attended during the year
1	N Chandrasekaran	Chairman, Non-independent Non-Executive Director	3	3
2	O P Bhatt	Member, Independent, Non-Executive Director	3	3
3	N G Subramaniam	Member, Non-Independent, Executive Director	3	3

**3. Provide the web-link where Composition of CSR committee, CSR Policy and CSR Projects approved by the board are disclosed on the website of the Company**

Composition of the CSR committee shared above and is available on the Company's website at <https://www.tcs.com/corporate-governance>.

CSR policy- <https://on.tcs.com/Global-CSR-Policy>

CSR projects-  
<https://www.tcs.com/corporate-social-responsibility>

**4. Provide the executive summary along with web-link(s) of Impact Assessment of CSR Projects carried out in pursuance of sub-rule (3) of rule 8, if applicable**

Not applicable

- 5. (a) Average net profit of the Company as per sub-section (5) of Section 135: ₹42,507 crore**
- (b) Two percent of average net profit of the Company as per sub-section (5) of section 135: ₹850 crore**

To achieve transformational social impact, TCS leverages its intellectual, technological, human, and financial capital and applies its contextual knowledge and the expertise of a diverse network of leaders to design innovative and sustainable solutions for societal challenges. It executes and scales programs using its vast capabilities in technology, the large employee base who volunteer their time, skills, and expertise for causes they believe in, and impact investments in large-scale, sustainable, multi-year programs that empower communities.

By directing its resources toward people and communities that need them the most, TCS assures equitable access. Every CSR initiative and program by TCS aligns with the United Nations Sustainable Development Goals (UN SDGs), while the CSR strategy incorporates inclusion into its design by aligning with the Government of India and the Tata Group's Affirmative Action.

**(c) Surplus arising out of the CSR Projects or programmes or activities of the previous financial years : NIL**

**(d) Amount required to be set off for the financial year, if any : ₹32 crore**

**(e) Total CSR obligation for the financial year [5(b)+5(c)-5(d)]: ₹818 crore**

**Annexure II****Form No. MR-3****Secretarial Audit Report****for the financial year ended March 31, 2024**

[Pursuant to section 204 (1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,  
The Members,  
Tata Consultancy Services Limited

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Tata Consultancy Services Limited (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company, to the extent the information provided by the Company, its officers, agents and authorised representatives during the conduct of secretarial audit, the explanations and clarifications given to us and the representations made by the Management and considering the relaxations granted by the Ministry of Corporate Affairs and Securities and Exchange Board of India, we hereby report that in our opinion, the Company has during the audit period covering the financial year ended on March 31, 2024, generally complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records made available to us and maintained by the Company for the financial year ended on March 31, 2024 according to the applicable provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contract (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):

- (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 and amendments from time to time;
- (d) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021; (Not applicable to the Company during the audit period)
- (e) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021; (Not applicable to the Company during the audit period)
- (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; (Not applicable to the Company during the audit period)
- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; (Not applicable to the Company during the audit period) and
- (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018;
- (vi) Other laws applicable specifically to the Company namely:-
- a) Information Technology Act, 2000 and the rules made thereunder;
- b) Special Economic Zones Act, 2005 and the rules made thereunder;
- c) Software Technology Parks of India rules and regulations
- d) The Indian Copyright Act, 1957
- e) The Patents Act, 1970
- f) The Trade Marks Act, 1999

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India with respect to board and general meetings.
- (ii) The Listing Agreements entered into by the Company with National Stock Exchange of India Limited and BSE Limited

read with the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, standards etc. mentioned above.

We further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice was given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance for meetings other than those held at shorter notice, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

As per the minutes, decisions at the Board Meetings were taken unanimously.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable Laws, Rules, Regulations and Guidelines etc.

We further report that during the audit period following events occurred which had bearing on the Company's affairs in pursuance of the above referred Laws, Rules, Regulations, Guidelines, Standards etc.:

The Company has completed buyback of 4,09,63,855 (Four Crore Nine Lakh Sixty Three Thousand Eight Hundred and Fifty Five) fully paid-up equity shares of face value of ₹1 (Rupee One) each ("Equity shares") for an aggregate amount not exceeding ₹17,000 Crore on a proportionate basis, through the Tender Offer route through the Stock Exchange mechanism as prescribed under the Securities and Exchange Board of India (Buy-back of Securities) Regulations, 2018, at ₹4,150 (Rupees Four Thousand One Hundred and Fifty only) per Equity Share.

# Management Discussion and Analysis

## Overview of the Industry

The journey over the past few years has been eventful, starting with supply-chain disruptions in the aftermath of the pandemic, the Russia-Ukraine war that triggered a global energy and food crisis, and a considerable surge in inflation, followed by a globally synchronized monetary policy tightening. The global GDP is estimated to have grown at 3.2% in CY 2023, lower than 3.5% in CY 2022<sup>1</sup>, led by fears of a hard recession. Yet, despite many gloomy predictions, the world avoided a recession, the banking system proved largely resilient, and major emerging market economies did not suffer sudden stops. Economic growth has been stronger than expected in the second half of 2023 in the United States, and several major emerging market and developing economies. However, the rising momentum was not felt everywhere, with notably subdued growth in the euro area, reflecting weak consumer sentiment, the lingering effects of high energy prices, and weakness in interest-rate-sensitive sectors.

Unmet revenue expectations have ushered in a new wave of pragmatism where maintaining a healthy profit margin has become pivotal for corporations due to the uncertain macro-outlook. In extreme cases, organizations resorted to cost-cutting measures, such as reducing headcount and cutting discretionary spending, including IT services. Organizations taking a more rational approach are simply shifting the emphasis of ongoing IT projects toward cost control, efficiencies and automation while curtailing IT initiatives with longer RoIs. Global technology spending on Enterprise software and IT services was close to the US\$2.3 trillion<sup>2</sup> mark in CY 2023, with IT services growing at 6.1% YoY to US\$1.4 trillion.

The global IT services industry continues to be a highly fragmented one, with even the largest provider having a mid-single digit market share. TCS is among the largest IT services providers globally, with a market share of **2.1%**. TCS' outperformance is significantly higher over the last decade.

The outperformance may be attributed to market share gains resulting from TCS' strategy on customer centricity, its agile organization structure, and a very stable leadership team; its investments in organic talent development, research and innovation, intellectual property, brand building, and in building newer capabilities that have helped expand wallet share with clients; and better execution resulting in greater customer satisfaction.

## TCS' Business An Overview

TCS is an IT services, consulting and business solutions organization partnering many of the world's largest businesses in their transformational journeys for the last 56 years. It has a global presence, deep domain expertise in multiple industry verticals and a complete portfolio of offerings – grouped under consulting and service integration, application services, digital transformation services, AI and cloud services, engineering services, cognitive business operations, and products and platforms – targeting every C-suite stakeholder.

The company leverages all these capabilities and its profound contextual knowledge of its customers' businesses to create bespoke, high quality, high impact solutions designed to deliver

<sup>1</sup> Nasscom, World Economic Outlook, IMF, April 2024

<sup>2</sup> Gartner

differentiated business outcomes. These solutions are delivered using its operating model which enables a highly distributed, Location Independent Agile™ delivery.

TCS geographic footprint covers North America, Latin America, the United Kingdom, Continental Europe, Asia Pacific, India and Middle-East Africa.

TCS considers industry verticals as its primary go-to-market business segments. The five key vertical clusters are: Banking, Financial Services and Insurance (BFSI), Communication, Media and Technology (CMT), Consumer Business, Life Sciences and Healthcare, Manufacturing and Others such as Energy, Resources and Utilities, Public Services and Products.

### **Strategy for Sustainable Growth<sup>3</sup>**

TCS has successfully navigated through multiple technology cycles since its inception, transforming and adapting each time to build relevant new capabilities and helping its clients realize the benefits of that innovative technology. TCS' responsiveness, agility and adaptability to change have been core to its longevity.

Customer-centricity is at the heart of TCS' strategy, organization structure and investment decisions. TCS has been broadening and deepening customer relationships by continually looking for new opportunities and newer areas in their businesses to add value, proactively investing in building capabilities, reskilling its workforce, and launching innovative services, solutions, products, and platforms to address those opportunities.

TCS is reinventing itself at a time of unprecedented change in the IT Services industry. Digital, AI and Cloud technologies are now business enablers, and core to the success of business, fueling the need for enterprise-wide transformation and continuous innovation.

Technology disruption is blurring traditional industry lines, making cross-industry expertise an imperative. Adaptation is the key to survival. TCS believes in the power of inspiration and invention to build greater futures and help in transforming industries. The company's research and innovation team apply scientific rigor and a collaborative mindset to solve pressing problems faced by industries and society.

Over time, this strategy has resulted in deep and enduring customer relationships, a vibrant and engaged workforce, industry-leading profitability, a steady expansion of the addressable market, and a proven record of accomplishment in delivering longer term stakeholder value.

### **Enabling Investments**

TCS has been at the forefront of every technology adoption cycle over the past several decades. The company has anticipated every technology change and invested in innovation, talent, intellectual property, and partnerships well in advance. TCS pioneered<sup>4</sup> the 'Default is Digital' approach to leverage the new family of technologies that emerged in the last decade. TCS was early to identify that decision making in enterprises

would increase in complexity and would require novel uses of digital technologies. Its research into Enterprise Digital Twins enables it to simulate enterprises in hi-fidelity and use AI for decision making. Backed by 10 years of research (started in 2013) and over 40 publications in top-tier journals, TCS launched an Enterprise Digital Twin product offering called TCS TwinX™. The multiple award-winning product today simulates enterprise decision making for several TCS customers.

Quick to recognize the potential of cloud, the company made investments ahead of time in launching new platform-based business models as far back as in 2009<sup>5</sup>, reskilling the workforce, research and innovation, building collaborative workspaces and innovation centers, intellectual property, and alliances and partnerships. TCS created a separate research group focused on 'Deep Learning and AI' in 2017 and identified 'AI' as a critical skill that every researcher should acquire. TCS has doubled down on partnerships in areas such as AI, Quantum Computing and Cybersecurity. These early investments have given TCS a head-start in being a partner in its customers' technology adoption lifecycles.

The exploration of innovative uses of GenAI has been a focal point for TCS Research this year. More details on TCS R&I investments during the year are available on Page 61 of Directors' Report in the section on '**Technology absorption, adoption and innovation**'.

TCS' dedication to innovation is evident with its dynamic intellectual property (IP) portfolio, which saw continual enhancement through the filing and granting of patents and the publication of research papers. TCS' IP portfolio has grown by a CAGR of over **13%** over the past decade. TCS is the largest patent filer in the industry category in India and has been honored with **42 IP awards** in the last 10 years, including winning the National IP Award 4 times in the last 7 years.

TCS' dedicated practice units around major hyperscalers have been steadily investing in training, certifications, credentials and in building solutions and intellectual property on their respective hyperscaler stacks. AI.Cloud Academy was launched to bring together initiatives from all Cloud and AI partners, and to drive talent transformation at scale with a theme "Making AI REAL" for TCS' customers. As on 31st March 2024, TCS had one of the world's largest AI/ML and GenAI trained workforce. AI Experience Zone, TCS's indigenous, multi-platform AI playground continues to develop employees with higher competencies in GenAI through Industry specific use cases integrated into programs and hackathons. One of the significant investments has been in building a multi modal, hyperscaler agnostic, domain catalogue enabled, pattern driven, multi orchestrator GenAI platform called TCS AI WisdomNext to help customers accelerate their GenAI journey.

In addition to the hyperscalers, TCS has also invested in building key partnerships with other major cloud and AI ecosystem partners, to bring best of GenAI offerings to TCS' customers. TCS has invested in deep dive technical training along with hands-on sessions to help upskill existing employees thereby empowering

<sup>3</sup> GRI 2-22

<sup>4</sup> Ref AR FY 2012, MD&A, Pages 25, 29

<sup>5</sup> Ref AR FY 2010, Letter from CEO, Page 7

them to leverage technology as part of ongoing delivery. TCS has launched AI Academy and the AI Experience Zone platform for experiential AI/ML and GenAI talent development. TCS has launched several PoVs on how the industry value chains including personas involved can be transformed using the power of GenAI. TCS also has significantly invested in onboarding 150+ horizontal and vertical solutions on hyperscaler platforms in a cloud native manner augmented with GenAI capabilities.

As TCS transforms industries, building momentum requires continuous perseverance, flawless execution against the company's strategic priorities: **Customer Centricity and Employee Empathy**.

#### TCS' Strategic Responses to Opportunities and Threats

Opportunity / Threat	TCS Approach	Outcomes
Macroeconomic uncertainty and geopolitical volatility impacting decision making and prompting an increased mix of cost optimization and cloud transformation-led deals and reduced discretionary spend	<ul style="list-style-type: none"> <li>Proven track record in helping enterprises reduce their cost of operations.</li> <li>Proactive pitching of IT and business operating model transformations that deliver greater efficiency, enhance enterprise agility, resilience and better output.</li> <li>Leveraging full services capability and deep client relationships to propose product-aligned operating models.</li> <li>Use of TCS Cognix™ to accelerate operations transformation, using over 600 pre-built automation components that infuse AI/ML and other technologies into IT and business processes to reduce human intervention, increase velocity and productivity.</li> </ul>	<ul style="list-style-type: none"> <li>Strong deal flow resulting in a robust order book that gives better visibility of medium to long-term growth.</li> <li>Market share gains in vendor consolidation led deals.</li> <li>Efficiency gains helping fund client's transformation programs in some instances.</li> <li>TCS Cognix recognized as a means of driving quicker realization of RoI.</li> </ul>
Greater interest in using technology to drive business growth and differentiation	<ul style="list-style-type: none"> <li>Focused on developing contextual knowledge and applying that for inside-out transformations.</li> <li>Continued investments in research and innovation, TCS Pace Ports, and intellectual property.</li> <li>Dedicated practice with domain experts to bring together TCS' differentiated capabilities from across the organization to stitch together comprehensive solutions.</li> <li>Proactive pitching of solutions to customers' most pressing business problems.</li> <li>Refocused on industry expertise, as well as technology and service lines, increased investment in regional markets to diversify portfolio.</li> <li>Nation building programs which add to capabilities and credentials.</li> <li>Deepened partner ecosystem for joint go-to-market strategy.</li> </ul>	<ul style="list-style-type: none"> <li>Expansion of addressable market.</li> <li>Higher quality revenue, lending margin resilience.</li> <li>More deeply embedded in the client's business.</li> <li>Engaging with a broader set of buyers in the client organization.</li> <li>Higher visibility within C-Suites.</li> </ul>

Opportunity / Threat	TCS Approach	Outcomes
Strategic technology investments	<ul style="list-style-type: none"> <li>Set up the <b>AI.Cloud</b> unit bringing both Cloud and AI capabilities together to drive transformations for the customer under a '<b>Responsible AI</b>' framework; invested in <b>Intrapreneurial teams</b> to discover the art of the possible.</li> <li>Continued investment in skill building, certifications, credentials, IP and accelerators.</li> <li>Made available TCS products and solutions on public clouds.</li> </ul>	<ul style="list-style-type: none"> <li>Strong growth in cloud migration and transformation revenues.</li> <li>Working on 250+ PoCs and PoVs in Assist and Augment use cases, few programs moving into production.</li> <li>Top tier partner to each of the hyperscalers.</li> <li>Preferred partner to clients seeking to use cloud native capabilities to power their business transformation.</li> <li>Over half of the workforce trained in AI/ML and GenAI technologies.</li> </ul>
Greater acceptance of as-a-Service platforms	<ul style="list-style-type: none"> <li>Strengthened alliances and launched new offerings around the popular and new SaaS products.</li> <li>Helped ISV* clients upgrade their products to launch new SaaS versions.</li> <li>Partnering with product manufacturers to help launch innovative as-a-Service offerings using TCS Bring Life to Things IoT framework.</li> </ul> <p><b>TCS IP:</b></p> <ul style="list-style-type: none"> <li>Promoted SaaS versions of in-house product portfolio, now available on hyperscaler platforms.</li> <li>Used IP portfolio to launch new platforms that bundle IP and shared services on the cloud.</li> </ul>	<ul style="list-style-type: none"> <li>Outperformance and differentiated growth compared to peers.</li> <li>Stronger win-win partnerships.</li> <li>Expansion of addressable market.</li> <li>Strong growth in SaaS sales.</li> <li>Platforms drive stickier relationships, with long term revenue visibility.</li> </ul>

\* Independent Software Vendor

### Talent Management

TCS is a talent and innovation led organization that aims to attract, develop, motivate, and retain diverse talent, which is critical for its competitive differentiation and continued success. TCS strives to create a vibrant workplace and an engaged workforce by encouraging four behaviors: *follow your passion, stay hungry, commit to lifelong learning, and thrive together*.

In FY 2024, the total employee base of TCS was **601,546**, representing 152 nationalities, with 35.6% women in the workforce.

### Talent Acquisition

The company remains the preferred employer and one of the largest job creators in IT services in several major markets, for both freshers and lateral hires. FY 2024 has been yet another vibrant year for Talent Acquisition with strong business partnerships to meet talent requirements proactively, at scale and on-demand.

### Key Achievements:

- Hiring during the year:** During the year, the company's hiring strategy included a mix of physical campus visits, candidates hired through its National Qualifier Test (NQT)

and focused hiring from top B-schools. TCS continues with internship and placement offers as part of the Strategic Leadership Program.

- TCS Academic Interface Program (AIP)** continued to engage with faculty and students through focus group connections, workshops, faculty development programs and other campus outreach activities. In FY 2024, TCS engaged with over **194,000 students** and about **17,500 faculty members** in nearly **1,200** partner academic institutes across the world. More than **1,500** interns were engaged during the year.
- TCS Sangam:** "Meeting of Minds" is TCS' flagship event celebrating industry-academia collaboration. Sangam 2024 saw participation from more than **80** leading academicians including distinguished Vice Chancellors and Directors representing a diverse group of institutions including IITs, NITs, IIMs, and premium institutions.

### Talent Development

Building a future-ready workforce is one of the top priorities for Talent Development. In FY 2024 several key initiatives were launched to inculcate a strong engineering culture among the company's employees and build deeper skills in market relevant technologies and create an AI ready workforce.

### Few notable programs:

- **#IamGenAIReady** – Intense focus on building GenAI capabilities with a goal to make “Every TCSer GenAI ready by 2025”. TCS exceeded its initial targets and now has one of the world’s largest AI/ML and GenAI Ready workforce across the world.
- **Building a Strong Engineering Culture:**
  - **Software Engineering** - Reinforcing clean coding and assuring best engineering practices.
  - **Secuware** training program to create deep understanding of secure coding and configuration practice across Application, Network, Cloud and Data Systems.
- **TCS Elevate:** TCS’ pioneering program linking learning to career growth and reward covered over **423,000** employees. More than **35,200** employees were identified as high talent and saw an increase in their compensation.
- **TCS Contextual Masters:** TCS’ program to identify tenured employees with contextual knowledge of the customer’s business and technology landscape, continues to expand with over **73,000** Contextual Masters who are being groomed to be next generation transformation leaders.

### Key Metrics:

- More than **147,000** external certificates were acquired in FY 2024.
- TCS continued its focus on leveraging internal talent through upskilling and cross skilling for growth opportunities. In FY 2024, **33%** of job requirements were fulfilled through grooming its internal talent.

### Talent Transformation

TCS is building a culture of mentoring and promoting it through systemic intervention programs, and the company now has over **36,000** mentors.

TCS has multiple initiatives to help employees achieve career growth and aspirations.

- **iConnect** – Collaboration tool designed to help employees reach out to senior mentors for guidance on career paths. More than **103,000** iConnect sessions were initiated.
- **Xcelerate** - TCS’ in-house career guidance system, which guides TCSers to share their career aspirations. The portal saw more than **462,000** aspirations recorded in FY 2024, and over **26,300** have met their aspirational roles.
- Over **135,000** TCSers initiated their **360-degree inclusive feedback** process, with team members, peers and managers being nominated as participants to give feedback on their skills and attributes. This engagement provides strong impetus toward overall talent transformation at each individual level.

### Competitive Compensation

Compensation levels are merit based, determined by qualification, experience levels, special skills if any, and individual performance. Compensation structures are driven by prevailing practices in each country that TCS operates in. The merit based, democratized, transparent talent framework – **Elevate**, is designed to establish a tighter linkage between learning, skill development, career, and reward. The company regularly benchmarks its compensation plans and benefits with the market to ensure competitiveness.

Across the enterprise, remuneration is the same for men and women working full-time, in the same grade, in the same role, and at the same location.

### Talent Engagement

In FY 2024, focus was on value-driven, and positive wellbeing of the employees to increase pride and belongingness. The key initiatives driven for impact were manager sensitization workshops for culture assimilation, joiners’ talent integration, career growth and total wellbeing of the employees.

With TCS encouraging 100% employees returning to work, various programs are being run to enable higher levels of engagement. Employees were engaged through town halls and project confluences with an emphasis on **Living my Values**, **Build my Career and Lifelong Learning**. The company enabled more than **33,000** one-on-one mentoring sessions and over **255,000** one-on-one HR career conversations.

**Family Day:** The Family Day Fiesta is a well-thought-out endeavor to strengthen bonds, instill pride, and propagate the #OneTCS culture. The event provides an open invitation for family members to step into TCS offices, allowing them to experience the work environment firsthand. It was celebrated across 14 India locations, with over 300,000 people taking part with great enthusiasm.

Other engagement and collaboration platforms in TCS include:

- **Knome, KnowMax, GEMS:** Platforms for social collaboration within the organization, learning, sharing and for rewards and recognition.
- **Safety First:** Initiative focused on employee safety and security.
- **TCS Cares:** Aims to build an emotionally strong and mentally resilient workforce through sensitization, easy access to self-help and counselling. More than **24,000** counselling sessions were availed globally and over **40,000** employees attended TCS Cares webinars globally.
- **Fit4life:** Builds a fraternity of health and fitness conscious employees and creates a culture of fitness.
  - **Health & Wellbeing:** **140,000** active users contributed total 50 million+ kms.
  - **Yoga:** Over **45,000** employees took part in practicing Yoga.

- **PULSE:** Pulse 2023 recorded an enthusiastic participation with more than **82%** of employees taking the survey. TCS has achieved a Satisfaction Index of **79.0** and Engagement Index of **80.0**.

### Purposeful People Policies

Key policies introduced in FY 2024 include:

- **Policy on Flexible Work Arrangements** extended the scope of the existing policy to provide necessary support and flexibility to all employees (inclusive of fathers/non-birthing parents) who are primary caregivers of young children, post childbirth or adoption of a child.
- Considering TCS has a considerable workforce below 40 years of age, TCS encouraged employees to prioritize their health and fitness, and revised its **TCS India Policy – Preventive Health Screening**, to extend the scope of the existing policy to employees under the age of 40 years.

### Employee Retention

TCS' values-driven culture, progressive HR policies, and philosophy of investing in people and empowering them have been integral in creating a culture of belonging. The company's philosophy of grooming leadership from within and giving the first right of refusal to internal talent for new open positions, inspires higher levels of loyalty to the organization. This has resulted in a very strong, deeply acculturated mid-layer with long tenures in the company. They have played a pivotal role in integrating new talent and have added significant value through their contributions and contextual knowledge.

The company's employee friendly policies and processes, collaborative and inclusive work environment, investment in learning platforms and providing vibrant learning and career growth opportunities have helped it remain a benchmark in talent retention. IT services' attrition trended down throughout the year and was **12.5%** for FY 2024. At TCS, three months' notice is required from either side for termination<sup>6</sup>.

### Return to Office

TCS is built on deep engagement with its diverse and distributed workforce, instilling in them a sense of purpose as well as a sense of belonging and pride. Return to Office (RTO) is a key priority to better integrate new joiners and stay deeply engaged with all its people, thereby fostering 'TCS Culture' and the 'TCS Way'. This is vital for employees to "experience" the workplace ecosystem. RTO has been the key priority to better integrate new joiners and stay deeply engaged with all its employees.

TCS has approximately 55% of its employees working from the office on all working days of the week.

### Culture and Diversity

TCS is an equal opportunity employer and has a well-defined and progressive Diversity, Equity and Inclusion (DEI) policy embracing all diversity parameters which includes gender, marital status, religion, race/caste, colour, age, ancestry, nationality, language, ethnic origin, socio-economic status, physical appearance,

disability, sexual orientation, gender identity and/or expression and any other category protected by applicable law.

TCS recognizes that a diverse and inclusive workforce is necessary to drive innovation, foster creativity, and guide business strategies. Other highlights include:

- **iExcel:** TCS' flagship executive leadership development program for women completed 24 editions, benefiting over **1,700** women leaders.
- **Client engagement:** Allies of Diversity is a program where senior leadership from client organizations are invited to share diversity best practices. Engagement with 100 C-Suite leaders and 80 different client organizations has been completed to date.
- **Education and Sensitization:** TCS has mandatory online training designed to sensitize employees on key concepts of DEI. More than **500,000** employees completed this in FY 2024.
- **Employee Resource Groups:** Platforms for under-represented communities and their allies to share concerns, experiences, stories and strategic solutions. TCS has 13 voluntary, employee-led groups that have come together based on shared diversity identity characteristics or interest.
- **Champions of Equity:** This campaign was created to ensure a fair and inclusive culture in the workplace. A Champion of Equity is someone who treats everyone with fairness and transparency and holds a strength-based approach towards every individual, culture, and system.
- **Supplier Diversity:** TCS has a Supplier Diversity Program that identifies certified diverse suppliers that can provide competitive, high-quality goods and services whose business model is aligned with the company's business strategy.

### Occupational Health and Safety

TCS has a well-defined Occupational Health and Safety (OHS) policy and supporting processes to ensure the safety and well-being of its employees. Safety lead and lag indicators are measured across the organization and reported. The Stakeholders' Relationship Committee in the Board reviews the company's health and safety performance half-yearly. **89.6%** of the workforce is represented in joint management-employee health and safety committees that monitor, advise, and drive occupational, health and safety initiatives.

TCS is certified to ISO 45001:2018 Occupational Health and Safety Management System standard across **129** of its facilities worldwide covering **84.9%** of delivery centers corresponding to 89.6% of people footprint operating from these locations. General safety awareness (fire safety, office safety, road safety etc.) and safety incident reporting awareness was provided to employees through monthly themes and campaign initiatives. The company continued to focus on creating ergonomic awareness including correct postures and workstation stretches for an office-based work environment through the ergonomic campaigns and periodic webinars. There were also several fitness programs, including yoga and meditation practices, mental health and wellbeing which drew employee participation.

## Financial Performance Overview

The discussions in this section relate to the consolidated, Rupee-denominated financial results pertaining to the year that ended March 31, 2024. The financial statements of Tata Consultancy Services Limited and its subsidiaries (collectively referred to as 'TCS' or 'the Company') are prepared in accordance with the Indian Accounting Standards (referred to as 'Ind AS') prescribed under section 133 of the Companies Act, 2013, read with the Companies (Indian Accounting Standards) Rules, as amended from time to time. Significant accounting policies used in the preparation of the financial statements are disclosed in the notes to the consolidated financial statements.

The following table gives an overview of the consolidated financial results of the company:

(₹ crore)

	FY 2024*			FY 2024		FY 2023	
	Amount	% of Revenue	% Growth	Amount	% of Revenue	Amount	% of Revenue
Revenue from operations	240,893	100.0	6.8	240,893	100.0	225,458	100.0
Earnings before interest and tax (EBIT) (Before other income)	59,311	24.6	9.4	58,353	24.2	54,237	24.1
Profit after tax attributable to shareholders of the company	46,585	19.3	10.5	45,908	19.1	42,147	18.7
Earnings per share (in ₹)	127.74		10.9	125.88		115.19	

### Analysis of revenue growth and margin performance

On a reported basis, TCS' revenue grew **6.8%** in FY 2024, compared to 17.6% in the prior year. The company's performance showed a remarkable resilience against the backdrop of macro uncertainty and geo-political volatility. Demand for TCS' services, particularly around cloud adoption, cost optimization, vendor consolidation and operating model transformation, resulted in record deal wins. The newly won deals conversion into revenue continued as expected, but the revenue inflows kept getting neutralized by reduction in the existing revenue base as some of the earlier projects got completed, optimized, or in some cases, downsized. This led to overall muted revenue growth in FY 2024.

EBIT margins were **24.6%\*** in FY 2024, compared to 24.1% in the previous year. Margin improvement was led by improved productivity, better utilization and reduction in subcontractor expenses.

Average currency exchange rates during FY 2024 for the three major currencies are given below:

Currency	Weightage (%)	FY 2024 ₹	FY 2023 ₹	% Change YoY
USD	53.3	82.83	80.74	2.6
GBP	14.4	104.07	96.98	7.3
EUR	11.1	89.80	84.01	6.9

Movements in currency exchange rates through the year resulted in a positive impact of **3.4%** on the reported revenue. The constant currency revenue growth for the year, which is the reported revenue growth stripped of the currency impact, was **3.4%**.

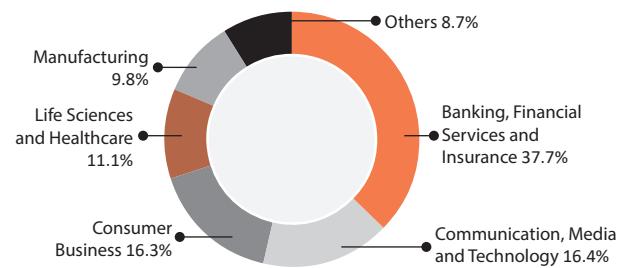

Growth attributable to	FY 2024 (%)	FY 2023 (%)
Business growth	3.4	13.7
Impact of exchange rate	3.4	3.9
<b>Total Growth</b>	<b>6.8</b>	<b>17.6</b>

\* Excludes settlement of legal claim

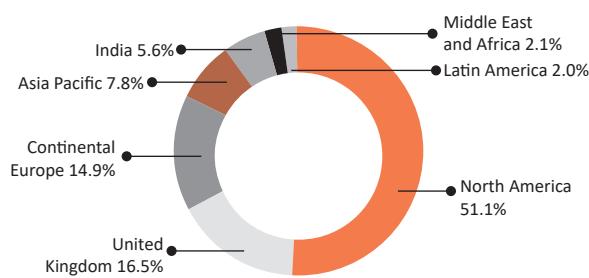

## Segmental Performance

The revenue break-up by Industry Vertical and Geography is provided below:

**Revenue by Industry Vertical**

**Revenue by Geography**

Segment revenues, year on year growth, a brief commentary and segment margins are provided below:

Industry Vertical	Segment Revenue FY 2024 (FY 2023) ₹ crore	YoY Revenue Growth %	Key Demand Drivers <sup>7</sup>	Segment Margin FY 2024 (FY 2023) %
Banking, Financial Services and Insurance	90,928 (86,127)	5.6	<ul style="list-style-type: none"> <li>Customer journey transformation, payment modernization, new products and services creation with simultaneous transformation of core systems, legacy modernization, and systems of engagement.</li> <li>GenAI / AI for hyper personalization, fraud detection, AI-driven advisory and customer support.</li> <li>Sustainability and climate change initiatives, green lending, ESG regulatory compliance.</li> <li>Service Reliability Engineering, implementation of future-ready target operating model.</li> </ul>	25.9 (25.9)
Communication, Media and Technology	39,391 (37,653)	4.6	<p>Communication, Media and Information Services:</p> <ul style="list-style-type: none"> <li>5G and fiber rollout, digital product innovation, smart bundling, network virtualization, product and platform engineering.</li> <li>Steady adoption of GenAI, autonomous networks, automated content creation, contact center transformation, marketing personalization, field operations productivity, software engineering, ecosystem play.</li> </ul> <p>Technology and Services:</p> <ul style="list-style-type: none"> <li>Product innovation- Digital platform led businesses, Next-gen communication tech (5G and Satellite Communication), AI platforms, faster and efficient chips, cloudification of the engineering environment.</li> <li>Enabling new business models- Everything-as-a-service (XaaS), Subscription-based services (SaaS), transition to direct channels.</li> <li>Digital core transformation- Next generation cloud ERPs, PLM, CRM to standardize, simplify and scale business, cloud data engineering and analytics.</li> </ul>	27.7 (28.3)

<sup>7</sup> Only industry specific drivers are listed. In addition, every industry vertical saw demand for TCS' services arising from IT estate rationalization, core platform simplification, application and data modernization, ERP modernization, cloud adoption and infrastructure modernization, hybrid cloud strategies, hyper automation, cloud enablement, cloud migration, data democratization, data compliance and protection, IT infrastructure modernization, employee experience redesign, digital workplace transformation, cyber security, intelligent automation, business and IT operating model transformation, agile and DevOps adoption, digital marketing and analytics, mergers, acquisitions and divestitures, supply chain transformation, vendor consolidation and cost optimization. Also, there is an increasing interest in Gen AI led value chain transformation.

Industry Vertical	Segment Revenue FY 2024 (FY 2023) ₹ crore	YoY Revenue Growth %	Key Demand Drivers <sup>7</sup>	Segment Margin FY 2024 (FY 2023) %
Consumer Business	39,357 (37,506)	4.9	<p>Retail and Consumer Packaged Goods:</p> <ul style="list-style-type: none"> <li>Marketplace, social commerce, future stores, Retail media networks, payments.</li> <li>Smart checkout, smart shelves, smart manufacturing, sustainability, AI-enabled pricing.</li> <li>Resilient and intelligent supply chain, track and trace, last-mile delivery, intelligent inventory management, green labelling.</li> <li>Seamless and unified customer experience across channels (omni-channel), hyper personalization, CX and recommendations, AI for apparel design.</li> </ul> <p>Travel, Transportation and Hospitality:</p> <ul style="list-style-type: none"> <li>Retailing in airlines, new distribution capability, decision intelligence.</li> <li>Automation and self-service, touchless experience, digital identity solutions, maintenance drones, autonomous vehicles, and robotics.</li> <li>Warehouse robotics, intelligent shipment planning, last mile delivery, real-time insights driven operations, AI-enabled pricing, end-to-end shipment visibility in logistics.</li> <li>Safe and sustainable travel.</li> </ul>	26.0 (25.7)
Life Sciences and Healthcare	26,745 (24,605)	8.7	<p>Life Sciences:</p> <ul style="list-style-type: none"> <li>Modernization of clinical landscape to accelerate launch of new medicines, repurpose medicines and reduce cost of clinical trials.</li> <li>Digital twin for manufacturing and factory of the future.</li> <li>GenAI to empower knowledge synthesis and high precision in contextual information discovery.</li> <li>S/4 Hana led enterprise transformation.</li> </ul> <p>Health Care:</p> <ul style="list-style-type: none"> <li>AI driven agility in decision making and increasing efficiency across the ecosystem.</li> <li>Patient experience, new business models in value-based care, remote care, and care in new settings.</li> <li>Structural changes to address access to care, experience, quality and affordability, transparency and trust, holistic health.</li> </ul>	28.5 (28.0)

Industry Vertical	Segment Revenue FY 2024 (FY 2023) ₹ crore	YoY Revenue Growth %	Key Demand Drivers <sup>7</sup>	Segment Margin FY 2024 (FY 2023) %
Manufacturing	23,491 (21,236)	10.6	<ul style="list-style-type: none"> <li>Sustainable fuels, sustainable transportation, sustainable materials, circular economy.</li> <li>Connected Autonomous Vehicles, Advanced Driver Assistance Systems.</li> <li>Resilient supply chain, parts track and trace, D2C.</li> <li>Vertical farming, precision agriculture.</li> <li>Battery technology, Electric vehicles.</li> <li>Connected assets and smart plants, factory twin, plant safety and modernization, energy efficiency and decarbonization, emission tracking and monitoring.</li> <li>GenAI as an enabler across the value chain, specifically in the areas such as sales cycles, product design and development.</li> </ul>	30.9 (27.5)
Others	20,981 (18,331)	14.5	<ul style="list-style-type: none"> <li>Renewable integrations in the grid and associated system changes.</li> <li>Asset performance management.</li> <li>Accommodate the next generation of field workers.</li> </ul>	22.3 (21.1)

### Business Outlook

Global growth estimated at 3.2 percent in 2023 is projected to continue at the same pace in 2024 and 2025<sup>8</sup>. With disinflation and steady growth, the likelihood of a hard landing seems to have receded, and risks to global growth seem broadly balanced.

The uncertainty seen through last year is expected to persist for the next few quarters. Capex investments are projected to remain subdued as enterprises focus on maximizing returns from existing investments, resulting in muted spending on infrastructure, software, and services. Cessation of hostilities and successful control of inflation can be the triggers for recovery which will stimulate global demand. This, in turn, should prompt customers to resume spending on discretionary products and services.

Despite challenges, spending on IT services has been resilient so far. Cloud technologies have become the mainstay of an enterprise's agenda and key to achieving sustainable growth. As a unifying digital hub that brings multiple other technologies to life, cloud has accelerated digital and business transformation over the last fiscal. The higher level of uncertainty in the business environment has made clients more receptive to proactive proposals around IT and business operating model transformations that can not only deliver significant efficiencies but also help them become more agile and resilient. All this has resulted in a record order book for FY 2024, at US\$42.7 billion. Global IT Spending is expected to increase 8% in 2024<sup>9</sup>, with enterprises emphasizing on organizational efficiency and optimization.

Last year saw GenAI seemingly at the heart of every strategic discussion. Fueled by cloud, this combination of AI capabilities is creating new possibilities and new opportunities. Firms will

continue to invest heavily in technology to enhance efficiency, security, and customer experience. Rise in spend is expected in cloud computing, ecosystem play and GenAI leading to better resilience and new customer value creation. Cybersecurity will remain a top priority, driving demand for advanced threat detection and prevention solutions.

All the above factors provide growth visibility over the medium to long term amid near-term uncertainty. If the delayed decision-making and cash conservation seen in some segments through FY 2024 continues into the next fiscal year, it could lead to a moderation in growth in FY 2025.

Key demand drivers expected to power the company's growth in FY 2025 include:

- Technology transformation:** IT infrastructure modernization, cloud enablement, application and data estate modernization, cloud migration and transformation; data centre and collocated data support; SaaS adoption; digital workplace; digital twins; cyber security; ERP modernization; low-code no-code; 5G/Edge and AI adoption.
- Business Transformation:** Customer experience transformation using personalization, omnichannel implementation, immersive experiences using XR/Metaverse; product and business model innovation; supply chain modernization; M&A integration / divestitures; sustainability, new business model enablement, by harnessing GenAI.
- Operations:** Plain vanilla outsourcing, vendor consolidation and multi-services deals; AI/ML-led transformation of IT / business operations for greater resilience and leaner operating models; managed services models and real time operation visibility.

## Enterprise Risk Management

TCS understands the importance of effectively managing and mitigating risks to protect the company's business, its clients, to add value for all its stakeholders, and ensuring that the company's reputation is intact.

The company follows a comprehensive enterprise risk management framework (based on best practices from COSO 2017 and ISO 31000:2018) that encompasses risk identification, risk assessment, risk response planning and actions, risk monitoring and overall risk governance. Fostering a risk aware culture and empowering leaders to take intelligent risks to maximize value are crucial. TCS regularly conducts risk reviews, assessments, and scenario planning to anticipate potential challenges and develop mitigation plans. Key risk indicators and control indicators are used to assess risks, provide early warnings, and consider effectiveness of the mitigation actions, respectively. Furthermore, the company engages with all stakeholders, including customers, employees, suppliers, partners and regulatory authorities, to ensure transparent and

collaborative risk management practices.

TCS takes a holistic view of its enterprise risk profile, covering strategic, operational, compliance, financial and catastrophic risks, thus enabling informed decision-making. Risks are assessed and managed at various levels with a top-down and bottom-up approach across the enterprise, business units, geographies, business functions, customer relationships and individual projects.

By proactively managing and mitigating these risks, the company's aim is to ensure the long-term sustainability and success of the company. TCS is confident that its robust risk management initiatives, coupled with its commitment to innovation and excellence, will enable the company to navigate the challenges of the IT industry and capitalize on the opportunities that lie ahead.

Listed below are some of the key risks and opportunities, anticipated impact on the company and mitigation strategies.

Key Risks (R) / Opportunity (O)	Impact on the Company	In case of risk or opportunity, approach to adapt or mitigate <sup>10</sup>	Financial implications of the risk or opportunity <sup>11</sup>
Volatile global political and economic environment (R)	<p><b>Impact On:</b> <u>Human Capital, Financial Capital</u></p> <ul style="list-style-type: none"> <li>Geo-politics and macroeconomic volatility can affect demand for the company's services. The Russia-Ukraine war and the Israel-Hamas conflict in the last 2 years has continued to lead to supply chain disruptions, energy crises, food and merchandise scarcities and impact on inflation.</li> <li>Persistent high inflation in major economies could affect consumer confidence. The current high interest rate environment could result in economic slowdowns, affecting not only spending, but also squeezing liquidity.</li> <li>All of these could affect clients' business outlook and result in reduced demand for TCS' services. It could also increase TCS' costs of doing business.</li> <li>In addition, there could be risks to service delivery, business continuity, cybersecurity, sanctions compliance and human rights risks in geopolitically sensitive zones, all of which could increase costs or affect the company's revenue growth.</li> </ul>	<ul style="list-style-type: none"> <li>Broad-based business mix, well diversified across geographies and industry verticals.</li> <li>Monitor changing geopolitical scenarios and strengthen internal controls to further safeguard against secondary risks.</li> <li>Country-level business continuity plans in place to address potential conflicts in the region.</li> <li>Offerings and value propositions targeting all CxOs (in addition to the CIO) in the customer organization.</li> <li>Focus on cost and optimization propositions, including vendor consolidation initiatives in the near term to improve their business efficiency, when the customer's discretionary budgets are uncertain.</li> <li>Participate in the customer's business transformation initiatives through breadth and depth of services and offerings.</li> <li>Enter more long-term contracts.</li> <li>Proactively invest in infrastructure and resourcing to meet anticipated customer demand for flexible products, AI/GenAI offerings, platforms-based solutions and subscription-based services to gain market share and new clients and markets.</li> </ul>	Negative

Accuracy, bias/fairness risks could cause reputational damage and legal liabilities.</li> <li>• GenAI technologies could disrupt software development and testing activities, changing customer expectations in the short term.</li> <li>• Quantum Computing may increase exposure to cyberattacks because existing security infrastructure may prove inadequate.</li> </ul> <p>Opportunity:</p> <ul style="list-style-type: none"> <li>• These technologies also have the potential to reimagine existing products and services and can also open opportunities in the form of new solutions using those technologies, and new services needing newer kinds of skills.</li> </ul>	<ul style="list-style-type: none"> <li>• Ensure controlled use of these technologies through pilots/research.</li> <li>• Restricted access to GenAI technologies on company network until proven safe.</li> <li>• Launched an effective Responsible AI framework based on the core principles of Safe, Secure, Accountable, Explainable and Transparent.</li> <li>• Work with government bodies, regulators and academia to build consensus about policies and guidelines for use of these technologies.</li> <li>• Embark on large-scale skilling of employees to prepare for deployment on market-oriented products and services based on these technologies.</li> <li>• Participate as a member of industry specific large language models consortia.</li> <li>• Proactively invest in research around embedding GenAI capabilities into software development processes to boost productivity.</li> <li>• Utilize the AI infrastructure and capabilities to build and process GenAI applications, while also upskilling TCS employees.</li> </ul> <ul style="list-style-type: none"> <li>• Leverage opportunities to market TCS' own GenAI tools and services as overall adoption of the technology increases, focusing on 'Assist, Augment and Transform' use-cases.</li> <li>• Establish the company as a thought leader in GenAI related technology work and actively participate in use case creation and pilots. Establish active partnerships with leading LLM vendors.</li> <li>• Develop niche skills to tap demand created for Post Quantum Cryptography services as customers seek Quantum safe security algorithms.</li> </ul>	<p>Negative</p> <p>Positive</p>

### Internal Financial Control Systems and their Adequacy

TCS has aligned its systems of internal financial control in line with globally accepted risk-based framework issued by the Committee of Sponsoring Organizations (COSO) of the Treadway Commission. This framework of internal financial controls meets the requirement of the Companies Act 2013. The Internal Control – Integrated Framework (the 2013 framework) is intended to increase transparency and accountability in an organization's process of designing and implementing a system of internal control. The framework requires a company to identify and analyze risks and manage appropriate responses. The company has successfully laid down the framework and ensured its effectiveness.

TCS' internal controls are commensurate with its size and the nature of its operations. These have been designed to provide reasonable assurance with regard to recording and providing reliable financial and operational information, complying with applicable statutes, safeguarding assets from unauthorized use, executing transactions with proper authorization and ensuring compliance with corporate policies. TCS has a well-defined delegation of power with authority limits commensurate with the responsibilities for approving engagements with all stakeholders that commits organizational resources and results in creation of assets and liabilities, income and expenditure. TCS uses a state-of-the-art enterprise resource planning (ERP) system that connects all parts of the organization, to record data for accounting, consolidation and management information purposes. It has continued its efforts to align all its processes and controls with global best practices.

TCS management assessed the effectiveness of the company's internal control over financial reporting (as defined in Regulation 17 of SEBI LODR Regulations 2015) as of March 31, 2024.

B S R & Co. LLP, the statutory auditors of TCS, have audited the financial statements included in this annual report and have issued an attestation report on the company's internal control over financial reporting (as defined in section 143 of Companies Act 2013).

TCS has appointed PricewaterhouseCoopers Services LLP to oversee and carry out an internal audit of its activities. Design and operating effectiveness of process controls on financial transactions is also audited by an independent in-house internal audit team. The audit is based on an internal audit plan, which is reviewed each year in consultation with the statutory auditors and approved by the audit committee. In line with international practice, the conduct of internal audit is oriented towards the review of internal controls and risks in the company's operations such as software delivery, accounting and finance, procurement, employee engagement, travel, insurance, IT processes, including the subsidiaries and foreign branches.

TCS also undergoes periodic audit by specialized third party consultants and professionals for business specific compliances such as quality management, service management, information security, etc. The audit committee reviews reports submitted by the management and audit reports submitted by internal auditors and statutory auditors. Suggestions for improvement are considered and the audit committee follows up on corrective action. The audit committee also meets TCS' statutory auditors to ascertain, inter alia, their views on the adequacy of internal control systems and keeps the board of directors informed of its major observations periodically.

Based on its evaluation (as defined in section 177 of Companies Act 2013 and Regulation 18 of SEBI LODR Regulations 2015), TCS' audit committee has concluded that, as of March 31, 2024, the company's internal financial controls were adequate and operating effectively.

- TCS ranked as a **Top Company** in **LinkedIn's 2023 Top Companies list** across eight countries. Ranked #1 in India for three years in a row.

# Corporate Governance Report

## I. Company's Philosophy on Corporate Governance

Effective corporate governance practices constitute the strong foundation on which successful commercial enterprises are built to last. The Company's philosophy on corporate governance oversees business strategies and ensures fiscal accountability, ethical corporate behaviour and fairness to all stakeholders comprising employees, investors, customers, regulators, suppliers and the society at large. Strong leadership and effective corporate governance practices have been the Company's hallmark inherited from the Tata culture and ethos.

The Company follows the Tata Group philosophy of building sustainable businesses that are rooted in the community and demonstrate care for the environment. Being a part of the Tata Group, which epitomizes sustainability, the Company has inherited a strong legacy of fair and transparent ethical governance, as embodied in the Tata Code of Conduct ("TCoC").

The Company has adopted the TCoC for its employees including the Chief Executive Officer and Managing Director and the Executive Directors. In addition, the Company has adopted a Code of Conduct for its non-executive directors which includes Code of Conduct for Independent Directors

that suitably incorporates the duties of independent directors as laid down in the Companies Act, 2013 ("the Act").

The Company's corporate governance philosophy has been further strengthened through the Tata Business Excellence Model, the TCS Code of Conduct for Prevention of Insider Trading and the Code of Corporate Disclosure Practices ("Insider Trading Code"). The Company has in place an Information Security Policy that ensures proper utilization of IT resources.

The Company is in compliance with the requirements stipulated under Regulations 17 to 27 read with Schedule V and clauses (b) to (i) and (t) of sub-regulation (2) of Regulation 46 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), as applicable, with regard to corporate governance.

The details of TCS' board structure and the various committees that constitute the governance structure<sup>1</sup> of the organization are covered in detail in this report.

The various material aspects of corporate governance and TCS' approach to them are discussed in the table below:

Material Topic	TCS' Approach
Board effectiveness, independence and protection of minority Shareholders' interests	<p>Board effectiveness is enhanced by setting a high bar in selecting the right mix of individuals to serve on the Board, with the right qualifications, expertise and experience, who can collectively serve the best interests of all stakeholders, maintain board and management accountability and drive corporate ethics, values and sustainability. Profiles of Board of Directors are available at <a href="https://www.tcs.com/who-we-are/leadership">https://www.tcs.com/who-we-are/leadership</a>.</p> <p>For greater diversity of opinions and perspectives within the Board, the Nomination and Remuneration Committee<sup>2</sup> has fostered diversity in terms of backgrounds, areas of expertise and:</p>

<sup>1</sup> GRI 2-9

<sup>2</sup> GRI 2-10

Material Topic	TCS' Approach
	<ul style="list-style-type: none"> <li>• Gender: Two (22.2 percent) of the nine Directors are women.</li> <li>• Nationality: Four nationalities represented – Indian, American, Danish and British.</li> <li>• Industry: Technology, Banking, Energy, Transportation and Academia.</li> </ul> <p>TCS' policy on Appointment of Directors and Board Diversity can be found at <a href="https://on.tcs.com/appointment-BoD">https://on.tcs.com/appointment-BoD</a>.</p> <p>Board independence is ensured by having an independent majority, with 5 independent directors out of 9 i.e., 55.6 percent. None of the Independent Directors is related to each other, or to the non-independent directors. Average tenure of independent directors is 6 years.</p> <p>Board effectiveness is further improved by ensuring that none of the directors holds directorships in more than seven listed entities, and none of the executive directors serves as an independent director on the Boards of more than three listed entities.</p> <p>TCS' governance philosophy around minority Shareholders' interests is guided by the TCoC which emphasizes fairness and transparency to all stakeholders. Further a qualified, diverse and independent Board ensures that minority shareholders' interests are protected.</p> <p>TCS strives to reduce information asymmetry through transparency, extensive disclosures and detailed commentary of the demand environment and the state of the business, and material developments. The Company provides a variety of channels including a structured global investor outreach program, through which minority shareholders can interact with the management or the Board.</p> <p>Shareholders can communicate concerns and grievances to the Company Secretary's office through a well-publicized channel, where complaints are tracked till closure. The Stakeholders' Relationship Committee oversees the redressal of these complaints.</p>
Avoidance of conflict of interest <sup>3</sup>	<p>Chairmanship<sup>4</sup> of the Board is a non-executive position, and separate from that of the Chief Executive Officer and Managing Director ("CEO &amp; MD").</p> <p>TCoC<sup>5</sup> for non-executive directors, and for independent directors, carries explicit clauses covering avoidance of conflict of interest. Likewise, it explicitly prohibits any employee, including the executive directors, from accepting any position of responsibility, with or without remuneration, with any other organization without TCS' prior written approval. For the executive directors, such approval must be obtained from the Board.</p>
Values, Ethics and compliance <sup>6</sup>	<p>Over the last five decades, TCS has consistently demonstrated very principled conduct and has earned its reputation for trust and integrity while building a highly successful global business. The Company's core values are: Integrity, Responsibility, Excellence, Pioneering and Unity.</p> <p>The TCoC serves as a moral guide and a governing framework for responsible corporate citizenship. It sets out guidelines on various topics including respect for human rights, prohibition of bribery and corruption, recognition of employees' freedom of association, and avoidance of conflicts of interest.</p> <p>Every employee of the Company is required to sign the TCoC at the time of joining. Web-based annual refresher courses are mandated to ensure continued awareness of the Code. Further, frequent communications from the leadership, reiterate the importance of the Company values and the TCoC.</p> <p>Customers are made aware of the TCoC principles in contract discussions, and through inclusion of specific clauses in proposals and contracts.</p> <p>Employees also undergo Web-based mandatory training every year on Anti-bribery and ethical behaviour. They can raise ethics concerns on Ultimatix – the intranet portal of the Company, which are investigated and tracked to closure by the HR department. Employees and other stakeholders can also report any non-compliance to the TCoC or to the laws of the land by senior executives directly to the Chairman of the Audit Committee under the Whistle blower Policy without fear of retaliation. Information about these channels is communicated to employees as part of the mandatory training modules.</p>

<sup>3</sup>GRI 2-15<sup>4</sup>GRI 2-11<sup>5</sup> <https://www.tcs.com/tata-code-of-conduct><sup>6</sup>GRI 2-12

Material Topic	TCS' Approach												
	<p>Compliance to laws of the countries in which we operate, as well as global legislation such as Foreign Corrupt Practices Act, Bribery Act, 2010, etc. are monitored through formal compliance procedures led by the Corporate compliance office. Changes to legislation are closely monitored, risks are evaluated and effectively managed across the business operations.</p> <p>Governance, Risk and Compliance are overseen by the Compliance Officer, Chief Risk Officer and the Chief Human Resources Officer who report to the Chief Operating Officer and Executive Director ("COO &amp; ED"), and CEO &amp; MD respectively. At the apex level, the Audit Committee headed by an Independent Director oversees compliance to the TCoC, Anti-Bribery and Anti-Corruption Policy, Gift and Hospitality Policy and also to the external regulations.</p>												
Tax Strategy <sup>7</sup>	<p>TCS is committed to comply with the applicable laws and regulations, and believes in reporting to the respective tax authorities, relevant information that is complete and accurate, in a timely manner.</p> <p>TCS does not engage in aggressive and contrived tax planning or tax structuring for the purpose of gaining tax advantages. TCS's tax policy is to optimize the tax cost, avail tax incentives where available, while achieving 100 per cent compliance with the spirit as well as the letter of the tax laws and regulations in all countries in which it operates. Compliance is achieved through a robust compliance reporting and monitoring process, with a strong governance on minimizing the tax risk. TCS has zero tolerance towards tax evasion, or the facilitation of tax evasion, by itself or by its employees or vendors.</p> <p>TCS maintains open and collaborative relationships with governments and tax authorities worldwide. Where appropriate, TCS seeks advance clearance from tax authorities on the proposed tax treatment of transactions, helping pre-empt future disputes.</p>												
Board Oversight of Sustainability Matters <sup>8</sup>	<p>TCS' approach to sustainable growth is built on the belief that it can expand its business by creating longer term value for all its stakeholders, including employees, customers, suppliers and local communities, while also valuing the environment. The various sustainability topics material to TCS are overseen by the relevant Board committees, as outlined below:</p> <table border="1" data-bbox="513 963 1427 1487"> <thead> <tr> <th data-bbox="513 963 1157 1003">Material Sustainability Topics</th><th data-bbox="1157 963 1427 1003">Board Committee</th></tr> </thead> <tbody> <tr> <td data-bbox="513 1003 1157 1090">Financial reporting, robustness of internal controls and risk management systems, auditor remuneration, compliance to policies around insider trading, whistle blower, ethics and TCoC.</td><td data-bbox="1157 1003 1427 1090">Audit Committee</td></tr> <tr> <td data-bbox="513 1090 1157 1177">Risk management policy and plan, management of foreign exchange risks, cyber security risks, data privacy risks and intellectual property infringement risks.</td><td data-bbox="1157 1090 1427 1177">Risk Management Committee</td></tr> <tr> <td data-bbox="513 1177 1157 1352">Recommend composition of Board and its committees, appointment/re-appointment of directors and Key Managerial Personnel ("KMP"), design executive directors' remuneration, recommend remuneration policy for directors, executive team and KMP, evaluation of the performance of the Board, Committees and Directors.</td><td data-bbox="1157 1177 1427 1352">Nomination and Remuneration Committee</td></tr> <tr> <td data-bbox="513 1352 1157 1419">Health and safety at the workplace, shareholder grievances and other sustainability initiatives.</td><td data-bbox="1157 1352 1427 1419">Stakeholders' Relationship Committee</td></tr> <tr> <td data-bbox="513 1419 1157 1487">Community initiatives and Corporate Social Responsibility, including compliances.</td><td data-bbox="1157 1419 1427 1487">Corporate Social Responsibility Committee</td></tr> </tbody> </table>	Material Sustainability Topics	Board Committee	Financial reporting, robustness of internal controls and risk management systems, auditor remuneration, compliance to policies around insider trading, whistle blower, ethics and TCoC. Community initiatives and Corporate Social Responsibility, including compliances.	Corporate Social Responsibility Committee												
Succession planning	<p>TCS' philosophy of empowering employees, its industry-leading talent retention, and a decentralized organization structure that devolves executive decision-making across all business units have resulted in a large and deep bench of leadership talent that enables robust succession planning and continuity and consistency in strategy. Succession planning for the top two leadership positions in each business unit is reviewed by senior management. Additionally, heads of business units carry out succession planning for key functions within their units.</p> <p>Succession planning at senior management levels is reviewed by the Board. Business or unit heads are invited to present on specific topics at Board meetings from time to time, offering an opportunity to the directors to assess their values, competencies, and capabilities.</p>

Material Topic	TCS' Approach
Building sustainable and responsible supply chain	<p>TCS requires its suppliers to sign the TCoC upon empanelment. That includes principles on protecting and safeguarding human rights, treating all persons with respect and dignity while safeguarding their rights, the abolition of forced and compulsory labor, child labor in the supply chain and strong corporate governance practices including anti-corruption and bribery and promoting fair business practices across the supply chain. TCoC also requires its suppliers to protect the environment and make conscious use of scarce natural resources in their business processes and at the same time highlighting the importance of health and safety in its workplace and expects the supplier to comply with sustainable business practices in letter and spirit in turn for its employees.</p> <p>The Company supports the principles contained in the Universal Declaration of Human Rights, the ILO Declaration on Fundamental Principles and Rights at Work, and the United Nations Guiding Principles on Business and Human Rights. It works with its suppliers to ensure that they too are fully aligned with these principles.</p>

## II. Board of Directors

i. As on March 31, 2024, the Company has nine Directors of which seven (i.e. 77.8 percent) are Non-Executive Directors (including two women director). The Company has five (i.e. 55.6 percent) Independent Directors.

The composition of the Board is in conformity with Regulation 17 of the SEBI Listing Regulations read with Sections 149 and 152 of the Act.

ii. None of the Directors on the Board:

- holds directorships in more than ten public companies;
- serves as Director or as Independent Directors in more than seven listed entities; and
- who are the Executive Directors serve as independent directors in more than three listed entities.

Necessary disclosures regarding Committee positions in other public companies as on March 31, 2024, have been made by the Directors. None of the Directors are related to other Directors and the Key Managerial Personnel of the Company except N Chandrasekaran and N G Subramaniam.

iii. Independent Directors are non-executive directors as defined under Regulation 16(1)(b) of the SEBI Listing Regulations and Section 149(6) of the Act along with rules framed thereunder. In terms of Regulation 25(8) of SEBI Listing Regulations, they have confirmed that they are not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact their ability to discharge their duties. Based on the declarations received from the Independent Directors, the Board of Directors has

confirmed that they meet the criteria of independence as mentioned under Section 149(6) of the Act and Regulation 16(1)(b) of the SEBI Listing Regulations and that they are independent of the management. Further, the Independent Directors have included their names in the data bank of Independent Directors maintained with the Indian Institute of Corporate Affairs in terms of Section 150 of the Act read with Rule 6 of the Companies (Appointment and Qualification of Directors) Rules, 2014.

iv. Five Board Meetings were held during the year under review and the gap between the two meetings did not exceed one hundred and twenty days. The said meetings were held on: April 12, 2023; July 12, 2023; October 11, 2023; January 11, 2024, and March 11, 2024. The necessary quorum was present for all the meetings.

v. The names and categories of the directors on the Board, their attendance at Board Meetings held during the year under review and at the last Annual General Meeting (“AGM”), name of other listed entities in which the Director is a director and the number of Directorships and Committee Chairmanships/Memberships held by them in other public limited companies as on March 31, 2024, are given herein below. Other directorships do not include directorships of private limited companies, foreign companies and companies registered under Section 8 of the Act. Further, none of them is a member of more than ten committees or chairman of more than five committees across all the public limited companies in which he/she is a director. For the purpose of determination of limit of the Board Committees, chairpersonship and membership of the Audit Committee and Stakeholders’ Relationship Committee has been considered as per Regulation 26(1)(b) of SEBI Listing Regulations.

 ^^appointed as Independent Director w.e.f. October 12, 2023  
 ^^^ceased to be Director w.e.f. January 10, 2024 upon completion of his term as Independent Director.  
 Video-conferencing facilities are also used to facilitate Directors travelling/residing abroad or at other locations to participate in the meetings.

- vi. During FY 2024, information as mentioned in Part A of Schedule II of the SEBI Listing Regulations, has been placed before the Board for its consideration.
- vii. During FY 2024, one meeting of the Independent Directors was held on March 11, 2024. The Independent Directors, *inter alia*, reviewed the performance of Non-Independent Directors, Board as a whole and Chairman of the Company, taking into account the views of Executive Directors and Non-Executive Directors.
- viii. The Board periodically reviews the compliance reports of all laws applicable to the Company.

- ix. Details of equity shares of the Company held by the Directors as on March 31, 2024, are given below:

Name	Category	Number of equity shares
N Chandrasekaran	Non-Independent, Non-Executive	1,77,056
Aarthi Subramanian	Non-Independent, Non-Executive	5,600
K Krishnaswamy	Non-Independent, Executive	11,232
N G Subramaniam	Non-Independent, Executive	1,97,760
Keki Mistry*	Independent, Non-Executive	4,150

\*includes shares held jointly with his relative

The Company has not issued any convertible instruments.

- x. The Board has identified the following skills/expertise/competencies fundamental for the effective functioning of the Company which are currently available with the Board:

Global Business	Understanding, of global business dynamics, across various geographical markets, industry verticals and regulatory jurisdictions.
Strategy and Planning	Appreciation of long-term trends, strategic choices and experience in guiding and leading management teams to make decisions in uncertain environments.
Governance	Experience in developing governance practices, serving the best interests of all stakeholders, maintaining board and management accountability, building long-term effective stakeholder engagements and driving corporate ethics and values.

The eligibility of a person to be appointed as a Director of the Company is dependent on whether the person possesses the requisite skill sets identified by the Board as above and whether the person is a proven leader in running a business that is relevant to the Company's business or is a proven academician in the field relevant to the Company's business. Being an IT service provider, the Company's business runs across different industry verticals, geographical markets and is global in nature. The Directors so appointed are drawn from diverse backgrounds and possess special skills with regard to the industries/fields from where they come.

### III. Committees of the Board

#### i. There are six Board Committees as on March 31, 2024, details of which are as follows:

Name of the Committee	Extract of terms of reference	Category and composition		Other details

## ii. Stakeholders' Relationship Committee-other details

### a. Name, designation and address of Compliance Officer:

Pradeep Manohar Gaikwad, Company Secretary  
Tata Consultancy Services Limited, 9th Floor, Nirmal Building, Nariman Point,  
Mumbai 400 021, India  
Telephone: +91 22 6778 9595

### b. Details of investor complaints received and redressed during FY 2024 are as follows:

Opening as on April 1, 2023	Received during the year	Resolved during the year	Closing as on March 31, 2024
4	128	128	4

## iii. Nomination and Remuneration Committee-other details

### Performance Evaluation Criteria for Independent Directors:

The performance evaluation criteria for independent directors is determined by the Nomination and Remuneration Committee. An indicative list of factors on which evaluation was carried out includes participation and contribution by a director, commitment, effective deployment of knowledge and expertise, integrity and maintenance of confidentiality and independence of behaviour and judgement.

### Remuneration Policy<sup>11</sup>:

Remuneration policy of the Company is designed to create a high-performance culture. It enables the Company to attract, retain and motivate employees to achieve results. The business model promotes customer centricity and requires employee mobility to address project needs.

The remuneration policy supports such mobility through pay models that are compliant to local regulations. In each country where the Company operates, the remuneration structure is tailored to the regulations, practices and benchmarks prevalent in the IT industry.

The Company pays remuneration by way of salary, benefits, perquisites and allowances (fixed component) and commission (variable component) to its Managing Director and the Executive Directors. Annual increments are recommended by the Nomination and Remuneration Committee within the salary scale approved by the Board and Members and are effective April 1, each year.

<sup>10</sup>GRI 2-13

<sup>11</sup>GRI 2-19, GRI 2-20

The Board of Directors, on the recommendation of the Nomination and Remuneration Committee, decides the commission payable to the Managing Director and the Executive Directors out of the profits for the financial year and within the ceilings prescribed under the Act, based on the Board evaluation process considering the criteria such as the performance of the Company as well as that of the Managing Director and each Executive Director.

The Company pays sitting fees of ₹30,000 per meeting to its Non-Executive Directors for attending meetings of the Board and meetings of committees of the Board. The Company also pays commission to the Non-Executive Directors within the ceiling of 1 percent of the net profits of the Company as computed under the applicable provisions of the Act, with the approval of the Members. The said commission is decided each year by the Board of Directors, on the recommendation of the Nomination and Remuneration Committee and distributed amongst the Non-Executive Directors based on the Board evaluation process, considering criteria such as their attendance and contribution at the Board and Committee meetings, as well as the time spent on operational matters other than at meetings. The Company also reimburses the out-of-pocket expenses incurred by the Directors for attending the meetings. The Remuneration policy is available on <https://on.tcs.com/remuneration-policy>.

#### IV. General Body Meetings

##### i. General Meeting

###### a. Annual General Meeting (“AGM”):

Financial Year	Date	Time	Venue
2021	June 10, 2021		
2022	June 9, 2022	3.30 p.m.	Meeting conducted through VC / OAVM pursuant to the MCA Circular
2023	June 29, 2023		

###### b. Extraordinary General Meeting:

No extraordinary general meeting of the members was held during FY 2024.

###### c. Special resolution:

Special resolution for change of place of keeping and inspection of the registers and Annual Returns of the Company was passed at the AGM held in 2022 and no special resolution was passed in the AGMs held in 2021 and 2023.

##### ii. Details of special resolution passed through postal ballot, the persons who conducted the postal ballot exercise, details of the voting pattern and procedure of postal ballot:

The Company had sought the approval of the shareholders by way of a Special Resolution through notice of postal ballot dated October 11, 2023 for:

- a. buyback of its equity shares;
- b. appointment of Mr. Al-Noor Ramji (DIN 00230865) as a Non-executive Independent Director for a term of five years
- c. re-appointment of Ms. Hanne Birgite Breinbjerg Sorensen (DIN 08035439) as a Non-executive Independent Director for a second consecutive term of five years; and
- d. re-appointment of Mr. Keki Minoo Mistry (DIN 00008886) as a Non-executive Independent Director for a second consecutive term of five years

All the aforesaid resolutions were duly passed and the results of which were announced on November 15, 2023.

P. N. Parikh (Membership No. FCS 327) of Parikh & Associates, Practising Company Secretaries, was appointed as the Scrutinizer to scrutinize the postal ballot process by voting through electronic means only (remote e-voting) in a fair and transparent manner. Details of the voting pattern are provided below:

Resolution passed through postal ballot	Votes in favour of the resolution			Votes against the resolution			Invalid votes	
	Number of members voted	Number of valid Votes cast (Shares)	Percentage of total number of valid votes cast	Number of members voted	Number of valid votes cast (Shares)	Percentage of total number of valid votes cast	Total number of members whose votes were declared invalid	Total number of invalid votes cast (Shares)
Buyback of its equity shares	16,150	319,61,27,268	99.78	642	70,10,926	0.22	-	-
Appointment of Mr. Al-Noor Ramji (DIN 00230865) as a Non-executive Independent Director for a term of five years	16,029	320,27,45,957	99.95	653	14,50,499	0.05	-	-
Re-appointment of Ms. Hanne Birgite Breinbjerg Sorensen (DIN 08035439) as a Non-executive Independent Director for a second consecutive term of five years	16,001	317,23,76,322	99.01	676	3,18,09,865	0.99	-	-

Resolution passed through postal ballot	Votes in favour of the resolution			Votes against the resolution			Invalid votes	
	Number of members voted	Number of valid Votes cast (Shares)	Percentage of total number of valid votes cast	Number of members voted	Number of valid votes cast (Shares)	Percentage of total number of valid votes cast	Total number of members whose votes were declared invalid	Total number of invalid votes cast (Shares)
Re-appointment of Mr. Keki Minoo Mistry (DIN 00008886) as a Non-executive Independent Director for a second consecutive term of five years	16,089	318,61,63,326	99.44	604	1,80,30,571	0.56	-	-

Procedure for postal ballot: The postal ballot was carried out as per the provisions of Sections 108 and 110 and other applicable provisions of the Act, read with the Rules framed thereunder and read with the General Circular nos. 14/2020 dated April 8, 2020, 17/2020 dated April 13, 2020 and subsequent circulars issued in this regard, the latest being 9/2023 dated September 25, 2023, respectively issued by the Ministry of Corporate Affairs.

- iii. Details of special resolution proposed to be conducted through postal ballot:

None of the businesses proposed to be transacted at the ensuing AGM requires passing of a special resolution through postal ballot.

- V. A certificate has been received from Parikh & Associates, Practising Company Secretaries, that none of the Directors on the Board of the Company has been debarred or disqualified from being appointed or continuing as directors of companies by the Securities and Exchange Board of India, Ministry of Corporate Affairs or any such statutory authority.
- VI. B S R & Co. LLP, Chartered Accountants (Firm Registration No. 101248W/W-100022) has been appointed as the Statutory Auditors of the Company. The particulars of payment of Statutory Auditors' fees, on consolidated basis for FY 2024 is given below:

Payment of Statutory Auditor's fees (₹ lakh)

Particulars	Amount
Services as statutory auditors (including quarterly audits)	1,120.4
Tax audit	70.0

#### **xii. Share Transfer System**

In terms of Regulation 40(1) of SEBI Listing Regulations, as amended from time to time, transfer, transmission and transposition of securities shall be effected only in dematerialized form.

Pursuant to SEBI Circular dated January 25, 2022, the listed companies shall issue the securities in dematerialized form only, for processing any service requests from shareholders viz., issue of duplicate share certificates, endorsement, transmission, transposition, etc. After processing the service request, a letter of confirmation will be issued to the shareholders and shall be valid for a period of 120 days, within which the shareholder shall make a request to the Depository Participant for dematerializing those shares. If the shareholders fail to submit the dematerialisation request within 120 days, then the Company shall credit those shares in the Suspense Escrow Demat account held by the Company. Shareholders can claim these shares transferred to Suspense Escrow Demat account on submission of necessary documentation.

The Directors and certain Company officials (including Chief Financial Officer and Company Secretary) are authorized by the Board severally to approve transfers, which are noted at subsequent Board Meetings.

**xiii. Shareholding as on March 31, 2024**

10	UTI Mutual Fund	1,40,40,960	0.39

\*Shareholding is consolidated based on Permanent Account Number (PAN) of the shareholder.

#### **xiv. Dematerialization of shares and liquidity**

The Company's shares are compulsorily traded in dematerialized form on NSE and BSE. Equity shares of the Company representing 99.98 percent of the Company's equity share capital are dematerialized as on March 31, 2024.

Under the Depository System, the International Securities Identification Number (ISIN) allotted to the Company's shares is INE467B01029.

#### **xv. Outstanding GDRs/ADRs/Warrants or any convertible instruments, conversion date and likely impact on equity**

The Company has not issued any GDRs/ADRs/Warrants or any convertible instruments in the past and hence, as on March 31, 2024, the Company does not have any outstanding GDRs/ADRs/Warrants or any convertible instruments.

#### **xvi. Commodity price risk or foreign exchange risk and hedging activities**

The Company does not deal in commodities and hence the disclosure pursuant to SEBI Master Circular dated July 11, 2023 is not required to be given. For a detailed discussion on foreign exchange risk and hedging activities, please refer to Management Discussion and Analysis Report.

#### **xvii. Loans and advances**

The Company has not given any loans and advances to firms/Companies in which directors are interested.

#### **xviii. Equity shares in the suspense account**

In accordance with the requirement of Regulation 34(3) and Part F of Schedule V to the SEBI Listing Regulations, details of equity shares in the suspense account are as follows:

<b>Particulars</b>	<b>Number of shareholders</b>	<b>Number of equity shares</b>
Aggregate number of shareholders and the outstanding shares in the suspense account lying as on April 1, 2023	26	820
Shareholders who approached the Company for transfer of shares from suspense account during the year	-	-
Shareholders to whom shares were transferred from the suspense account during the year	-	-
Shareholders whose shares are transferred to the demat account of the IEPF Authority as per Section 124 of the Act	-	-
Aggregate number of shareholders and the outstanding shares in the suspense account lying as on March 31, 2024	26	820

The voting rights on the shares outstanding in the suspense account as on March 31, 2024, shall remain frozen till the rightful owner of such shares claims the shares.

#### **xix. Transfer of unclaimed/unpaid amounts to the Investor Education and Protection Fund**

Pursuant to Sections 124 and 125 of the Act read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ("IEPF Rules"), dividend, if not claimed for a period of seven years from the date of transfer to Unpaid Dividend Account of the Company, are liable to be transferred to IEPF.

Further, all the shares in respect of which dividend has remained unclaimed for seven consecutive years or more from the date of transfer to unpaid dividend account shall also be transferred to IEPF Authority. The said requirement does not apply to shares in respect of which there is a specific order of Court, Tribunal or Statutory Authority, restraining any transfer of the shares.

In the interest of the shareholders, the Company sends periodical reminders to the shareholders to claim their dividends in order to avoid transfer of dividends/shares to IEPF Authority. Notices in this regard are also published in the newspapers and the details of unclaimed dividends and shareholders whose shares are liable to be transferred to the IEPF Authority, are uploaded on the Company's website <https://iepinvestorinfo.tcsapps.com/#/home>.

The details of unclaimed dividends and shares transferred to IEPF during FY 2024 are as follows:

<b>Financial year</b>	<b>Amount of unclaimed dividend transferred</b>	<b>Number of shares transferred</b>
2015-16	2,60,32,185	41,294
2016-17	2,16,37,364	15,191
<b>TOTAL</b>	<b>4,76,69,549</b>	<b>56,485</b>

The Members who have a claim on above dividends and/or shares are requested to follow the below process:

1. Submit self-attested copies of documents provided in IEPF 5 helpkit, which is available on IEPF website ([www.iepf.gov.in](http://www.iepf.gov.in)) to the Company / Registrar and Transfer Agent (RTA).
2. After verification of the aforesaid documents submitted, Company will issue an entitlement letter.
3. File Form IEPF-5 on IEPF website and send self-attested copies of IEPF-5 form along with the acknowledgement (SRN), Indemnity bond and entitlement letter to Company.
4. On receipt of the physical documents mentioned above, Company will submit e-Verification report, for further processing by the IEPF Authority.

Members are requested to note that no claims shall lie against the Company in respect of the dividend/shares transferred to IEPF.

The following table give information relating to various outstanding dividends and the dates by which they can be claimed by the shareholders from the Company's RTA:

<b>Financial Year</b>	<b>Date of declaration</b>	<b>Last date for claiming unpaid dividend</b>
2016-17	June 16, 2017	July 16, 2024
2017-18	July 13, 2017	August 13, 2024

## PRACTISING COMPANY SECRETARIES' CERTIFICATE ON CORPORATE GOVERNANCE

### To the Members of Tata Consultancy Services Limited

We have examined the compliance of the conditions of Corporate Governance by Tata Consultancy Services Limited ('the Company') for the year ended on March 31, 2024, as stipulated under Regulations 17 to 27, clauses (b) to (i) and (t) of sub-regulation (2) of Regulation 46 and para C, D & E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations").

The compliance of the conditions of Corporate Governance is the responsibility of the management. Our examination was limited to the review of procedures and implementation thereof, as adopted by the Company for ensuring compliance with conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, and the representations made by the Directors and the management and considering

the relaxations granted by the Ministry of Corporate Affairs and Securities and Exchange Board of India , we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI Listing Regulations for the year ended on March 31, 2024.

We further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

# Corporate Social Responsibility

Empowering Access to Opportunity

## Overview

We live in interesting times with technologies like Artificial Intelligence dominating the global conversation, the human impact of natural disasters calling attention to the need for climate adaptation, and a worldwide call to action for inclusive growth as economies transition post the pandemic.

TCS, recognizes the power of technology, innovation, and human ingenuity in building a more equitable world. TCS believes that everyone is born with equal potential, but not equal opportunity and it is the vision of TCS to empower people and communities to build self-reliance while promoting the core values of fairness, equity, and respect for human rights.

This past year TCS has made significant progress in its mission, **empowering over 7 million people through its CSR programs** including big bets aimed at people with highest need, in communities where resources are low, while using its core strengths to make a meaningful impact. This resulted in **upward socio-economic mobility for 797,749 people**, building equitable and inclusive pathways for **405,775 women, 455,692 youth and 547,311 from marginalized groups**.

This was achieved by **scaling TCS' high impact programs across India and 43 countries** around the world, against four strategic themes (and eight focus areas): provide a 21st century education for all (Education and Research, Literacy to Livelihood), help citizens equitably access good jobs of tomorrow (Employment through Skilling, Digital Entrepreneurship), enable delivery of world class front-line services in poorest districts (Healthcare, Digital Inclusion), and accelerate the just transition to a green economy (Water, Climate and Sustainability). No one organization can do this alone, and TCS through its purpose ecosystem engaged the key stakeholders to support the needs of the local communities.

TCS served **20,342 marginalized people through its Literacy as a Service program**, empowering them through functional, financial, and digital literacy. Gaining self-confidence, dignity, and access to key citizen entitlements, they traversed a path from a vicious cycle of poverty, bonded labor, and harsh work conditions to charting their own course of savings and livelihood.

The onus of building Responsible AI rests not with today's companies, workforce, and policy makers, but more so lies in the hands of the next generation of innovators. Empowering **6,209 teachers to inculcate computational thinking**, Ignite my Future program of TCS prepared **312,966 students across five continents** with foundational skills for the age of AI, while the goIT digital innovation program inspired **118,016 students across 42 countries** apply 21st Century Skills and latest technologies like AI, IoT, and App Design to solve real-world problems in their community. The most gratifying aspect is 53% of these

students are girls and 76% from underrepresented minorities.

Gaining access to quality jobs in today's digital economy can often be a challenge, even for those educated from leading institutions. TCS imparted marketable skills, credentials, and valuable certifications to **23,297 rural youth from 24 states and union territories across India**, coaching and mentoring them for industry readiness through its Youth Employment Program. Nearly half of these are women, improving their income opportunities and participation in economic growth.

Across **1,735 villages in rural India**, digital entrepreneurs from the TCS program 'BridgeIT', are earning their livelihood while providing much needed last-mile services to **312,175 beneficiaries** such as access to citizen entitlements, banking, financial services, insurance, telehealth, telelaw, logistics, ecommerce and more. Expanding the program to 44 districts, **a new cohort of 1,400 women entrepreneurs** from socially marginalized background are gearing up to be catalysts to strengthen the rural economy.

In a transformational year for community service, **HOPE (Hours of Purpose by Employees)**, a TCS program saw volunteers contribute over **6.7 million hours** to support the poor with basic necessities, to create better health outcomes for those who need help, to preserve and protect the environment, to empower better education, employment, entrepreneurship, and livelihoods for the marginalized. TCSers also built capacity and capability for **over 50 social sector organizations** through skills-based volunteering, providing in-kind digital, advisory and technology consulting services.

TCS jointly served needy communities around the world through **138 purpose partnerships**, working alongside other Tata Group companies, its customers, and like-minded organizations through its Business with Purpose program. TCS harnessed the wisdom of over **1,800 cross-sector leaders** through 11 Digital Empowers thought leadership forums, using their collective wisdom to help advance advocacy and policy efforts globally.

#### Literacy as a Service (LaaS)

Inadequate adult literacy is a problem preventing India from achieving its full economic potential. Majority of the non-literate population comprises women, and from marginalized communities. TCS' Literacy as a Service (LaaS) program addresses non-literacy among adults and creates awareness of key citizen entitlements. It serves the dual purpose of improving the literacy rate in the country and promoting social inclusion and financial stability for marginalized communities. LaaS' innovative teaching method leverages technology, the theory of cognition, and the laws of perception. The program's creative means of delivery uses animated graphic patterns for easy visual and auditory learning.

LaaS' modules include functional literacy (50-55 hours), financial literacy (5-7 hours), and awareness of key citizen entitlements (3-4 hours). These are currently available in nine Indian, and three foreign languages.

Democratizing the literacy solution, TCS' Each one Empowers one portal provides TCS, Tata Group employees, and their families, the opportunity to empower non-literates such as security guards, domestic workers, and gardeners in their local community.

Since its inception, LaaS has successfully paved the way to self-reliance for over **2,43 million** learners and more than **201,600** facilitators through literacy. In FY 2024, LaaS empowered **20,342** learners (~99% women) with functional literacy, financial literacy, and awareness of key citizen entitlements.

The program's transformational impact offers beneficiaries a path to financial independence, raises their self-esteem, and provides them the opportunity to be role models for their children. In addition, the program has also given neo-literates better access to government benefit schemes, and financial systems.

#### **Literacy as a Service (LaaS) Case Study** **Lighting up the Musahar Community with literacy**

Tara Devi, from Bhaipurkhurd village, in Mirzapur, Uttar Pradesh, used to work at a brick kiln, for 14-16 hours every day, along with her husband and children. The owner of the brick kiln exploited them and paid them inadequately. Lacking basic education, Tara and her family were unable to accurately calculate their wages and were dependent on middlemen. TCS' Literacy as a Service (LaaS), in partnership with Manav Sansadhan E�am Mahila Vikas Sansthan (MSEMVS), started a literacy program in Bhaipurkhurd. Tara Devi was rescued by MSEMVS, and she joined the TCS' literacy center at Bhaipurkhurd.

Attending TCS' LaaS sessions every day, Tara Devi learned how to read basic Hindi and do simple arithmetic. MSEMVS assisted Tara in setting up a small general shop. She is now able to operate her microenterprise independently and personally maintain her book of accounts. Realizing the transformative power of education, Tara Devi inspires her children to take their education seriously.

I had never thought that I would be able to leave the work at the brick kiln and open my own shop. Thanks to TCS' Literacy as a Service, I learned basic arithmetic, and today I can manage the accounts of my shop. Now I send my children to school every day.

**Tara Devi**

Bhaipurkhurd village, Mirzapur, Uttar Pradesh

#### **Youth Employment Program (YEP)**

Trained: 19,900 | Under Training: 3,397 | Placed: 2,845  
Vulnerable & marginalized: 49%

The high unemployment rate among the youth, particularly from marginalized communities is a significant issue in modern India. Their employment prospects and their ability to participate in the digital economy are impacted by challenges such as limited opportunities, deficient communication skills, and a lack of technical expertise.

TCS' Youth Employment Program (YEP) empowers the youth with its "Teach, Coach, Mentor and Place" model. Industry leaders and subject matter experts collaborate to deliver comprehensive training on business communication, aptitude, computer programming, and domain-specific skills.

The program facilitates a seamless transition between the academic and professional worlds and elevates the beneficiaries' social and economic standing. By providing career guidance, mentoring, and offering access to market-relevant certifications and real-time projects, YEP equips the youth to navigate opportunities in the Indian job market.

Since its inception, the program has:

- Provided youth from marginalized groups across the country access to opportunities.
- Enhanced the socio-economic status of more than 1,76,000 youth and their families.
- Created specific career paths for the youth in Hospitality, Banking, Retail, and IT domains, to name a few.
- Facilitated anytime and anywhere learning through the one-stop YEP portal.
- Advanced the reputation of, and provided visibility to, YEP partner institutions.
- Enabled continuous availability of a highly skilled talent pool for the industry.

The program currently runs in **24** states and union territories of India. In FY 2024, **19,900** students were trained, of which 49% were women and from groups qualified for affirmative action programs. Over **2,845** students have gained employment in the IT/ITES and other domains.

### Youth Employment Program (YEP) Case Study

Puja Bhairu Kamble, is from Solapur. After her graduation, she embarked on her dream to join the police force. However, she failed the examinations and was left disappointed, her dreams shattered.

Her father who was a security guard at Tata Consultancy Services, informed her about a program designed to assist recent graduates find employment. Puja was advised to send her resume to see if she qualified for the training. Soon after, she received an invitation to the "Youth Employment Programme" (YEP) orientation. There she met other enthusiastic young individuals who shared similar career dreams.

YEP helped enhance her analytical, numerical, and communication skills. Throughout the training, she also acquired fundamental skills such as time management, work-life balance, and corporate etiquette. She learned the significance of creating an outstanding resume and received guidance on conduct during interviews.

Upon completing the training, she appeared for the TCS recruitment drive and was selected for a position at TCS's Vikhroli office. Her feeling of joy was immeasurable. Puja dedicates her success to YEP and all the TCSers who helped her.

### BridgeIT

**Entrepreneurs: 348**

**Beneficiaries served by entrepreneurs: 312,175**

**Vulnerable & marginalized: 88%**

Launched a decade ago, TCS' BridgeIT program addresses the socio-economic divide in India by creating rural digital entrepreneurs. These digipreneurs use information technology to help citizens in local communities avail government entitlements by providing financial and digital services in education, employment, and adult literacy, enabling social integration.

Operating in 29 districts across 10 states, the program focuses on addressing social inequities, particularly among women and marginalized communities. By creating entrepreneurs in rural India, BridgeIT solves for rural India, in rural India.

A major achievement of BridgeIT in FY 2024 was the agreement between TCS and Humana People to People India (HPPI), to empower 1,400 rural youth from socially and economically marginalized communities across 14 districts of Bihar, Jharkhand, and Rajasthan, by building their capacities to become digital entrepreneurs.

A TCS Entrepreneur Network (TEN) was created to encourage collaborative knowledge sharing and revenue generation ideas among existing and future entrepreneurs. The TCS team connects regularly with the entrepreneurs for this purpose. Training modules were created and conducted on topics such as Cyber Security, Cyber Crime, DTP, and Canva.

An in-house guidebook to learn and adopt new ways to generate income has also been developed. Additionally, Digital Entrepreneur Learning Intervention (DELI), the TCS in-house training curriculum, and content for future training programs has also been created.

In FY 2024, **348** active digital entrepreneurs (of which 41% comprise women and 77% hail from marginalized communities) served 1,735 villages, offering services to **312,175 beneficiaries** like document generation, government scheme enrollment, online form filling, and banking transactions, among others.

### BridgeIT Case Study Shashi Kujur -Digital Mukhiya

Shashi Kujur is today a beacon of empowerment in Kura. While Shashi like many women from her community married young, she was different. Driven by the ambition to achieve something significant in life, she delayed starting a family with her husband. In 2020, on hearing news of TCS's BridgeIT, Shashi decided to enroll in the program. Equipped with training, a laptop, and determination, she transformed a room in her home into a digital service hub.

Initially offering a few services, Shashi gradually expanded to offer 24 services to her community, including PAN cards and financial services. With time, Shashi gained recognition in her village. Her success propelled her to run for Mukhiya in Jharkhand, earning the moniker of "Digital Mukhiya."

Shashi's journey exemplifies the enabling and transformative potential of women's agency and entrepreneurship in shaping and uplifting their communities.

I started with apprehensions, but with determination, I became the 'Digital Mukhiya' of my village. Proud to empower women, bring change, and make an impact through entrepreneurship.

**Shashi Kujur**

Kura village, Latehar, Jharkhand

### go Innovate Together (goIT)

Around the world, there are more jobs in STEM and the computer sciences than there are qualified candidates to fill them. There is also a lack of understanding of what goes into becoming a STEM or computer science professional. The National Science Foundation predicts that 80% of the jobs that will be created in the next decade will require skills in mathematics and science. TCS' flagship digital innovation and career readiness program, go Innovate Together (goIT), prepares students with the skills and capabilities required to pursue careers of the future.

Through engaging design workshops and custom mentorship experiences, goIT helps students by challenging stereotypes and inspiring these future leaders to pursue the careers of tomorrow. goIT helps students develop core skills in partnerships with school districts, using a four-pronged model which includes, in-person or virtual volunteer-driven engagements, round the year goIT online connects, monthly challenges centered around the UN SDGs and mentorship by industry professionals from TCS. The impact metrics from participating students reinforce the success of the program, with 89% aspiring to pursue STEM careers post-program, 96% believing they can -create positive community impact, and 99% learning new skills from TCS mentor volunteers. goIT's transformative journey helps shape the future of STEM education. Since its launch in 2009, goIT has benefitted **263,282** students with a growing presence across 42 countries. FY 2024 was the most impactful year for goIT, benefitting **121,648** students and educators around the world.

#### go Innovate Together (goIT) Case Study Record-breaking female participation in Honolulu

Statistics reveal that women represent fewer than 28% of the world's technology workforce, a fact echoed by even lower numbers in the U.S. That is why goIT's achievement in one middle school in Honolulu, Hawaii, sends such a strong message. goIT's first-ever classroom program in Hawaii, with a group that comprised 75% girls, featured the highest ratio of attending girls ever achieved in a goIT co-ed offering. TCS partnered with St. Andrews schools to bring goIT to 4th and 6th grade students, who spent three months working their way

through the goIT Artificial Intelligence curriculum. The engagement gave them hands-on experience with machine learning and classification modelling. It also helped them employ creativity and problem-solving skills to create potential sustainable solutions to problems in their community. Demonstrating how computer science topics are increasingly gaining appeal with girls gives TCS hope for the future of the industry.

### Ignite My Future (IMF)

**Students: 312,966 | Educators: 6,209  
Vulnerable & marginalized: 64%**

The world is evolving at a tremendous pace, and now more than ever, young people require 21st-century skills, such as computational thinking, to keep abreast with the changing times, create avenues for new jobs, and explore possibilities for economic equity. Emerging technologies like GenAI highlight how core school subjects alone will no longer be enough.

Computational thinking is a foundational skill that prepares students to think, solve, and create. TCS' Ignite My Future (IMF) is a pioneering endeavor to empower educators through a transdisciplinary approach that integrates computational thinking into core subjects like mathematics, science, art, and social studies. Offered for free, IMF enables educators to teach students equitably. The program highlights the importance of computational thinking as a critical skill in a changing world with complex problems that require thoughtful solutions. Through TCS volunteering and customer engagements with program partners, IMF brings career pathways to life by creating awareness for students on potential careers. IMF consistently engages with educators and students through the Learning Leaders network, family STEM nights, and special student projects.

This year, IMF introduced a new offering: Behind the Scenes, a virtual field trip model that empowers teachers with high-quality video and activity content to inspire students as they become today's problem solvers in tomorrow's world. The first-ever Behind the Scenes content is designed in partnership with a fellow Tata Group company, Jaguar Land Rover, through Jaguar TCS Racing partnership via the ABB FIA Formula E World Championship.

Since its inception in 2017, IMF has positively impacted over **2.32 million** teachers and students around the world. In FY 2024, IMF benefited **312,966** students and **6,209** educators across ANZ, APAC, India, LATAM, North America, and UK & Ireland.

#### **Ignite My Future (IMF) Case Study - Igniting Futures at full speed: cross-sector efforts that inspire generations**

Ignite My Future At Track is a novel program within the IMF universe of resources that offers teachers and students the opportunity to peep behind the scenes and discover how STEM careers can be fully compatible with someone's passion for something, like motor sports. Thanks to cross-sector efforts, TCS gave IMF alumni and IMF Learning Leaders the opportunity to witness firsthand how the Jaguar TCS Racing Team uses problem-solving strategies in computational thinking to ensure a successful race. Students interest in STEM careers grew by 40%. 75% felt more likely to use computational thinking strategies in real-life situations, and 100% of teachers in the immediate community showed newly acquired interest in the program. It is said that "it takes a village to raise a child" and Ignite My Future's efforts make sure no child is left behind.

Since I was introduced to Ignite My Future by my teacher in the classroom, I felt there was a difference in my day to day living. Computational Thinking was something I could use in my daily problems too. Then, when I realized I was going to be given the chance to be part of Ignite My Future At Track, I discovered how interesting the world of STEM is and how it's not just what you see in a book. Not only am I a big fan of race cars now, but I am also sure I am going to pursue a career in STEM now.

**Tomás F**

Middle School Student, IMF alumni, México

#### **Employee Volunteering Program**

Volunteering has a new home at TCS. Hours of Purpose by Employees (HOPE) is a transformational movement that allows TCS' growing, highly skilled, and diverse personnel to champion purpose projects and give back to society.

The program transformed volunteering from an occasional activity into a strategic force for positive change. Through HOPE, employees can choose activities in different localities, along with corporate-driven programs, primarily focused on the 17 UN SDGs. All HOPE projects are guided, monitored, and driven by 'Purpose Councils' comprising leaders from regions and business units who believe in the Tata Ethos of giving back to society. TCS believes that HOPE's strong, purpose-driven ecosystem is vital to create change that will stand the test of time and generate positive impact.

#### **TCS: #1 company for volunteers**

Through HOPE, TCS became the leading company for volunteers. For the first time, multiple volunteering events (over 250) were organized under one platform, allowing 182,000 volunteers to choose what they volunteer for, how they volunteer (DIY/virtual/in-person), and who they volunteer with (friends and family).

#### **And miles to go...**

In FY 2024, HOPE resulted in a collective impact of **6.72 million** volunteer hours, primarily addressing six SDGs. The platform reached **11.17 PCVH** (Per Capita Volunteering Hours) and positively impacted **5.41 million** lives. As more TCSers and their friends and family join hands with HOPE, striving to be purposeful stewards of their communities, this movement is set to continuously grow and touch more lives.

#### **Hours of Purpose by Employees (HOPE) Volunteer Testimonial**

Hours of Purpose by Employees (HOPE) is a wonderful initiative to celebrate the efforts of people who work selflessly to bring about positive change in society. Personally, participating and contributing hours to HOPE initiatives allowed me to be a part of the community and provided me with a sense of belonging. Going to NGOs and working with the team members helped unite my teams of young volunteers who want to build a better society and put a smile on the faces of beneficiaries. I get

a feeling of satisfaction every time I look back at the work I did, to serve my community and my family. I strongly encourage young people to volunteer and help others, because just as volunteering helps others, it also helps us discover skills we didn't know we had, such as communication, team building, and interpersonal skills.

**MSR Murthy**  
TCS Hyderabad

#### Hours of Purpose by Employees (HOPE) Volunteering Story

Prachi Nawale has been actively volunteering for the SGNP Adivasi Child Education Program to support underprivileged children by providing educational sponsorship. Her mission is to take education to marginalized children from indigenous communities and help them make the transition to a brighter future. Prachi and her team at TCS collaborated with DoorStepSchool, an NGO, to identify children and provide academic tuition, sponsored by a TCS Purpose Partner, a global energy organization, to provide primary and secondary education to children from indigenous regions or Adivasi Padas at the Sanjay Gandhi National Park, Mumbai. The team also celebrates festivals and organizes various activities for these children like donation drives with clothes, stationery, and toys, as well as food distribution events. Prachi finds it heartening that in the 10 years of their association with this group, many of the children have completed their secondary and higher secondary education. She is particularly proud of one of the students, who is now pursuing her higher studies with support from Prachi and the team. A dedicated volunteer and a shining ray of HOPE, Prachi believes that sharing is caring.

I believe in the philosophy of “sharing is caring.” Early in life, my parents cultivated in me the value of generosity. This encouraged me to work for societal well-being. I am blessed to have a wonderful family who always supports me and participates in HOPE activities along with me. Giving back to society gives me immense joy and fills me with a sense of fulfillment. I feel blessed and grateful for all that I have.

**Prachi Nawale,**  
TCS Mumbai

I used to be shy, now I can speak English”. These words were said by a young adult who attended FlyHigh, a soft skills development volunteering program for underprivileged students in a government school in Indore. TCS employees went to the school for 15 days to take classes and help the students gain confidence in speaking English. During the valedictory ceremony, students spoke about their experience of attending FlyHigh and shared how the program helped them overcome their shyness and fear of speaking in English.

I got the opportunity to volunteer for FlyHigh. Witnessing the enthusiasm and growth in these young minds was truly inspiring. The experience not only enriched their lives but also taught me the profound impact a small effort can have on shaping the future. I encourage others to join in, to create positive change through education and mentorship.

**Ayush Srivastava**  
CIU/Indore

#### Tech4HOPE

Through Tech4HOPE, TCS provides pro-bono advisory and technology consulting services to organizations and non-profits that seek to create socio-environmental impact.

Non-profits are enabled to use technology to enhance their reach and become sustainable.

Working closely with key stakeholders, TCS understands their needs and builds software tools to help them establish a digital presence, build operational transparency, raise funds easily, and improve efficiency. Tech4HOPE has generated millions of dollars of ‘social value’ since its inception.

In Australia, the Indigenous population is most affected by urbanization. According to the Closing the Gap report, Aboriginal and Torres Strait Islander people have on average shorter lifespan of 10-17 years, primarily due to lack of proper nutrition. Using environmentally sustainable technology, TCS developed a website for Food Ladder, an organization that provides communities access to fresh, nutrient-rich produce. The development of this new website enables Food Ladder to reach anyone, anywhere, and on any device.

TCS provided pro bono data governance consulting services to First Book, a non-profit based in Washington, D.C., that provides books and other resources to classrooms, libraries, and programs serving children in need. Through a deep-dive inquiry, TCS recommended quick-to-implement improvements and long-term strategic solutions to bring First Book’s data governance efforts up to best-practice standards. It marked a beneficial step in helping First Book ensure stronger stakeholder relations and greater availability of funding and books for the children.

TCS has joined forces with the KidsRights Foundation in Amsterdam to introduce an innovative digital platform aimed at inspiring young changemakers and promoting awareness of children's rights. The platform, named State of Youth Kids, was launched globally in September 2023. The edutainment platform expands on the existing KidsRights' platform for youth between the ages of 12 to 24 years and now offers a dedicated space for children aged 6 to 12 years, who have the passion and courage to learn how to change the world for the better. The free learning portal provides age-tailored videos about the most pressing issues faced by the youth such as bullying, food waste, sexism, physical punishment, mental health, greenhouse gases, and more.

### **Leaders with Purpose (LwP)**

Leaders with Purpose (LwP) is a nine-month immersive civic leadership learning and practice journey. It is designed to nurture the skills of TCS employees to lead societal change. The program equips participants with leadership, communication, and project management skills required for a sustained commitment to social impact. Through interactive classes and capstone projects, LwP cultivates a sense of social responsibility among participants. Upon graduating, participants are empowered to conduct their professional lives focusing on generating positive social change.

In FY 2024, 65 “LwP’s” from Canada and the U.S. and 11 from U.K & Ireland graduated after intense in-classroom and online learning, followed by five months of hands-on work on real-world social impact projects.

### **Business with Purpose (BwP)**

Business with Purpose (BwP) is an accelerator for social good and creates impact-driven ‘Purpose Partnerships’ through its unique framework. These partnerships address societal needs including education, skill development, and employment with TCS’ customers, Tata Group companies, and other like-minded organizations. Business with Purpose helps partner organizations meet their purpose commitment and give back to society. This provides collaborating organizations social positive opportunities in sync with their community goals.

TCS leverages its expertise to develop contextual solutions for pressing societal issues and fosters partnerships with customer leaders to generate wide-reaching, long-term, and sustainable impact. Bringing the company’s strategic programs, like go Innovate Together (goIT), Ignite My Future (IMF), and Youth Employment Program (YEP) to Purpose Partnerships helps TCS serve underserved communities further.

In FY 2024, more than 345 customer leaders, including 70 senior executives, participated in different Corporate Social Responsibility initiatives, globally.

### **Digital Empowers**

#### **The Power of Digital Transformation: Inspiring Collaboration and Empowering Change**

Digital Empowers is a collaborative platform of impact that brings renowned industry experts, business leaders, government officials, non-profit organizations, and academia together from across the world. Being a thought leadership initiative, the ingenuity and resources of the private sector, the innovative capacity of technologists, and the collective assets of governments, non-profit organizations, and civil society are brought together to create social impact.

The platform fosters innovation, drives societal growth, and unlocks the potential of the digital age, allowing community leaders to co-create and co-innovate solutions for social impact.

Through the 11 dynamic convenings and forums, attended by around 1877 visionary leaders over the last year, TCS has driven impactful conversations and collaborations on pressing issues including, bridging the digital divide, informing national policies in India to promote education and entrepreneurship, and equipping adults and the youth with AI. A comprehensive report was released to highlight key digital empowerment insights and advancements from the past year.

In the autumn of 2023, Digital Empowers orchestrated a transformative webinar, "Seeds of Change: Cultivating Generational Shifts through Literacy." The lineup featured distinguished speakers including, the Joint Secretary of the Department of School Education and Adult Literacy, the CEO of Pratham Education Foundation, and the Chief Social Responsibility Officer of TCS.

The virtual gathering brought an audience of more than 700 together. The participants included central and regional government representatives of India, Tata Group employees, members of NGOs, foundations, corporate entities, students, and more. In the webinar, along with showcasing the essence of its CSR initiatives, TCS underscored the profound impact of its cross-sector collaborations in positively transforming the lives of countless individuals.

## Social Innovation

Social Innovation at TCS is based on the belief that social change and inclusion are critical to people everywhere. TCS utilizes its intellectual and technological capital to generate transformational impact globally by providing digital services to social organizations, pro bono. TCS leverages its vast contextual knowledge, as well as the collective knowledge from a diverse network of subject matter experts, to deliver innovative solutions for specific problems that are unique to the community in question.

In FY 2024, TCS in Australia completed two projects that digitally enabled the Indigenous communities. TCS is working with the Indigenous partnerships team and research teams at the Australian Institute of Marine Science (AIMS) at Bindal Country (Townsville), Larrakia Country (Darwin) and Whadjuk Noongar Country (Perth) to build a "Northern Australia Marine Monitoring Alliance (NAMMA)" digital platform. This platform will leverage AIMS' research and operations in alliance with Aboriginal and Torres Strait Islander groups to provide training and build capacity in marine monitoring. It will enable Traditional Owners to understand changes to their sea country better and sustain their determination in preserving marine environments across Australia.

In FY 2024, the program has impacted **227,413** people from underprivileged communities and enabled them with better livelihoods.

## Digital Impact Square (DISQ) - Zero Project Awardee 2024

DISQ, a TCS Initiative, is an incubation program for early-stage startups which focuses on community inclusion. Young innovators are provided skill-building, mentorship and seed funds for solutions including assistive technology for persons with disabilities. Since 2017, DISQ has nurtured and supported several Assistive Tech startups and impacted 100,000+ disabled and their caregivers. DISQ received the #zeroprojectaward - Innovative Solution 2024 at the #ZeroConference for removing barriers and improving accessibility for disabled people and participated in the #ZeroConference. The award ceremony was held at the United Nations Office in Vienna where TCS shared the stage with awardees from 43 countries globally. This recognition acknowledges the ground-breaking work done by TCS' Assistive Tech Startups.

## Health and Wellness

TCS inculcates a healthy lifestyle among its employees and communities by offering work-life balance and providing support for emotional wellness. When people feel psychologically safe, they build positive workplace relationships, realize their potential, proactively take on responsibilities, and make meaningful contributions to society.

Programs like HOPE, Fit4Life, SafetyFirst, and TCS Cares help create awareness about physical and emotional well-being. These programs also provide employees the opportunity to engage with the community purposefully.

Statista forecasts that by 2050, seniors will account for a third of Singapore's population. TCS launched Seniors Lab, a pilot digital program for integrated senior care to help seniors live and age with confidence, in partnership with Sree Narayana Mission (SNM) in Singapore. Designed to address rising healthcare costs, Seniors Lab leverages technology to create an integrated care delivery system that lowers the cost of delivering care while helping the seniors of SNM lead safer, more comfortable, and independent lives.

As part of the CANSupport initiative, TCS Malaysia joined hands with the National Cancer Society Malaysia (NCSM), to develop the first-ever digital solution to improve care for children with cancer. This groundbreaking initiative is in partnership with the Ministries of Health and Transport of Malaysia. TCS worked with NCSM to develop a technologically driven one-stop platform for all cancer-specific services connecting doctors and caregivers in Malaysia. The new digital solution can be accessed by any caregiver or newly diagnosed cancer patient.

TCS' transformations at Tata Medical Center, Kolkata, and Cancer Institute, Chennai, facilitated **173,449** new patient consultations in FY 2024.

### Contributions to Disaster Relief Efforts

Disaster relief efforts are crucial in mitigating the impact of natural and human-made catastrophes. TCS extended its support by mobilizing resources and offering aid to several affected areas to help restore stability and hope.

TCS continued its partnership with the American Red Cross, providing disaster response training on Mass Care, Sheltering and Feeding as well as on Hands Only CPR awareness and Fire Safety. TCSers supported the community in the aftermath of the Hawaii Wildfire, bringing relief to over 1,600 residents. The TCS NYC Marathon also saw the largest ever fundraising in support of the Greater NY Region chapter of the Red Cross.

In Canada, TCS volunteers participated in MapSwipe sessions helping pinpoint where critical infrastructure and populations are located for mappers. This helps disaster responders offer efficient and effective responses. Volunteers also supported Red Cross' Mobile Food Clinic to fill hampers and pack food items.

In February 2024, a large fire affected the communes of Valparaíso, Viña del Mar, Quilpué and Villa Alemana, in the Valparaíso Region in Chile. This has been categorized as one of the largest disasters in the country in the last 30 years. TCS Chile joined the aid campaign with the Chilean Red Cross, generating aid for non-perishable food and cleaning supplies that helped provide immediate assistance to multiple families affected by the wildfire.

## Independent Practitioners' Reasonable Assurance Report

### To the Directors of Tata Consultancy Services Limited

**Assurance report on the sustainability disclosures in the Business Responsibility and Sustainability Reporting (BRSR) Core Format<sup>1</sup> (called ‘Identified Sustainability Information’ (ISI) of Tata Consultancy Services Limited (the ‘Company’) for the period from 1 April 2023 to 31 March 2024.** The ISI is included in the Business Responsibility and Sustainability Reporting of the Company for the period from 1 April 2023 to 31 March 2024.

### Opinion

We have performed a reasonable assurance engagement on whether the Company’s sustainability disclosures in the BRSR Core Format (refer to Annexure 1) for the period from 1 April 2023 to 31 March 2024 has been prepared in accordance with the reporting criteria (refer table below).

Identified Sustainability Information (ISI) subject to assurance	Period subject to assurance	Page number in the Annual Report	Reporting criteria
BRSR Core (refer Annexure 1)	From 1 April 2023 to 31 March 2024	127 to 166	<ul style="list-style-type: none"> <li>- Regulation 34(2)(f) of the Securities and Exchange Board of India (SEBI) Listing Obligations and Disclosure Requirements (SEBI LODR)</li> <li>- Guidance notes for BRSR format issued by SEBI</li> <li>- World Resource Institute (WRI) / World Business Council for Sustainable Development (WBCSD) Greenhouse Gas (GHG) Protocol (A Corporate Accounting and Reporting Standards)</li> </ul>

This engagement was conducted by a multidisciplinary team including assurance practitioners, engineers and environmental and social professionals.

<sup>1</sup> Notified by SEBI vide circular number SEBI/HO/CFD/CFD-SEC-2/P/CIR/2023/122 dated 12 July 2023

In our opinion, the company's Identified Sustainability Information *on* pages 127 to 166 of the Annual Report for the period 1 April 2023 to 31 March 2024, subject to reasonable assurance is prepared, in all material respects, in accordance with the *Regulation 34(2)(f) of the Securities and Exchange Board of India (SEBI) Listing Obligations and Disclosure Requirements (SEBI LODR) and basis of preparation set out in page 128 Section A: General Disclosures 13 of the Integrated Annual Report*.

We do not express an assurance opinion on information in respect of any other information included in the Integrated Annual Report 2024 or linked from the Sustainability Information or from the Integrated Annual Report 2023, including any images, audio files or embedded videos.

### Basis for opinion

We conducted our engagement in accordance with International Standard on Assurance Engagements (ISAE) 3000 (Revised), *Assurance Engagements Other Than Audits or Reviews of Historical Financial Information* issued by the International Auditing and Assurance Standards Board (IAASB). Our responsibilities under those standards are further described in the "Our responsibilities" section of our report.

We have complied with the independence and other ethical requirements of the International Code of Ethics for Professional Accountants (including International Independence Standards) issued by the International Ethics Standards Board for Accountants (IESBA).

Our firm applies International Standard on Quality Management (ISQM) 1, *Quality Management for Firms that Perform Audits or Reviews of Financial Statements, or Other Assurance or Related Services Engagements*, issued by the IAASB. This standard requires the firm to design, implement and operate a system of quality management, including policies or procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Other information

Additionally, we have performed a limited assurance engagement on select BRSR and GRI indicators and issued an independent assurance report on 08 May 2024.

Our report thereon is included with the other information.

Our reasonable assurance opinion on the ISI does not extend to other information that accompanies or contains the 'ISI and our assurance report' (hereafter referred to as "other information"). We have read the other information, but we have not performed any procedures with respect to the other information.

### Other matter

Select BRSR Core attributes of the Company for the year ended 31 March 2023 were assured by the previous assurance practitioner who had expressed an unmodified opinion on 09 June 2023.

Our opinion is not modified in respect of this matter.

### Intended use or purpose

The ISI and our reasonable assurance report are intended for users who have reasonable knowledge of the BRSR Core attributes, the reporting criteria and ISI and who have read the information in the ISI with reasonable diligence and understand that the ISI is prepared and assured at appropriate levels of materiality.

Our opinion is not modified in respect of this matter.

### Responsibilities for the identified Sustainability Information (ISI)

The *management* of the Company acknowledge and understand their responsibility for:

- designing, implementing and maintaining internal controls relevant to the preparation of the ISI that is free from material misstatement, whether due to fraud or error;
- selecting or establishing suitable criteria for preparing the ISI, taking into account applicable laws and regulations, if any, related to reporting on the ISI, identification of key aspects, engagement with stakeholders, content, preparation and presentation of the ISI in accordance with the reporting criteria;
- disclosure of the applicable criteria used for preparation of the ISI in the relevant report/statement;
- preparing/properly calculating the ISI in accordance with the reporting criteria; and
- ensuring the reporting criteria is available for the intended users with relevant explanation;
- establishing targets, goals and other performance measures, and implementing actions to achieve such targets, goals and performance measures;
- responsible for providing the details of the management personnel who takes ownership of the ISI disclosed in the report;
- ensuring compliance with law, regulation or applicable contracts;
- making judgments and estimates that are reasonable in the circumstances;
- identifying and describing any inherent limitations in the measurement or evaluation of information subject to assurance in accordance with the reporting criteria;
- preventing and detecting fraud;
- selecting the content of the ISI, including identifying and engaging with intended users to understand their information needs;
- informing us of other information that will be included with the ISI;
- supervision of other staff involved in the preparation of the ISI

Those charged with governance are responsible for overseeing the reporting process for the Company's ISI.

## Inherent limitations in preparing the ISI

The preparation of the company's BRSR information requires the management to establish or interpret the criteria, make determinations about the relevancy of information to be included, and make estimates and assumptions that affect the reported information.

Measurement of certain amounts and BRSR Core metrics, some of which are estimates, is subject to substantial inherent measurement uncertainty, for example, GHG emissions, water footprint, energy footprint. Obtaining sufficient appropriate evidence to support our opinion does not reduce the uncertainty in the amounts and metrics.

## Our responsibilities

We are responsible for:

- Planning and performing the engagement to obtain reasonable assurance on the sustainability disclosures in the BRSR Core are free from material misstatement, whether due to fraud or error, in accordance with the Reporting Criteria in line with the section above.
- Forming an independent opinion, based on the procedures we have performed and the evidence we have obtained, and
- Reporting our reasonable assurance opinion to the Directors of Tata Consultancy Services Limited.

## Exclusions

Our assurance scope excludes the following and therefore we will not express a opinion on the same:

- Operations of the Company other than those mentioned in the “Scope of Assurance”.
- Aspects of the BRSR and the data/information (qualitative or quantitative) other than the ISI.
- Data and information outside the defined reporting period i.e., from 1 April 2023 to 31 March 2024.
- The statements that describe expression of opinion, belief, aspiration, expectation, aim, or future intentions provided by the Company.

### Summary of the work we performed as the basis for our opinion

We exercised professional judgment and maintained professional skepticism throughout the engagement. We designed and performed our procedures to obtain evidence that is sufficient and appropriate to provide a basis for our reasonable assurance opinion.

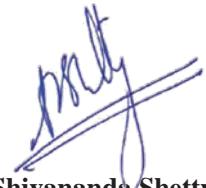

### *Reasonable assurance opinion*

The nature, timing, and extent of the procedures selected depended on our judgment, including an assessment of the risks of material misstatement of the information subject to reasonable assurance, whether due to fraud or error. We identified and assessed the risks of material misstatement through understanding the Information subject to reasonable assurance and the engagement circumstances. We also obtained an understanding of the internal control relevant to the information subject to reasonable assurance in order to

design procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of internal controls. In carrying out our engagement, we:

- assessed the suitability of the criteria used by the company in preparing the reasonable assurance information;
- evaluated the appropriateness of reporting policies, quantification methods and models used in the preparation of the information subject to reasonable assurance and the reasonableness of estimates made by the company; and
- evaluated the overall presentation of the information subject to reasonable assurance.

# Consolidated Financial Statements

## Independent Auditor's Report

### To the Members of

**Tata Consultancy Services Limited**

### Report on the Audit of the Consolidated Financial Statements

#### Opinion

We have audited the consolidated financial statements of Tata Consultancy Services Limited (hereinafter referred to as the "Holding Company") and its subsidiaries (Holding Company and

its subsidiaries together referred to as "the Group"), which comprise the consolidated balance sheet as at 31 March 2024, and the consolidated statement of profit and loss (including other comprehensive income), consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including material accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2024, of its consolidated profit and other comprehensive income, consolidated changes in equity and consolidated cash flows for the year then ended.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in terms of the Code of Ethics issued by the Institute of Chartered Accountants of India and the relevant provisions of the Act, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

#### Key Audit Matter(s)

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

<b>Revenue recognition– Fixed price contracts where revenue is recognized using percentage of completion method</b>	
See Note 5(a) and Note 12 to consolidated financial statements	
The key audit matter	How the matter was addressed in our audit
<p>The Group inter alia engages in Fixed-price contracts, wherein, revenue is recognized using the percentage of completion computed as per the input method based on the Group's estimate of contract costs. We identified revenue recognition of fixed price contracts where the percentage of completion is used as a key audit matter since-</p> <ul style="list-style-type: none"> <li>• there is an inherent risk and presumed fraud risk around the accuracy and existence of revenues recognised considering the customised and complex nature of these contracts and significant inputs of IT systems</li> </ul>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> <li>• Obtained an understanding of the systems, processes and controls implemented by the Group for recording and computing revenue and the associated contract assets, unearned and deferred revenue balances.</li> <li>• Involvement of our Information technology('IT') specialists, as required: <ul style="list-style-type: none"> <li>➢ Assessed the IT environment in which the business systems operate and tested system controls over computation of revenue recognised;</li> <li>➢ Tested the IT controls over appropriateness of cost and revenue reports generated by the system;</li> </ul> </li> </ul>

<b>The key audit matter</b>	<b>How the matter was addressed in our audit</b>
<ul style="list-style-type: none"> <li>• application of revenue recognition accounting standard (Ind AS 115, Revenue from Contracts with customers) is complex and involves a number of key judgments and estimates in mainly identifying performance obligations, related transaction price and estimating the future cost-to-completion of these contracts, which is used to determine the percentage of completion of the relevant performance obligation;</li> <li>• these contracts may involve onerous obligations which requires critical assessment of foreseeable losses to be made by the Group; and</li> <li>• at year-end, significant amount of work in progress (Contract assets), related to these contracts are recognised on the balance sheet.</li> </ul>	<ul style="list-style-type: none"> <li>➤ Tested the controls pertaining to allocation of resources and budgeting systems which prevent the unauthorized recording/ changes to costs incurred; and</li> <li>➤ Tested on a random sampling basis the controls relating to the estimation of contract costs required to complete the respective projects.</li> <li>• On selected specific and statistical samples of contracts, we tested that the revenue recognized is in accordance with the revenue recognition accounting standard including – <ul style="list-style-type: none"> <li>➤ Evaluated the identification of performance obligations and the ascribed transaction price;</li> <li>➤ For testing the Group's computation of the estimation of contract costs and onerous obligations, if any. We: <ul style="list-style-type: none"> <li>• assessed that the estimates of costs to complete were reviewed and approved by appropriate designated management personnel;</li> <li>• performed a retrospective analysis of costs incurred with estimated costs to identify significant variations and challenged whether those variations are required to be considered in estimating the remaining costs to complete the contract;</li> <li>• assessed the appropriateness of work in progress (contract assets) on balance sheet date by evaluating the underlying documentation to identify possible changes in estimated costs to complete the remaining performance obligations; and</li> <li>• inspected underlying documents and performed analytics to determine reasonableness of contract costs.</li> </ul> </li> </ul> </li> </ul>

#### Other Information

The Holding Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's Annual report, but does not include the financial statements and auditor's reports thereon. The Holding Company's Annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

#### Management's and Board of Directors' Responsibilities for the Consolidated Financial Statements

The Holding Company's Management and Board of Directors are responsible for the preparation and presentation of these

consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated state of affairs, consolidated profit/ loss and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. The respective Management and Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Management and Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the companies included in the Group are responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of each company.

#### **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the

appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance of the Holding Company and such other companies included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. A. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
  - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our

- examination of those books except for the matters stated in paragraph 2(B)(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
- c. The consolidated balance sheet, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
  - d. In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act.
  - e. On the basis of the written representations received from the directors of the Holding Company as on 1 April 2024 to 10 April 2024 taken on record by the Board of Directors of the Holding Company and on the basis of written representations received by the management from directors of its subsidiaries which are incorporated in India, as on 31 March 2024 to 10 April 2024, none of the directors of the Group companies incorporated in India is disqualified as on 31 March 2024 from being appointed as a director in terms of Section 164(2) of the Act.
  - f. The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2(A)(b) above on reporting under Section 143(3)(b) of the Act and paragraph 2(B)(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
  - g. With respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company and its subsidiary companies incorporated in India and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- a. The consolidated financial statements disclose the impact of pending litigations as at 31 March 2024 on the consolidated financial position of the Group. Refer income tax liabilities disclosed in the consolidated balance sheet along with Note 20 to the consolidated financial statements.
  - b. The Group did not have any material foreseeable losses on long-term contracts including derivative contracts during the year ended 31 March 2024.
- c. There has been no delay in transferring amounts to the Investor Education and Protection Fund by the Holding Company during the year ended 31 March 2024. There are no amounts which are required to be transferred to the Investor Education and Protection Fund by the subsidiary companies incorporated in India during the year ended 31 March 2024.
  - d. (i) The management of the Holding Company represented that, to the best of their knowledge and belief, as disclosed in the Note 23 to the consolidated financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or any of its subsidiary companies incorporated in India to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company or any of its subsidiary companies incorporated in India ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
  - (ii) The management of the Holding Company represented that, to the best of their knowledge and belief, as disclosed in the Note 23 to the consolidated financial statements, no funds have been received by the Holding Company or any of its subsidiary companies incorporated in India from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or any of its subsidiary companies incorporated in India shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
  - (iii) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above, contain any material misstatement.

- e. The interim dividend declared and paid by the Holding Company during the year and until the date of this audit report is in accordance with Section 123 of the Act.

The final dividend paid by the Holding Company and its subsidiary companies incorporated in India during the year in respect of the same declared for the previous year is in accordance with Section 123 of the Act to the extent it applies to payment of dividend.

As stated in Note 30 to the financial statements, the Board of Directors of the Holding Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with Section 123 of the Act to the extent it applies to declaration of dividend.

- f. The reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is applicable from 1 April 2023.

Based on our examination which included test checks, and as communicated by the respective auditor of three subsidiaries, except for the instances mentioned below, the Holding Company and its subsidiary companies incorporated in India have used accounting softwares for maintaining its books of account, which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the respective softwares:

- i. In case of the Holding Company and its three subsidiary companies incorporated in India, the feature of recording audit trail (edit log) facility was not enabled at the database level to log any direct data changes for the accounting softwares used for maintaining the books of account relating to payroll and certain non-editable fields/ tables of the accounting software used for maintaining general ledger.
- ii. In case of the Holding Company, the feature of recording audit trail (edit log) facility was not enabled at the database level to log any direct data changes for the accounting software used for maintaining the books of account relating to consolidation.
- iii. In case of the Holding Company and its three subsidiary companies incorporated

in India, the feature of recording audit trail (edit log) facility was not enabled at the application layer of the accounting softwares relating to revenue, trade receivables and general ledger for the period 1 April 2023 to 13 November 2023 and relating to property, plant and equipment for the period 1 April 2023 to 14 December 2023. Further, in case of a subsidiary incorporated in India, the feature of recording audit trail (edit log) facility was not enabled at the application layer of the accounting software relating to payroll for the period 1 April 2023 to 15 February 2024.

- iv. In case of a subsidiary incorporated in India, as communicated by the auditor of such subsidiary, the feature of recording audit trail (edit log) facility of the accounting software used for maintaining general ledger was not enabled for the period 1 April 2023 to 30 April 2023.

Further, for the periods where audit trail (edit log) facility was enabled and operated throughout the year for the respective accounting softwares, we did not come across any instance of the audit trail feature being tampered with.

- C. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid during the current year by the Holding Company to its directors is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director by the Holding Company is not in excess of the limit laid down under Section 197 of the Act. The subsidiary companies incorporated in India have not paid any remuneration to its directors during the year. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

## Annexure B to the Independent Auditor's Report on the Consolidated Financial Statements of Tata Consultancy Services Limited for the year ended 31 March 2024

### **Report on the internal financial controls with reference to the aforesaid consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act**

(Referred to in paragraph 2A(g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

#### **Opinion**

In conjunction with our audit of the consolidated financial statements of Tata Consultancy Services Limited (hereinafter referred to as "the Holding Company") as of and for the year ended 31 March 2024, we have audited the internal financial controls with reference to financial statements of the Holding Company and such companies incorporated in India under the Companies Act 2013, which are its subsidiary companies, as of that date.

In our opinion, the Holding Company and such companies incorporated in India which are its subsidiary companies, have, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2024, based on the internal financial controls with reference to financial statements criteria established by such companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

#### **Management's and Board of Directors' Responsibilities for Internal Financial Controls**

The respective Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the respective company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to financial statements.

#### **Meaning of Internal Financial Controls with Reference to Financial Statements**

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls with Reference to Financial Statements**

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

<sup>1</sup>Loss of ₹13 crore and gain of ₹275 crore on re-measurement of defined employee benefit plans (net of tax) is recognised as a part of retained earnings for the years ended March 31, 2024 and 2023, respectively.

Total equity (primarily retained earnings) includes ₹1,612 crore and ₹1,601 crore as at March 31, 2024 and 2023, respectively, pertaining to trusts and TCS Foundation held for specified purposes.

## Nature and purpose of reserves

### (a) Capital reserve

The Group recognises profit and loss on purchase, sale, issue or cancellation of the Group's own equity instruments to capital reserve.

### (b) Capital redemption reserve

As per Companies Act, 2013, capital redemption reserve is created when company purchases its own shares out of free reserves or securities premium. A sum equal to the nominal value of the shares so purchased is transferred to capital redemption reserve. The reserve is utilised in accordance with the provisions of section 69 of the Companies Act, 2013.

### (c) Special Economic Zone re-investment reserve

The Special Economic Zone (SEZ) re-investment reserve is created out of the profit of eligible SEZ units in terms of the provisions of section 10AA(1)(ii) of the Income-tax Act, 1961. The reserve will be utilised by the Group for acquiring new assets for the purpose of its business as per the terms of section 10AA(2) of Income-tax Act, 1961.

### (d) Retained earnings

This reserve represents undistributed accumulated earnings of the Group as on the balance sheet date.

### (e) Statutory reserve

Statutory reserves are created to adhere to requirements of

applicable laws and will be utilised in accordance with the said laws.

### (f) Investment revaluation reserve

This reserve represents the cumulative gains and losses arising on the revaluation of equity and debt instruments on the balance sheet date measured at fair value through other comprehensive income. The reserves accumulated will be reclassified to retained earnings and profit and loss respectively, when such instruments are disposed.

### (g) Cash flow hedging reserve

The cash flow hedging reserve represents the cumulative effective portion of gains or losses arising on changes in fair value of designated portion of hedging instruments entered into for cash flow hedges. Such gains or losses will be reclassified to statement of profit and loss in the period in which the underlying hedged transaction occurs.

### (h) Foreign currency translation reserve

The exchange differences arising from the translation of financial statements of foreign operations with functional currency other than Indian Rupee is recognised in other comprehensive income and is presented within equity in the foreign currency translation reserve.

## Notes forming part of Consolidated Financial Statements

### 1) Corporate information

Tata Consultancy Services Limited ("the Company") and its subsidiaries (collectively together with employee welfare trusts referred to as "the Group") provide IT services, consulting and business solutions and have been partnering with many of the world's largest businesses in their transformation journeys. The Group offers a consulting-led, cognitive powered, integrated portfolio of IT, business and engineering services and solutions. This is delivered through its unique Location-Independent Agile delivery model recognised as a benchmark of excellence in software development.

The Company is a public limited company incorporated and domiciled in India. The address of its corporate office is TCS House, Raveline Street, Fort, Mumbai- 400001. As at March 31, 2024, Tata Sons Private Limited, the holding company owned 71.74% of the Company's equity share capital.

The Board of Directors approved the consolidated financial statements for the year ended March 31, 2024 and authorised for issue on April 12, 2024.

### 2) Statement of compliance

These consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules as amended from time to time.

### 3) Basis of preparation

These consolidated financial statements have been prepared on historical cost basis except for certain financial instruments and defined benefit plans which are measured at fair value or amortised cost at the end of each reporting period. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. All assets and liabilities have been classified as current and non-current as per the Group's normal operating cycle. Based on the nature of services rendered to customers and time elapsed between deployment of resources and the realisation in cash and cash equivalents of the consideration for such services rendered, the Group has considered an operating cycle of 12 months.

The statement of cash flows has been prepared under indirect method, whereby profit or loss is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expense associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Group are segregated. The Group considers all highly liquid investments that are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value to be cash equivalents.

The functional currency of the Company and its Indian subsidiaries is the Indian Rupee (₹). The functional currency of foreign subsidiaries is the currency of the primary economic environment in which the entity operates. Foreign currency transactions are recorded at exchange rates prevailing on the date of the transaction. Foreign currency denominated monetary assets and liabilities are retranslated at the exchange rate prevailing on the balance sheet dates and exchange gains and losses arising on settlement and restatement are recognised in the statement of profit and loss. Non-monetary assets and liabilities that are measured in terms of historical cost in foreign currencies are not retranslated.

The material accounting policy information related to preparation of the consolidated financial statements have been discussed in the respective notes.

### 4) Basis of consolidation

The Company consolidates all entities which are controlled by it.

The Company establishes control when; it has power over the entity, is exposed, or has rights, to variable returns from its involvement with the entity and has the ability to affect the entity's returns by using its power over relevant activities of the entity.

Entities controlled by the Company are consolidated from the date control commences until the date control ceases.

The results of subsidiaries acquired, or sold, during the year are consolidated from the effective date of acquisition and up to the effective date of disposal, as appropriate.

The financial statements of the Group companies are consolidated on a line-by-line basis and all inter-company transactions, balances, income and expenses are eliminated in full on consolidation.

Changes in the Company's interests in subsidiaries that do not result in a loss of control are accounted for as equity transactions. The carrying amount of the Company's interests and the non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to shareholders of the Company.

Assets and liabilities of entities with functional currency other than the functional currency of the Company have been translated using exchange rates prevailing on the balance sheet date. Statement of profit and loss of such entities has been translated using weighted average exchange rates. Translation adjustments have been reported as foreign currency translation reserve in the statement of changes in equity. When a foreign operation is disposed off in its entirety or partially such that control, significant influence or joint control is lost, the cumulative

## Notes forming part of Consolidated Financial Statements

amount of exchange differences related to that foreign operation recognised in OCI is reclassified to statement of profit and loss as part of the gain or loss on disposal.

### **5) Use of estimates and judgements**

The preparation of consolidated financial statements in conformity with the recognition and measurement principles of Ind AS requires management of the Group to make estimates and judgements that affect the reported balances of assets and liabilities, disclosures of contingent liabilities as at the date of consolidated financial statements and the reported amounts of income and expenses for the periods presented.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

The Group uses the following critical accounting judgements, estimates and assumptions in preparation of its consolidated financial statements:

#### **(a) Revenue recognition**

Revenue for fixed-price contracts is recognised using percentage-of-completion method. The Group estimates the future cost-to-completion of the contracts which is used to determine degree of completion of the performance obligation.

The Group exercises judgement for identification of performance obligations, determination of transaction price, ascribing the transaction price to each distinct performance obligation and in determining whether the performance obligation is satisfied at a point in time or over a period of time. These judgements have been explained in detail under the revenue recognition note (Refer note 12).

#### **(b) Useful lives of property, plant and equipment**

The Group reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods (Refer note 10(a)).

#### **(c) Impairment of goodwill**

The Group estimates the value-in-use of the cash generating units (CGUs) based on the future cash flows after considering current economic conditions and trends, estimated future operating results and growth rate and anticipated future economic and regulatory conditions. The estimated cash flows are developed using internal forecasts. The discount rates used for the CGUs represent the weighted average cost of capital based on the historical market returns of comparable companies (Refer note 10(b)).

#### **(d) Fair value measurement of financial instruments**

When the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets,

their fair value is measured using valuation techniques including the Discounted Cash Flow model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

#### **(e) Impairment of financial assets (other than at fair value)**

Measurement of impairment of financial assets require use of estimates, which have been explained in the note on financial assets, financial liabilities and equity instruments, under impairment of financial assets (other than at fair value) (Refer note 8)).

#### **(f) Provision for income tax and deferred tax assets**

The Group uses judgements based on the relevant rulings in the areas of allocation of revenue, costs, allowances and disallowances which is exercised while determining the provision for income tax. A deferred tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilised. Accordingly, the Group exercises its judgement to reassess the carrying amount of deferred tax assets at the end of each reporting period.

#### **(g) Provisions and contingent liabilities**

The Group estimates the provisions that have present obligations as a result of past events and it is probable that outflow of resources will be required to settle the obligations. These provisions are reviewed at the end of each reporting period and are adjusted to reflect the current best estimates.

The Group uses significant judgements to assess contingent liabilities. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Contingent assets are neither recognised nor disclosed in the consolidated financial statements.

#### **(h) Employee benefits**

The accounting of employee benefit plans in the nature of defined benefit requires the Group to use assumptions. These assumptions have been explained under employee benefits note (Refer note 14).

## Notes forming part of Consolidated Financial Statements

### (i) Leases

The Group evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgement. The Group uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

The Group determines the lease term as the noncancelable period of a lease, together with both periods covered by an option to extend the lease if the Group is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Group is reasonably certain not to exercise that option. In assessing whether the Group is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Group to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Group revises the lease term if there is a change in the noncancelable period of a lease.

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

### 6) Recent pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Group.

### 7) Business combinations

The Group accounts for its business combinations under acquisition method of accounting. Acquisition related costs are recognised in the consolidated statement of profit and loss as incurred. The acquiree's identifiable assets, liabilities and contingent liabilities that meet the condition for recognition are recognised at their fair values at the acquisition date.

Purchase consideration paid in excess of the fair value of net assets acquired is recognised as goodwill. Where the fair value of identifiable assets and liabilities exceed the cost of acquisition, after reassessing the fair values of the net assets and contingent liabilities, the excess is recognised as capital reserve.

The interest of non-controlling shareholders is initially measured either at fair value or at the non-controlling interests' proportionate share of the acquiree's identifiable net assets. The choice of measurement basis is made on an acquisition-by-acquisition basis. Subsequent to acquisition, the carrying amount of non-controlling interests is the

amount of those interests at initial recognition plus the non-controlling interests' share of subsequent changes in equity of subsidiaries.

Business combinations arising from transfers of interests in entities that are under common control are accounted at historical cost. The difference between any consideration given and the aggregate historical carrying amounts of assets and liabilities of the acquired entity is recorded in shareholders' equity.

### 8) Financial assets, financial liabilities and equity instruments

Financial assets and liabilities are recognised when the Group becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

The Group derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. The Group derecognises financial liabilities when, and only when, the Group's obligations are discharged, cancelled or have expired.

#### Cash and cash equivalents

The Group considers all highly liquid investments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

#### Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

#### Financial assets at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows on specified dates that are solely payments of principal and interest on the principal amount outstanding and selling financial assets.

## Notes forming part of Consolidated Financial Statements

The Group has made an irrevocable election to present subsequent changes in the fair value of equity investments not held for trading in other comprehensive income.

### **Financial assets at fair value through profit or loss**

Financial assets are measured at fair value through profit or loss unless they are measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in statement of profit and loss.

### **Financial liabilities**

Financial liabilities are measured at amortised cost using the effective interest method.

### **Equity instruments**

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Equity instruments issued by the Group are recognised at the proceeds received net of direct issue cost.

### **Derivative accounting**

- **Instruments in hedging relationship**

The Group designates certain foreign exchange forward, currency options and futures contracts as hedge instruments in respect of foreign exchange risks. These hedges are accounted for as cash flow hedges.

The Group uses hedging instruments that are governed by the financial risk management policy as approved by the Risk Management Committee. The policy provides principles on the use of such financial derivatives consistent with the risk management strategy of the company and its subsidiaries. While determining the appropriate hedge ratio, the Group takes into consideration the prevailing macro-economic conditions, the availability and liquidity of the hedging instruments, tolerance levels for hedge ineffectiveness and the costs of hedging. The hedging activities are reviewed by the Risk Management Committee every quarter and future course of action is determined.

The hedge instruments are designated and documented as hedges at the inception of the contract. The Group determines the existence of an economic relationship between the hedging instrument and hedged item based on the currency, amount and timing of their respective cash flows. The effectiveness of hedge instruments to reduce the risk associated with the exposure being hedged is assessed and measured at inception and on an ongoing basis. If the hedged future cash flows are no longer expected to occur, then the amounts that have been accumulated in other equity are immediately

reclassified in net foreign exchange gains in the statement of profit and loss.

The effective portion of change in the fair value of the designated hedging instrument is recognised in the other comprehensive income and accumulated under the heading cash flow hedging reserve.

The Group separates the intrinsic value and time value of an option and designates as hedging instruments only the change in intrinsic value of the option. The change in fair value of the intrinsic value and time value of an option is recognised in the other comprehensive income and accounted as a separate component of equity. Such amounts are reclassified into the statement of profit and loss when the related hedged items affect profit and loss.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated or no longer qualifies for hedge accounting. Any gain or loss recognised in other comprehensive income and accumulated in equity till that time remains and is recognised in statement of profit and loss when the forecasted transaction ultimately affects profit and loss. Any gain or loss is recognised immediately in the statement of profit and loss when the hedge becomes ineffective.

- **Instruments not in hedging relationship**

The Group enters into contracts that are effective as hedges from an economic perspective, but they do not qualify for hedge accounting. The change in the fair value of such instrument is recognised in the statement of profit and loss.

### **Impairment of financial assets (other than at fair value)**

The Group assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Group recognises lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. In determining the allowance for expected credit losses, the Group has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and is adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the receivables that are due and allowance rates used in the provision matrix. For all other financial assets, expected credit losses are measured at an amount equal to the 12-months expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

## Notes forming part of Consolidated Financial Statements

### (a) Investments

Investments consist of the following:

#### Investments – Non-current

	(₹ crore)	
	As at March 31, 2024	As at March 31, 2023
<b>Investments designated at fair value through OCI</b>		
Fully paid equity shares		
Mozido LLC (unquoted)	83	82
FCM LLC (unquoted)	63	62
Taj Air Limited (unquoted)	19	19
Philippine Dealing System Holdings Corporation (unquoted)	8	7
LATAM Airlines Group S.A. (quoted)	1	-
Less: Impairment in value of investments	(142)	(134)
<b>Investments carried at amortised cost</b>		
Government bonds and securities (quoted)	188	188
Corporate bonds (quoted)	61	42
	<b>281</b>	<b>266</b>

Investments – Non-current includes ₹249 crore and ₹229 crore as at March 31, 2024 and 2023, respectively, pertaining to trusts held for specified purposes.

#### Investments – Current

	(₹ crore)	
	As at March 31, 2024	As at March 31, 2023
<b>Investments carried at fair value through profit or loss</b>		
Mutual fund units (quoted)	2,360	2,296
<b>Investments carried at fair value through OCI</b>		
Government bonds and securities (quoted)	24,746	26,128
Corporate bonds (quoted)	3,406	3,110
<b>Investments carried at amortised cost</b>		
Corporate bonds (quoted)	30	10
Certificate of deposits (quoted)	-	2,955
Commercial papers (quoted)	939	2,398
	<b>31,481</b>	<b>36,897</b>

Investments – Current includes ₹196 crore and ₹68 crore as at March 31, 2024 and 2023, respectively, pertaining to trusts and TCS Foundation held for specified purposes.

Government bonds and securities includes bonds pledged with bank for credit facility amounting to NIL and ₹1,650 crore as at March 31, 2024 and 2023, respectively.

Aggregate value of quoted and unquoted investments is as follows:

	(₹ crore)	
	As at March 31, 2024	As at March 31, 2023
Aggregate value of quoted investments	31,731	37,127
Aggregate value of unquoted investments (net of impairment)	31	36
Aggregate market value of quoted investments	31,729	37,121
Aggregate value of impairment of investments	142	134

## Notes forming part of Consolidated Financial Statements

Market value of quoted investments carried at amortised cost is as follows:

	(₹ crore)	
	As at March 31, 2024	As at March 31, 2023
Government bonds and securities	186	186
Corporate bonds	91	50
Certificate of deposits	-	2,951
Commercial papers	939	2,400

Equity instruments designated at fair value through OCI are as follows:

	(₹ crore)				
In Numbers	Currency	Face value per share	Equity instruments designated at fair value through OCI	As at March 31, 2024	As at March 31, 2023
1,00,00,000	USD	1	<b>Fully paid equity shares</b>		
15	USD	5,00,000	Mozido LLC (unquoted)	83	82
			FCM LLC (unquoted)	63	62

<b>Less: Allowance for expected credit losses</b>							<b>(538)</b>
<b>Trade receivables - Unbilled</b>							<b>41,049</b>
							<b>8,905</b>
							<b>49,954</b>

Above balances of trade receivables- billed includes balances with related parties (Refer note 22).

### (c) Cash and cash equivalents

Cash and cash equivalents consist of the following:

	(₹ crore)	
	As at March 31, 2024	As at March 31, 2023
<b>Balances with banks</b>		
In current accounts	2,804	2,114
In deposit accounts	6,212	4,999
Cheques on hand	-*	-*
Cash on hand	-*	-*
Remittances in transit	-*	10
	<b>9,016</b>	<b>7,123</b>

\*Represents value less than ₹0.50 crore.

Balances with banks in current accounts include ₹9 crore and ₹8 crore as at March 31, 2024 and 2023, respectively, pertaining to trusts held for specified purposes.

## Notes forming part of Consolidated Financial Statements

### (d) Other balances with banks

Other balances with banks consist of the following:

	(₹ crore)	
	As at March 31, 2024	As at March 31, 2023
Earmarked balances with banks	471	685
Short-term bank deposits	<u>3,799</u>	<u>3,224</u>
	<b>4,270</b>	<b>3,909</b>

Earmarked balances with banks primarily relate to margin money for purchase of investments, unclaimed dividends and liquidity backstop as a part of regulatory requirements.

Short-term bank deposits include ₹517 crore and ₹425 crore as at March 31, 2024 and 2023, respectively, pertaining to TCS foundation held for specified purposes.

### (e) Loans

Loans (unsecured) consist of the following:

#### Loans – Non-current

	(₹ crore)	
	As at March 31, 2024	As at March 31, 2023
<b>Considered good</b>		
Inter-corporate deposits	-	170
Loans to employees	<u>2</u>	<u>3</u>
	<b>2</b>	<b>173</b>

#### Loans – Current

	(₹ crore)	
	As at March 31, 2024	As at March 31, 2023
<b>Considered good</b>		
Inter-corporate deposits	170	846
Loans to employees	321	479
<b>Credit impaired</b>		
Loans to employees	-	32
Less: Allowance for loans to employees	<u>-</u>	<u>(32)</u>
	<b>491</b>	<b>1,325</b>

Inter-corporate deposits placed with financial institutions yield fixed interest rate. Inter-corporate deposits include ₹110 crore and ₹932 crore as at March 31, 2024 and 2023, respectively, pertaining to trusts and TCS Foundation held for specified purposes.

### (f) Other financial assets

Other financial assets consist of the following:

#### Other financial assets – Non-current

	(₹ crore)	
	As at March 31, 2024	As at March 31, 2023
Security deposits	749	614
Earmarked balances with banks	213	192
Long-term bank deposits	2,248	1,334
Interest receivable	62	2
Others	<u>-</u>	<u>7</u>
	<b>3,272</b>	<b>2,149</b>

## Notes forming part of Consolidated Financial Statements

### Other financial assets - Current

	(₹ crore)	
	As at March 31, 2024	As at March 31, 2023
Security deposits	339	378
Fair value of foreign exchange derivative assets	141	191
Interest receivable	764	720
Advances to employees	368	-
Less: Allowance for advances to employees	(43)	-
Others	134	30
	<b>1,703</b>	<b>1,319</b>

Long-term bank deposits include ₹1,495 crore and ₹417 crore as at March 31, 2024 and 2023, respectively, pertaining to TCS Foundation held for specified purposes.

Interest receivable includes ₹111 crore and ₹66 crore as at March 31, 2024 and 2023, respectively, pertaining to trusts and TCS Foundation held for specified purposes.

### (g) Trade payables

Ageing for trade payables outstanding as at March 31, 2024 is as follows:

Particulars	Not due	Outstanding for following periods from due date of payment				Total
		Less than 1 year	1 - 2 years	2 - 3 years	More than 3 years	
<b>Trade payables</b>						
MSME*	82	-	-	-	-	82
Others	1,001	2,025	29	7	43	3,105

						<b>6,756</b>
						<b>10,515</b>

## Notes forming part of Consolidated Financial Statements

### (h) Other financial liabilities

Other financial liabilities consist of the following:

#### Other financial liabilities – Non-current

	(₹ crore)	
	As at March 31, 2024	As at March 31, 2023
Capital creditors	69	120
Others	296	233
	<b>365</b>	<b>353</b>

Others include advance taxes paid of ₹226 crore and ₹226 crore as at March 31, 2024 and 2023, respectively, by the seller of TCS e-Serve Limited (merged with the Company) which, on refund by tax authorities, is payable to the seller.

#### Other financial liabilities – Current

	(₹ crore)	
	As at March 31, 2024	As at March 31, 2023
Accrued payroll	5,760	6,847
Unclaimed dividends	53	51
Fair value of foreign exchange derivative liabilities	114	141
Capital creditors	625	731
Liabilities towards customer contracts	1,509	1,137
Others	301	161
	<b>8,362</b>	<b>9,068</b>

### (i) Financial instruments by category

The carrying value of financial instruments by categories as at March 31, 2024 is as follows:

	Fair value through profit or loss	Fair value through other comprehensive income	Derivative instruments in hedging relationship	Derivative instruments not in hedging relationship	Amortised cost	Total carrying value
<b>Financial assets</b>						
Cash and cash equivalents	-	-	-	-	9,016	9,016
Bank deposits	-	-	-	-	6,047	6,047
Earmarked balances with banks	-	-	-	-	684	684
Investments	2,360	28,184	-	-	1,218	31,762
Trade receivables						
Billed	-	-	-	-	44,561	44,561
Unbilled	-	-	-	-	9,159	9,159
Loans	-	-	-	-	493	493
Other financial assets	-	-	46	95	2,373	2,514
	<b>2,360</b>	<b>28,184</b>	<b>46</b>	<b>95</b>	<b>73,551</b>	<b>1,04,236</b>
<b>Financial liabilities</b>						
Trade payables	-	-	-	-	9,981	9,981
Lease liabilities	-	-	-	-	8,021	8,021
Other financial liabilities	-	-	-	114	8,613	8,727
	<b>-</b>	<b>-</b>	<b>-</b>	<b>114</b>	<b>26,615</b>	<b>26,729</b>

Loans include inter-corporate deposits of ₹170 crore, with original maturity period within 24 months.

## Notes forming part of Consolidated Financial Statements

The carrying value of financial instruments by categories as at March 31, 2023 is as follows:

	(₹ crore)					
	Fair value through profit or loss	Fair value through other comprehensive income	Derivative instruments in hedging relationship	Derivative instruments not in hedging relationship	Amortised cost	Total carrying value
<b>Financial assets</b>						
Cash and cash equivalents	-	-	-	-	7,123	7,123
Bank deposits	-	-	-	-	4,558	4,558
Earmarked balances with banks	-	-	-	-	877	877
Investments	2,296	29,274	-	-	5,593	37,163
Trade receivables						
Billed	-	-	-	-	41,198	41,198
Unbilled	-	-	-	-	9,104	9,104
Loans	-	-	-	-	1,498	1,498
Other financial assets	-	-	37	154	1,751	1,942
	<b>2,296</b>	<b>29,274</b>	<b>37</b>	<b>154</b>	<b>71,702</b>	<b>1,03,463</b>
<b>Financial liabilities</b>						
Trade payables	-	-	-	-	10,515	10,515
Lease liabilities	-	-	-	-	7,688	7,688
Other financial liabilities	-	-	-	141	9,280	9,421
	<b>-</b>	<b>-</b>	<b>-</b>	<b>141</b>	<b>27,483</b>	<b>27,624</b>

Loans include inter-corporate deposits of ₹1,016 crore, with original maturity period within 24 months.

Carrying amounts of cash and cash equivalents, trade receivables, loans and trade payables as at March 31, 2024 and 2023, approximate the fair value due to their nature. Carrying amounts of bank deposits, earmarked balances with banks, other financial assets and other financial liabilities which are subsequently measured at amortised cost also approximate the fair value due to their nature in each of the periods presented. Fair value measurement of lease liabilities is not required. Fair value of investments carried at amortised cost is ₹1,215 crore and ₹5,587 crore as at March 31, 2024 and 2023, respectively.

### (j) Fair value hierarchy

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

- Level 1 — Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 — Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3 — Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

The cost of unquoted investments included in Level 3 of fair value hierarchy approximate their fair value because there is a wide range of possible fair value measurements and the cost represents estimate of fair value within that range.

## Notes forming part of Consolidated Financial Statements

The following table summarises financial assets and liabilities measured at fair value on a recurring basis and financial assets that are not measured at fair value on a recurring basis (but fair value disclosures are required):

	(₹ crore)			
<b>As at March 31, 2024</b>	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	<b>Total</b>
<b>Financial assets</b>

### (k) Derivative financial instruments and hedging activity

The Group's revenue is denominated in various foreign currencies. Given the nature of the business, a large portion of the costs are denominated in Indian Rupee. This exposes the Group to currency fluctuations.

The Board of Directors has constituted a Risk Management Committee (RMC) to frame, implement and monitor the risk management plan of the Group which inter-alia covers risks arising out of exposure to foreign currency fluctuations. Under the guidance and framework provided by the RMC, the Group uses various derivative instruments such as foreign exchange forward, currency options and futures contracts in which the counter party is generally a bank.

## Notes forming part of Consolidated Financial Statements

The following are outstanding currency options contracts, which have been designated as cash flow hedges:

Foreign currency	As at March 31, 2024			As at March 31, 2023		
	No. of contracts	No. of contracts (In million)	Fair value (₹ crore)	No. of contracts	No. of contracts (In million)	Fair value (₹ crore)
US Dollar	19	475	6	8	225	13
Great Britain Pound	29	230	24	22	200	14
Euro	28	235	16	22	203	10

The movement in cash flow hedging reserve for derivatives designated as cash flow hedges is as follows:

	(₹ crore)			
	Year ended March 31, 2024		Year ended March 31, 2023	
Balance at the beginning of the year	Intrinsic value	Time value	Intrinsic value	Time value
(Gain) / loss transferred to profit and loss on occurrence of forecasted hedge transactions	8 (139)	(28) 241	27 (376)	(53) 488
Deferred tax on (gain) / loss transferred to profit and loss on occurrence of forecasted hedge transactions	31	(55)	90	(144)
Change in the fair value of effective portion of cash flow hedges	140	(228)	351	(456)
Deferred tax on change in the fair value of effective portion of cash flow hedges	(31)	52	(84)	137
<b>Balance at the end of the year</b>	<b>9</b>	<b>(18)</b>	<b>8</b>	<b>(28)</b>

The Group has entered into derivative instruments not in hedging relationship by way of foreign exchange forward, currency options and futures contracts. As at March 31, 2024 and 2023, the notional amount of outstanding contracts aggregated to ₹50,982 crore and ₹47,500 crore, respectively, and the respective fair value of these contracts have a net loss of ₹19 crore and gain of ₹13 crore.

Exchange gain of ₹109 crore and loss of ₹1,162 crore on foreign exchange forward, currency options and futures contracts that do not qualify for hedge accounting have been recognised in the consolidated statement of profit and loss for the years ended March 31, 2024 and 2023, respectively.

Net foreign exchange gain / (loss) include loss of ₹102 crore and ₹112 crore transferred from cash flow hedging reserve to profit and loss on occurrence of forecasted hedge transactions for the years ended March 31, 2024 and 2023, respectively.

Net loss on derivative instruments of ₹9 crore recognised in cash flow hedging reserve as at March 31, 2024, is expected to be transferred to the statement of profit and loss by March 31, 2025. The maximum period over which the exposure to cash flow variability has been hedged is through calendar year 2024.

Following table summarises approximate gain / (loss) on Group's other comprehensive income on account of appreciation / depreciation of the underlying foreign currencies:

	(₹ crore)	
	As at March 31, 2024	As at March 31, 2023
10% Appreciation of the underlying foreign currencies	-	-
10% Depreciation of the underlying foreign currencies	910	544

### (I) Financial risk management

The Group is exposed primarily to fluctuations in foreign currency exchange rates, credit, liquidity and interest rate risks, which may adversely impact the fair value of its financial instruments. The Group has a risk management policy which covers risks associated with the financial assets and liabilities. The risk management policy is approved by the Board of Directors. The focus of the risk management committee is to assess the unpredictability of the financial environment and to mitigate potential adverse effects on the financial performance of the Group.

## Notes forming part of Consolidated Financial Statements

### Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in the foreign currency exchange rates, interest rates, credit, liquidity and other market changes. The Group's exposure to market risk is primarily on account of foreign currency exchange rate risk.

- Foreign currency exchange rate risk**

The fluctuation in foreign currency exchange rates may have potential impact on the consolidated statement of profit and loss and other comprehensive income and equity, where any transaction references more than one currency or where assets / liabilities are denominated in a currency other than the functional currency of the respective entities. Considering the countries and economic environment in which the Group operates, its operations are subject to risks arising from fluctuations in exchange rates in those countries.

The Group, as per its risk management policy, uses derivative instruments primarily to hedge foreign exchange. Further, any movement in the functional currencies of the various operations of the Group against major foreign currencies may impact the Group's revenue in international business.

The Group evaluates the impact of foreign exchange rate fluctuations by assessing its exposure to exchange rate risks. It hedges a part of these risks by using derivative financial instruments in line with its risk management policies.

The foreign exchange rate sensitivity is calculated by aggregation of the net foreign exchange rate exposure and a simultaneous parallel foreign exchange rates shift of all the currencies by 10% against the respective functional currencies of Tata Consultancy Services Limited and its subsidiaries.

The following analysis has been worked out based on the net exposures for each of the subsidiaries and

Tata Consultancy Services Limited as of the date of balance sheet which could affect the statement of profit and loss and other comprehensive income and equity. Further the exposure as indicated below is mitigated by some of the derivative contracts entered into by the Group as disclosed in note 8(k).

The following table sets forth information relating to unhedged foreign currency exposure as at March 31, 2024:

	(₹ crore)			
	USD	EUR	GBP	Others
Net financial assets	2,753	518	161	3,508
Net financial liabilities	(7,129)	(253)	(2,185)	(753)

10% appreciation / depreciation of the respective functional currency of Tata Consultancy Services Limited and its subsidiaries with respect to various foreign currencies would result in increase / decrease in the Group's profit before taxes by approximately ₹338 crore for the year ended March 31, 2024.

The following table sets forth information relating to unhedged foreign currency exposure as at March 31, 2023:

	(₹ crore)			
	USD	EUR	GBP	Others
Net financial assets	3,869	262	90	2,136
Net financial liabilities	(11,021)	(657)	(1,536)	(270)

10% appreciation / depreciation of the respective functional currency of Tata Consultancy Services Limited and its subsidiaries with respect to various foreign currencies would result in increase / decrease in the Group's profit before taxes by approximately ₹713 crore for the year ended March 31, 2023.

- Interest rate risk**

The Group's investments are primarily in fixed rate interest bearing investments. Hence, the Group is not significantly exposed to interest rate risk.

## Notes forming part of Consolidated Financial Statements

### Credit risk

Credit risk is the risk of financial loss arising from counterparty failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks. Credit risk is controlled by analysing credit limits and creditworthiness of customers on a continuous basis to whom the credit has been granted after obtaining necessary approvals for credit. Refer note 5 for methods, assumptions and information used to measure expected credit losses.

Financial instruments that are subject to credit risk consist of trade receivables, loans, investments, derivative financial instruments, cash and cash equivalents, bank deposits and other financial assets. Inter-corporate deposits of ₹170 crore are with a financial institution having a high credit-rating assigned by credit-rating agencies. Bank deposits include an amount of ₹5,197 crore held with two banks having high credit rating which are individually in excess of 10% or more of the Group's total bank deposits as at March 31, 2024. None of the other financial instruments of the Group result in material concentration of credit risk.

- Exposure to credit risk**

The carrying amount of financial assets and contract assets represents the maximum credit exposure. The maximum exposure to credit risk was ₹2,96,130 crore and ₹1,09,258 crore as at March 31, 2024 and 2023, respectively, being the total of the carrying amount of balances with banks, bank deposits, investments, trade receivables, loans, contract assets and other financial assets.

The Group's exposure to customers is diversified and no single customer contributes to more than 10% of outstanding trade receivables and contract assets as at March 31, 2024 and 2023.

- Geographic concentration of credit risk**

Geographic concentration of trade receivables (gross and net of allowances) and contract assets is as follows:

	As at March 31, 2024		As at March 31, 2023	
	Gross%	Net%	Gross%	Net%
United States of America	42.07	42.67	43.65	44.31
India	18.68	17.44	15.45	14.06
United Kingdom	16.56	16.86	16.05	16.37

Geographical concentration of trade receivables (gross and net of allowances) and contract assets is allocated based on the location of the customers.

The allowance for lifetime expected credit losses on trade receivables for the years ended March 31, 2024 and 2023, was ₹98 crore and ₹126 crore respectively. The reconciliation of allowance for expected credit losses is as follows:

	(₹ crore)	
	Year ended March 31, 2024	Year ended March 31, 2023
<b>Balance at the beginning of the year</b>		
Change during the year	1,213	1,333
Bad debts written off	98	126
Translation exchange difference	(118)	(253)
<b>Balance at the end of the year</b>	<b>1,190</b>	<b>7</b>

### Liquidity risk

Liquidity risk refers to the risk that the Group cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Group consistently generated sufficient cash flows from operations to meet its financial obligations including lease liabilities as and when they fall due.

### (m) Equity instruments

The authorised, issued, subscribed and fully paid up share capital consist of the following:

	(₹ crore)	
	<b>As at March 31, 2024</b>	<b>As at March 31, 2023</b>
<b>Authorised</b>		
460,05,00,000 equity shares of ₹1 each	460	460
(March 31, 2023: 460,05,00,000 equity shares of ₹1 each)		
105,02,50,000 preference shares of ₹1 each	105	105
(March 31, 2023: 105,02,50,000 preference shares of ₹1 each)		
<b>Issued, Subscribed and Fully paid up</b>		
361,80,87,518 equity shares of ₹1 each	362	366
(March 31, 2023: 365,90,51,373 equity shares of ₹1 each)		

The Company's objective for capital management is to maximise shareholder value, safeguard business continuity and support the growth of the Company. The Company determines the capital requirement based on annual operating plans and long-term and other strategic investment plans. The funding requirements are met through equity and operating cash flows generated. The Company is not subject to any externally imposed capital requirements.

The Board of Directors at its meeting held on October 11, 2023, approved a proposal to buy-back upto 4,09,63,855 equity shares of the Company for an aggregate amount not exceeding ₹17,000 crore, being 1.12% of the total paid up equity share capital at ₹4,150 per equity share. The shareholders approved the same on November 15, 2023, by way of a special resolution through postal ballot. A Letter of Offer was made to all eligible shareholders. The Company bought back 4,09,63,855 equity shares out of the shares that were tendered by eligible shareholders and extinguished the equity shares on December 13, 2023. Capital redemption reserve was created to the extent of share capital extinguished (₹4 crore). The excess cost of buy-back of ₹17,046 crore (including ₹46 crore towards transaction cost of buy-back) over par value of shares and corresponding tax on buy-back of ₹3,959 crore were offset from retained earnings.

## Notes forming part of Consolidated Financial Statements

### I. Reconciliation of number of shares

### V. Equity shares movement during five years preceding March 31, 2024

- Equity shares issued as bonus**

The Company allotted 191,42,87,591 equity shares as fully paid up bonus shares by capitalisation of profits transferred from retained earnings amounting to ₹86 crore and capital redemption reserve amounting to ₹106 crore in the quarter ended June 30, 2018, pursuant to an ordinary resolution passed after taking the consent of shareholders through postal ballot.

- Equity shares extinguished on buy-back**

The Company bought back 4,00,00,000 equity shares for an aggregate amount of ₹18,000 crore being 1.08% of the total paid up equity share capital at ₹4,500 per equity share. The equity shares bought back were extinguished on March 29, 2022.

## Notes forming part of Consolidated Financial Statements

The Company bought back 5,33,33,333 equity shares for an aggregate amount of ₹16,000 crore being 1.42% of the total paid up equity share capital at ₹3,000 per equity share. The equity shares bought back were extinguished on January 6, 2021.

The Company bought back 7,61,90,476 equity shares for an aggregate amount of ₹16,000 crore being 1.99% of the total paid up equity share capital at ₹2,100 per equity share. The equity shares bought back were extinguished on September 26, 2018.

### VI. Disclosure of Shareholding of Promoters

Disclosure of shareholding of promoters as at March 31, 2024 is as follows:

Promoter name	Shares held by promoters				% Change during the year	
	As at March 31, 2024		As at March 31, 2023			
	No. of shares	% of total shares	No. of shares	% of total shares

### 9) Leases

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

#### Group as a lessee

The Group accounts for each lease component within the contract as a lease separately from non-lease components of the contract and allocates the consideration in the contract to each lease component on the basis of the relative standalone price of the lease component and the aggregate standalone price of the non-lease components.

The Group recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use asset is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use asset is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

## Notes forming part of Consolidated Financial Statements

The Group measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Group uses incremental borrowing rate. For leases with reasonably similar characteristics, the Group, on a lease-by-lease basis, may adopt either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole. The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Group is reasonably certain to exercise that option and payments of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made and remeasuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments. The Group recognises the amount of the re-measurement of lease liability due to modification as an adjustment to the right-of-use asset and statement of profit and loss depending upon the nature of modification. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Group recognises any remaining amount of the re-measurement in statement of profit and loss.

The Group has elected not to apply the requirements of Ind AS 116- Leases to short-term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognised as an expense on a straight-line basis over the lease term.

### **Group as a lessor**

At the inception of the lease the Group classifies each of its leases as either an operating lease or a finance lease. The Group recognises lease payments received under operating leases as income on a straight-line basis over the lease term. In case of a finance lease, finance income is recognised over the lease term based on a pattern reflecting a constant periodic rate of return on the lessor's net investment in the lease. When the Group is an intermediate lessor it accounts for its interests in the head lease and the sub-lease separately. It assesses the lease classification of a sub-lease with reference to the right-of-use asset arising from the head lease, not with reference to the underlying asset. If a head lease is a short-term lease to which the Group applies the exemption described above, then it classifies the sub-lease as an operating lease.

If an arrangement contains lease and non-lease components, the Group applies Ind AS 115- Revenue from contracts with customers to allocate the consideration in the contract.

The details of the right-of-use assets held by the Group is as follows:

	(₹ crore)	
	<b>Additions for the year ended March 31, 2024</b>	<b>Net carrying amount as at March 31, 2024</b>
Leasehold land	-	929
Buildings	1,928	6,631
Leasehold improvements	-	25
Computer equipment	125	202
Software licences	-	60
Vehicles	18	34
Office equipment	1	3
Furniture and fixtures	2	2
	<b>2,074</b>	<b>7,886</b>

## Notes forming part of Consolidated Financial Statements

	(₹ crore)	
	<b>Additions for the year ended March 31, 2023</b>	<b>Net carrying amount as at March 31, 2023</b>
Leasehold land	179	940
Buildings	1,236	6,330
Leasehold improvements	14	30
Computer equipment	73	125
Software licences	-	96
Vehicles	17	34
Office equipment	1	5
	<b>1,520</b>	<b>7,560</b>

Depreciation on right-of-use assets is as follows:

	(₹ crore)	
	<b>Year ended March 31, 2024</b>	<b>Year ended March 31, 2023</b>
Leasehold land	11	10
Buildings	1,593	1,530
Leasehold improvements	8	6
Computer equipment	47	32
Software licences	36	37
Vehicles	18	16
Office equipment	3	3
Furniture and fixtures	-*	-
	<b>1,716</b>	<b>1,634</b>

\*Represents value less than ₹0.50 crore.

Interest on lease liabilities is ₹518 crore and ₹492 crore for the years ended March 31, 2024 and 2023, respectively.

The Group incurred ₹353 crore and ₹318 crore for the years ended March 31, 2024 and 2023, respectively, towards expenses relating to short-term leases and leases of low-value assets.

The total cash outflow for leases is ₹2,515 crore and ₹2,538 crore for the years ended March 31, 2024 and 2023, respectively, including cash outflow for short term leases and leases of low-value assets.

The Group has lease term extension options that are not reflected in the measurement of lease liabilities. The present value of future cash outflows for such extension periods is ₹815 crore and ₹786 crore as at March 31, 2024 and 2023, respectively.

Lease contracts entered by the Group majorly pertain for buildings taken on lease to conduct its business in the ordinary course.

The Group does not have any lease restrictions and commitment towards variable rent as per the contract.

## Notes forming part of Consolidated Financial Statements

### 10) Non-financial assets and non-financial liabilities

#### (a) Property, plant and equipment

Property, plant and equipment are stated at cost comprising of purchase price and any initial directly attributable cost of bringing the asset to its working condition for its intended use, less accumulated depreciation (other than freehold land) and impairment loss, if any.

Depreciation is provided for property, plant and equipment on a straight-line basis so as to expense the cost less residual value over their estimated useful lives as prescribed in Schedule II of the Companies Act, 2013 except in respect of certain categories of assets, where the useful life of the assets has been assessed based on a technical evaluation. The estimated useful lives and residual values are reviewed at the end of each reporting period, with the effect of any change in estimate accounted for on a prospective basis.

The estimated useful lives are as mentioned below:

Type of asset	Useful lives
Buildings	20 years*
Leasehold improvements	Lease term
Plant and equipment	10 years*
Computer equipment	4 years*
Vehicles	4 years*
Office equipment	2-5 years*
Electrical installations	4-10 years*
Furniture and fixtures	5 years*

\* The Group believes that the technically evaluated useful lives, different from Schedule II of the Companies Act, 2013, best represent the period over which these assets are expected to be used.

Depreciation is not recorded on capital work-in-progress until construction and installation are complete and the asset is ready for its intended use.

Property, plant and equipment with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the statement of profit and loss.

## Notes forming part of Consolidated Financial Statements

Property, plant and equipment consist of the following:

	(₹ crore)								
Freehold land	Buildings	Leasehold improvements	Plant and equipment	Computer equipment	Vehicles	Office equipment	Electrical installations	Furniture and fixtures	Total

## Notes forming part of Consolidated Financial Statements

### Capital work-in-progress

- Capital work-in-progress ageing**

Ageing for capital work-in-progress as at March 31, 2024 is as follows:

Capital work-in-progress	Amount in Capital work-in-progress for a period of				(₹ crore)	
	Less than 1 year	1 - 2 years	2 - 3 years	More than 3 years		
Projects in progress	1,010	160	58	336	1,564	
	<u>1,010</u>	<u>160</u>	<u>58</u>	<u>336</u>	<u>1,564</u>	

Ageing for capital work-in-progress as at March 31, 2023 is as follows:

Capital work-in-progress	Amount in Capital work-in-progress for a period of				(₹ crore)	
	Less than 1 year	1 - 2 years	2 - 3 years	More than 3 years		
Projects in progress	658	212	42	322	1,234	
	<u>658</u>	<u>212</u>	<u>42</u>	<u>322</u>	<u>1,234</u>	

Project execution plans are modulated basis capacity requirement assessment on an annual basis and all the projects are executed as per rolling annual plan.

### (b) Goodwill

Goodwill represents the cost of acquired business as established at the date of acquisition of the business in excess of the acquirer's interest in the net fair value of the identifiable assets, liabilities and contingent liabilities less accumulated impairment losses, if any. Goodwill is tested for impairment annually or when events or circumstances indicate that the implied fair value of goodwill is less than its carrying amount.

CGUs to which goodwill has been allocated are tested for impairment annually, or more frequently when there is indication for impairment. The financial projections basis which the future cash flows have been estimated consider economic uncertainties, reassessment of the discount rates, revisiting the growth rates factored while arriving at terminal value and subjecting these variables to sensitivity analysis. If the recoverable amount of a CGU is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro-rata on the basis of the carrying amount of each asset in the unit.

Goodwill consists of the following:

			(₹ crore)
	As at March 31, 2024	As at March 31, 2023	
<b>Balance at the beginning of the period</b>			
Translation exchange difference	1,858	1,787	
<b>Balance at the end of the period</b>	(26)	71	
	<u>1,832</u>	<u>1,858</u>	

Goodwill of ₹689 crore and ₹685 crore as at March 31, 2024 and 2023, respectively, has been allocated to the TCS business in France. The estimated value-in-use of this CGU is based on the future cash flows using a 1.50% annual growth rate for periods subsequent to the forecast period of 5 years and discount rate of 8.67%. An analysis of the sensitivity of the computation to a change in key parameters (operating margin, discount rates and long term average growth rate), based on reasonable assumptions, did not identify any probable scenario in which the recoverable amount of the CGU would decrease below its carrying amount.

The remaining amount of goodwill of ₹1,143 crore and ₹1,173 crore as at March 31, 2024 and 2023, respectively, (relating to different CGUs individually immaterial) has been evaluated based on the cash flow forecasts of the related CGUs and the recoverable amounts of these CGUs exceeded their carrying amounts.

## Notes forming part of Consolidated Financial Statements

### (c) Other intangible assets

Intangible assets purchased including acquired in business combination, are measured at cost as at the date of acquisition, as applicable, less accumulated amortisation and accumulated impairment, if any.

Intangible assets consist of rights under licensing agreement and software licences and customer-related intangibles.

Following table summarises the nature of intangibles and their estimated useful lives:

Type of asset	Useful lives
Rights under licensing agreement and software licences	Lower of licence period and 2-5 years
Customer-related intangibles	3 years

Intangible assets are amortised on a straight-line basis over the period of its economic useful life.

Intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the statement of profit and loss.

Intangible assets consist of the following:

	(₹ crore)		
	Rights under licensing agreement and software licences	Customer-related intangibles	Total
<b>Cost as at April 1, 2023</b>			
Additions	1,892	126	2,018

<b>Accumulated amortisation as at March 31, 2023</b>	<b>(1,025)</b>	<b>(126)</b>	<b>(1,151)</b>
<b>Net carrying amount as at March 31, 2023</b>	<b>867</b>	<b>-</b>	<b>867</b>

## Notes forming part of Consolidated Financial Statements

The estimated amortisation for the years subsequent to March 31, 2024 is as follows:

Year ending March 31,	(₹ crore)
2025	305
2026	111
2027	74
2028	20
	<b>510</b>

### (d) Other assets

Other assets consist of the following:

#### Other assets – Non-current

##### Considered good

Capital advances	88	68
Advances to related parties	196	63
Contract assets	295	215
Prepaid expenses	2,557	2,138
Contract fulfillment costs	247	114
Others	213	208
	<b>3,596</b>	<b>2,806</b>

##### Advances to related parties, considered good, comprise:

Volta Limited	-	-*
Tata Realty and Infrastructure Limited	-*	-*
Tata Projects Limited	191	54
Titan Engineering and Automation Limited	3	-
Saankhya Labs Private Limited	-	8
Universal MEP Projects & Engineering Services Limited	2	1

\*Represents value less than ₹0.50 crore.

#### Other assets – Current

##### Considered good

Advance to suppliers	174	91
Advance to related parties	967	9
Contract assets	5,846	5,616
Prepaid expenses	2,055	1,494
Prepaid rent	-	20
Contract fulfillment costs	1,588	1,035
Indirect taxes recoverable	1,288	1,049
Others	349	393

##### Considered doubtful

Advance to suppliers	2	2
Other advances	4	4
Less: Allowance for doubtful assets	(6)	(6)

As at March 31, 2024	As at March 31, 2023
<b>3,596</b>	<b>2,806</b>

As at March 31, 2024	As at March 31, 2023
<b>12,267</b>	<b>9,707</b>

## Notes forming part of Consolidated Financial Statements

### **Advance to related parties, considered good comprise:**

	As at March 31, 2024	As at March 31, 2023
Tata Sons Private Limited	-	7
Tata AIG General Insurance Company Limited	7	1
Titan Company Limited	-	1
Tejas Networks Limited	960	-

Non-current – Others includes advance of ₹177 crore and ₹177 crore towards acquiring right-of-use of leasehold land as at March 31, 2024 and 2023, respectively.

Contract fulfillment costs of ₹838 crore and ₹967 crore for the years ended March 31, 2024 and 2023, respectively, have been amortised in the consolidated statement of profit and loss. Refer note 12 for changes in contract assets.

### **(e) Inventories**

Inventories consists of a) Raw materials, sub-assemblies and components, b) Work-in-progress, c) Stores and spare parts and d) Finished goods. Inventories are carried at lower of cost and net realisable value. The cost of raw materials, sub-assemblies and components is determined on a weighted average basis. Cost of finished goods produced or purchased by the Group includes direct material and labour cost and a proportion of manufacturing overheads.

Inventories consist of the following:

	As at March 31, 2024	As at March 31, 2023
Raw materials, sub-assemblies and components	28	23
Finished goods and work-in-progress	-*	5
	<b>28</b>	<b>28</b>

\*Represents value less than ₹0.50 crore.

### **(f) Other liabilities**

Other liabilities consist of the following:

#### **Other liabilities – Current**

	As at March 31, 2024	As at March 31, 2023
Advance received from customers	1,841	543
Indirect taxes payable and other statutory liabilities	4,330	4,119
Others	353	230
	<b>6,524</b>	<b>4,892</b>

### **(g) Provisions**

Provisions consist of the following:

#### **Provisions – Current**

	As at March 31, 2024	As at March 31, 2023
Provision towards legal claim (Refer note 20)	-	206
Provision for foreseeable loss	97	101
Other provisions	43	38
	<b>140</b>	<b>345</b>

## Notes forming part of Consolidated Financial Statements

### 11) Other equity

Other equity consist of the following:

	(₹ crore)

## Notes forming part of Consolidated Financial Statements

### **12) Revenue recognition**

The Group earns revenue primarily from providing IT services, consulting and business solutions. The Group offers a consulting-led, cognitive powered, integrated portfolio of IT, business and engineering services and solutions.

Revenue is recognised upon transfer of control of promised products or services to customers in an amount that reflects the consideration which the Group expects to receive in exchange for those products or services.

- Revenue from time and material and job contracts is recognised on output basis measured by units delivered, efforts expended, number of transactions processed, etc.
- Revenue related to fixed price maintenance and support services contracts where the Group is standing ready to provide services is recognised based on time elapsed mode and revenue is straight lined over the period of performance.
- In respect of other fixed-price contracts, revenue is recognised using percentage-of-completion method ('POC method') of accounting with contract costs incurred determining the degree of completion of the performance obligation. The contract costs used in computing the revenues include cost of fulfilling warranty obligations.
- Revenue from the sale of distinct internally developed software and manufactured systems and third party software is recognised upfront at the point in time when the system / software is delivered to the customer. In cases where implementation and / or customisation services rendered significantly modifies or customises the software, these services and software are accounted for as a single performance obligation and revenue is recognised over time on a POC method .
- Revenue from the sale of distinct third party hardware is recognised at the point in time when control is transferred to the customer.
- The solutions offered by the Group may include supply of third-party equipment or software. In such cases, revenue for supply of such third party products are recorded at gross or net basis depending on whether the Group is acting as the principal or as an agent of the customer. The Group recognises revenue in the gross amount of consideration when it is acting as a principal and at net amount of consideration when it is acting as an agent.

Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, service level credits, performance bonuses, price concessions and incentives, if any, as specified in the contract with the customer. Revenue also excludes taxes collected from customers.

The Group's contracts with customers could include promises to transfer multiple products and services to a customer. The Group assesses the products / services promised in a contract and identifies distinct performance obligations in the contract. Identification of distinct performance obligation involves judgement to determine the deliverables and the ability of the customer to benefit independently from such deliverables.

Judgement is also required to determine the transaction price for the contract and to ascribe the transaction price to each distinct performance obligation. The transaction price could be either a fixed amount of customer consideration or variable consideration with elements such as volume discounts, service level credits, performance bonuses, price concessions and incentives. The transaction price is also adjusted for the effects of the time value of money if the contract includes a significant financing component. Any consideration payable to the customer is adjusted to the transaction price, unless it is a payment for a distinct product or service from the customer. The estimated amount of variable consideration is adjusted in the transaction price only to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur and is reassessed at the end of each reporting period. The Group allocates the elements of variable considerations to all the performance obligations of the contract unless there is observable evidence that they pertain to one or more distinct performance obligations.

The Group exercises judgement in determining whether the performance obligation is satisfied at a point in time or over a period of time. The Group considers indicators such as how customer consumes benefits as services are rendered or who controls the asset as it is being created or existence of enforceable right to payment for performance to date and alternate use of such product or service, transfer of significant risks and rewards to the customer, acceptance of delivery by the customer, etc.

Contract fulfilment costs are generally expensed as incurred except for certain software licence costs which meet the criteria for capitalisation. Such costs are amortised over the contractual period or useful life of licence, whichever is less. The assessment of this criteria requires the application of judgement, in particular when considering if costs generate or enhance resources to be used to satisfy future performance obligations and whether costs are expected to be recovered.

## Notes forming part of Consolidated Financial Statements

Contract assets are recognised when there are excess of revenues earned over billings on contracts. Contract assets are classified as unbilled receivables (only act of invoicing is pending) when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms.

Unearned and deferred revenue ("contract liability") is recognised when there are billings in excess of revenues.

The billing schedules agreed with customers include periodic performance based payments and / or milestone based progress payments. Invoices are payable within contractually agreed credit period.

In accordance with Ind AS 37, the Group recognises an onerous contract provision when the unavoidable costs of meeting the obligations under a contract exceed the economic benefits to be received.

Contracts are subject to modification to account for changes in contract specification and requirements. The Group reviews modification to contract in conjunction with the original contract, basis which the transaction price could be allocated to a new performance obligation, or transaction price of an existing obligation could undergo a change. In the event transaction price is revised for existing obligation, a cumulative adjustment is accounted for.

The Group disaggregates revenue from contracts with customers by nature of services, industry verticals and geography.

Revenue disaggregation by nature of services is as follows:

	(₹ crore)	
	Year ended March 31, 2024	Year ended March 31, 2023
Consultancy services	2,38,135	2,23,332
Sale of equipment and software licences	2,758	2,126
	<b>2,40,893</b>	<b>2,25,458</b>

Revenue disaggregation by industry vertical and geography has been included in segment information (Refer note 19).

While disclosing the aggregate amount of transaction price yet to be recognised as revenue towards unsatisfied (or partially satisfied) performance obligations, along with the broad time band for the expected time to recognise those revenues, the Group has applied the practical expedient in Ind AS 115. Accordingly, the Group has not disclosed the aggregate transaction price allocated to unsatisfied (or partially satisfied) performance obligations which pertain to contracts where revenue recognised corresponds to the value transferred to customer typically involving time and material, outcome based and event based contracts.

Unsatisfied (or partially satisfied) performance obligations are subject to variability due to several factors such as terminations, changes in scope of contracts, periodic revalidations of the estimates, economic factors (changes in currency rates, tax laws etc). The aggregate value of transaction price allocated to unsatisfied (or partially satisfied) performance obligations is ₹1,65,314 crore out of which 47.69% is expected to be recognised as revenue in the next year and the balance thereafter. No consideration from contracts with customers is excluded from the amount mentioned above.

Changes in contract assets are as follows:

	(₹ crore)	
	Year ended March 31, 2024	Year ended March 31, 2023
<b>Balance at the beginning of the year</b>	<b>5,831</b>	<b>4,419</b>
Invoices raised that were included in the contract assets balance at the beginning of the year	(3,933)	(3,305)
Increase due to revenue recognised during the year, excluding amounts billed during the year	4,182	4,519
Translation exchange difference	61	198
<b>Balance at the end of the year</b>	<b>6,141</b>	<b>5,831</b>

## Notes forming part of Consolidated Financial Statements

Changes in unearned and deferred revenue are as follows:

	(₹ crore)	
	Year ended March 31, 2024	Year ended March 31, 2023
<b>Balance at the beginning of the year</b>	<b>4,846</b>	<b>4,745</b>
Revenue recognised that was included in the unearned and deferred revenue balance at the beginning of the year	(4,178)	(3,071)
Increase due to invoicing during the year, excluding amounts recognised as revenue during the year	3,469	3,088
Translation exchange difference	(15)	84
<b>Balance at the end of the year</b>	<b>4,122</b>	<b>4,846</b>

Reconciliation of revenue recognised with the contracted price is as follows:

	(₹ crore)	
	Year ended March 31, 2024	Year ended March 31, 2023
Contracted price	2,44,803	2,28,932
Reductions towards variable consideration components	(3,910)	(3,474)
<b>Revenue recognised</b>	<b>2,40,893</b>	<b>2,25,458</b>

The reduction towards variable consideration comprises of volume discounts, service level credits, etc.

### 13) Other income

Dividend income is recorded when the right to receive payment is established. Interest income is recognised using the effective interest method.

Other income consist of the following:

	(₹ crore)	
	Year ended March 31, 2024	Year ended March 31, 2023
Interest income	3,781	3,248
Dividend income	41	15
Net gain on disposal / fair valuation of investments carried at fair value through profit or loss	301	220
Net gain on sale of investments other than equity shares carried at fair value through OCI	11	4
Net gain on disposal of property, plant and equipment	7	26
Net gain / (loss) on lease modification	7	(2)
Net foreign exchange gain / (loss)	223	(159)
Other income	51	97
<b>Interest income comprise:</b>	<b>4,422</b>	<b>3,449</b>
Interest on bank balances and bank deposits	751	291
Interest on financial assets carried at amortised cost	398	657
Interest on financial assets carried at fair value through OCI	2,198	2,131
Other interest (including interest on tax refunds)	434	169
<b>Dividend income comprise:</b>	<b>41</b>	<b>15</b>
Dividend from mutual fund units and other investments		

## Notes forming part of Consolidated Financial Statements

### 14) Employee benefits

#### Defined benefit plans

For defined benefit plans, the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuations being carried out at each balance sheet date. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling and the return on plan assets (excluding interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Past service cost, both vested and unvested, is recognised as an expense at the earlier of (a) when the plan amendment or curtailment occurs; and (b) when the entity recognises related restructuring costs or termination benefits.

The retirement benefit obligations recognised in the balance sheet represents the present value of the defined benefit obligations reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to the present value of available refunds and reductions in future contributions to the scheme.

The Group provides benefits such as gratuity, pension and provident fund (Company managed fund) to its employees which are treated as defined benefit plans.

#### Defined contribution plans

Contributions to defined contribution plans are recognised as expense when employees have rendered services entitling them to such benefits.

The Group provides benefits such as superannuation, provident fund (other than Company managed fund) and foreign defined contribution plans to its employees which are treated as defined contribution plans.

#### Short-term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages etc. and the expected cost of ex-gratia are recognised in the period in which the employee renders the related service. A liability is recognised for the amount expected to be paid when there is a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

#### Compensated absences

Compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as undiscounted liability at the balance sheet date. Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as an actuarially determined liability at the present value of the defined benefit obligation at the balance sheet date using the Projected Unit Credit Method.

Employee benefit expenses consist of the following:

	(₹ crore)	
	Year ended March 31, 2024	Year ended March 31, 2023
Salaries, incentives and allowances	1,25,432	1,14,359
Contributions to provident and other funds	10,962	9,644
Staff welfare expenses	3,737	3,519
	<b><u>1,40,131</u></b>	<b><u>1,27,522</u></b>

Employee benefit obligations consist of the following:

#### Employee benefit obligations – Non-current

	(₹ crore)	
	As at March 31, 2024	As at March 31, 2023
Gratuity liability	15	11
Foreign defined benefit plans	502	383
Other employee benefit obligations	169	142
	<b><u>686</u></b>	<b><u>536</u></b>

## Notes forming part of Consolidated Financial Statements

### Employee benefit obligations – Current

	(₹ crore)	
	As at March 31, 2024	As at March 31, 2023
Compensated absences	4,480	4,027
Other employee benefit obligations	39	38
	<b>4,519</b>	<b>4,065</b>

Employee benefit plans consist of the following:

#### Gratuity and pension

In accordance with Indian law, Tata Consultancy Services Limited and its subsidiaries in India operate a scheme of gratuity which is a defined benefit plan. The gratuity plan provides for a lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 to 30 days' salary payable for each completed year of service. Vesting occurs upon completion of five continuous years of service. The Company manages the plan through a trust. Trustees administer contributions made to the trust. Certain overseas subsidiaries of the Company also provide for retirement benefit pension plans in accordance with the local laws.

The following table sets out the details of the defined benefit retirement plans and the amounts recognised in the financial statements:

	Year ended March 31, 2024					Year ended March 31, 2023					(₹ crore)

	<b>(55)</b>	<b>-</b>	<b>(256)</b>	<b>(39)</b>	<b>(350)</b>	

## Notes forming part of Consolidated Financial Statements

The assumptions used in accounting for the defined benefit plan are set out below:

	Year ended March 31, 2024		Year ended March 31, 2023	
	Domestic plans	Foreign plans	Domestic plans	Foreign plans
Discount rate	7.00%- 7.25%	1.57%- 9.40%	7.25%- 7.50%	2.16%- 9.40%
Rate of increase in compensation levels of covered employees	5.00%- 10.00%	1.75%- 7.00%	4.00%- 8.00%	1.50%- 7.00%
Rate of return on plan assets	7.00%- 7.25%	1.57%- 9.40%	7.25%- 7.50%	2.16%- 9.40%
Weighted average duration of defined benefit obligations	2-11 Years	3-27 Years	2-13 Years	3-28 Years

Future mortality assumptions are taken based on the published statistics by the Insurance Regulatory and Development Authority of India.

The expected benefits are based on the same assumptions as are used to measure Group's defined benefit plan obligations as at March 31, 2024. The Group is expected to contribute ₹40 crore to defined benefit plan obligations funds for the year ending March 31, 2025 comprising domestic component of ₹8 crore and foreign component of ₹32 crore.

The significant actuarial assumptions for the determination of the defined benefit obligations are discount rate and expected salary increase. The sensitivity analysis below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

If the discount rate increases / decreases by 0.50%, the defined benefit obligations would increase / (decrease) as follows:

	(₹ crore)	
	As at March 31, 2024	As at March 31, 2023
Increase of 0.50%	(272)	(265)
Decrease of 0.50%	300	290

If the expected salary growth increases / decreases by 0.50%, the defined benefit obligations would increase / (decrease) as follows:

	(₹ crore)	
	As at March 31, 2024	As at March 31, 2023
Increase of 0.50%	163	155
Decrease of 0.50%	(157)	(147)

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligations as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligations has been calculated using the Projected Unit Credit Method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

Each year an Asset-Liability matching study is performed in which the consequences of the strategic investment policies are analysed in terms of risk and return profiles. Investment and contribution policies are integrated within this study.

## Notes forming part of Consolidated Financial Statements

The defined benefit obligations shall mature after year ended March 31, 2024 as follows:

<b>Year ending March 31,</b>	(₹ crore)
2025	947
2026	764
2027	773
2028	764
2029	720
2030-2034	2,989

### Provident fund

In accordance with Indian law, all eligible employees of Tata Consultancy Services Limited in India are entitled to receive benefits under the provident fund plan in which both the employee and employer (at a determined rate) contribute monthly to a trust set up by the Company to manage the investments and distribute the amounts entitled to employees. This plan is a defined benefit plan as the Company is obligated to provide its members a rate of return which should, at the minimum, meet the interest rate declared by Government administered provident fund. A part of the Company's contribution is transferred to Government administered pension fund. The contributions made by the Company and the shortfall of interest, if any, are recognised as an expense in profit and loss under employee benefit expenses. In accordance with an actuarial valuation of provident fund liabilities on the basis of guidance issued by Actuarial Society of India and based on the assumptions as mentioned below, there is no deficiency in the interest cost as the present value of the expected future earnings of the fund is greater than the expected amount to be credited to the individual members based on the expected guaranteed rate of interest of Government administered provident fund.

All eligible employees of Indian subsidiaries of the Company are entitled to receive benefits under the provident fund plan in which both the employee and employer (at a determined rate) contribute monthly to the Government administered provident fund plan. A part of the Company's contribution is transferred to Government administered pension fund. This plan is a defined contribution plan as the obligation of the employer is limited to the monthly contributions made to the fund. The contributions made to the fund are recognised as an expense in profit and loss under employee benefit expenses.

The details of fund and plan assets are given below:

	As at March 31, 2024	As at March 31, 2023
Fair value of plan assets	29,170	25,511
Present value of defined benefit obligations	(29,170)	(25,511)
<b>Net excess / (shortfall)</b>	<b>-</b>	<b>-</b>

The plan assets have been primarily invested in Government securities and corporate bonds.

The principal assumptions used in determining the present value obligations of interest guarantee under the deterministic approach are as follows:

	As at March 31, 2024	As at March 31, 2023
Discount rate	7.25%	7.50%
Average remaining tenure of investment portfolio	6 years	7 years
Guaranteed rate of return	8.25%	8.15%

The Group expensed ₹1,698 crore and ₹1,628 crore for the years ended March 31, 2024 and 2023, respectively, towards provident fund.

## Notes forming part of Consolidated Financial Statements

### **Superannuation**

All eligible employees on Indian payroll are entitled to benefits under Superannuation, a defined contribution plan. The Group makes monthly contributions until retirement or resignation of the employee. The Group recognises such contributions as an expense when incurred. The Group has no further obligation beyond its monthly contribution.

The Group expensed ₹452 crore and ₹394 crore for the years ended March 31, 2024 and 2023, respectively, towards Employees' Superannuation Fund.

### **Foreign defined contribution plans**

The Group expensed ₹2,529 crore and ₹2,109 crore for the years ended March 31, 2024 and 2023, respectively, towards foreign defined contribution plans.

### **15) Cost recognition**

Costs and expenses are recognised when incurred and have been classified according to their nature.

The costs of the Group are broadly categorised in employee benefit expenses, cost of equipment and software licences, depreciation and amortisation expense and other expenses. Other expenses mainly include fees to external consultants, facility expenses, travel expenses, communication expenses, bad debts and advances written off, allowance for expected credit losses and doubtful advances (net) and other expenses. Other expenses are aggregation of costs which are individually not material such as commission and brokerage, recruitment and training, entertainment, etc.

#### **(a) Cost of equipment and software licences**

Cost of equipment and software licences consist of the following:

	(₹ crore)	
	Year ended March 31, 2024	Year ended March 31, 2023
Raw materials, sub-assemblies and components consumed	42	37
Equipment and software licences purchased	<u>3,655</u>	<u>1,846</u>
	<b>3,697</b>	<b>1,883</b>
<b>Finished goods and work-in-progress</b>		
Opening stock	5	3
Less: Closing stock	-*	5
	<u>5</u>	<u>(2)</u>
	<b>3,702</b>	<b>1,881</b>

\*Represents value less than ₹0.50 crore.

#### **(b) Other expenses**

Other expenses consist of the following:

	(₹ crore)	
	Year ended March 31, 2024	Year ended March 31, 2023
Fees to external consultants	15,820	21,337
Facility expenses	3,100	2,655
Travel expenses	2,970	2,675
Communication expenses	2,261	2,246
Bad debts and advances written off, allowance for expected credit losses and doubtful advances (net)	114	140
Other expenses	<u>8,499</u>	<u>7,743</u>
	<b>32,764</b>	<b>36,796</b>

Other expenses include ₹4,017 crore and ₹3,488 crore for the years ended March 31, 2024 and 2023, respectively, towards project expenses.

## Notes forming part of Consolidated Financial Statements

### 16) Finance costs

Finance costs consist of the following:

	(₹ crore)	
	<b>Year ended March 31, 2024</b>	<b>Year ended March 31, 2023</b>
Interest on lease liabilities	518	492
Interest on tax matters	30	46
Other interest costs	230	241
	<b>778</b>	<b>779</b>

### 17) Income taxes

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

#### Current income taxes

The current income tax expense includes income taxes payable by the Company and its subsidiaries in India and overseas. The current tax payable by the Company and its subsidiaries in India is Indian income tax payable on income after taking credit for tax relief available for export operations in Special Economic Zones (SEZs).

Current income tax payable by overseas branches of the Company is computed in accordance with the tax laws applicable in the jurisdiction in which the respective branch operates. The taxes paid are generally available for set off against the Indian income tax liability of the Company's worldwide income.

The current income tax expense for overseas subsidiaries has been computed based on the tax laws applicable to each subsidiary in the respective jurisdiction in which it operates.

Advance taxes and provisions for current income taxes are presented in the balance sheet after off-setting advance tax paid and income tax provision arising in the same tax jurisdiction and where the relevant tax paying unit intends to settle the asset and liability on a net basis.

#### Deferred income taxes

Deferred income tax is recognised using the balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination, affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred income tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred income tax liabilities are recognised for all taxable temporary differences except in respect of taxable temporary differences associated with investments in subsidiaries where timing of the reversal of the temporary difference can be controlled and it is probable that the temporary difference will not reverse in the foreseeable future.

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

For operations carried out in SEZs, deferred tax assets or liabilities, if any, have been established for the tax consequences of those temporary differences between the carrying values of assets and liabilities and their respective tax bases that reverse after the tax holiday ends.

Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on a net basis.

## Notes forming part of Consolidated Financial Statements

Deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India, to the extent it would be available for set off against future current income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised.

The income tax expense consists of the following:

	(₹ crore)	
	Year ended March 31, 2024	Year ended March 31, 2023
<b>Current tax</b>		
Current tax expense for current year	16,284	15,389
Current tax benefit pertaining to prior years	(420)	(632)
	<b>15,864</b>	<b>14,757</b>
<b>Deferred tax</b>		
Deferred tax expense / (benefit) for current year	3	(130)
Deferred tax expense / (benefit) pertaining to prior years	31	(23)
	<b>34</b>	<b>(153)</b>
	<b>15,898</b>	<b>14,604</b>

The reconciliation of estimated income tax expense at Indian statutory income tax rate to income tax expense reported in consolidated statement of profit and loss is as follows:

	(₹ crore)	
	Year ended March 31, 2024	Year ended March 31, 2023
Profit before tax	61,997	56,907
Indian statutory income tax rate	34.94%	34.94%
Expected income tax expense	21,664	19,887
<b>Tax effect of adjustments to reconcile expected income tax expense to reported income tax expense</b>		
Tax holidays	(6,407)	(5,112)
Income exempt from tax	(522)	(236)
Undistributed earnings in branches and subsidiaries	111	276
Tax on income at different rates	891	508
Tax pertaining to prior years	(389)	(655)
Effect of tax rate change under new regime	441	-
Others (net)	109	(64)
<b>Total income tax expense</b>	<b>15,898</b>	<b>14,604</b>

Tata Consultancy Services Limited benefits from the tax holiday available for units set up under the Special Economic Zone Act, 2005. These tax holidays are available for a period of fifteen years from the date of commencement of operations. Under the SEZ scheme, the unit which begins providing services on or after April 1, 2005 will be eligible for deductions of 100% of profits or gains derived from export of services for the first five years, 50% of such profits or gains for a further period of five years and 50% of such profits or gains for the balance period of five years subject to fulfilment of certain conditions. From April 1, 2011, profits from units set up under SEZ scheme are subject to Minimum Alternate Tax (MAT).

## Notes forming part of Consolidated Financial Statements

		<b>3,307</b>	<b>792</b>	<b>2,515</b>

Under the Income-tax Act, 1961, unabsorbed business losses expire 8 years after the year in which they originate. In respect of certain foreign subsidiaries, business losses can be carried forward indefinitely unless there is a substantial change in the ownership.

## Notes forming part of Consolidated Financial Statements

Unrecognised deferred tax assets relate primarily to business losses and tax credit entitlements which do not qualify for recognition as per the applicable accounting standards. These unabsorbed business losses will expire based on the year of origination as follows:

March 31,	(₹ crore)
2027	1
2028	-
Thereafter	39
	<b>40</b>

Under the Income-tax Act, 1961, Tata Consultancy Services Limited is liable to pay Minimum Alternate Tax in the tax holiday period. MAT paid can be carried forward for a period of 15 years and can be set off against the future tax liabilities. MAT is recognised as a deferred tax asset only when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised.

Deferred tax liability on temporary differences of ₹7,473 crore as at March 31, 2024, associated with investments in subsidiaries, has not been recognised, as it is the intention of Tata Consultancy Services Limited to reinvest the earnings of these subsidiaries for the foreseeable future.

### Direct tax contingencies

The Company and its subsidiaries have ongoing disputes with income tax authorities in India and in some of the other jurisdictions where they operate. The disputes relate to tax treatment of certain expenses claimed as deduction, computation or eligibility of tax incentives and allowances and characterisation of fees for services received. Contingent liability in respect of tax demands received from direct tax authorities in India and other jurisdictions is ₹1,871 crore and ₹1,542 crore as at March 31, 2024 and 2023, respectively. These demand orders are being contested by the Company and its subsidiaries based on the management evaluation and advise of tax consultants. In respect of tax contingencies of ₹318 crore and ₹318 crore as at March 31, 2024 and 2023, respectively, not included above, the Company is entitled to an indemnification from the seller of TCS e-Serve Limited.

The Group periodically receives notices and inquiries from income tax authorities related to the Group's operations in the jurisdictions it operates in. The Group has evaluated these notices and inquiries and has concluded that any consequent income tax claims or demands by the income tax authorities will not succeed on ultimate resolution.

The number of years that are subject to tax assessments varies depending on tax jurisdiction. The major tax jurisdictions of Tata Consultancy Services Limited include India, United States of America and United Kingdom. In India, tax filings from fiscal 2022 are generally subject to examination by the tax authorities. In United States of America, the federal statute of limitation applies to fiscals 2020 and earlier and applicable state statutes of limitation vary by state. In United Kingdom, the statute of limitation generally applies to fiscal 2019 and earlier.

### 18) Earnings per share

Basic earnings per share is computed by dividing profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The Company did not have any potentially dilutive securities in any of the periods presented.

	Year ended March 31, 2024	Year ended March 31, 2023
Profit for the year attributable to shareholders of the Company (₹ crore)	45,908	42,147
Weighted average number of equity shares	364,68,51,755	365,90,51,373
Basic and diluted earnings per share (₹)	125.88	115.19
Face value per equity share (₹)	1	1

## Notes forming part of Consolidated Financial Statements

### 19) Segment information

Operating segments are defined as components of an enterprise for which discrete financial information is available that is evaluated regularly by the chief operating decision maker, in deciding how to allocate resources and assessing performance. The Group's chief operating decision maker is the Chief Executive Officer and Managing Director.

The Group has identified business segments ('industry vertical') as reportable segments. The business segments comprise: 1) Banking, Financial Services and Insurance, 2) Manufacturing, 3) Consumer Business, 4) Communication, Media and Technology, 5) Life Sciences and Healthcare and 6) Others such as Energy, Resources and Utilities, s-Governance and Products.

Revenue and expenses directly attributable to segments are reported under each reportable segment. Expenses which are not directly identifiable to each reporting segment have been allocated on the basis of associated revenue of the segment. All other expenses which are not attributable or allocable to segments have been disclosed as unallocable expenses.

The assets and liabilities of the Group are used interchangeably amongst segments. Allocation of such assets and liabilities is not practicable and any forced allocation would not result in any meaningful segregation. Hence assets and liabilities have not been identified to any of the reportable segments.

Summarised segment information for the years ended March 31, 2024 and 2023, is as follows:

Year ended March 31, 2024	(₹ crore)						
	Banking, Financial Services and Insurance	Manufacturing	Consumer Business	Communication, Media and Technology	Life Sciences and Healthcare	Others	Total
<b>Revenue from operations</b>	<b>90,928</b>	23,491	39,357	39,391	26,745	20,981	<b>2,40,893</b>

## Notes forming part of Consolidated Financial Statements

Information regarding geographical revenue is as follows:

Geography	(₹ crore)	
	As at March 31, 2024	As at March 31, 2023
<b>Americas</b>		
North America	1,23,094	1,20,336
Latin America	4,845	4,000
<b>Europe</b>		
United Kingdom	39,852	33,861
Continental Europe	35,772	33,575
Asia Pacific	18,851	18,132
India	13,562	11,271
Middle East and Africa	4,917	4,283
	<b>2,40,893</b>	<b>2,25,458</b>

Geographical revenue is allocated based on the location of the customers.

Information regarding geographical non-current assets is as follows:

Geography	(₹ crore)	
	As at March 31, 2024	As at March 31, 2023
<b>Americas</b>		
North America	2,198	1,899
Latin America	960	1,056
<b>Europe</b>		
United Kingdom	1,362	1,487
Continental Europe	2,456	2,422
Asia Pacific	917	848
India	18,307	19,254
Middle East and Africa	164	178
	<b>26,364</b>	<b>27,144</b>

Geographical non-current assets (property, plant and equipment, right-of-use assets, goodwill, other intangible assets, income tax assets and other non-current assets) are allocated based on the location of the assets.

### Information about major customers

No single customer represents 10% or more of the Group's total revenue for the years ended March 31, 2024 and 2023, respectively.

## Notes forming part of Consolidated Financial Statements

### 20) Commitments and contingencies

#### **Capital commitments**

The Group has contractually committed (net of advances) ₹2,032 crore and ₹1,543 crore as at March 31, 2024 and 2023, respectively, for purchase of property, plant and equipment.

#### **Contingencies**

- **Direct tax matters**

Refer note 17.

- **Indirect tax matters**

The Company and its subsidiaries have ongoing disputes with tax authorities mainly relating to treatment of characterisation and classification of certain items. The Company and its subsidiaries have demands amounting to ₹1,161 crore and ₹568 crore as at March 31, 2024 and 2023, respectively, from various indirect tax authorities which are being contested by the Company and its subsidiaries based on the management evaluation and advice of tax consultants.

- **Other claims**

Claims aggregating ₹226 crore and ₹277 crore as at March 31, 2024 and 2023, respectively, against the Group have not been acknowledged as debts.

In addition to above, in October 2014, Epic Systems Corporation (referred to as Epic) filed a legal claim against the Company in the Court of Western District Madison, Wisconsin alleging unauthorised access to and download of their confidential information and use thereof in the development of the Company's product MedMantra.

Pursuant to an initial unfavourable judgment from the District Court, the Appeals court re-affirmed the order of compensatory damages of ₹1,167 crore (US \$140 million) and remanded back to the District Court to reassess matter relating to punitive damages (to limit maximum up to ₹1,167 crore (US \$140 million)), the Company has already paid the compensatory damages of ₹1,167 crore (US \$140 million) along with interest in April 2022. The Company's second appeal in the Appeals Court to reduce the punitive damages subsequently affirmed by the District Court was disposed on July 14, 2023, with a re-affirmation of the District Court order awarding punitive damages of ₹1,167 crore (US \$140 million). The Company's petition to the Supreme Court to review the entire judgement including both the compensatory and punitive damages re-affirmed by the Appeals Court was rejected by the Supreme Court on November 20, 2023, pursuant to which, punitive damages of ₹1,167 crore (US \$140 million) was paid on December 1, 2023. The Company has provided the balance punitive damages amount of ₹958 crore (US \$115 million) in its financial statements for the year ended March 31, 2024 and disclosed the same as an "exceptional item" in the consolidated statement of profit and loss.

- **Letter of comfort**

The Company has given letter of comfort to banks for credit facilities availed by its subsidiaries. As per the terms of letter of comfort, the Company undertakes not to divest its ownership interest directly or indirectly in the subsidiary and provide such managerial, technical and financial assistance to ensure continued successful operations of the subsidiary.

The amounts assessed as contingent liability do not include interest that could be claimed by counter parties.

The remuneration of directors and key executives is determined by the nomination and remuneration committee having regard to the performance of individuals and market trends.

Transactions with key management personnel for the year ended March 31, 2023 did not include provisions for encashable leave, gratuity and premium paid for group health insurance, as separate actuarial valuation / premium paid were not available.

- 23)** No funds have been advanced / loaned / invested (from borrowed funds or from share premium or from any other sources / kind of funds) by the Group to any other person(s) or entity(ies), including foreign entities (Intermediaries), with the understanding (whether recorded in writing or otherwise) that the Intermediary shall (i) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Group (Ultimate Beneficiaries) or (ii) provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.

No funds have been received by the Group from any person(s) or entity(ies), including foreign entities (Funding Parties), with the understanding (whether recorded in writing or otherwise) that the Group shall (i) directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or (ii) provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- 24)** The sitting fees and commission paid to non-executive directors is ₹15 crore and ₹13 crore as at March 31, 2024 and 2023, respectively.

- 25)** The Board of Directors approved post-employment benefits, payable to the outgoing CEO and Managing Director, which has been actuarially valued. Accordingly, the Company has recorded an expense of ₹48 crore during the year ended March 31, 2024.

- 26)** The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the company towards Provident Fund and Gratuity. The Ministry of Labour and Employment had released draft rules for the Code on Social Security, 2020 on November 13, 2020. The Company and its Indian subsidiaries will assess the impact and its evaluation once the subject rules are notified. The Company and its Indian subsidiaries will give appropriate impact in its financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published.

- 27)** TCS Technology Solutions AG renamed as TCS Technology Solutions GmbH.

- 28)** Saudi Desert Rose Holding B.V. merged with Tata Consultancy Services Netherlands BV w.e.f. August 29, 2023.

- 29)** Diligenta Limited incorporated a subsidiary, Diligenta (Europe) B.V. in Netherlands on September 14, 2023.

## Notes forming part of Consolidated Financial Statements

### 30) Dividends

Dividends paid during the year ended March 31, 2024 include an amount of ₹24.00 per equity share towards final dividend for the year ended March 31, 2023 and an amount of ₹45.00 per equity share towards interim dividends (including special dividend) for the year ended March 31, 2024. Dividends paid during the year ended March 31, 2023 include an amount of ₹22.00 per equity share towards final dividend for the year ended March 31, 2022 and an amount of ₹91.00 per equity share towards interim dividends (including special dividend) for the year ended March 31, 2023.

Dividends declared by the Company are based on profits available for distribution. On April 12, 2024, the Board of Directors of the Company have proposed a final dividend of ₹28.00 per share in respect of the year ended March 31, 2024 subject to the approval of shareholders at the Annual General Meeting, and if approved, would result in a cash outflow of approximately ₹10,131 crore.

# Standalone Financial Statements

## Independent Auditor's Report

**To the Members of  
Tata Consultancy Services Limited  
Report on the Audit of the Standalone Financial Statements**

### Opinion

We have audited the standalone financial statements of Tata Consultancy Services Limited (the "Company") which comprise the standalone balance sheet as at 31 March 2024, and the

standalone statement of profit and loss (including other comprehensive income), standalone statement of changes in equity and standalone statement of cash flows for the year then ended, and notes to the standalone financial statements, including material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2024, and its profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

### Key Audit Matter(s)

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

### Revenue recognition— Fixed price contracts where revenue is recognized using percentage of completion method

Refer Note 4(a) and 10 to the standalone financial statements

The key audit matter	How the matter was addressed in our audit
<p>The Company inter alia engages in Fixed-price contracts, wherein, revenue is recognized using the percentage of completion computed as per the input method based on the Company's estimate of contract costs.</p> <p>We identified revenue recognition of fixed price contracts where the percentage of completion is used as a key audit matter since-</p> <ul style="list-style-type: none"> <li>there is an inherent risk and presumed fraud risk around the accuracy and existence of revenues recognised considering the customised and complex nature of these contracts and significant inputs of IT systems;</li> </ul>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> <li>Obtained an understanding of the systems, processes and controls implemented by the Company for recording and computing revenue and the associated contract assets, unearned and deferred revenue balances.</li> <li>Involvement of our Information technology ('IT') specialists, as required: <ul style="list-style-type: none"> <li>Assessed the IT environment in which the business systems operate and tested system controls over computation of revenue recognised;</li> <li>Tested the IT controls over appropriateness of cost and revenue reports generated by the system;</li> <li>Tested the controls pertaining to allocation of resources and budgeting systems which prevent the unauthorized recording/ changes to costs incurred; and</li> </ul> </li> </ul>

<b>The key audit matter</b>	<b>How the matter was addressed in our audit</b>
<ul style="list-style-type: none"> <li>• application of revenue recognition accounting standard (Ind AS 115, Revenue from Contracts with customers) is complex and involves a number of key judgments and estimates in mainly identifying performance obligations, related transaction price and estimating the future cost-to-completion of these contracts, which is used to determine the percentage of completion of the relevant performance obligation;</li> <li>• these contracts may involve onerous obligations which require critical assessment of foreseeable losses to be made by the Company; and</li> <li>• at year-end, significant amount of work in progress (Contract assets), related to these contracts are recognised on the balance sheet.</li> </ul>	<ul style="list-style-type: none"> <li>➤ Tested on a random sampling basis the controls relating to the estimation of contract costs required to complete the respective projects.</li> <li>• On selected specific and statistical samples of contracts, we tested that the revenue recognized is in accordance with the revenue recognition accounting standard including – <ul style="list-style-type: none"> <li>➤ Evaluated the identification of performance obligations and the ascribed transaction price;</li> <li>➤ For testing the Company's computation of the estimation of contract costs and onerous obligations, if any. We: <ul style="list-style-type: none"> <li>• assessed that the estimates of costs to complete were reviewed and approved by appropriate designated management personnel;</li> <li>• performed a retrospective analysis of costs incurred with estimated costs to identify significant variations and challenged whether those variations are required to be considered in estimating the remaining costs to complete the contract;</li> <li>• assessed the appropriateness of work in progress (contract assets) on balance sheet date by evaluating the underlying documentation to identify possible changes in estimated costs to complete the remaining performance obligations; and</li> <li>• inspected underlying documents and performed analytics to determine reasonableness of contract costs.</li> </ul> </li> </ul> </li> </ul>

#### **Other Information**

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and auditor's report(s) thereon. The Company's annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

#### **Management's and Board of Directors' Responsibilities for the Standalone Financial Statements**

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit/ loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and

for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting in preparation of standalone financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when,

in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. A. As required by Section 143(3) of the Act, we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the paragraph 2B(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
  - c. The standalone balance sheet, the standalone statement of profit and loss (including other comprehensive income), the standalone statement of changes in equity and the standalone statement of cash flows dealt with by this Report are in agreement with the books of account.
  - d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
  - e. On the basis of the written representations received from the directors as on 01 April 2024 to 10 April 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2024 from being appointed as a director in terms of Section 164(2) of the Act.
  - f. The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2A(b) above on reporting under Section 143(3)(b) of the Act and paragraph 2B(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
  - g. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - a. The Company has disclosed the impact of pending litigations as at 31 March 2024 on its financial position in its standalone financial

- statements- Refer income tax liabilities disclosed in the balance sheet along with Note 19 to the standalone financial statements.
- b. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
  - c. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
  - d. (i) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 21 to the standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
  - (ii) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 21 to the standalone financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
  - (iii) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above, contain any material misstatement.
  - e. The interim dividend declared and paid by the Company during the year and until the date of this audit report is in accordance with Section 123 of the Act.

The final dividend paid by the Company during the year, in respect of the same declared for the previous year is in accordance with Section 123 of the Act to the extent it applies to payment of dividend.

As stated in note 26 to the standalone financial statements, the Board of Directors of the

Company has proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with Section 123 of the Act to the extent it applies to declaration of dividend.

- f. The reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 is applicable from 1 April 2023.

Based on our examination which included test checks, except for the instances mentioned below, the Company has used accounting softwares for maintaining its books of account, which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the respective software:

- i. The feature of recording audit trail (edit log) facility was not enabled at the database level to log any direct data changes for the accounting softwares used for maintaining the books of account relating to payroll, consolidation process and certain non-editable fields/tables of the accounting software used for maintaining general ledger.
- ii. The feature of recording audit trail (edit log) facility was not enabled at the application layer of the accounting softwares relating to revenue, trade receivables and general ledger for the period 1 April 2023 to 13 November 2023 and relating to property, plant and equipment for the period 1 April 2023 to 14 December 2023.

Further, for the periods where audit trail (edit log) facility was enabled and operated throughout the year for the respective accounting software, we did not come across any instance of the audit trail feature being tampered with.

- C. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

## Annexure A to the Independent Auditor's Report on the Standalone Financial Statements of Tata Consultancy Services Limited for the year ended 31 March 2024

**(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)**

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, Plant and Equipment by which all property, plant and equipment are verified in a phased manner over a period of three years. In accordance with this programme, certain property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the standalone financial statements are held in the name of the Company.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) (a) The inventory has been physically verified by the management during the year. In our opinion, the

frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were 10% or more in the aggregate for each class of inventory.

- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks on the basis of security of current assets. In our opinion, the quarterly returns or statements filed by the Company with such banks are in agreement with the books of account of the Company. The Company has not been sanctioned any working capital limit from the financial institutions.
- (iii) According to the information and explanations given to us and on the basis of our examination of the records, the Company has made investments and has granted loans or advances in the nature of loans, unsecured, to other parties during the year, in respect of which the requisite information is as below. The Company has not made any investments and has not granted any loans or advances in the nature of loans, unsecured, to companies, firms or limited liability partnerships during the year. The Company has not provided any guarantee or security or granted any loans or advances in the nature of loans, secured, to companies, firms, limited liability partnerships or any other parties during the year.
  - (a) A. Based on the audit procedures carried on by us and as per the information and explanations given to us, the Company has not given any loans or advances in the nature of loans or stood guarantee or provided security to subsidiaries. The Company does not hold any investment in any joint ventures or associates.
  - B. Based on the audit procedures carried on by us and as per the information and explanations given to us, the Company has given unsecured loans and unsecured advances in the nature of loans to parties other than subsidiaries as listed below. The Company has not stood guarantee or provided security to parties other than subsidiaries.

(₹ in crore)

\*As per the Companies Act, 2013

- (b) According to the information and explanations given to us and based on the audit procedures conducted by us, in our opinion the investments made and the terms and conditions of the grant of loans and advances in the nature of loans during the year are, *prima facie*, not prejudicial to the interest of the Company.
  - (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, in the case of interest free loans and advances in the nature of loans given, the repayment of principal has been stipulated and the repayments or receipts have been regular. In case of interest bearing loans given, the schedule of repayment of principal and payment of interest has been stipulated, and the repayments or receipts have been regular.
  - (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no overdue amount for more than ninety days in respect of loans given and advances in the nature of loans given.
  - (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no loan or advance in the nature of loan granted falling due during the year, which has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to same parties.
  - (f) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment.
  - (iv) According to the information and explanations given to us and on the basis of our examination of the records of
- the Company, the Company has not given any loans, or provided any guarantee or security as specified under Section 185 and 186 of the Companies Act, 2013 ("the Act"). In respect of the investments made by the Company, in our opinion the provisions of Section 186 of the Act have been complied with.
- (v) The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable.
  - (vi) According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under Section 148(1) of the Act for the products manufactured by it (and/or services provided by it). Accordingly, clause 3(vi) of the Order is not applicable.
  - (vii) (a) The Company does not have liability in respect of Service tax, Duty of excise, Sales tax and Value added tax during the year since effective 1 July 2017, these statutory dues has been subsumed into GST.
- According to the information and explanations given to us and on the basis of our examination of the records of the Company, in our opinion amounts deducted / accrued in the books of account in respect of undisputed statutory dues including Goods and Service Tax, Provident Fund, Employees State Insurance, Income-Tax, Duty of Customs or Cess or other statutory dues have generally been regularly deposited with the appropriate authorities.
- According to the information and explanations given to us and on the basis of our examination of the records of the Company, no undisputed amounts payable in respect of Goods and Service Tax, Provident Fund, Employees State Insurance, Income-Tax, Duty of Customs or Cess or other statutory dues were in arrears as at 31 March 2024 for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us, there are no statutory dues of Goods and Service Tax, Provident Fund, Employees' State Insurance, Income-tax, Sales tax, Service tax, Duty of Customs, Value added tax, Cess or other statutory dues which have not been deposited by the Company on account of any dispute except for the following:

Name of the statute	Nature of the dues	Amount (₹ in crores)**	Period to which the amount relates	Forum where dispute is pending	Remarks, if any

- (viii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.
- (ix) (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not defaulted in repayment of loans and borrowing or in the payment of interest thereon to any lender.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful default by any bank or financial institution or government or government authority.
- (c) According to the information and explanations given to us by the management, the Company has not obtained any term loans during the year. Accordingly, clause 3(ix)(c) of the Order is not applicable.
- (d) According to the information and explanations given to us and on an overall examination of the balance sheet of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.
- (e) According to the information and explanations given to us and on an overall examination of the standalone financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries as defined under the Act. The Company does not hold any investment in any associate or joint venture (as defined under the Act) during the year ended 31 March 2024.
- (f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries (as defined under the Act). The Company does not hold any investment in any associate or joint venture (as defined under the Act) during the year ended 31 March 2024.
- (x) (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments). Accordingly, clause 3(x)(a) of the Order is not applicable.

- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.
  - (xi) (a) Based on examination of the books and records of the Company and according to the information and explanations given to us, considering the principles of materiality outlined in Standards on Auditing, we report that no fraud by the Company or on the Company has been noticed or reported during the course of the audit.
    - (b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government.
    - (c) We have taken into consideration the whistle blower complaints received by the Company during the year while determining the nature, timing and extent of our audit procedures.
  - (xii) According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable.
  - (xiii) In our opinion and according to the information and explanations given to us, the transactions with related parties are in compliance with Section 177 and 188 of the Act, where applicable, and the details of the related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
  - (xiv) (a) Based on information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
    - (b) We have considered the internal audit reports of the Company issued till date for the period under audit.
  - (xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Act are not applicable to the Company.
  - (xvi) (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a) of the Order is not applicable.
    - (b) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(b) of the Order is not applicable.
    - (c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.
  - (d) According to the information and explanations provided to us, the Group (as per the provisions of the Core Investment Companies (Reserve Bank) Directions, 2016) has more than one CIC as part of the Group. The Group has four CICs as part of the Group.
  - (xvii) The Company has not incurred cash losses in the current and in the immediately preceding financial year.
  - (xviii) There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable.
  - (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- Also refer to the Other Information paragraph of our main audit report which explains that the other information comprising the information included in Company's annual report is expected to be made available to us after the date of this auditor's report.
- (xx) (a) In our opinion and according to the information and explanations given to us, there is no unspent amount under sub-section (5) of Section 135 of the Act pursuant to any project other than ongoing projects. Accordingly, clause 3(xx)(a) of the Order is not applicable.
  - (b) In our opinion and according to the information and explanations given to us and based on an independent legal opinion obtained by the Company, upon irrevocable transfer of funds by the Company to implementing agencies for designated multiyear projects undertaken through them, there is no unspent amount under sub-section (5) of Section 135 of the Act pursuant to ongoing projects. Accordingly, clause 3(xx)(b) of the Order is not applicable.

## Annexure B to the Independent Auditor's Report on the standalone financial statements of Tata Consultancy Services Limited for the year ended 31 March 2024

### **Report on the internal financial controls with reference to the aforesaid standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act**

**(Referred to in paragraph 2(A)(g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)**

#### **Opinion**

We have audited the internal financial controls with reference to financial statements of Tata Consultancy Services Limited ("the Company") as of 31 March 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2024, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

#### **Management's and Board of Directors' Responsibilities for Internal Financial Controls**

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with

reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

#### **Meaning of Internal Financial Controls with Reference to Financial Statements**

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls with Reference to Financial Statements**

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

\*Represents value less than ₹0.50 crore.

Loss of ₹47 crore and gain of ₹42 crore on remeasurement of defined employee benefit plans (net of tax) is recognised as a part of retained earnings for the years ended March 31, 2024 and 2023, respectively.

## Nature and purpose of reserves

### (a) Capital reserve

The Company recognises profit and loss on purchase, sale, issue or cancellation of the Company's own equity instruments to capital reserve.

### (b) Capital redemption reserve

As per Companies Act, 2013, capital redemption reserve is created when company purchases its own shares out of free reserves or securities premium. A sum equal to the nominal value of the shares so purchased is transferred to capital redemption reserve. The reserve is utilised in accordance with the provisions of section 69 of the Companies Act, 2013.

### (c) Special Economic Zone re-investment reserve

The Special Economic Zone (SEZ) re-investment reserve is created out of the profit of eligible SEZ units in terms of the provisions of section 10AA(1)(ii) of the Income-tax Act, 1961. The reserve will be utilised by the Company for acquiring new assets for the purpose of its business as per the terms of section 10AA(2) of Income-tax Act, 1961.

### (d) Retained earnings

This reserve represents undistributed accumulated earnings of the Company as on the balance sheet date.

### (e) Investment revaluation reserve

This reserve represents the cumulative gains and losses arising on the revaluation of equity and debt instruments on the balance sheet date measured at fair value through other comprehensive income. The reserves accumulated will be reclassified to retained earnings and profit and loss respectively, when such instruments are disposed.

### (f) Cash flow hedging reserve

The cash flow hedging reserve represents the cumulative effective portion of gains or losses arising on changes in fair value of designated portion of hedging instruments entered into for cash flow hedges. Such gains or losses will be reclassified to statement of profit and loss in the period in which the underlying hedged transaction occurs.

## Notes forming part of Standalone Financial Statements

### 1) Corporate information

Tata Consultancy Services Limited (referred to as “TCS Limited” or “the Company”) provides IT services, consulting and business solutions and has been partnering with many of the world’s largest businesses in their transformation journeys. The Company offers a consulting-led, cognitive powered, integrated portfolio of IT, business and engineering services and solutions. This is delivered through its unique Location-Independent Agile delivery model recognised as a benchmark of excellence in software development.

The Company is a public limited company incorporated and domiciled in India. The address of its corporate office is TCS House, Raveline Street, Fort, Mumbai- 400001. As at March 31, 2024, Tata Sons Private Limited, the holding company owned 71.74% of the Company’s equity share capital.

The Board of Directors approved the standalone financial statements for the year ended March 31, 2024 and authorised for issue on April 12, 2024.

### 2) Statement of compliance

These standalone financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as “Ind AS”) as prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules as amended from time to time.

### 3) Basis of preparation

These standalone financial statements have been prepared on historical cost basis except for certain financial instruments and defined benefit plans which are measured at fair value or amortised cost at the end of each reporting period. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. All assets and liabilities have been classified as current and non-current as per the Company’s normal operating cycle. Based on the nature of services rendered to customers and time elapsed between deployment of resources and the realisation in cash and cash equivalents of the consideration for such services rendered, the Company has considered an operating cycle of 12 months.

The statement of cash flows has been prepared under indirect method, whereby profit or loss is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expense associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated. The Company considers all highly liquid investments that are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value to be cash equivalents.

These standalone financial statements have been prepared in Indian Rupee (₹) which is the functional currency of the

Company. Foreign currency transactions are recorded at exchange rates prevailing on the date of the transaction. Foreign currency denominated monetary assets and liabilities are retranslated at the exchange rate prevailing on the balance sheet dates and exchange gains and losses arising on settlement and restatement are recognised in the statement of profit and loss. Non-monetary assets and liabilities that are measured in terms of historical cost in foreign currencies are not retranslated.

The material accounting policy information related to preparation of the standalone financial statements have been discussed in the respective notes.

### 4) Use of estimates and judgements

The preparation of standalone financial statements in conformity with the recognition and measurement principles of Ind AS requires management of the Company to make estimates and judgements that affect the reported balances of assets and liabilities, disclosures of contingent liabilities as at the date of standalone financial statements and the reported amounts of income and expenses for the periods presented.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

The Company uses the following critical accounting judgements, estimates and assumptions in preparation of its standalone financial statements:

#### (a) Revenue recognition

Revenue for fixed-price contracts is recognised using percentage-of-completion method. The Company estimates the future cost-to-completion of the contracts which is used to determine degree of completion of the performance obligation.

The Company exercises judgement for identification of performance obligations, determination of transaction price, ascribing the transaction price to each distinct performance obligation and in determining whether the performance obligation is satisfied at a point in time or over a period of time. These judgements have been explained in detail under the revenue note (Refer note 10).

#### (b) Useful lives of property, plant and equipment

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods (Refer note 8(a)).

#### (c) Impairment of investments in subsidiaries

The Company reviews its carrying value of investments carried at cost (net of impairment, if any) annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for in the statement of profit and loss.

## Notes forming part of Standalone Financial Statements

### (d) Fair value measurement of financial instruments

When the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

### (e) Impairment of financial assets (other than at fair value)

Measurement of impairment of financial assets require use of estimates, which have been explained in the note on financial assets, financial liabilities and equity instruments, under impairment of financial assets (other than at fair value) (Refer note 6).

### (f) Provision for income tax and deferred tax assets

The Company uses judgements based on the relevant rulings in the areas of allocation of revenue, costs, allowances and disallowances which is exercised while determining the provision for income tax. A deferred tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilised. Accordingly, the Company exercises its judgement to reassess the carrying amount of deferred tax assets at the end of each reporting period.

### (g) Provisions and contingent liabilities

The Company estimates the provisions that have present obligations as a result of past events and it is probable that outflow of resources will be required to settle the obligations. These provisions are reviewed at the end of each reporting period and are adjusted to reflect the current best estimates.

The Company uses significant judgements to assess contingent liabilities. Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Contingent assets are neither recognised nor disclosed in the standalone financial statements.

### (h) Employee benefits

The accounting of employee benefit plans in the nature of defined benefit requires the Company to use assumptions. These assumptions have been explained under employee benefits note (Refer note 12).

### (i) Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgement. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease.

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

### 5) Recent pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

### 6) Financial assets, financial liabilities and equity instruments

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

The Company derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired.

### Cash and cash equivalents

The Company considers all highly liquid investments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value, to be cash

## Notes forming part of Standalone Financial Statements

equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

### **Financial assets at amortised cost**

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

### **Financial assets at fair value through other comprehensive income**

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows on specified dates that are solely payments of principal and interest on the principal amount outstanding and selling financial assets.

The Company has made an irrevocable election to present subsequent changes in the fair value of equity investments not held for trading in other comprehensive income.

### **Financial assets at fair value through profit or loss**

Financial assets are measured at fair value through profit or loss unless they are measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in statement of profit and loss.

### **Investment in subsidiaries**

Investment in subsidiaries are measured at cost less impairment loss, if any.

### **Financial liabilities**

Financial liabilities are measured at amortised cost using the effective interest method.

### **Equity instruments**

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received net of direct issue cost.

### **Derivative accounting**

- **Instruments in hedging relationship**

The Company designates certain foreign exchange forward, currency options and futures contracts as hedge instruments in respect of foreign exchange risks. These hedges are accounted for as cash flow hedges.

The Company uses hedging instruments that are governed by the financial risk management policy as approved by the Risk Management Committee. The policy provides principles on the use of such financial derivatives consistent with the risk management

strategy of the Company. While determining the appropriate hedge ratio, the Company takes into consideration the prevailing macro-economic conditions, the availability and liquidity of the hedging instruments, tolerance levels for hedge ineffectiveness and the costs of hedging. The hedging activities are reviewed by the Risk Management Committee every quarter and future course of action is determined.

The hedge instruments are designated and documented as hedges at the inception of the contract. The Company determines the existence of an economic relationship between the hedging instrument and hedged item based on the currency, amount and timing of their respective cash flows. The effectiveness of hedge instruments to reduce the risk associated with the exposure being hedged is assessed and measured at inception and on an ongoing basis. If the hedged future cash flows are no longer expected to occur, then the amounts that have been accumulated in other equity are immediately reclassified in net foreign exchange gains in the statement of profit and loss.

The effective portion of change in the fair value of the designated hedging instrument is recognised in the other comprehensive income and accumulated under the heading cash flow hedging reserve.

The Company separates the intrinsic value and time value of an option and designates as hedging instruments only the change in intrinsic value of the option. The change in fair value of the intrinsic value and time value of an option is recognised in the other comprehensive income and accounted as a separate component of equity. Such amounts are reclassified into the statement of profit and loss when the related hedged items affect profit and loss.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated or no longer qualifies for hedge accounting. Any gain or loss recognised in other comprehensive income and accumulated in equity till that time remains and is recognised in the statement of profit and loss when the forecasted transaction ultimately affects profit and loss. Any gain or loss is recognised immediately in the statement of profit and loss when the hedge becomes ineffective.

- **Instruments not in hedging relationship**

The Company enters into contracts that are effective as hedges from an economic perspective, but they do not qualify for hedge accounting. The change in the fair value of such instrument is recognised in the statement of profit and loss.

### **Impairment of financial assets (other than at fair value)**

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognises lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a

## Notes forming part of Standalone Financial Statements

financing transaction. In determining the allowance for expected credit losses, the Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and is adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the receivables that are due and allowance rates used in the provision matrix. For all other financial assets, expected credit losses are measured at an amount equal to the 12-months expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

### (a) Investments

Investments consist of the following:

#### Investments – Non-current

	(₹ crore)	
	As at March 31, 2024	As at March 31, 2023
<b>Investment in subsidiaries</b>		
Fully paid equity shares (unquoted)	2,405	2,405

Other financial liabilities	<u>-</u>	<u>-</u>	<u>-</u>	<u>109</u>	<u>6,492</u>	<u>6,601</u>
	<b><u>-</u></b>	<b><u>-</u></b>	<b><u>-</u></b>	<b><u>109</u></b>	<b><u>27,236</u></b>	<b><u>27,345</u></b>

## Notes forming part of Standalone Financial Statements

The carrying value of financial instruments by categories as at March 31, 2023 is as follows:

	(₹ crore)					
	Fair value through profit or loss	Fair value through other comprehensive income	Derivative instruments in hedging relationship	Derivative instruments not in hedging relationship	Amortised cost	Total carrying value
<b>Financial assets</b>						
Cash and cash equivalents	-	-	-	-	1,462	1,462
Bank deposits	-	-	-	-	2,428	2,428
Earmarked balances with banks	-	-	-	-	653	653
Investments (other than in subsidiary)	1,147	29,238	-	-	5,353	35,738
Trade receivables						
Billed	-	-	-	-	35,659	35,659
Unbilled	-	-	-	-	7,460	7,460
Loans	-	-	-	-	335	335
Other financial assets	-	-	37	153	1,899	2,089
	<b>1,147</b>	<b>29,238</b>	<b>37</b>	<b>153</b>	<b>55,249</b>	<b>85,824</b>
<b>Financial liabilities</b>						
Trade payables	-	-	-	-	13,768	13,768
Lease liabilities	-	-	-	-	5,659	5,659
Other financial liabilities	-	-	-	141	7,147	7,288
	<b>-</b>	<b>-</b>	<b>-</b>	<b>141</b>	<b>26,574</b>	<b>26,715</b>

Carrying amounts of cash and cash equivalents, trade receivables, loans and trade payables as at March 31, 2024 and 2023, approximate the fair value due to their nature. Carrying amounts of bank deposits, earmarked balances with banks, other financial assets and other financial liabilities which are subsequently measured at amortised cost also approximate the fair value due to their nature in each of the periods presented. Fair value measurement of lease liabilities is not required. Fair value of investments carried at amortised cost is ₹940 crore and ₹5,351 crore as at March 31, 2024 and 2023 respectively.

### (k) Fair value hierarchy

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

- Level 1 – Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 – Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3 – Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

The cost of unquoted investments included in Level 3 of fair value hierarchy approximate their fair value because there is a wide range of possible fair value measurements and the cost represents estimate of fair value within that range.

## Notes forming part of Standalone Financial Statements

The following table summarises financial assets and liabilities measured at fair value on a recurring basis and financial assets that are not measured at fair value on a recurring basis (but fair value disclosures are required):

	(₹ crore)			
	Level 1	Level 2	Level 3	Total
<b>As at March 31, 2024</b>				
<b>Financial assets</b>

	<b>-</b>	<b>141</b>	<b>-</b>	<b>141</b>

### (I) Derivative financial instruments and hedging activity

The Company's revenue is denominated in various foreign currencies. Given the nature of the business, a large portion of the costs are denominated in Indian Rupee. This exposes the Company to currency fluctuations.

The Board of Directors has constituted a Risk Management Committee (RMC) to frame, implement and monitor the risk management plan of the Company which inter-alia covers risks arising out of exposure to foreign currency fluctuations. Under the guidance and framework provided by the RMC, the Company uses various derivative instruments such as foreign exchange forward, currency options and futures contracts in which the counter party is generally a bank.

The following are outstanding currency options contracts, which have been designated as cash flow hedges:

Foreign currency	As at March 31, 2024			As at March 31, 2023		
	No. of contracts	No. of contracts (In million)	Fair value (₹ crore)	No. of contracts	No. of contracts (In million)	Fair value (₹ crore)
US Dollar	19	475	6	8	225	13
Great Britain Pound	29	230	24	22	200	14
Euro	28	235	16	22	203	10

## Notes forming part of Standalone Financial Statements

The movement in cash flow hedging reserve for derivatives designated as cash flow hedges is as follows:

	(₹ crore)			
	Year ended March 31, 2024		Year ended March 31, 2023	
	Intrinsic value	Time value	Intrinsic value	Time value
<b>Balance at the beginning of the year</b>	<b>8</b>	<b>(28)</b>	<b>27</b>	<b>(53)</b>
(Gain) / loss transferred to profit and loss on occurrence of forecasted hedge transactions	(139)	241	(376)	488
Deferred tax on (gain) / loss transferred to profit and loss on occurrence of forecasted hedge transactions	31	(55)	90	(144)
Change in the fair value of effective portion of cash flow hedges	140	(228)	351	(456)
Deferred tax on change in the fair value of effective portion of cash flow hedges	(31)	52	(84)	137
<b>Balance at the end of the year</b>	<b>9</b>	<b>(18)</b>	<b>8</b>	<b>(28)</b>

The Company has entered into derivative instruments not in hedging relationship by way of foreign exchange forward, currency options and futures contracts. As at March 31, 2024 and 2023, the notional amount of outstanding contracts aggregated to ₹49,180 crore and ₹46,102 crore, respectively, and the respective fair value of these contracts have a net loss of ₹42 crore and gain of ₹12 crore.

Exchange gain of ₹30 crore and loss of ₹1,159 crore on foreign exchange forward, currency options and futures contracts that do not qualify for hedge accounting have been recognised in the standalone statement of profit and loss for the years ended March 31, 2024 and 2023, respectively.

Net foreign exchange gain / (loss) include loss of ₹102 crore and ₹112 crore transferred from cash flow hedging reserve to profit and loss on occurrence of forecasted hedge transactions for the years ended March 31, 2024 and 2023, respectively.

Net loss on derivative instruments of ₹9 crore recognised in cash flow hedging reserve as at March 31, 2024, is expected to be transferred to the statement of profit and loss by March 31, 2025. The maximum period over which the exposure to cash flow variability has been hedged is through calendar year 2024.

Following table summarises approximate gain / (loss) on the Company's other comprehensive income on account of appreciation / depreciation of the underlying foreign currencies:

	(₹ crore)	
	As at March 31, 2024	As at March 31, 2023
10% Appreciation of the underlying foreign currencies	-	-
10% Depreciation of the underlying foreign currencies	910	544

### (m) Financial risk management

The Company is exposed primarily to fluctuations in foreign currency exchange rates, credit, liquidity and interest rate risks, which may adversely impact the fair value of its financial instruments. The Company has a risk management policy which covers risks associated with the financial assets and liabilities. The risk management policy is approved by the Board of Directors. The focus of the risk management committee is to assess the unpredictability of the financial environment and to mitigate potential adverse effects on the financial performance of the Company.

#### Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in the foreign currency exchange rates, interest rates, credit, liquidity and other market changes. The Company's exposure to market risk is primarily on account of foreign currency exchange rate risk.

## Notes forming part of Standalone Financial Statements

- **Foreign currency exchange rate risk**

The fluctuation in foreign currency exchange rates may have potential impact on the statement of profit and loss and other comprehensive income and equity, where any transaction references more than one currency or where assets / liabilities are denominated in a currency other than the functional currency of the Company. Considering the countries and economic environment in which the Company operates, its operations are subject to risks arising from fluctuations in exchange rates in those countries.

The Company, as per its risk management policy, uses derivative instruments primarily to hedge foreign exchange. Further, any movement in the functional currency of the various operations of the Company against major foreign currencies may impact the Company's revenue in international business.

The Company evaluates the impact of foreign exchange rate fluctuations by assessing its exposure to exchange rate risks. It hedges a part of these risks by using derivative financial instruments in line with its risk management policies.

The foreign exchange rate sensitivity is calculated by aggregation of the net foreign exchange rate exposure and a simultaneous parallel foreign exchange rates shift of all the currencies by 10% against the functional currency of the Company.

The following analysis has been worked out based on the net exposures of the Company as of the date of balance sheet which could affect the statement of profit and loss and other comprehensive income and equity. Further the exposure as indicated below is mitigated by some of the derivative contracts entered into by the Company as disclosed in note 6(l).

The following table sets forth information relating to unhedged foreign currency exposure as at March 31, 2024:

	(₹ crore)			
	<b>USD</b>	<b>EUR</b>	<b>GBP</b>	<b>Others</b>
Net financial assets	4,243	507	379	2,143
Net financial liabilities	(11,238)	(760)	(2,215)	(1,530)

10% appreciation / depreciation of the functional currency of the Company with respect to various foreign currencies would result in increase / decrease in the Company's profit before taxes by approximately ₹847 crore for the year ended March 31, 2024.

The following table sets forth information relating to unhedged foreign currency exposure as at March 31, 2023:

	(₹ crore)			
	<b>USD</b>	<b>EUR</b>	<b>GBP</b>	<b>Others</b>
Net financial assets	2,747	91	436	2,736
Net financial liabilities	(12,419)	(723)	(1,923)	(1,108)

10% appreciation / depreciation of the functional currency of the Company with respect to various foreign currencies would result in increase / decrease in the Company's profit before taxes by approximately ₹1,016 crore for the year ended March 31, 2023.

- **Interest rate risk**

The Company's investments are primarily in fixed rate interest bearing investments. Hence, the Company is not significantly exposed to interest rate risk.

### Credit risk

Credit risk is the risk of financial loss arising from counterparty failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks. Credit risk is controlled by analysing credit limits and creditworthiness of customers on a continuous basis to whom the credit has been granted after obtaining necessary approvals for credit. Refer note 4 for methods, assumptions and information used to measure expected credit losses.

Financial instruments that are subject to credit risk consist of trade receivables, loans, investments, derivative financial instruments, cash and cash equivalents, bank deposits and other financial assets. Bank deposits include an amount of ₹2,500 crore held with two banks having high credit rating which are individually in excess of 10% or more of the Company's total bank deposits as at March 31, 2024. None of the other financial instruments of the Company result in material concentration of credit risk.

## Notes forming part of Standalone Financial Statements

- Exposure to credit risk**

The carrying amount of financial assets and contract assets represents the maximum credit exposure. The maximum exposure to credit risk was ₹90,407 crore and ₹90,655 crore as at March 31, 2024 and 2023, respectively, being the total of the carrying amount of balances with banks, bank deposits, investments excluding equity and preference investments, trade receivables, loans, contract assets and other financial assets.

The Company's exposure to customers is diversified and no single customer contributes to more than 10% of outstanding trade receivables and contract assets as at March 31, 2024 and 2023.

- Geographic concentration of credit risk**

Geographic concentration of trade receivables (gross and net of allowances) and contract assets is as follows:

	As at March 31, 2024		As at March 31, 2023	
	Gross%	Net%	Gross%	Net%
United States of America	52.31	53.20	54.14	55.13
India	13.22	11.68	12.03	10.37
United Kingdom	16.47	16.78	15.48	15.80

Geographic concentration of trade receivables (gross and net of allowances) and contract assets is allocated based on the location of the customers.

The allowance for lifetime expected credit losses on trade receivables for the years ended March 31, 2024 and 2023 was ₹88 crore and ₹98 crore, respectively. The reconciliation of allowance for expected credit losses is as follows:

	(₹ crore)	
	As at March 31, 2024	As at March 31, 2023
<b>Balance at the beginning of the year</b>	<b>1,099</b>	<b>1,137</b>
Change during the year	88	98
Bad debts written off	(98)	(137)
Translation Exchange difference	(1)	1
<b>Balance at the end of the year</b>	<b>1,088</b>	<b>1,099</b>

### Liquidity risk

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company consistently generated sufficient cash flows from operations to meet its financial obligations including lease liabilities as and when they fall due.

The tables below provide details regarding the contractual maturities of significant financial liabilities as at:

	(₹ crore)				
	Due in 1 <sup>st</sup> year	Due in 2 <sup>nd</sup> year	Due in 3 <sup>rd</sup> to 5 <sup>th</sup> year	Due after 5 <sup>th</sup> year	Total

### (n) Equity instruments

The authorised, issued, subscribed and fully paid up share capital consist of the following:

	(₹ crore)	
	As at March 31, 2024	As at March 31, 2023
<b>Authorised</b>		
460,05,00,000 equity shares of ₹1 each	460	460
(March 31, 2023: 460,05,00,000 equity shares of ₹1 each)		
105,02,50,000 preference shares of ₹1 each	105	105
(March 31, 2023: 105,02,50,000 preference shares of ₹1 each)		
	<b>565</b>	<b>565</b>
<b>Issued, Subscribed and Fully paid up</b>		
361,80,87,518 equity shares of ₹1 each	362	366
(March 31, 2023: 365,90,51,373 equity shares of ₹1 each)		
	<b>362</b>	<b>366</b>

The Company's objective for capital management is to maximise shareholder value, safeguard business continuity and support the growth of the Company. The Company determines the capital requirement based on annual operating plans and long-term and other strategic investment plans. The funding requirements are met through equity and operating cash flows generated. The Company is not subject to any externally imposed capital requirements.

The Board of Directors at its meeting held on October 11, 2023, approved a proposal to buy-back upto 4,09,63,855 equity shares of the Company for an aggregate amount not exceeding ₹17,000 crore, being 1.12% of the total paid up equity share capital at ₹4,150 per equity share. The shareholders approved the same on November 15, 2023, by way of a special resolution through postal ballot. A Letter of Offer was made to all eligible shareholders. The Company bought back 4,09,63,855 equity shares out of the shares that were tendered by eligible shareholders and extinguished the equity shares on December 13, 2023. Capital redemption reserve was created to the extent of share capital extinguished (₹4 crore). The excess cost of buy-back of ₹17,046 crore (including ₹46 crore towards transaction cost of buy-back) over par value of shares and corresponding tax on buy-back of ₹3,959 crore were offset from retained earnings.

### I. Reconciliation of number of shares

## Notes forming part of Standalone Financial Statements

### II. Rights, preferences and restrictions attached to shares

The Company has one class of equity shares having a par value of ₹1 each. Each shareholder is eligible for one vote per share held and carry a right to dividend. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting, except in case of interim dividend. In the event of liquidation, the equity shareholders are eligible to receive the remaining assets of the Company after distribution of all preferential amounts, in proportion to their shareholding.

### 7) Leases

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

#### Company as a lessee

The Company accounts for each lease component within the contract as a lease separately from non-lease components of the contract and allocates the consideration in the contract to each lease component on the basis of the relative standalone price of the lease component and the aggregate standalone price of the non-lease components.

The Company recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use asset is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use asset is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. For leases with reasonably similar characteristics, the Company, on a lease-by-lease basis, may adopt either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole. The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Company is reasonably certain to exercise that option and payments of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made and remeasuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments. The Company recognises the amount of the re-measurement of lease liability due to modification as an adjustment to the right-of-use asset and statement of profit and loss depending upon the nature of modification. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognises any remaining amount of the re-measurement in statement of profit and loss.

The Company has elected not to apply the requirements of Ind AS 116- Leases to short-term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognised as an expense on a straight-line basis over the lease term.

## Notes forming part of Standalone Financial Statements

### Company as a lessor

At the inception of the lease the Company classifies each of its leases as either an operating lease or a finance lease. The Company recognises lease payments received under operating leases as income on a straight-line basis over the lease term. In case of a finance lease, finance income is recognised over the lease term based on a pattern reflecting a constant periodic rate of return on the lessor's net investment in the lease. When the Company is an intermediate lessor it accounts for its interests in the head lease and the sub-lease separately. It assesses the lease classification of a sub-lease with reference to the right-of-use asset arising from the head lease, not with reference to the underlying asset. If a head lease is a short-term lease to which the Company applies the exemption described above, then it classifies the sub-lease as an operating lease.

If an arrangement contains lease and non-lease components, the Company applies Ind AS 115- Revenue from contracts with customers to allocate the consideration in the contract.

The details of the right-of-use assets held by the Company is as follows:

	(₹ crore)	
	Additions for the year ended March 31, 2024	Net carrying amount as at March 31, 2024
Leasehold land	-	928
Buildings	1,489	5,010
Leasehold improvement	-	1
Computer equipment	124	152
Software licences	-	60
Vehicles	1	1
Furniture and fixtures	<u>2</u>	<u>2</u>
	<b>1,616</b>	<b>6,154</b>

	(₹ crore)	
	Additions for the year ended March 31, 2023	Net carrying amount as at March 31, 2023
Leasehold land	179	940
Buildings	799	4,608
Leasehold improvement	-	2
Computer equipment	-	49
Software licences	-	96
Vehicles	-	-*
	<b>978</b>	<b>5,695</b>

\*Represents value less than ₹0.50 crore.

Depreciation on right-of-use assets is as follows:

	(₹ crore)	Year ended March 31, 2024	Year ended March 31, 2023
Leasehold land	11	10	10
Buildings	1,079	1,034	1,034
Leasehold improvement	1	2	2
Computer equipment	21	16	16
Software licences	36	37	37
Vehicles	-*	-*	-*
Furniture and fixtures	<u>1,148</u>	<u>1,099</u>	<u>-</u>

\*Represents value less than ₹0.50 crore.

## Notes forming part of Standalone Financial Statements

Interest on lease liabilities is ₹438 crore and ₹421 crore for the years ended March 31, 2024 and 2023, respectively.

The Company incurred ₹221 crore and ₹211 crore for the years ended March 31, 2024 and 2023, respectively, towards expenses relating to short-term leases and leases of low-value assets.

The total cash outflow for leases is ₹1,737 crore and ₹1,732 crore for the years ended March 31, 2024 and 2023, respectively, including cash outflow for short term leases and leases of low-value assets.

The Company has lease term extension options that are not reflected in the measurement of lease liabilities. The present value of future cash outflows for such extension periods is ₹815 crore and ₹786 crore as at March 31, 2024 and 2023, respectively.

Lease contracts entered by the Company majorly pertain for buildings taken on lease to conduct its business in the ordinary course.

The Company does not have any lease restrictions and commitment towards variable rent as per the contract.

### **8) Non-financial assets and non-financial liabilities**

#### **(a) Property, plant and equipment**

Property, plant and equipment are stated at cost comprising of purchase price and any initial directly attributable cost of bringing the asset to its working condition for its intended use, less accumulated depreciation (other than freehold land) and impairment loss, if any.

Depreciation is provided for property, plant and equipment on a straight-line basis so as to expense the cost less residual value over their estimated useful lives as prescribed in Schedule II of the Companies Act, 2013 except in respect of certain categories of assets, where the useful life of the assets has been assessed based on a technical evaluation. The estimated useful lives and residual values are reviewed at the end of each reporting period, with the effect of any change in estimate accounted for on a prospective basis.

The estimated useful lives are as mentioned below:

Type of asset	Useful lives
Buildings	20 years*
Leasehold improvements	Lease term
Plant and equipment	10 years*
Computer equipment	4 years*
Vehicles	4 years*
Office equipment	2-5 years*
Electrical installations	4-10 years*
Furniture and fixtures	5 years*

\* The Company believes that the technically evaluated useful lives, different from Schedule II of the Companies Act, 2013, best represent the period over which these assets are expected to be used.

Depreciation is not recorded on capital work-in-progress until construction and installation are complete and the asset is ready for its intended use.

Property, plant and equipment with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the statement of profit and loss.

## Notes forming part of Standalone Financial Statements

### Capital work-in-progress

- Capital work-in-progress ageing**

Ageing for capital work-in-progress as at March 31, 2024 is as follows:

Capital work-in-progress	Amount in Capital work-in-progress for a period of				(₹ crore)
	Less than 1 year	1 - 2 years	2 - 3 years	More than 3 years	
Projects in progress	919 <u>919</u>	145 <u>145</u>	53 <u>53</u>	333 <u>333</u>	1,450 <u>1,450</u>

Ageing for capital work-in-progress as at March 31, 2023 is as follows:

Capital work-in-progress	Amount in Capital work-in-progress for a period of				(₹ crore)
	Less than 1 year	1 - 2 years	2 - 3 years	More than 3 years	
Projects in progress	543 <u>543</u>	203 <u>203</u>	37 <u>37</u>	320 <u>320</u>	1,103 <u>1,103</u>

Project execution plans are modulated basis capacity requirement assessment on an annual basis and all the projects are executed as per rolling annual plan.

### (b) Intangible assets

Intangible assets purchased are measured at cost as at the date of acquisition, as applicable, less accumulated amortisation and accumulated impairment, if any.

Intangible assets consist of rights under licensing agreement and software licences which are amortised over licence period which equates the economic useful life ranging between 2-5 years on a straight-line basis over the period of its economic useful life.

Intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the statement of profit and loss.

Intangible assets consist of the following:

	Rights under licensing agreement and software licences	(₹ crore)
<b>Cost as at April 1, 2023</b>		1,727
Additions		99
Disposals / Derecognised		(8)
<b>Cost as at March 31, 2024</b>		1,818
<b>Accumulated amortisation as at April 1, 2023</b>		(918)
Amortisation		(445)
Disposals / Derecognised		8
<b>Accumulated amortisation as at March 31, 2024</b>		(1,355)
<b>Net carrying amount as at March 31, 2024</b>		463

	<u>71,758</u>	<u>74,172</u>

\*Represents value less than ₹0.50 crore.

### 10) Revenue recognition

The Company earns revenue primarily from providing IT services, consulting and business solutions. The Company offers a consulting-led, cognitive powered, integrated portfolio of IT, business and engineering services and solutions.

Revenue is recognised upon transfer of control of promised products or services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those products or services.

- Revenue from time and material and job contracts is recognised on output basis measured by units delivered, efforts expended, number of transactions processed, etc.
- Revenue related to fixed price maintenance and support services contracts where the Company is standing ready to provide services is recognised based on time elapsed mode and revenue is straight-lined over the period of performance.
- In respect of other fixed-price contracts, revenue is recognised using percentage-of-completion method ('POC method') of accounting with contract costs incurred determining the degree of completion of the performance obligation. The contract costs used in computing the revenues include cost of fulfilling warranty obligations.
- Revenue from the sale of distinct internally developed software and manufactured systems and third party software is recognised upfront at the point in time when the system / software is delivered to the customer. In cases where implementation and / or customisation services rendered significantly modifies or customises the software, these services and software are accounted for as a single performance obligation and revenue is recognised over time on a POC method.
- Revenue from the sale of distinct third party hardware is recognised at the point in time when control is transferred to the customer.
- The solutions offered by the Company may include supply of third-party equipment or software. In such cases, revenue for supply of such third party products are recorded at gross or net basis depending on whether the Company is acting as the principal or as an agent of the customer. The Company recognises revenue in the gross amount of consideration when it is acting as a principal and at net amount of consideration when it is acting as an agent.

Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, service level credits, performance bonuses, price concessions and incentives, if any, as specified in the contract with the customer. Revenue also excludes taxes collected from customers.

## Notes forming part of Standalone Financial Statements

The Company's contracts with customers could include promises to transfer multiple products and services to a customer. The Company assesses the products / services promised in a contract and identifies distinct performance obligations in the contract. Identification of distinct performance obligation involves judgement to determine the deliverables and the ability of the customer to benefit independently from such deliverables.

Judgement is also required to determine the transaction price for the contract and to ascribe the transaction price to each distinct performance obligation. The transaction price could be either a fixed amount of customer consideration or variable consideration with elements such as volume discounts, service level credits, performance bonuses, price concessions and incentives. The transaction price is also adjusted for the effects of the time value of money if the contract includes a significant financing component. Any consideration payable to the customer is adjusted to the transaction price, unless it is a payment for a distinct product or service from the customer. The estimated amount of variable consideration is adjusted in the transaction price only to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur and is reassessed at the end of each reporting period. The Company allocates the elements of variable considerations to all the performance obligations of the contract unless there is observable evidence that they pertain to one or more distinct performance obligations.

The Company exercises judgement in determining whether the performance obligation is satisfied at a point in time or over a period of time. The Company considers indicators such as how customer consumes benefits as services are rendered or who controls the asset as it is being created or existence of enforceable right to payment for performance to date and alternate use of such product or service, transfer of significant risks and rewards to the customer, acceptance of delivery by the customer, etc.

Revenue from subsidiaries is recognised based on transaction price which is at arm's length.

Contract fulfilment costs are generally expensed as incurred except for certain software licence costs which meet the criteria for capitalisation. Such costs are amortised over the contractual period or useful life of licence, whichever is less. The assessment of this criteria requires the application of judgement, in particular when considering if costs generate or enhance resources to be used to satisfy future performance obligations and whether costs are expected to be recovered.

Contract assets are recognised when there are excess of revenues earned over billings on contracts. Contract assets are classified as unbilled receivables (only act of invoicing is pending) when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms.

Unearned and deferred revenue ("contract liability") is recognised when there are billings in excess of revenues.

The billing schedules agreed with customers include periodic performance based payments and / or milestone based progress payments. Invoices are payable within contractually agreed credit period.

In accordance with Ind AS 37, the Company recognises an onerous contract provision when the unavoidable costs of meeting the obligations under a contract exceed the economic benefits to be received.

Contracts are subject to modification to account for changes in contract specification and requirements. The Company reviews modification to contract in conjunction with the original contract, basis which the transaction price could be allocated to a new performance obligation, or transaction price of an existing obligation could undergo a change. In the event transaction price is revised for existing obligation, a cumulative adjustment is accounted for.

The Company disaggregates revenue from contracts with customers by nature of services, industry verticals and geography.

Revenue disaggregation by nature of services is as follows:

	(₹ crore)	
	<b>Year ended March 31, 2024</b>	<b>Year ended March 31, 2023</b>
Consultancy services	2,00,054	1,88,748
Sale of equipment and software licences	2,305	1,606
	<b>2,02,359</b>	<b>1,90,354</b>

## Notes forming part of Standalone Financial Statements

Revenue disaggregation by industry vertical is as follows:

	(₹ crore)	
	Year ended March 31, 2024	Year ended March 31, 2023
Banking, Financial Services and Insurance	71,349	68,240
Manufacturing	18,854	16,905
Consumer Business	34,612	33,169
Communication, Media and Technology	35,061	33,606
Life Sciences and Healthcare	24,352	22,398
Others	<u>18,131</u>	<u>16,036</u>
	<b><u>2,02,359</u></b>	<b><u>1,90,354</u></b>

Revenue disaggregation by geography is as follows:

	(₹ crore)	
	Year ended March 31, 2024	Year ended March 31, 2023
<b>Americas</b>		
North America	115,581	113,208
Latin America	484	382
<b>Europe</b>		
United Kingdom	35,625	30,676
Continental Europe	20,705	19,209
Asia Pacific	12,466	12,017
India	13,105	10,941
Middle East and Africa	<u>4,393</u>	<u>3,921</u>
	<b><u>2,02,359</u></b>	<b><u>1,90,354</u></b>

Geographical revenue is allocated based on the location of the customers.

### Information about major customers

No single customer represents 10% or more of the Company's total revenue during the years ended March 31, 2024 and 2023.

While disclosing the aggregate amount of transaction price yet to be recognised as revenue towards unsatisfied (or partially satisfied) performance obligations, along with the broad time band for the expected time to recognise those revenues, the Company has applied the practical expedient in Ind AS 115. Accordingly, the Company has not disclosed the aggregate transaction price allocated to unsatisfied (or partially satisfied) performance obligations which pertain to contracts where revenue recognised corresponds to the value transferred to customer typically involving time and material, outcome based and event based contracts.

Unsatisfied (or partially satisfied) performance obligations are subject to variability due to several factors such as terminations, changes in scope of contracts, periodic revalidations of the estimates, economic factors (changes in currency rates, tax laws etc). The aggregate value of transaction price allocated to unsatisfied (or partially satisfied) performance obligations is ₹1,34,160 crore out of which 50.03% is expected to be recognised as revenue in the next year and the balance thereafter. No consideration from contracts with customers is excluded from the amount mentioned above.

Changes in contract assets are as follows:

	(₹ crore)	
	Year ended March 31, 2024	Year ended March 31, 2023
<b>Balance at the beginning of the year</b>	<b>4,831</b>	<b>3,470</b>
Invoices raised that were included in the contract assets balance at the beginning of the year	(3,278)	(2,632)
Increase due to revenue recognised during the year, excluding amounts billed during the year	3,595	3,826
Translation exchange difference	56	167
<b>Balance at the end of the year</b>	<b>5,204</b>	<b>4,831</b>

## Notes forming part of Standalone Financial Statements

Changes in unearned and deferred revenue are as follows:

	(₹ crore)	
	Year ended March 31, 2024	Year ended March 31, 2023
<b>Balance at the beginning of the year</b>	<b>3,604</b>	<b>3,573</b>
Revenue recognised that was included in the contract liability balance at the beginning of the year	(3,110)	(2,643)
Increase due to invoicing during the year, excluding amounts recognised as revenue during the year	2,541	2,589
Translation exchange difference	2	85
<b>Balance at the end of the year</b>	<b>3,037</b>	<b>3,604</b>

Reconciliation of revenue recognised with the contracted price is as follows:

	(₹ crore)	
	Year ended March 31, 2024	Year ended March 31, 2023
Contracted price	2,05,717	1,93,451
Reductions towards variable consideration components	(3,358)	(3,097)
<b>Revenue recognised</b>	<b>2,02,359</b>	<b>1,90,354</b>

The reduction towards variable consideration comprises of volume discounts, service level credits, etc.

### 11) Other income

Dividend income is recorded when the right to receive payment is established. Interest income is recognised using the effective interest method.

Other income consist of the following:

	(₹ crore)	
	Year ended March 31, 2024	Year ended March 31, 2023
Interest income	3,382	3,046
Dividend income	3,296	2,106
Net gain on disposal / fair valuation of investments carried at fair value through profit or loss	253	205
Net gain on sale of investments other than equity shares carried at fair value through OCI	11	4
Net gain on disposal of property, plant and equipment	8	27
Net gain / (loss) on lease modification	2	(3)
Net gain on sub-lease	-	7
Net foreign exchange gain / (loss)	243	(173)
Rent income	25	22
Other income	53	87
	<b>7,273</b>	<b>5,328</b>
<b>Interest income comprise:</b>		
Interest on bank balances and bank deposits	412	173
Interest on financial assets carried at amortised cost	347	574
Interest on financial assets carried at fair value through OCI	2,198	2,131
Other interest (including interest on tax refunds)	425	168
<b>Dividend income comprise:</b>		
Dividend from subsidiaries	3,296	2,106

## Notes forming part of Standalone Financial Statements

### 12) Employee benefits

#### Defined benefit plans

For defined benefit plans, the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuations being carried out at each balance sheet date. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling and the return on plan assets (excluding interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Past service cost, both vested and unvested, is recognised as an expense at the earlier of (a) when the plan amendment or curtailment occurs; and (b) when the entity recognises related restructuring costs or termination benefits.

The retirement benefit obligations recognised in the balance sheet represents the present value of the defined benefit obligations reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to the present value of available refunds and reductions in future contributions to the scheme.

The Company provides benefits such as gratuity, pension and provident fund (Company managed fund) to its employees which are treated as defined benefit plans.

#### Defined contribution plans

Contributions to defined contribution plans are recognised as expense when employees have rendered services entitling them to such benefits.

The Company provides benefits such as superannuation and foreign defined contribution plans to its employees which are treated as defined contribution plans.

#### Short-term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages etc. and the expected cost of ex-gratia are recognised in the period in which the employee renders the related service. A liability is recognised for the amount expected to be paid when there is a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

#### Compensated absences

Compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as undiscounted liability at the balance sheet date. Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as an actuarially determined liability at the present value of the defined benefit obligation at the balance sheet date using the Projected Unit Credit Method.

Employee benefit expenses consist of the following:

	(₹ crore)	
	Year ended March 31, 2024	Year ended March 31, 2023
Salaries, incentives and allowances	93,257	87,049
Contributions to provident and other funds	7,099	6,450
Staff welfare expenses	2,783	2,719
	<b>103,139</b>	<b>96,218</b>

Employee benefit obligations consist of the following:

#### Employee benefit obligations – Non-current

	(₹ crore)	
	As at March 31, 2024	As at March 31, 2023
Foreign defined benefit plans	29	28
Other employee benefit obligations	115	67
	<b>144</b>	<b>95</b>

## Notes forming part of Standalone Financial Statements

### Employee benefit obligations – Current

	(₹ crore)	
	As at March 31, 2024	As at March 31, 2023
Compensated absences	3,300	2,991
Other employee benefit obligations	32	31
	<b>3,332</b>	<b>3,022</b>

Employee benefit plans consist of the following:

#### Gratuity and pension

In accordance with Indian law, the Company operates a scheme of gratuity which is a defined benefit plan. The gratuity plan provides for a lump sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 to 30 days' salary payable for each completed year of service. Vesting occurs upon completion of five continuous years of service. The Company manages the plan through a trust. Trustees administer contributions made to the trust. Certain overseas branches of the Company also provide for retirement benefit plans in accordance with the local laws.

The following table sets out the details of the defined benefit retirement plans and the amounts recognised in the financial statements:

	(₹ crore)							
	As at March 31, 2024				As at March 31, 2023

Remeasurement of the net defined benefit (asset) / liability:

	As at March 31, 2024			
	Domestic plans funded	Foreign plans funded	Foreign plans unfunded	Total
Actuarial gains arising from changes in demographic assumptions	(2)	-	-	(2)
Actuarial losses arising from changes in financial assumptions	66	-	-	66
Actuarial losses arising from changes in experience adjustments	104	-	2	106
<b>Remeasurement of the net defined benefit liability</b>	<b>168</b>	<b>-</b>	<b>2</b>	<b>170</b>
Remeasurement- return on plan assets excluding amount included in interest income	(110)	-	-	(110)
	<b>58</b>	<b>-</b>	<b>2</b>	<b>60</b>

	As at March 31, 2023			
	Domestic plans funded	Foreign plans funded	Foreign plans unfunded	Total
Actuarial losses arising from changes in demographic assumptions	30	-	1	31
Actuarial gains arising from changes in financial assumptions	(164)	-	(3)	(167)
Actuarial (gains) and losses arising from changes in experience adjustments	(24)	-	3	(21)
<b>Remeasurement of the net defined benefit liability</b>	<b>(158)</b>	<b>-</b>	<b>1</b>	<b>(157)</b>
Remeasurement- return on plan assets excluding amount included in interest income	103	-	-	103
	<b>(55)</b>	<b>-</b>	<b>1</b>	<b>(54)</b>

The assumptions used in accounting for the defined benefit plan are set out below:

	As at March 31, 2024		As at March 31, 2023	
	Domestic plans	Foreign plans	Domestic plans	Foreign plans
Discount rate	7.25%	3.50%-4.80%	7.50%	3.90%-4.80%
Rate of increase in compensation levels of covered employees	6.00%	2.68%- 3.63%	6.00%	1.95%-3.62%
Rate of return on plan assets	7.25%	3.50%-4.80%	7.50%	3.90%-4.80%
Weighted average duration of defined benefit obligations	6 Years	3-6 Years	7 Years	3-8 Years

## Notes forming part of Standalone Financial Statements

Future mortality assumptions are taken based on the published statistics by the Insurance Regulatory and Development Authority of India.

The expected benefits are based on the same assumptions as are used to measure the Company's defined benefit plan obligations as at March 31, 2024. The Company does not expect to contribute to defined benefit plan obligations funds for year ending March 31, 2025 in view of adequate surplus plan assets as at March 31, 2024.

The significant actuarial assumptions for the determination of the defined benefit obligations are discount rate and expected salary increase. The sensitivity analysis below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

If the discount rate increases / decreases by 0.50%, the defined benefit obligations would increase / (decrease) as follows:

	(₹ crore)	
	As at March 31, 2024	As at March 31, 2023
Increase of 0.50%	(123)	(121)
Decrease of 0.50%	129	127

If the expected salary growth increases / decreases by 0.50%, the defined benefit obligations would increase / (decrease) as follows:

	(₹ crore)	
	As at March 31, 2024	As at March 31, 2023
Increase of 0.50%	130	129
Decrease of 0.50%	(125)	(123)

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligations as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligations has been calculated using the Projected Unit Credit Method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

Each year an Asset- Liability matching study is performed in which the consequences of the strategic investment policies are analysed in terms of risk and return profiles. Investment and contribution policies are integrated within this study.

The defined benefit obligations shall mature after the year ended March 31, 2024 as follows:

	(₹ crore)	
Year ending March 31,	Defined benefit obligations	
2025	798	
2026	670	
2027	665	
2028	650	
2029	603	
2030-2034	2,297	

### Provident fund

In accordance with Indian law, all eligible employees of the Company in India are entitled to receive benefits under the provident fund plan in which both the employee and employer (at a determined rate) contribute monthly to a trust set up by the Company to manage the investments and distribute the amounts entitled to employees. This plan is a defined benefit plan as the Company is obligated to provide its members a rate of return which should, at the minimum, meet the interest rate declared by Government administered provident fund. A part of the Company's contribution is transferred to Government administered pension fund. The contributions made by the Company and the shortfall of interest, if any, are recognised as an expense in statement of profit and loss under employee benefit expenses. In accordance with an actuarial valuation of provident fund liabilities on the basis of guidance issued by Actuarial Society of India and based on the assumptions as mentioned below, there is no deficiency in the interest cost as the present value of the expected future earnings of the fund is greater than the expected amount to be credited to the individual members based on the expected guaranteed rate of interest of Government administered provident fund.

## Notes forming part of Standalone Financial Statements

The details of fund and plan assets are given below:

	(₹ crore)	
	As at March 31, 2024	As at March 31, 2023
Fair value of plan assets	29,170	25,511
Present value of defined benefit obligations	(29,170)	(25,511)
<b>Net excess / (shortfall)</b>	<b>-</b>	<b>-</b>

The plan assets have been primarily invested in Government securities and corporate bonds.

The principal assumptions used in determining the present value obligations of interest guarantee under the deterministic approach are as follows:

	As at March 31, 2024	As at March 31, 2023
Discount rate	7.25%	7.50%
Average remaining tenure of investment portfolio	6 Years	7 Years
Guaranteed rate of return	8.25%	8.15%

The Company expensed ₹1,681 crore and ₹1,614 crore for the years ended March 31, 2024 and 2023, respectively, towards provident fund.

### Superannuation

All eligible employees on Indian payroll are entitled to benefits under Superannuation, a defined contribution plan. The Company makes monthly contributions until retirement or resignation of the employee. The Company recognises such contributions as an expense when incurred. The Company has no further obligation beyond its monthly contribution.

The Company expensed ₹286 crore and ₹278 crore for the years ended March 31, 2024 and 2023, respectively, towards Employees' Superannuation Fund.

### Foreign defined contribution plan

The Company expensed ₹1,316 crore and ₹1,070 crore for the years ended March 31, 2024 and 2023, respectively, towards foreign defined contribution plans.

### 13) Cost recognition

Costs and expenses are recognised when incurred and have been classified according to their nature.

The costs of the Company are broadly categorised in employee benefit expenses, cost of equipment and software licences, depreciation and amortisation expense and other expenses. Other expenses mainly include fees to external consultants, facility expenses, travel expenses, communication expenses, bad debts and advances written off, allowance for expected credit losses and doubtful advances (net) and other expenses. Other expenses are aggregation of costs which are individually not material such as commission and brokerage, recruitment and training, entertainment, etc.

#### (a) Cost of equipment and software licences

Cost of equipment and software licences consist of the following:

	(₹ crore)	
	Year ended March 31, 2024	Year ended March 31, 2023
Raw materials, sub-assemblies and components consumed	42	37
Equipment and software licences purchased	3,300	1,381
	<b>3,342</b>	<b>1,418</b>
<b>Finished goods and work-in-progress</b>		
Opening stock	5	3
Less: Closing stock	-*	5
	<b>5</b>	<b>(2)</b>
	<b>3,347</b>	<b>1,416</b>

\*Represents value less than ₹0.50 crore.

## Notes forming part of Standalone Financial Statements

### (b) Other expenses

Other expenses consist of the following:

	(₹ crore)	
	Year ended March 31, 2024	Year ended March 31, 2023
Fees to external consultants	22,539	25,539
Facility expenses	2,511	2,178
Travel expenses	2,340	2,100
Communication expenses	1,528	1,588
Bad debts and advances written off, allowance for expected credit losses and doubtful advances (net)	97	110
Other expenses	<u>11,011</u>	<u>10,208</u>
	<b><u>40,026</u></b>	<b><u>41,723</u></b>

Other expenses include ₹5,118 crore and ₹4,777 crore for the years ended March 31, 2024 and 2023, respectively, towards sales, marketing and advertisement expenses and ₹ 3,655 crore and ₹2,544 crore for the years ended March 31, 2024 and 2023, respectively, towards project expenses.

### (c) Corporate Social Responsibility (CSR) expenditure

	(₹ crore)	
	Year ended March 31, 2024	Year ended March 31, 2023
1 Amount required to be spent by the company during the year	818	773
2 Amount of expenditure incurred on:		
(i) Construction/acquisition of any asset	-	-
(ii) On purposes other than (i) above	827	783
3 Shortfall at the end of the year	-	-
4 Total of previous years shortfall	-	-
5 Reason for shortfall	-	NA
6 Nature of CSR activities	Education, Research, Health care, Conservation and empowerment programs	
7 Details of related party transactions in relation to CSR expenditure as per relevant Accounting Standard: Contribution to TCS Foundation in relation to CSR expenditure	520	543

### 14) Finance costs

Finance costs consist of the following:

	(₹ crore)	
	Year ended March 31, 2024	Year ended March 31, 2023
Interest on lease liabilities	438	421
Interest on tax matters	23	49
Other interest costs	<u>212</u>	<u>225</u>
	<b><u>673</u></b>	<b><u>695</u></b>

## Notes forming part of Standalone Financial Statements

### 15) Income taxes

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

#### Current income taxes

The current income tax expense includes income taxes payable by the Company having its branches in India and overseas where it operates. The current tax payable by the Company in India is Indian income tax payable on income after taking credit for tax relief available for export operations in Special Economic Zones (SEZs).

Current income tax payable by overseas branches of the Company is computed in accordance with the tax laws applicable in the jurisdiction in which the respective branch operates. The taxes paid are generally available for set off against the Indian income tax liability of the Company's worldwide income.

Advance taxes and provisions for current income taxes are presented in the balance sheet after off-setting advance tax paid and income tax provision arising in the same tax jurisdiction and where the relevant tax paying unit intends to settle the asset and liability on a net basis.

#### Deferred income taxes

Deferred income tax is recognised using the balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination, affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred income tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

For operations carried out in SEZs, deferred tax assets or liabilities, if any, have been established for the tax consequences of those temporary differences between the carrying values of assets and liabilities and their respective tax bases that reverse after the tax holiday ends.

Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on a net basis.

Deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India, to the extent it would be available for set off against future current income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised.

The income tax expense consists of the following:

	(₹ crore)	
	Year ended March 31, 2024	Year ended March 31, 2023
<b>Current tax</b>		
Current tax expense for current year	14,422	13,623
Current tax benefit pertaining to prior years	(244)	(677)
	<b>14,178</b>	<b>12,946</b>
<b>Deferred tax</b>		
Deferred tax benefit for current year	(135)	(362)
	<b>(135)</b>	<b>(362)</b>
	<b>14,043</b>	<b>12,584</b>

## Notes forming part of Standalone Financial Statements

The reconciliation of estimated income tax expense at statutory income tax rate to income tax expense reported in statement of profit and loss is as follows:

	(₹ crore)	
	Year ended March 31, 2024	Year ended March 31, 2023
Profit before taxes	57,602	51,690
Indian statutory income tax rate	34.94%	34.94%
Expected income tax expense	20,128	18,063
<b>Tax effect of adjustments to reconcile expected income tax expense to reported income tax expense</b>		
Tax holidays	(6,393)	(5,097)
Income exempt from tax	(1,152)	(736)
Undistributed earnings in branches	(35)	58
Tax on income at different rates	1,313	963
Tax pertaining to prior years	(244)	(677)
Effect of tax rate change under new regime	441	-
Others (net)	(15)	10
<b>Total income tax expense</b>	<b>14,043</b>	<b>12,584</b>

The Company benefits from the tax holiday available for units set up under the Special Economic Zone Act, 2005. These tax holidays are available for a period of fifteen years from the date of commencement of operations. Under the SEZ scheme, the unit which begins providing services on or after April 1, 2005 will be eligible for deductions of 100% of profits or gains derived from export of services for the first five years, 50% of such profits or gains for a further period of five years and 50% of such profits or gains for the balance period of five years subject to fulfilment of certain conditions. From April 1, 2011 profits from units set up under SEZ scheme are subject to Minimum Alternate Tax (MAT).

Significant components of net deferred tax assets and liabilities for the year ended March 31, 2024 are as follows:

	(₹ crore)				
	Opening balance	Recognised in profit and loss	Recognised in / reclassified from other comprehensive income	Adjustments / utilisation	Closing balance
<b>Deferred tax assets / (liabilities) in relation to</b>					
Property, plant and equipment and intangible assets	597	64	-	-	661
Provision for employee benefit obligations	786	86	-	-	872
Cash flow hedges	7	-	(3)	-	4
Receivables, financial assets at amortised cost	403	(8)	-	-	395
Branch profit tax	(135)	35	-	-	(100)
Unrealised gain on securities carried at fair value through profit or loss / other comprehensive income	(83)	-	(36)	-	(119)
Lease liabilities and right-of-use assets	188	11	-	-	199
Others	511	(53)	-	-	458
	<b>2,274</b>	<b>135</b>	<b>(39)</b>	-	<b>2,370</b>

## Notes forming part of Standalone Financial Statements

Gross deferred tax assets and liabilities are as follows:

<b>As at March 31, 2024</b>	(₹ crore)		
	Assets	Liabilities	Net
Property, plant and equipment and Intangible assets	714	53	661
Provision for employee benefit obligations	872	-	872
Cash flow hedges	4	-	4
Receivables, financial assets at amortised cost	395	-	395
Branch profit tax	-	100	(100)
Unrealised gain on securities carried at fair value through profit or loss / other comprehensive income	(119)	-	(119)
Lease liabilities	1,192	-	1,192
Right-of-use assets	(993)	-	(993)
Others	459	1	458
	<b>2,524</b>	<b>154</b>	<b>2,370</b>

Significant components of net deferred tax assets and liabilities for the year ended March 31, 2023 are as follows:

<b>Deferred tax assets / (liabilities) in relation to</b>	(₹ crore)				
	Opening balance	Recognised in profit and loss	Recognised in / reclassified from other comprehensive income	Adjustments / utilisation	Closing balance

Lease liabilities	1,090	-	1,090
Right-of-use assets	(902)	-	(902)
Others	512	1	511
	<b>2,464</b>	<b>190</b>	<b>2,274</b>

## Notes forming part of Standalone Financial Statements

Under the Income-tax Act, 1961, the Company is liable to pay Minimum Alternate Tax in the tax holiday period. MAT paid can be carried forward for a period of 15 years and can be set off against the future tax liabilities. MAT is recognised as a deferred tax asset only when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised.

### **Direct tax contingencies**

The Company has ongoing disputes with income tax authorities in India and in some of the other jurisdictions where it operates. The disputes relate to tax treatment of certain expenses claimed as deduction, computation or eligibility of tax incentives and allowances and characterisation of fees for services received. Contingent liability in respect of tax demands received from direct tax authorities in India and other jurisdictions is ₹1,794 crore and ₹1,471 crore as at March 31, 2024 and 2023, respectively. These demand orders are being contested by the Company based on the management evaluation and advise of tax consultants. In respect of tax contingencies of ₹318 crore and ₹318 crore as at March 31, 2024 and 2023, respectively, not included above, the Company is entitled to an indemnification from the seller of TCS e-Serve Limited.

The Company periodically receives notices and inquiries from income tax authorities related to the Company's operations in the jurisdictions it operates in. The Company has evaluated these notices and inquiries and has concluded that any consequent income tax claims or demands by the income tax authorities will not succeed on ultimate resolution.

The number of years that are subject to tax assessments varies depending on tax jurisdiction. The major tax jurisdictions of Tata Consultancy Services Limited include India, United States of America and United Kingdom. In India, tax filings from fiscal 2022 are generally subject to examination by the tax authorities. In United States of America, the federal statute of limitation applies to fiscals 2020 and earlier and applicable state statutes of limitation vary by state. In United Kingdom, the statute of limitation generally applies to fiscal 2019 and earlier.

### **16) Earnings per share**

Basic earnings per share is computed by dividing profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The Company did not have any potentially dilutive securities in any of the periods presented.

	Year ended March 31, 2024	Year ended March 31, 2023
Profit for the year (₹ crore)	43,559	39,106
Weighted average number of equity shares	364,68,51,755	365,90,51,373
Basic and diluted earnings per share (₹)	119.44	106.88
Face value per equity share (₹)	1	1

### **17) Auditor's remuneration**

Auditor's remuneration consists of the following:

	(₹ crore)	
	Year ended March 31, 2024	Year ended March 31, 2023
Auditor	11	11
For taxation matters	1	1
For other services	4	4
For reimbursement of expenses	1	1

### **18) Segment information**

The Company publishes the standalone financial statements of the Company along with the consolidated financial statements. In accordance with Ind AS 108- Operating Segments, the Company has disclosed the segment information in the consolidated financial statements.

## Notes forming part of Standalone Financial Statements

### 19) Commitments and contingencies

#### **Capital commitments**

The Company has contractually committed (net of advances) ₹1,939 crore and ₹1,454 crore as at March 31, 2024 and 2023, respectively, for purchase of property, plant and equipment.

#### **Contingencies**

- **Direct tax matters**

Refer note 15.

- **Indirect tax matters**

The Company has ongoing disputes with tax authorities mainly relating to treatment of characterisation and classification of certain items. The Company has demands amounting to ₹516 crore and ₹498 crore as at March 31, 2024 and 2023, respectively, from various indirect tax authorities which are being contested by the Company based on the management evaluation and advice of tax consultants.

- **Other claims**

Claims aggregating ₹126 crore and ₹218 crore as at March 31, 2024 and 2023, respectively, against the Company have not been acknowledged as debts.

In addition to above, in October 2014, Epic Systems Corporation (referred to as Epic) filed a legal claim against the Company in the Court of Western District Madison, Wisconsin alleging unauthorised access to and download of their confidential information and use thereof in the development of the Company's product MedMantra.

Pursuant to an initial unfavourable judgment from the District Court, the Appeals court re-affirmed the order of compensatory damages of ₹1,167 crore (US \$140 million) and remanded back to the District Court to reassess matter relating to punitive damages (to limit maximum up to ₹1,167 crore (US \$140 million)), the Company has already paid the compensatory damages of ₹1,167 crore (US \$140 million) along with interest in April 2022. The Company's second appeal in the Appeals Court to reduce the punitive damages subsequently affirmed by the District Court was disposed on July 14, 2023, with a re-affirmation of the District Court order awarding punitive damages of ₹1,167 crore (US \$140 million). The Company's petition to the Supreme Court to review the entire judgement including both the compensatory and punitive damages re-affirmed by the Appeals Court was rejected by the Supreme Court on November 20, 2023, pursuant to which, punitive damages of ₹1,167 crore (US \$140 million) was paid on December 1, 2023. The Company has provided the balance punitive damages amount of ₹958 crore (US \$115 million) in its financial statements for the year ended March 31, 2024 and disclosed the same as an "exceptional item" in the standalone statement of profit and loss.

- **Guarantees and letter of comfort**

The Company has given letter of comfort to banks for credit facilities availed by its subsidiaries. As per the terms of letter of comfort, the Company undertakes not to divest its ownership interest directly or indirectly in the subsidiary and provide such managerial, technical and financial assistance to ensure continued successful operations of the subsidiary.

The Company has provided guarantees to third parties on behalf of its subsidiaries. The Company does not expect any outflow of resources in respect of the above.

The amounts assessed as contingent liability do not include interest that could be claimed by counter parties.

## Notes forming part of Standalone Financial Statements

### 20) Related party transactions

The Company's principal related parties consist of its holding company, Tata Sons Private Limited and its subsidiaries, its own subsidiaries, affiliates and key managerial personnel. The Company's material related party transactions and outstanding balances are with related parties with whom the Company routinely enter into transactions in the ordinary course of business. Refer note 21 of consolidated financial statement for list of subsidiaries of the Company.

Transactions with related parties are as follows:

	Year ended March 31, 2024					(₹ crore)
	Tata Sons Private Limited	Subsidiaries of the Company	Subsidiaries of Tata Sons Private Limited	Associates / joint ventures of Tata Sons Private Limited and their subsidiaries	Other related parties	Total

The remuneration of directors and key executives is determined by the nomination and remuneration committee having regard to the performance of individuals and market trends.

## Notes forming part of Standalone Financial Statements

Transactions with key management personnel for the year ended March 31, 2023 did not include provisions for encashable leave, gratuity and premium paid for group health insurance, as separate actuarial valuation / premium paid were not available.

- 21)** No funds have been advanced / loaned / invested (from borrowed funds or from share premium or from any other sources / kind of funds) by the Company to any other person(s) or entity(ies), including foreign entities (Intermediaries), with the understanding (whether recorded in writing or otherwise) that the Intermediary shall (i) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (Ultimate Beneficiaries) or (ii) provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.

No funds have been received by the Company from any person(s) or entity(ies), including foreign entities (Funding Parties), with the understanding (whether recorded in writing or otherwise) that the Company shall (i) directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or (ii) provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- 22)** The sitting fees and commission paid to non-executive directors is ₹15 crore and ₹13 crore as at March 31, 2024 and 2023, respectively.

- 23)** The Board of Directors approved post-employment benefits, payable to the outgoing CEO and Managing Director, which has been actuarially valued. Accordingly, the Company has recorded an expense of ₹48 crore during the year ended March 31, 2024.

- 24)** The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the company towards Provident Fund and Gratuity. The Ministry of Labour and Employment had released draft rules for the Code on Social Security, 2020 on November 13, 2020. The Company will assess the impact and its evaluation once the subject rules are notified. The Company will give appropriate impact in its financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published.

### 25) Additional Regulatory Information

- Ratios**

Ratio	Numerator	Denominator	Current year	Previous year
Current ratio (in times)	Total current assets	Total current liabilities	2.2	2.4
Debt-Equity ratio (in times)	Debt consists of borrowings and lease liabilities.	Total equity	0.1	0.1
Debt service coverage ratio (in times)	Earning for Debt Service = Net Profit after taxes + Non-cash operating expenses + Interest + Other non-cash adjustments	Debt service = Interest and lease payments + Principal repayments	24.0	23.4
Return on equity ratio (in %)	Profit for the year less Preference dividend (if any)	Average total equity	59.4%	51.6%
Trade receivables turnover ratio (in times)	Revenue from operations	Average trade receivables	4.5	4.8
Trade payables turnover ratio (in times)	Cost of equipment and software licences + Other expenses	Average trade payables	3.1	3.6
Net capital turnover ratio (in times)	Revenue from operations	Average working capital (i.e. Total current assets less Total current liabilities)	3.8	3.5
Net profit ratio (in %)	Profit for the year	Revenue from operations	21.5%	20.5%
Return on capital employed (in %)	Profit before tax and finance costs	Capital employed = Net worth + Lease liabilities + Deferred tax liabilities	74.3%	65.2%
Return on investment (in %)	Income generated from invested funds	Average invested funds in treasury investments	8.3%	7.4%

## Notes forming part of Standalone Financial Statements

### 26) Dividends

Dividends paid during the year ended March 31, 2024 include an amount of ₹24.00 per equity share towards final dividend for the year ended March 31, 2023 and an amount of ₹45.00 per equity share towards interim dividends (including special dividend) for the year ended March 31, 2024. Dividends paid during the year ended March 31, 2023 include an amount of ₹22.00 per equity share towards final dividend for the year ended March 31, 2022 and an amount of ₹91.00 per equity share towards interim dividends (including special dividend) for the year ended March 31, 2023.

Dividends declared by the Company are based on the profit available for distribution. On April 12, 2024, the Board of Directors of the Company have proposed a final dividend of ₹28.00 per share in respect of the year ended March 31, 2024 subject to the approval of shareholders at the Annual General Meeting, and if approved, would result in a cash outflow of approximately ₹10,131 crore.

**Notes:**

1. Indian rupee equivalents of the figures given in foreign currencies in the accounts of the subsidiary companies, are based on the exchange rates as on March 31, 2024.
2. TCS Technology Solutions AG is now renamed as TCS Technology Solution GmbH.
3. Saudi Desert Rose Holding B.V. merged with Tata Consultancy Services Netherlands BV w.e.f. August 29, 2023.
4. Diligenta Limited incorporated a subsidiary, Diligenta (Europe) B.V. in Netherlands on September 14, 2023.

For and on behalf of the Board

**K Krishivasan**  
CEO and Managing Director  
**Samir Seksaria**  
CFO

**N Ganapathy Subramanian**  
COO and Executive Director  
**Pradeep Manohar Gaitonde**  
Company Secretary

Mumbai, April 12, 2024

## Glossary

<b>5G</b>	Fifth generation wireless technology for digital cellular networks. 5G is expected to be much faster and enable much higher volumes of data sharing than earlier generations of cellular networks. Its massive capacity and ultra-low latency are expected to usher in an era of hyper-connectivity, enabling newer use cases such as autonomous cars, and accelerating the adoption of IoT.
<b>ADM</b>	See Application Development and Maintenance
<b>Agile</b>	A collaborative approach for IT and business teams to develop software incrementally and faster. TCS has pioneered the Location Independent Agile™ model that allows for deployment at scale, and helps globally distributed organization execute large transformational programs quickly, while ensuring stability and quality.
<b>Agile Workspaces</b>	These are key enablers of TCS' Location Independent Agile model, and represent the next generation work environment that facilitate greater collaboration among teams. It is characterized by partition-less open offices, informal seating, interactive surfaces for information capture, and modern collaboration devices for increased productivity.
<b>AgilityDebt™</b>	AgilityDebt™ is a simple index developed by TCS, which uniquely indicates the burden carried by an organization that restricts its Agility. The index is arrived at based on a holistic Agile maturity assessment framework that measures the gap against required Agile talent, roles, team composition, delivery practices, Agile culture, Agile technology and DevOps enablers. TCS uses AgilityDebt™ to assess where the customer's teams are in the Agile journey, find the bottlenecks, and accelerate their Agile transformations.
<b>AI</b>	See Artificial Intelligence
<b>AI Assistant</b>	A software agent that uses AI technologies to perform tasks or services for an individual. These assistants can understand and interpret human speech or text inputs, enabling them to execute commands, answer questions, or assist with tasks like scheduling, reminding, or even controlling smart home devices.
<b>AI Copilot</b>	A virtual assistant that offers real-time guidance and feedback to enhance a human being's work.
<b>Algo Retail™</b>	TCS' proprietary approach and suite of intellectual property that enables retailers to seamlessly integrate and orchestrate data flows across the retail value chain, harnessing the power of analytics, AI and machine learning in the areas of personalization, pricing optimization, marketing, online search and commerce to unlock exponential business value.
<b>Amortization</b>	Systematic allocation of the depreciable amount of an intangible asset over its useful life.
<b>Analytics</b>	In the enterprise context, this is the discovery, interpretation, and communication of meaningful patterns in business data to predict and improve business performance.
<b>Annuity Contracts</b>	A long-term contract which can guarantee regular payments.
<b>APAC</b>	Acronym for Asia Pacific

<b>API</b>	See Application Programming Interface
<b>APIfication</b>	The process of exposing a discrete business function or data within an enterprise's systems through APIs.
<b>Application Development and Maintenance</b>	Design, development, and deployment of custom software; ongoing support, upkeep, and enhancement of such software over its lifetime.
<b>Application Programming Interface</b>	A set of easily accessible protocols for communication among various software components.
<b>AR</b>	See Augmented Reality
<b>Artificial General Intelligence</b>	A type of artificial intelligence that can perform as well or better than humans on a wide range of cognitive tasks.
<b>Artificial Intelligence</b>	Technology that emulates human performance by learning, coming to its own conclusions, understanding complex content, engaging in natural dialogs with people, augmenting human effort or replacing people on execution of non-routine tasks. Also known as Cognitive Computing.
<b>ASEAN</b>	Acronym for Association of Southeast Asian Nations
<b>Assets Under Custody</b>	A measure of the total assets for which a financial institution, typically a custodian bank, provides custodian services.
<b>Attrition</b>	Measures what portion of the workforce left the organization (voluntarily and involuntarily) over the last 12 months (LTM).  Attrition (LTM) = Total number of departures in the LTM / closing headcount
<b>AUC</b>	See Assets Under Custody
<b>Augmented Reality</b>	Technology that superimposes a computer-generated image on a user's view of the real world to enrich the interaction.
<b>Automation</b>	The execution of work by machines in accordance with rules that have either been explicitly coded by a human or 'learned' by the machine through pattern recognition of data. Popular types include Robotic Process Automation and Cognitive Automation.
<b>Avatar</b>	An avatar is a digital representation of yourself, whether it's in a video game, the metaverse, or wherever else it might be applicable.
<b>Basis Point</b>	One hundredth of a percentage point, that is, 0.01 percent.
<b>BFSI</b>	Acronym for Banking, Financial Services and Insurance
<b>Big Data</b>	A high volume, high velocity, and/or high variety information asset that require new forms of processing to enable enhanced decision making, insight discovery, and process optimization.
<b>Blockchain</b>	A distributed database that maintains a continuously growing list of records, called blocks, secured from tampering and revision.
<b>Bp</b>	See Basis Point
<b>BPaaS</b>	See Business Process as a Service
<b>BPS</b>	See Business Process Services
<b>Business Process as a Service</b>	Refers to the delivery of BPS over a cloud computing model. Whereas traditional BPS relies on labor arbitrage to reduce costs, BPaaS aggregates demand using the cloud, servicing multiple customers with a single instance, multi-tenant platform and shared services, thereby delivering significant operating efficiencies. The pricing model is usually outcome based.
<b>Business Process Services</b>	Designing, enabling, and executing business operations including data management, analytics, interactions and experience management.
<b>Buyback</b>	A corporate action in which a company returns excess cash to shareholders by buying back its shares from them and usually extinguishing those shares thereafter. The company's equity share capital and the number of shares outstanding in the market correspondingly reduces.
<b>CAGR</b>	See Compounded Annual Growth Rate
<b>Capital Expenditure (CapEx)</b>	Funds used by a company to purchase property, plant and equipment and intangible assets (net of proceeds from disposal of such assets) and for payment including advances for acquiring right-of-use assets.
<b>Carbon Neutral</b>	Not adding new greenhouse gas (GHG) emissions to the atmosphere through reduction initiatives and where emissions continue, they are compensated by absorbing an equivalent amount from the atmosphere through carbon offset.
<b>Carbon Offset</b>	Market-based instrument used to compensate for the emission of greenhouse gases into the atmosphere because of the organization's activity by reducing them somewhere else. Certified Emission Reductions (CERs) and Verified Emission Reductions (VERs) are some of the popular carbon offsets.
<b>Cash and Cash Equivalents</b>	Cash comprises cash on hand and demand deposits. Cash equivalents are short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value. Cash and cash equivalents are held for the purpose of meeting short-term cash commitments rather than for investment or other purposes.

<b>Cash Flow</b>	Inflows and outflows of cash and cash equivalents.
<b>Cash Flow from Operating Activities</b>	Primarily derived from the principal revenue producing activities. Therefore, they generally result from the transactions and other events that enter into the determination of profit or loss.
<b>CBO</b>	See Cognitive Business Operations
<b>CC</b>	See Constant Currency
<b>Chatbots</b>	Computer programs designed to simulate conversation with human users, especially over the internet. They are typically used in dialog systems for various practical purposes like customer service or information acquisition.
<b>Cloud</b>	See Cloud Computing
<b>Cloud Computing</b>	The delivery of easily provisionable computing resources – servers, storage, databases, networking, software, analytics and more – over the internet, consumed on a pay-as-you-go basis.
<b>Cloud Native</b>	A cloud native application consists of discrete, reusable components known as microservices that are designed to integrate into any cloud environment.
<b>CMT</b>	Acronym for Communication, Media and Technology
<b>CMMI-SVC</b>	Acronym for Capability Maturity Model® Integration For Services
<b>Cognitive Automation</b>	The use of AI and machine learning to automate relatively more complex tasks that require reasoning capability and contextual awareness. TCS' ignio™ a leading cognitive automation software product in the market today.
<b>Cognitive Business Operations (CBO)</b>	An integrated offering where TCS takes responsibility for the outcome of an entire slice of the customers' operations including the business processes and the underlying IT infrastructure, and uses cognitive automation to transform that operational stack.
<b>Cognitive Computing</b>	See Artificial Intelligence
<b>COIN</b>	See Co-Innovation Network
<b>Co-Innovation Network</b>	This is an extended, global innovation ecosystem curated by TCS, to harness the innovation efforts of start-ups and academia, and incorporate them into transformational solutions built by TCS for its customers.
<b>Compounded Annual Growth Rate (CAGR)</b>	The annual growth rate between any two points in time, assuming that it has been compounding during that period.
<b>Connected Clinical Trials (CCT) Platform</b>	Part of the TCS ADD suite, CCT is an innovative software-as-a-service platform that enables life sciences companies to significantly transform patient engagement in clinical trials and improve adherence to protocols, as well as the efficiency and accountability of clinical trials.
<b>Constant Currency</b>	The basis for restating the current period's metric at exchange rates applicable for the reference period and reporting growth over the reference period.
<b>Contextual Knowledge</b>	This is tacit knowledge pertaining to, and specific to, the granular nuances of a customer's business and IT landscape, acquired on the job over a period of time. TCS teams use their contextual knowledge to design technology solutions that are uniquely tailored for that customer, and therefore, a potential source of competitive differentiation.
<b>Conversational AI</b>	Conversational artificial intelligence (AI) refers to technologies, like chatbots or virtual agents, which users can talk to. They use large volumes of data, machine learning, and natural language processing to help imitate human interactions, recognizing speech and text inputs and translating their meanings across various languages.
<b>Core Banking System</b>	A back-end system that processes daily banking transactions and posts updates to accounts and other financial records; typically includes deposit, loan and credit processing capabilities, with interfaces to general ledger systems and reporting tools.
<b>Core Transformation</b>	Modernization initiatives that target the one or more elements of the organization's operations stack consisting of business processes, software systems and underlying infrastructure, usually to enable greater agility, scalability, resilience and a superior customer experience. These are typically large in scale and scope, and entail the integrated delivery of multiple capabilities.
<b>CO2e</b>	Acronym for "Carbon dioxide equivalent". It is a standard unit for accounting greenhouse gas (GHG) emissions from carbon dioxide or another greenhouse gases, such as SOX, NOX, methane, etc.
<b>CPG</b>	Acronym for Consumer Packaged Goods
<b>Cyber Security</b>	Technologies, processes and practices designed to protect networks, computers, programs and data from attack, damage or unauthorized access.
<b>Data Mining</b>	Data mining is the practice of obtaining valuable information from data sets. The data can be in any form, such as text, audio, or video data.  Data mining aims to find actionable insights in the data that can improve business decisions or solve problems. For instance, data mining can discover customer buying patterns and target ads towards people who would likely purchase a product.
<b>Days' Sales Outstanding (DSO)</b>	A popular way of depicting the Trade Receivable relative to the company's Revenue.  DSO = Trade Receivable * 365 / LTM Revenue

<b>Deep Learning</b>	Subset of machine learning that uses neural networks with many layers (deep neural networks) to analyze various factors and make decisions.
<b>Depreciation</b>	Systematic allocation of the depreciable amount of an asset over its useful life.
<b>DevOps</b>	Represents a new way of working to rapidly deploy new releases of a software in production using high levels of automation and tooling. TCS recommends adoption of DevOps, along with Agile for speed to market.
<b>Digital</b>	Represents technologies such as Social Media, Mobility, Analytics, Big Data, Cloud, Artificial Intelligence and Internet of Things.
<b>Digital Divide</b>	Digital Divide refers to the unequal spread of technology and the opportunities it affords between different socioeconomic groups in a society.
<b>Digital Twin</b>	A digital replica of a physical entity. For instance, a digital twin of a factory is a virtual model of the factory built using its data, process, people information. Impact of any change in a process in the real factory can be studied by simulating the change in the digital twin.
<b>Discretionary Spend</b>	Also known as Change the Business (CTB) spend, it is that portion of the IT budget which is used to fund projects that are not, strictly speaking, essential for day to day operations, but are more transformational in nature. In uncertain economic times, when businesses are forced to cut spends in response to decline in income, discretionary spend is often the first to be scrutinized. However, what is considered discretionary is subjective and may differ considerably amongst businesses even within the same sector.
<b>Distributed Ledger Technology</b>	See Blockchain
<b>Dividend</b>	One form of distribution of profits earned by the Company and is usually declared as an amount per equity share held by the Shareholders. TCS has a policy of declaring quarterly interim dividends and the final dividend is approved by the shareholders in the Annual General Meeting.
<b>DLT</b>	See Distributed Ledger Technology
<b>EACs</b>	Energy Attribute Certificates (EACs) are market-based instruments that can be used by the bearer to claim renewable energy consumption. Each EAC is equivalent to 1 MWh of electricity.
<b>Earnings Per Share (EPS)</b>	The amount of a given period's Net profit attributable to a single share after deducting any preference dividend and related taxes.  EPS = [Net profit attributable to shareholders of the company – Preference dividend, if any] / Weighted average number of equity shares outstanding during the period
<b>Edge Computing</b>	Computing and storage that is located on servers on the edge of the network, in close proximity to the users, but not through an on-premises data center; usually reserved for low latency use cases.
<b>Effective Tax Rate (ETR)</b>	The proportion of the Profit Before Tax that is provided towards income taxes.  ETR = Tax expense / Profit Before Tax
<b>EIA</b>	Acronym for Environmental Impact Assessment. It is an environmental impact study which needs to be conducted as per Ministry of Environment and Forest (MoEF) requirements for new construction/ expansion projects.
<b>Engineering and Industrial Services</b>	Consists of next generation product engineering, manufacturing operations transformation, services transformation, embedded software and Internet of Things.
<b>Enterprise Agile</b>	The adoption of Agile methods across all the business functions of the enterprise, designed to empower employees, foster collaboration and drive a culture of continuous innovation at scale.
<b>Environment, Social and Governance</b>	Environment, social and governance (ESG) is a system for how to measure the sustainability of a company in three specific categories: environment, social and governance.
<b>EPEAT</b>	Acronym for Electronic Product Environmental Assessment Tool
<b>EPS</b>	See Earnings Per Share
<b>ESG</b>	See Environment, Social and Governance
<b>ETR</b>	See Effective Tax rate
<b>Fair Value</b>	The price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.
<b>Fine Tuning</b>	Process of slightly adjusting or tweaking the parameters of an existing model, which has already been pre-trained on a large dataset, to perform a specific task.
<b>Fintech</b>	Businesses that use technology to make financial services more efficient. Some fintech developments have improved traditional services, for example mobile banking apps, while others have revolutionized services such as pay per mile car insurance, or created new products, such as Bitcoin.
<b>Framework</b>	A kind of intellectual property, consisting of software which provides generic functionality for a certain business use case, and which is customized for a specific customer's needs with additional code. Use of such pre-built code reduces time to market and results in more stable, reliable solutions.
<b>Free Cash Flow</b>	Represents the cash a company generates through its operations, less the capital expenditure.  Free cash flow = Cash flow from operating activities – Capital expenditure
<b>FTE</b>	Acronym Full Time Equivalent

<b>Function Point</b>	A function point is a granular building block of a software, based on a functional view of that system, represented by a code snippet whose logic helps the user accomplish something. The concept is used while estimating the effort for building a new application, by decomposing it into its constituent function points of varying levels of complexity.
<b>Furlough</b>	A temporary cessation of work without pay for the employees, usually implemented by organizations facing under difficult economic conditions, and in lieu of laying off employees.
<b>Gamification</b>	The process of adding games or game-like elements to any activity in order to enrich experiences and encourage user participation.
<b>GDPR</b>	Acronym for General Data Protection Regulation, a European Union regulation for data protection and privacy.
<b>Generative AI</b>	Generative AI describes any type of artificial intelligence (AI) that is capable of generating new content, including text, images, video, audio, simulations, code or synthetic data. It involves the use of machine learning algorithms to learn patterns across a large data set and generate new content based on those patterns.
<b>GHGs</b>	Acronym for Greenhouse Gas. These are gases that trap heat in the atmosphere leading to global warming and climate change.
<b>Global Capability Centers (GCC) / Captive units</b>	Captive units include both MNC-owned units that undertake work for the parents' global operations and the company owned units of domestic firms, set up in offshore locations offering cheaper labor pool, helping the parent to reduce its operational costs.
<b>Green-Tariff</b>	Green tariffs are specialized retail tariffs that electricity distribution companies (discoms) charge for the sale of Renewable Energy (RE) to their consumers. Businesses can sign up for these tariffs and claim RE consumption, while discoms procure electricity on their behalf from RE project developers.
<b>Growth and Transformation</b>	Initiatives launched to improve the enterprise's revenues, leveraging technology to adopt new business models, drive new revenue streams, enhance customer experience or target new customer segments. This is in contrast to traditional outsourcing engagements where the focus is on improving efficiency and saving costs.
<b>G&amp;T</b>	See Growth and Transformation
<b>Hallucination</b>	Tendency of large language models to make things up or provide output that seems plausible but is factually incorrect or unverifiable.
<b>HVAC</b>	Acronym for Heating Ventilation and Air Conditioning System
<b>Hybrid Cloud</b>	An enterprise IT infrastructure model that combines private clouds, public clouds and on-premise data centers, to meet the compute and storage needs of the business.
<b>IFRS S2</b>	IFRS S2 is an international ESG reporting framework that requires an entity to disclose information about its climate-related risks and opportunities that is useful to users of general-purpose financial reports in making decisions relating to providing resources to the entity.  Note: IFRS is acronym of International Financial Reporting Standards
<b>Innovation Days</b>	Focused workshops with a TCS customer where researchers and business leaders from both organizations participate to explore emerging technologies for specific customer problems.
<b>Innovation Forum</b>	TCS' thought leadership event that is held in major and emerging markets. It brings together researchers from academia, innovators from the start-up ecosystem, technology watchers, futurists and customers to brainstorm around emerging technologies.
<b>Inorganic Growth</b>	Growth in revenue due to mergers, acquisitions or takeovers, rather than due to an increase in the company's own business activity.
<b>Intellectual Property</b>	An asset that is the result of a creative design or idea, such as patents, copyrights, reusable code, software products and platforms, and gives the owner exclusive rights over its usage, such that no one can copy or reuse the creation without the owner's permission.
<b>Interactive Technology</b>	Allows for a two-way flow of information through an interface between the user and the technology; the user usually communicates a request for data or action to the technology with the technology returning the requested data or result of the action back to the user.
<b>Internet of Things</b>	A network of interconnected machines or devices embedded with sensors, software, network connectivity, and necessary electronics to generate and share run-time data that can be studied and used to monitor or control remotely, predict failure, and optimize the design of those machines / devices.
<b>Invested Funds</b>	Funds that are highly liquid in nature and can be readily converted into cash.  Invested funds = Cash and cash equivalents + Investments + Deposits with banks + Inter-corporate deposits.
<b>Involuntary Attrition</b>	A reduction in the workforce due to the employer's decision to terminate employment, instead of the employees' decision to leave.
<b>IoT</b>	See Internet of Things
<b>IP</b>	See Intellectual Property
<b>ISO</b>	Acronym for International Organization for Standardization
<b>ISSB</b>	Acronym for International Sustainability Standards Board
<b>Key Managerial Personnel</b>	At TCS, this refers to the Chief Executive Officer & Managing Director, Chief Operating Officer & Executive Director, Chief Financial Officer and the Company Secretary.

<b>kL</b>	Acronym for the unit kilo-liters used to measure volume. It is a unit used to measure and report water usage in TCS' offices.
<b>KMP</b>	See Key Managerial Personnel
<b>kWh</b>	Acronym for kilowatt hours used as a unit of measurement of electricity
<b>Large Language Models</b>	This is a language model used to train generative AI and consists of a neural network with many parameters (typically billions of weights), trained on large volumes of unlabeled text. By tracking words in sequences, it learns both context and meaning in language, enabling it to generate text artifacts that look they were written by humans.
<b>LatAm</b>	Acronym for Latin America
<b>Location Independent Agile</b>	A method to orchestrate globally distributed stakeholders and talent into Agile teams for improved speed to market in large transformational programs. It comprises processes, structure, and the technology that allows enterprises to overcome location constraints and embrace Agile methods on a global scale.
<b>Low-Code, No Code</b>	New software development platforms that offer a drag and drop user interface to allow business users to build custom web or mobile applications without actually having to write the code. The difference between the two is related to the extent of programming ability needed. The former might still require some amount of programming, while the latter is entirely drag and drop. In addition to boosting innovation within the enterprise, these platforms also drive-up productivity of programmers.
<b>Machine First™ Delivery Model</b>	A model that integrates analytics, AI and automation deep within the enterprise to redefine how humans and machines work together and to effectively deliver superior outcomes.
<b>Machine Learning</b>	A type of artificial intelligence that provides computers with the ability to learn behaviors without being explicitly programmed and relying on patterns and inference instead.
<b>Managed Services</b>	This is the practice of outsourcing to one service provider, also known as the Managed Services Provider (MSP), the end-to-end responsibility for providing, or orchestrating the provision through third party providers of, services around a range of processes and functions, in order to improve efficiency, service quality, agility and scalability.
<b>Managed Services Provider</b>	Service providers with the sole, end-to-end responsibility of providing Managed Services.
<b>Market Capitalization</b>	The total market value of a company's total outstanding equity shares at a point in time. Market Capitalization = Last Trading Price * Total number of outstanding shares
<b>MEA</b>	Acronym for Middle East and Africa
<b>Metaverse</b>	A virtual 3D environment that a user can experience explore on a computer or VR headset. Users can interact with each other in several ways, including social networking, gaming, and shopping.
<b>MFDM™</b>	Acronym for Machine First Delivery Model
<b>Minimum Viable Product</b>	The most basic version of a new product built in an agile development cycle, with the bare minimum functionality, made available to users at the earliest to get user feedback and validate product value with minimum investment. Once validated, its features and functionalities are continually augmented in subsequent iterative cycles.
<b>MJ</b>	Acronym for Mega Joule used as a unit of measurement of energy (electricity as well as fuel use)
<b>Mobility</b>	Digital technology which includes- Information, convenience, and social media all combined together, and made available across a variety of screen sizes and hand-held devices.
<b>MSP</b>	See Managed Services Provider
<b>MVP</b>	See Minimum Viable Product
<b>MWh</b>	Acronym for megawatt hours used as a unit of measurement of electricity. 1 MWh=1000kWh
<b>Natural Language Processing</b>	Branch of Artificial Intelligence that deals with the interaction between computers and humans through natural language, involving complex and challenging tasks such as speech recognition, natural language understanding, and natural language generation.
<b>Net Zero</b>	Greenhouse gases emitted into the atmosphere due the company's activity are minimized through a series of initiatives and the residual emission is compensated by removal of equivalent amount of GHG emissions elsewhere through carbon offsets.
<b>Non-Controlling Interests</b>	The share of the net worth attributable to non-controlling shareholders of the subsidiaries.
<b>Non-discretionary Spend</b>	Also known as Run the Business (RTB) spend, is that portion of the IT budget that covers the basic IT activities required to keep a business running. Even in tough economic times, non-discretionary spend remains relatively unaffected.
<b>Operating Model</b>	The manner in which processes are defined and activities are organized to create and deliver value to a target audience. An IT operating model covers activities around new system development, application and infrastructure support whereas business operating models address execution of actions specific to a business function.
<b>Operating Model Transformation</b>	Redefining individual processes by embedding AI, machine learning and other forms of automation to reduce the need for human intervention, resulting in a leaner operating model that is faster, more agile and more resilient. Such transformations – whether in IT or business – can be significantly accelerated by the use of TCS Cognix.

<b>Options Contract</b>	A hedging instrument that offers the buyer the right to buy or sell the underlying asset (such as stocks or currency) on a future date, at a specified price, for small upfront fee called options premium.  Eg: TCS purchases an options contract to sell USD 1 million @ ₹87/US\$ after 3 months, paying an option premium of ₹1 million. With this, TCS will have the right to sell USD 1 million at an exchange rate of ₹87, even if the prevailing market rate at the end of three months is, say ₹85. On the other hand, if the market rate is higher, say ₹89, then TCS can choose to let the options contract lapse and instead sell at the market rate.
<b>Order Book</b>	See Total Contract Value
<b>Organic Growth</b>	The revenue growth a company can achieve by increasing its existing business activity. This does not include growth attributable to takeovers, acquisitions or mergers.
<b>PAS 2060</b>	It is an internationally recognized standard by the British Standards Institution to verify and substantiate an organization' claim of carbon neutrality.
<b>PaaS</b>	See Platform as a Service
<b>Personalization</b>	Segmentation and responding to individual transactions, customized for a single customer in a single instance.
<b>Platforms</b>	A group of technologies that are used as a base upon which other applications, processes or technologies are developed. Useful for optimizing costs and efforts, and eliminating iterative tasks to drive strategic business initiatives.
<b>Platform as a Service (PaaS)</b>	A category of cloud computing that provides a platform and environment to allow developers to build applications and services over the internet. PaaS services are hosted in the cloud and accessed by users simply via their web browser.
<b>Power Usage Effectiveness</b>	It is the ratio of total amount of electricity used by a data center facility to the electricity used by the computing equipment in the data center.
<b>Pricing</b>	The price charged to the customer for a billable effort, turnkey project or a certain process outcome, depending on the nature of the contract. See Realization.
<b>Private Cloud</b>	Refers to a model of cloud computing where IT infrastructure, in terms of compute and storage resources, are provisioned for the dedicated use of a single organization.
<b>Product</b>	In the technology context, refers to a packaged software program that is made available to multiple customers either on a license basis, or on a subscription basis, to enable the execution of certain common tasks or processes or business functions in a standardized way. This is the opposite of bespoke or custom software which is built to specifications to meet a customer's unique needs.
<b>Prompt</b>	A specific instruction, question, or input provided to an AI model to guide its generation of content.
<b>Prompt Engineering</b>	Prompt engineering is the process of writing, refining and optimizing inputs to encourage GenAI systems to create specific, high-quality outputs.
<b>Public Cloud</b>	A computing service model used for the provisioning of storage and computational services to the general public over the internet. Public cloud facilitates access to IT resources on a 'pay as you go' billing model.
<b>PUE</b>	See Power Usage Effectiveness
<b>R&amp;I</b>	Acronym for Research & Innovation
<b>Realization</b>	The revenue received by the company per utilized effort. Pricing varies by service and by market. Consequently, there can be changes in realization compared to a prior period, due to changes in the underlying business or geographic mix during the period.
<b>RECs/ GOs</b>	Renewable Energy Certificates / Guarantees of Origin are EACs used in different markets.
<b>Related Party Transactions</b>	Any transaction between a company and its related party involving transfer of services, resources or any obligation, regardless of whether a price is charged.
<b>Responsible AI</b>	Responsible Artificial Intelligence is an approach to developing, assessing, and deploying AI systems in a safe, trustworthy, and ethical way.
<b>Revenue</b>	The income earned by the company from operations by providing IT and consulting services, software licenses, and hardware equipment to customers.
<b>RFP</b>	Acronym for Request for Proposal, meaning a document that solicits proposal, often made through a bidding process, by an entity interested in procurement of IT services, to potential service providers to submit business proposals. An RFP is floated early in the procurement cycle and requested information may include basic corporate information and history, financial information, technical capability and estimated completion period, and customer references.
<b>Robotic Process Automation</b>	The use of software tools to automate high-volume, repeatable tasks that previously required humans to perform. RPA is best suited for relatively simple and stable processes. Dynamic changes in the environment require ongoing upkeep of the robots, diluting the economic benefit of the automation. Increasingly, customers are preferring cognitive automation over RPA.
<b>RPA</b>	See Robotic Process Automation
<b>Scope 1, Scope 2, Scope 3 emissions</b>	Green house gas emission accounting categories as per the Greenhouse Gas Protocol.
<b>Security Operations Center</b>	A Security Operations Center is responsible for protecting an organization against cyber threats. SOC analysts perform round-the-clock monitoring of an organization's network and investigate any potential security incidents.

<b>SEZ</b>	See Special Economic Zone
<b>Shareholder Payout Ratio</b>	The proportion of earnings paid to shareholders as a percentage of the company's earnings, i.e. Net profit attributable to shareholders of the company. Payout can be in the form of dividend and share buyback, including taxes thereon.
<b>Simplification</b>	The rationalization of IT architectures through consolidation of systems and elimination of redundant systems and layers. The primary purpose is to shrink the IT footprint and make operations leaner and more efficient.
<b>SOC</b>	See Security Operations Center
<b>Sole Sourced Contract</b>	Non-competitive agreements that allow a single vendor to fulfill the needs of the contractual requirements. These types of contracts can be won when the competitor set narrows down significantly and comes down to a single vendor discussion, given the nature of the client's solution requirements.
<b>Special Economic Zone</b>	In India, these are designated areas in which business and trade laws are different from the rest of the country, with various benefits and tax breaks to promote exports, attract investments, and create local jobs.
<b>STEM</b>	An acronym for education in the fields of science, technology, engineering and math.
<b>T&amp;M</b>	See Time and Materials Contract
<b>tCO2e</b>	Acronym for tonnes of carbon dioxide equivalent
<b>TCS Pace™</b>	A brand promise that represents the way TCS channels its domain knowledge and organizational units – business and technology services, industry solutions units, and the research and innovation organization – into internal and external co-innovation programs.
<b>TCS Pace Port™</b>	Physical spaces where TCS Pace can be experienced. These spaces are close to academic and start-up hubs, and enclose innovation showcases, Agile workspaces and think spaces. They encourage brainstorming, design thinking and collaborative innovation with internal and external partners.
<b>TCV</b>	See Total Contract Value
<b>Time and Materials Contract</b>	A form of services contract where the customer is billed for the effort (in hours, days, weeks, etc.) logged by the project team members. Project risk is borne by the customer. This contrasts with Fixed Price Contracts.
<b>Total Contract Value</b>	An aggregation of the value of all the contracts signed during a period and a useful indicator of demand, and near-term business visibility.
<b>Turnkey Contracts</b>	See Fixed Price Contracts
<b>Unearned and Deferred Revenue</b>	For invoices raised in line with agreed milestones for services yet to be delivered. In other words, it is the amount that has been invoiced although the underlying effort is yet to be expended.
<b>UPS</b>	Acronym for Uninterruptible Power Supply. It is an electrical device that combines surge protection with a battery back-up.
<b>Vendor Consolidation</b>	A strategy to reduce costs and the overheads of managing a large number of vendors. Usually entails aggregating work currently outsourced to many small providers, and transferring it to a smaller, select set of winning bidders. Besides cost reduction, clients use this to reduce complexity and accelerate their cloud transformation journeys. Selecting a single strategic partner with end-to-end capabilities to maintain the legacy estate and support the modernization drives efficiency, accountability and speed.
<b>VFD</b>	Acronym for Variable frequency drive. It is used to regulate the electrical frequency (Hz) of the power supplied to a chiller so that the compressor speed and condenser fan speed (air-cooled chillers only) can be controlled.
<b>Virtual Reality</b>	Artificial, computer-generated simulation or recreation of a real-life environment or situation. It engages users by offering simulated reality experiences firsthand, primarily by stimulating their vision and hearing.
<b>Virtualization</b>	The abstraction of IT resources – like a server, client, storage or network – that masks the physical nature and boundaries of those resources from the users of those resources.
<b>Voluntary Attrition</b>	Refers to reduction in workforce resulting from employees willingly leaving the organization to pursue other opportunities, spend time with family, or for some other personal reason.
<b>VR</b>	See Virtual Reality
<b>VRF</b>	Acronym for Variable refrigerant flow. Variable refrigerant flow is an air-conditioning system in which multiple indoor units and a single outdoor condensing unit are available. It is precisely the system's capability that helps to control the amount of refrigerant flowing to the indoor units.
<b>XR</b>	Extended reality, an umbrella term that covers augmented reality, virtual reality and mixed reality.
<b>Y-o-Y</b>	Year-on-Year
<b>ZWL</b>	Zero Waste to Landfill- It is a specific goal that can be independently verified. The common interpretation means that at least 99 percent of generated waste is diverted away from landfill, i.e. all waste produced is either reused, recycled, composted, or sent to energy recovery.
<b>Fixed Price Contracts</b>	A form of services contracts where the vendor takes a turnkey responsibility for delivering a solution for a certain price and within a mutually agreed timeframe. The customer is billed on completion of key project milestones and related deliverables. This arrangement gives the vendor considerable flexibility in the staffing and execution of the project. On the other hand, it also means bearing the project risk.

Disclaimer: This glossary is intended to help understand commonly used terms and phrases in this report. The explanations are not intended to be technical definitions. If explanations provided here are found to be different from what is described in the Company's periodic financial statements (not limited to Notes to Accounts), then the definition provided in the certified financial statements will prevail.

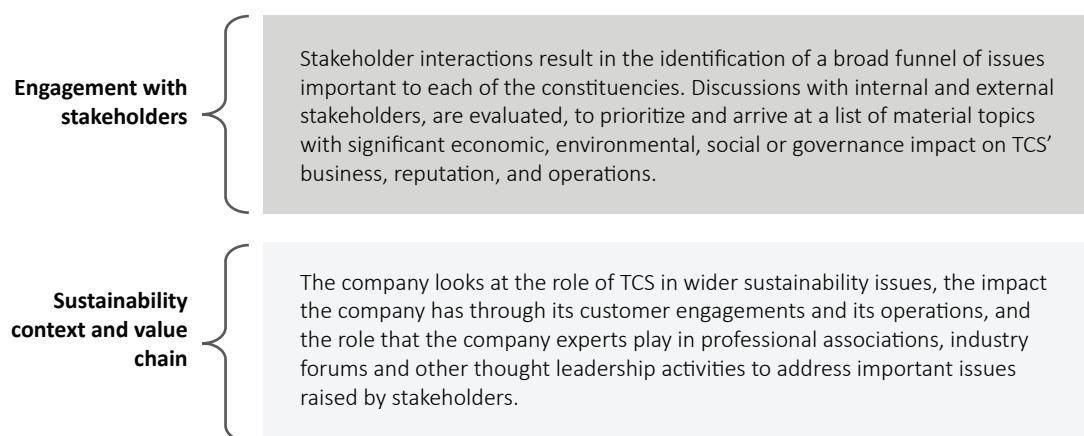

# Sustainability Disclosures

## Stakeholder Engagement and Identification of Material Topics<sup>1</sup>

TCS conducts periodic materiality assessments to update the list of material topics. The key elements of that assessment include:

### Key Elements of Annual Materiality Assessments:

MD&A: Management Discussion and Analysis, CG: Corporate Governance Report, BRSR: Business Responsibility and Sustainability Report

<sup>2</sup>GRI 3-2, GRI 3-3

 Governance
**Material Topics****Local Communities (E)****Principle**

TCS' vision is to empower communities by connecting people to opportunities in the digital economy.

**Key Themes**

- Local communities
- Education and skill development
- Job creation
- Taxes payable in different regions
- Environmental stewardship
- Supplier Social and Environmental Assessment

**Targets**

- Build inclusive, equitable and sustainable pathways for all, with a special focus on youth, women, and marginalized communities.
- Comply with relevant tax laws and obligations in all the jurisdictions TCS operates in and accordingly pay its fair share of taxes in respective countries.

**Initiatives**

- Social Capital – Page 23
- Natural Capital – Page 24, 25
- CG – Tax Strategy- Page 95
- BRSR – Page 143, 160
- Financial Statements – Income Taxes – Pg 224 to 228, country wise income taxes – Pg 304 to 306

**Material Topics****Technology enabling Building greater futures (E)****Principle**

TCS engages with clients and partners to help shape their journeys to more sustainable and future-fit businesses that thrive within an ecosystem.

**Key Themes**

- Sustainability Services and Offerings

**Targets**

- Help enterprises use the power of technology and innovation to pioneer new sustainable opportunities, take an ecosystem-led approach to build greater futures.
- Built a co-innovation network comprising of academia, startups, and business partners, focusing on social innovation and sustainability initiatives that impact people at the grassroots.

**Initiatives**

- Intellectual Capital – Page 22, 23
- BRSR – R&D and Capex spend – Page 135
- MD&A – Enabling Investments – Pages 70 to 72

**Material Topics****Corporate Governance (I)****Principle**

TCS' philosophy on corporate governance oversees business strategies and ensures fiscal accountability, ethical corporate behaviour and fairness to all stakeholders.

**Key Themes**

- Governance Structure and composition
- Independence of the Board and Minority Interest
- Avoidance of conflict of interest
- Board oversight
- Disclosure and Transparency
- Enterprise Risk Management
- Succession Planning
- Remuneration Policy

**Targets**

- Strong governance at board, executive and management levels through compliance committees and compliance working groups
- Effective internal controls to comply with regulations, keep a check on unlawful and fraudulent activities and internal audits to provide compliance assurance.
- Empowering employees and creation of deep leadership bench for succession planning
- Design remuneration policy to create a high-performance culture, and compliant to local regulations.

**Initiatives**

- CG – Pages 93 to 96, 102, 106 to 108
- MD&A – Internal Financial Control Systems and their adequacy – Page 88, ERM – Pages 78 to 87

**Material Topics****Ethics and Integrity (I)****Principle**

TCS' core values are: Leading Change, Integrity, Respect for the Individual, Excellence, Learning and Sharing.

**Key Themes**

- Value, Ethics and Culture
- Compliance

**Targets**

- Maintain board, management accountability and drive corporate ethics, values and sustainability.
- Monitor compliance with laws of the countries in which the company operates, as well as global legislation.

**Initiatives**

- CG – Page 94, 95

**Material Topics****Data Privacy (E)****Principle**

- To ensure data protection of stakeholders
- To make TCS reliable, resilient and immune to existing and evolving volatile environment of constant changes, accidents, attacks and failures.

**Key Themes**

- Data Privacy
- Cyber Security

**Targets**

- Ensure controls and robust risk response mechanisms to protect personal data in the TCS ecosystem and also in customer engagements.
- Protect all information and assets that TCS owns or is responsible for; thus, ensuring an efficient, safe and secure working environment for TCS and its customers.

**Initiatives**

- BRSR – Pages 164 to 166

## TCS Climate Related Disclosures

In FY 2023, TCS' climate related disclosures were aligned to the Taskforce for Climate-related Financial Disclosures (TCFD). Subsequently, TCFD fulfilled its remit and was disbanded in October 2023.

The International Sustainability Standards Board (ISSB) released IFRS S2, Climate-related Disclosures, in January 2024, which is aligned with the recommendations of TCFD. This year, TCS has disclosed information related to climate-related risk and opportunities aligned with IFRS S2. IFRS S2 applies to disclosure of (1) climate related risks (physical and transitional), to which the entity is exposed and (2) climate related opportunities available to the entity.

The disclosure requirements in IFRS S2 are structured around the core content related to the following sections:

Section 1: Governance

Section 2: Strategy

Section 3: Risk Management

Section 4: Metrics and Targets

Each of the above topics are addressed below.

### **Section 1: Governance**

TCS has a Board level Stakeholder Relationship Committee (SRC) that oversees different aspects of climate-related risks and opportunities.

### **Stakeholder Relationship Committee (SRC)**

- The SRC is chaired by an independent director and comprises of 3 members including the CEO. It reviews the climate change strategy, approach, and performance of the organization with respect to sustainability and climate change.
- The SRC formally meets twice every year to review policies and sustainability performance, including climate change and carbon performance. The board oversight helps drive the program effectively with greater accountability.
- The CEO, as a part of the SRC, is directly responsible for the efficient operations of the facility and hence is better able to review performance and drive improvement. The updates are provided by the Chief Human Resources Officer (CHRO) and is supported by the Head- Environmental Sustainability, Health and Safety (ESHS) who oversees the environment and climate change implementation at the organisation.
- TCS' carbon reduction goal to reduce its absolute greenhouse gas emissions across Scope 1 and Scope 2 by 70% by 2025 (over 2016 base year), and to achieve net zero emissions by 2030, was reviewed and approved by the committee.
- Statement by Senior management: Refer page number 132 in BRSR for N G Subramaniam, COO & Executive Director's statement.
- During the half yearly meetings, the SRC monitors the progress towards the carbon targets and the carbon reduction initiatives that have been implemented and planned.

### **Competency:**

TCS has a competent team working on Environmental Sustainability. TCS' Head- Environmental Sustainability, Health, and Safety (ESHS) is a Doctorate in Environmental Science and Engineering and has over 30 years of post-doctoral experience in environmental sustainability and climate change. The ESHS team has recruited professionals who have the requisite qualification and experience in climate change and environmental sustainability. The team has undergone training in advanced topics and regularly participates in external training programs and sessions on the emerging frameworks and regulatory requirements around climate change.

TCS is also a member of the Confederation of Indian Industries (CII) and National Association of Software and Services Companies (NASSCOM), and the company participates as panelist, assessor, or speaker in their training and capacity building workshops on climate change with the perspective of spreading know-how on ESG, climate change mitigation and adaptation strategies among other industries.

**Remuneration:** Refer page number 103 for information on remuneration of the Board members.

Apart from the SRC, TCS also has the Risk Management Committee (RMC) that is responsible for risk management oversight at the corporate level.

### **Risk Management Committee (RMC)**

- The RMC is chaired by an independent director and comprises of 5 members including one additional independent director, 2 executive directors, i.e. CEO, COO, and one company executive, CFO.

- The RMC formulates, monitors, and reviews the company's risk management policy.
- Climate change risks and opportunities are covered under the strategic and operational risks for the Company and are reviewed in the RMC committee meetings.

## Section 2: Strategy

Climate related risks continue to challenge businesses in every possible way, sometimes amplifying existing risks. Not only is their nature evolving, but their speed of impacting the organisation's operations is also increasing. Operating in an uncertain and ever-changing environment, TCS' global operations bring in considerable complexities and TCS' robust enterprise risk management framework aids in ensuring the strategic objectives are achieved. This framework enables risk identification for short, medium, and long term, risk assessment, risk response planning and actions, risk monitoring and overall risk governance.

### Climate-related risks and opportunities

Refer to the MD&A section on page number 86 of the TCS Integrated Annual Report for identified climate-related risk and opportunities that could reasonably affect TCS' prospects. The section includes the company's adaptation methodology which will be implemented over following time horizons:

Time-horizon	From (years)	To (years)
Short-term	0	5
Medium-term	5	10
Long-term	10	Beyond 10

Below is a brief description of TCS' approach and identification of climate-related risks and opportunities.

Climate related R&O	TCS Approach
Current regulation	Regulations undergo frequent changes and, to accommodate such changes, the company must be aware and responsive. In India operations, TCS must comply with all the environmental consent conditions around emissions, water discharge, waste recycling etc. These regulations are included in TCS' risk assessment as compliance risk and thereafter integrated into its mitigation plans. The company also reports to the Securities and Exchange Board of India (SEBI) mandated BRSR framework, which includes non-financial indicators and is a part of this Integrated Annual report. This year as per BRSR reporting requirements, TCS is also undergoing reasonable assurance for the core indicators of BRSR.
Emerging regulation	Emerging regulations including carbon taxes (coal or fossil fuel taxes leading to escalation in the electricity tariff), mandatory energy audits are examples which are likely to impact the company. Regulations around procurement of renewable energy, which is a key driver of the company's climate change mitigation plan, is also ever evolving in all major geographies. TCS keeps a close watch on the emerging regulations and plans its organizational sustainability strategy and roadmap to adapt to those changes.
Technology	With more energy efficient and eco-friendly building and IT equipment coming in the market, keeping TCS' offices eco-efficient is an ongoing process wherein the company evaluates the technology and suitability and work on a phaseout plan to move to the new more efficient technology. These are considered as operational risks and opportunities which drive the company to make its infrastructure more climate resilient.
Legal	TCS tracks environmental legal compliance (air emissions, water discharges, waste management and others) on periodic basis and have a very robust internal compliance management system to identify and comply with all legal requirements of current, amended and new regulations. While the possibility of a litigation risk is very low, climate change impacts can pose few risks indirectly to TCS.
Market	Climate change is driving a lot of changes in the company's customer behaviour, thus creating new markets and new opportunities, giving TCS an opportunity to partner with them in their climate change mitigation journey by providing solutions, services, and process automation which helps in emission reduction.
Reputation	Reputational risk is relevant to the company as the investor and customer community is becoming increasingly aware of climate change related issues. It is important to demonstrate leadership in climate action to maintain reputation. Climate risks are hence included as strategic risks which is reviewed by leadership to position the company better in the market. This information is required to respond to CDP supply chain module and various customer surveys on sustainability like Dow Jones Sustainability Index, EcoVadis, MSCI, Sustainalytics, etc. Hence performing well in these ratings/scorings is very crucial in maintaining the market reputation which the organization holds.
Acute physical	Acute physical risks associated with extreme weather events is relevant as TCS has substantial operations in coastal cities in India which are exposed to extreme weather events like heavy precipitation, flood, and cyclones. E.g., The company's offices located in coastal cities like Chennai, Bhubaneshwar, Kolkata, Kochi are exposed to physical risks from cyclonic events and therefore adequate mitigation plans are in place.

Climate related R&O	TCS Approach
Chronic physical	Despite the Paris Agreement and global climate action, global warming continues unabated. Having presence in many major cities across the world, TCS is subject to climate change related chronic physical impacts like change in precipitation pattern, with resultant effects like drought or flood. Also, with TCS's presence in few coastal cities, rise in sea level and related impacts like land submergence, saltwater intrusion, disruption to network and communication systems are more likely. These risks are long term and included from perspective of planning appropriate infrastructure. TCS has set targets to reduce carbon emissions (scope 1 and 2) by 70% in 2025 compared to 2016 base year and achieve Net Zero by 2030. These are aligned with the global goals taken under the Paris agreement to fight global warming by keeping the planet's temperature below 1.5 degrees Celsius. TCS has reduced its absolute carbon footprint across Scope 1 and Scope 2 by 80% in FY 2024 over a baseline of 2016, exceeding TCS' target achievement by 10%, one year ahead of time.

### Business model and value chain

TCS' business model and value chain includes its customers and suppliers. The sustainability and climate related transition risks are covered here along with some mitigation plans.

**Customers:** TCS is an IT services and business solution provider company working mostly with Fortune 1000 or Global 2000 corporations and the public sector. The customer perception around climate change risks has strengthened, especially in the major markets, and this is reflected in the increasing customer requests on climate change performance through platforms like CDP, SBTi commitment, RFPs. These all show how adapting to changing customer behaviour around climate change is crucial for business continuity.

TCS' stakeholders, especially its customers and employees look at it as a responsible corporate citizen when it comes to climate action. The company's efforts in this domain have been recognized through ESG ratings and CDP ratings / climate change performance (carbon reduction against targets, % renewable energy). In an event, if TCS is unable to meet its climate change commitments, it can lead to a negative impact on its brand and reputation, as well as ESG ratings. A failure to meet the targets, customer expectations or evolving regulatory requirements could also potentially affect its market capitalization. TCS ensures that these risks are identified at an early stage and work on mitigation and improvement plans.

The company also has a robust business continuity plan. It is an end-to-end framework that effectively manages through defined policy, procedures, guidelines and through in-house developed tools that support planning and communication with all stakeholders. The framework is fully compliant and certified to ISO 22301:2019, CMMI-SVC and is integrated with TCS quality management system for consistent deployment across the organization. TCS also has Emergency Preparedness Plans (EPP) for disasters such as earthquake, floods, cyclones etc in its internal portal. The plan outlines the responsibilities of action owners, plan description including precautions to be taken, evacuation procedures and post incident action plan which would need to be followed at locations facing the emergency scenario.

**Suppliers:** Towards ongoing sustainability assessment, TCS launched its Supplier Sustainability Assessment Platform in FY 2023 and initiated on-boarding of its top supply chain partners. Through this platform, TCS plans to support its suppliers with engagement and guidance to help them improve their sustainability performance. In FY 2024, the company has successfully assessed 17% of its value chain partners (by spend) for sustainability criteria. These efforts ensure that all suppliers who form upstream part of the value chain are assessed for sustainability and climate risks.

### Strategy and decision-making

Climate-related risks and opportunities have influenced TCS' strategy in the following ways:

Area	Description of influence
Products and services	As TCS' customers respond to climate change actions, the company is seeing opportunities to provide technology-led solutions to help them achieve their sustainability goals. The change in technology consumption reflects the prevailing trends in the economy. Recent events have accelerated digital adoption, put the spotlight on supply chain resilience and added urgency to the sustainability imperative. Each of these represents an opportunity that can contribute towards the growth of not just as one company, but of the ecosystem. TCS leveraged its deep expertise in IoT, advanced analytics, and machine learning to come up with a suite of offerings in this space, including intellectual property such as Clever Energy™, IP2™, and TCS Envirozone™. Clients across industries are engaging us to develop innovative technology led solutions to reduce energy consumption, or to measure and track green-house gas emissions across their end-to-end supply chain, reduce their carbon footprint, reduce waste and promote recycling.

Area	Description of influence
Supply chain and/or value chain	Supply Chain sustainability through responsible sourcing is one of the risk mitigations that TCS has identified under its sustainability risk. TCS's Green Procurement policy outlines its commitment to making its supply chain more responsible and sustainable. Energy efficiency is one of the major procurement considerations in all the company's IT assets procurement as this is directly correlated with its emission profile. Climate related risks play a very important role in supply chain engagements, and TCS is working with its suppliers to bring in improvements in overall supply chain sustainability related aspects. As mentioned in the previous section on suppliers, TCS has launched the supplier sustainability assessment platform to facilitate improvements in the supply chain through evaluation and assessment of suppliers.
Investment in R&I	TCS' investments in R&I have resulted in solutions like Envirozone™, Clever Energy and IP2™. TCS has been using Clever Energy for the last several years to monitor and help reduce its energy consumption and is now commercially selling it and the other two solutions to clients to help them achieve their sustainability goals. Additionally, TCS has been investing in building green campuses (IGBC certified). These initiatives have enabled reduction of carbon footprint
Operations	Climate Change risks play an important consideration in TCS' operations. TCS has created an environmentally sustainable approach by creating green policies, processes, frameworks, and infrastructure. The company's campuses are designed to withstand extreme weather events and the business continuity plans are tested periodically to ensure continued operations without any disruption. Green buildings, efficient operations, green IT, the use of renewable energy to reduce carbon footprint; adoption of newer technologies and methods to manage waste in line with circular economy principles are integral to business operations. These all help the company in achieving its emission reduction targets and journey towards Net Zero by 2030.
Direct costs, Capital expenditures, Capital allocation assets	Climate risks and opportunities are one of the factors while making financial considerations especially while making investments in offices, equipment, and renewable energy production. Investment in these areas constitutes a substantial share of the company's overall capital investment. Major investments are in green buildings, roof top solar and other energy efficiency initiatives. Refer BRSR section, Principle 6, page number 152, 153 for more details on the initiatives that also help the company to position itself as leaders in the climate domain hence contribute substantially to its market value.

### Financial position, financial performance, and cash flows

#### Substantive financial or strategic impact of Risk Assessment:

Climate risks like business disruption, changing regulatory landscape, acute physical stress and transition risks are identified, prioritized, assessed and managed by the ERM team. Anything with the potential to disrupt regular operations by more than 10% and triggers Business Continuity Plans at the sites is considered as substantial. The financial risk exposure is calculated considering the following quantifiable indicators - (1) Proportion of business units affected OR percentage of operations impacted; (2) Probability of occurrence of extreme climate related events, and 3) the impact potential at the affected locations based on size of operation. In any given year the overall potential financial impact due to an extreme weather event is considered as 0.75% of the revenue. TCS considers a risk tolerance of 10% of the exposure for climate related risks and considered as substantive. Based on the severity and the risk exposure, the appropriate risk response is finalized, and mitigation actions are assigned to relevant functions.

The company has identified the following climate-related risks with the potential to have a substantive financial or strategic impact on the company's business:

- a. **Risk of impact on direct operations:** TCS has large operations based out of offices in coastal cities which have a high exposure to extreme weather events like high rainfall, cyclones, rise in sea level, etc. During FY 2024, there were no major cyclones that effected the company's campuses. However, earlier event like Cyclone Amphan led to damages in its Kolkata, India campus specifically to the rooftop solar PV installations, solar water heater panels, roof mounted HVAC components, HRW electrical panel room, energy bin of biogas chamber, apart from multiple water leakages at basement and many other external physical damages. This indicates the increased severity and frequency of extreme weather events such as cyclones and floods and the impact these can cause directly on the operations. TCS accounts for such risks at design stage through cyclone and flood water resistance considerations while constructing new buildings. For greenfield projects, the building structure is designed (a) for seismic load as per IS 1893 (Part-1) 2016; Amendment No:2-2020 and (b) for wind speeds as per IS 875 codes.

TCS has a strong business continuity plan (critical business operations can be shifted to another city/country/geography) and therefore these physical risks will not affect the business operations significantly, except for the financial implications related to infrastructure damages (if any). Hence the potential financial impact due to physical damage because of extreme weather events is calculated as a percentage of revenue using a risk factor, which in turn is arrived through the company's risk assessment exercises. The potential financial impact will be 0.75% of the revenue which comes to approximately ₹ 1,807 crores or US\$218 million.

- b. **Risk of increase in capital expenditure:** TCS is an IT services, consulting, and business solutions organization with a presence across multiple geographies, industries, services and products. Being one of the frontrunners in ESG performance, in 2021, the company has taken up ambitious carbon targets as mentioned in previous sections and have also achieved its near-term targets 2 years ahead

of timelines. In FY 2024, TCS has further brought down its Scope 1 and Scope 2 emission by 80% over base year 2016. This was despite increased electricity consumption in FY 2024 from employees' return to office and addition of new offices to the reporting boundary. Apart from organizational level commitments, the emerging regulations also motivate TCS to transition towards low carbon business. TCS will need additional CAPEX and OPEX to ensure compliance. The company has envisaged this as a risk, and is developing greener solutions and transitioning to renewable energy. In FY 2024, RE accounts for **74%** of total energy and have increased percentage of green tariff.

- i. TCS' new campuses are designed according to green building standards for energy and resource efficiency to reduce the carbon footprint. The company invests in energy efficiency initiatives taking into consideration a payback period of 4-5 years. It is also retrofitting its older buildings with energy efficient equipment.
  - ii. TCS' IoT-based Real-time Energy Management System (TCS Clever Energy™) initiative that involves real time monitoring to optimize the operational energy efficiency is used across all offices. This smart, scalable, analytics driven IoT solution uses TCS Connected Universe Platform (TCUP) IoT platform, which forms the backbone enabling visualization of data acquired from various locations and facilities' energy meters and sensors.
  - iii. While the above initiatives were carried out across TCS India campuses, focus towards achieving Net Zero is also driven through carbon neutrality across Scope 1 and Scope 2 emissions in North America, UK and Ireland, Europe, Asia Pacific, Japan, Latin America, and Middle East & Africa.
- c. **Risk of Impacting Reputation and Brand Value:** TCS is an IT services company working mostly with Fortune 1000 or Global 2000 corporations and the public sector. The customer perception around climate change risks has strengthened, especially in the major markets, and this is reflected in the increasing customer requests on climate change performance through platforms like CDP, SBTi commitments, RFPs and other surveys/ questionnaires. Thus, in an event if TCS is unable to meet its climate change commitments, it can impact the company's brand and reputation, as well as international ESG ratings. The risk due to the same is realized in terms of the company's brand value and the risk is estimated as 0.1% of the same. In FY 2024, TCS brand value rose to US\$19.2 billion (Source: Brand Finance). Hence, the potential financial impact due to this risk is estimated at US\$19.2 million. To mitigate these impacts, the company has undertaken many initiatives to mitigate its environmental impact which includes green building design, energy efficient building and IT infrastructure, and transition to renewable energy. All the stakeholders are well informed about TCS' climate change performance through its external disclosures which helps to minimize the reputational risks.

TCS has identified the following climate-related opportunities with the potential to have a substantive financial or strategic impact on its business:

- i. TCS has a large building footprint with its campuses alone covering more than 38 million sq. ft area in India. Out of this, over 67.3% of its buildings are certified to IGBC Green Building standards. TCS has steadily increased its portfolio of green buildings, thereby ensuring energy efficiency in its buildings and reducing both emissions and operating expenditures. Apart from this, the company is also working on improving and upgrading its energy efficiency in existing buildings. Few years back, TCS India took up a major project to change the luminaires to LEDs across its locations which contributed towards significant energy savings. Major retrofits were carried out at some locations with legacy infrastructure to improve the efficiency levels. The TCS Remote Energy Management and Control program witnessed rapid scaling up and further maturity during the year by leveraging IoT platform to acquire asset (chillers, air handling units, etc.) level data which is analyzed to improve asset efficiency and operations. The data center PUE (weighted average) of 1.70 was achieved for the corporate data centers at Mumbai and Chennai. In FY 2024, TCS has achieved a saving to the tune of 16,301 MWh due to energy saving initiatives. (This includes HVAC energy efficiency projects, UPS based energy efficiency projects, expansion in green buildings and real time monitoring of energy efficiency). TCS uses multiple energy sources in its daily operations, electricity being the primary source. Majority of the electricity comes from conventional sources, but TCS has increased the share of renewable electricity (RE) over the years through onsite rooftop solar generation, third party procurement and purchase of Energy Attribute Certificate (EAC) (in select geographies). The RE consumption as a percentage of total electricity consumption has increased from 15.6% in FY 2021 to 74% in FY 2024. TCS' owned roof top solar projects contribute 3 % of the same. Apart from roof top solar photo voltaic installations, TCS increased the renewable energy procurement through a switch over to green tariffs for operations and open access power purchase agreements (PPA).
- ii. TCS is looking at developing solutions that respond to changing consumer behaviour. Through its Connected Marketing team, TCS uses sustainability in the social media perspective to better understand the 'green' needs of its consumers, and to also see how consumers are reacting to the new green products that have been introduced. Changing consumer behaviour and expectations are most reflective in the power utility space. Towards this area, TCS has developed several strategic partnerships, towards thought-leadership development and solution enhancement (Example: Smart Power and Smart Energy are key solution areas of TCS' Utilities Industry Unit).

### **Climate Resilience**

A brief description of the resilience of the organization's strategy, taking into consideration different climate-related scenarios, including a 2°C or lower scenario.

Climate related scenario	Parameters, assumptions, analytical choices
Transition scenarios IEA B2DS	<p>The climate change scenario analysis conducted for TCS takes a multi-level approach to identify climate risk and opportunity hot spots, interdependencies, and interaction with global macro trends. The top-down analysis of the macro environmental trends that will impact the company at global level included,</p> <ul style="list-style-type: none"> <li>a) nature loss and ecological degradation,</li> <li>b) resource scarcity and driving value chain innovation,</li> <li>c) changing customer and workforce preferences,</li> <li>d) the rise of extreme weather,</li> <li>e) increasing regulations, pricing and disclosure of externalities,</li> <li>f) digitalization and prevalence of infectious diseases and</li> <li>g) rising incomes.</li> </ul> <p>Detailed analysis was conducted of material climate change transition risks and opportunities across value chain and assessment of interdependencies between climate risks and opportunities including identification of areas of potential magnification and hedge opportunities. The key value driver analysis assesses climate risks and opportunities across 3 stages of the value chain including a) Supply Chain (input supplies costs, disruption and access to supplies) b) Operations (carbon costs, operating costs, insurance/ damage costs due to disruption of operation) and c) End Markets (demand for low carbon services/ products, market share and competition). In the transition scenario, the IEA B2DS approach has been selected as its more conservative scenario. The inputs included those from Intergovernmental Panel for Climate Change (IPCC) reports, the Nationally Determined Contributions (NDCs), the Sustainable Development Goals (SDGs) and Government of India plan on energy efficiency and solar energy. The assumptions used in the analysis also considered the anticipated growth of TCS over the years and increased energy demand. Changing customer behaviour and carbon costs are assessed as a transition risk to TCS with a growing number of jurisdictions at regional and national level planning to implement a carbon tax or emission trading scheme.</p>
Physical climate scenarios RCP 8.5	<p>The climate change scenario analysis conducted for TCS takes a multi-level approach to identify climate risk and opportunity hot spots, interdependencies, and interaction with global macro trends. The top-down analysis of the macro environmental trends that will impact the company at global level included,</p> <ul style="list-style-type: none"> <li>a) nature loss and ecological degradation,</li> <li>b) resource scarcity and driving value chain innovation,</li> <li>c) changing customer and workforce preferences,</li> <li>d) the rise of extreme weather,</li> <li>e) increasing regulations, pricing, and disclosure of externalities,</li> <li>f) digitalization and prevalence of infectious diseases and</li> <li>g) rising incomes.</li> </ul> <p>Detailed analysis was conducted of material climate change physical risks and opportunities across value chain and assessment of interdependencies between climate risks and opportunities including identification of areas of potential magnification and hedge opportunities. The key value drivers' analysis assesses them across 3 stages of the value chain including a) Supply Chain (input supplies costs, disruption and access to supplies) b) Operations (carbon costs, operating costs, insurance/ damage costs due to disruption of operation) and c) End Markets (demand for low carbon services/ products, market share and competition) The physical risk is assessed using the RCP 8.5 scenario. The RCP 8.5 scenario takes a global warming between 3-4 degrees above pre-industrial levels which is a conservative scenario and helps TCS understand the worst-case climate impacts on its operations. The inputs included IPCC reports, the NDCs, the SDGs and Govt. of India plan on energy efficiency and solar energy. The assumptions used in the analysis also considered the anticipated growth of TCS over the years and increased energy demand. Few strategies to mitigate physical risks of climate change include:</p> <ol style="list-style-type: none"> <li>1) A robust Business Continuity Plan (BCP) to respond to climate events</li> <li>2) Investments in climate resilient infrastructure (for cyclone, floods).</li> </ol>

### Section 3: Risk management

At TCS, the Corporate Risk Office, led by the Chief Risk Officer, is responsible for driving Enterprise Risk Management (ERM) across all functions in line with TCS Global Risk Management Policy. Refer the MD&A section on page numbers 78, for details on how ERM is driven across the company on all topics, including climate related risks and opportunities. The company also considers evolving concepts, trends, policies, customer requirements, regulations, and climate scenario analysis to identify Risk & Opportunities. The company also considers international guidelines/frameworks like GRI, SASB, and CDP for Risk & Opportunity drivers.

**Risk Assessment Methodology:** Refer the MD&A section page number 79 of the TCS Integrated Annual Report for information on Enterprise Risk Management process followed at TCS.

All climate-related risks are embedded into entity's overall risk management process. TCS has an internal application where identified risks are baselined at the beginning of the year, tracked quarterly and updated with relevant progress. Each risk has an expiry date. Each risk owner responds with the progress and at the end of the financial year ensures closing of the risk.

#### **Section 4: Metrics and targets**

##### **Climate related metrics**

- a. **Climate-related metrics** – Scope 1,2 and 3 greenhouse gas (GHG) emissions in metric tons of CO2 equivalent are disclosed on page number 152, 158 of the BRSR report. The emissions are in accordance with the GHG Protocol Corporate Accounting and Reporting Standards. TCS has a robust environmental sustainability tool where all relevant environmental data are collected monthly, validated, and internally assured periodically across geographies. All locations within the operational control of TCS are included in the boundary of environmental data reporting (consolidated accounting group as per IFRS-S2). GHG emission factors are used from the latest version of IEA, DEFRA, USEPA, GHG Protocol All Sector Tools and regional sources for specific geographies (e.g. CEA for India) to estimate the GHG emissions. The approach, inputs and assumptions are detailed on Page number 152, 158 as part of the BRSR section. The carbon emission data is independently assured by external assurance providers at the end of the financial year. In FY 2024, scope 1 and 2 emissions have undergone reasonable assurance and scope 3 has been subject to limited assurance by KPMG. TCS reports its scope 1, 2 and 3 emissions in the Integrated Annual Report and in CDP (Climate change) disclosures.
- b. **Climate-related transition risks**—Business activities vulnerable to climate-related transition risks;- Refer section Sustainability Risks- Climate change and Environmental aspects (R & O), page number 86.
- c. **Climate-related physical risks**—Business activities vulnerable to climate-related physical risks;- Refer section Sustainability Risks- Climate change and Environmental aspects (R & O), page number 86.
- d. **Climate-related opportunities**—Business activities aligned with climate-related opportunities;- Refer section Sustainability Risks- Climate change and Environmental aspects (R & O), page number 86.
- e. **Capital deployment**—the amount of capital expenditure, financing or investment deployed towards climate-related risks and opportunities;- Refer BRSR section in Principle 2 (Percentage of R&D and capital expenditure (capex) investments in specific technologies to improve the environmental and social impacts of product and processes to total R&D and capex investments made by the entity, respectively, Page number 135)
- f. **Internal carbon prices:**

The organization has calculated an internal carbon price based on the total investments envisaged for energy efficiency programs, transition to renewable energy and other investments towards emission reductions. Currently TCS does not apply this carbon price to determine the feasibility of projects or to apply a carbon tax to generate funding for the projects. All these projects and initiatives are driven through internal accruals since they align to overall company and Tata Group philosophy. Currently, TCS is not focusing on offsetting to drive reductions and the company may take up the carbon cost/tax mechanism in the future to generate budgets for purchase of offset instruments. In the coming years, the company may plan to consider applying a carbon tax to business travel (and employee commuting-company provided transport) to bring out the "carbon" cost. This will help reduce Category 6 and 7 of Scope 3 emissions by either reducing travel or switching to carbon efficient means of travel and transportation (like EVs). The price for each metric tonne of greenhouse gas emissions the entity uses to assess the costs of its greenhouse gas emissions is ₹ 2,365.

Business decision-making processes this internal carbon price is applied to are:

- Capital expenditure
- Operations procurement
- Risk management
- Opportunity management
- Value chain engagement

**Remuneration:** Refer page number 103 for information on remuneration of the Board members.

##### **Climate-related targets**

TCS' climate related targets are mentioned along with its metrics, timeline, and performance in page 24, 25 of the Natural Capital section. In May 2021, TCS set carbon target of 70% reduction of absolute Scope 1 + 2 emissions by 2025 (vs base year 2016) and Net Zero by 2030. This target setting is aimed to mitigate the carbon emissions from its activities and enables adapting to climate change risks. The target applies to the entity in entirety across geographies. TCS has already achieved 71% reduction in scope 1 and 2 emissions in FY 2023 (Vs 2016) and 80% reduction in FY 2024 (Vs 2016) thereby overachieving the targets much ahead of its timelines.

The performance against the targets is disclosed in this Integrated Annual Report in the Natural Capital Section on Page numbers 24 and 25.

TCS has made its commitment to SBTi targets. In June 2022, TCS has responded to SBTi's urgent call for corporate climate action by committing to align with 1.5°C and net-zero through the Business Ambition for 1.5°C campaign. This is published on SBTi website and can be viewed at Companies taking action- [Science Based Targets](#). TCS is working towards submitting the targets for validation by SBTi.

## GRI Content Index<sup>1</sup>

TCS' Integrated Annual Report 2023-24, which includes the Board and Management Commentary, Compliance Reports, Financial Statements, and the Business Responsibility and Sustainability Report, is with reference to the Global Reporting Initiative (GRI) Standard. The Report also conforms to the United Nations Global Compact (UNGC) principles and forms the basis of the company's Communication on Progress (CoP) with the UNGC.

The following table provides the mapping of disclosures for FY 2024 against the GRI standard requirements.

GRI Standard Disclosure and Description	Section *	Page No.
<b>GRI 2: General Disclosures 2021</b>		
<b>1. The organization and its reporting practices</b>		
2-1 Organizational details	• BRSR	127
2-2 Entities included in the organization's sustainability reporting	• BRSR	128, 129
2-3 Reporting period, frequency and contact point	• BRSR	127
2-4 Restatements of information	• BRSR	127
2-5 External assurance	• BRSR	128, 132
<b>2. Activities and workers</b>		
2-6 Activities, value chain and other business relationships	• BRSR	128
2-7 Employees	• BRSR	128
2-8 Workers who are not employees	• BRSR	128
<b>3. Governance</b>		
2-9 Governance structure and composition	• CG • BRSR	93, 94 132
2-10 Nomination and selection of the highest governance body	• CG	93, 94
2-11 Chair of the highest governance body	• CG	94
2-12 Role of the highest governance body in overseeing the management of impacts	• CG	94, 95
2-13 Delegation of responsibility for managing impacts	• CG • BRSR	102 132
2-14 Role of the highest governance body in sustainability reporting	• CG	95, 147
2-15 Conflicts of interest	• CG	94
2-16 Communication of Critical Concerns	• BRSR	130, 138, 142, 147, 148, 162, 164
2-17 Collective knowledge of the highest governance body	• BRSR	132
2-18 Evaluation of the performance of the highest governance body	• Directors' Report • CG	58 95
2-19 Remuneration policies	• CG • BRSR	102 147
2-20 Process to determine remuneration	• CG	95, 100, 102
2-21 Annual total compensation ratio	• BRSR	147
<b>4. Strategy, policies and practices</b>		
2-22 Statement on sustainable development strategy	• Letter from the CEO • MD&A • BRSR	8 70 132, 146
2-23 Policy commitments	• BRSR	131, 133, 148, 165
2-24 Embedding policy commitments	• BRSR	131, 148

<sup>1</sup> Requirement 7: Publish a GRI Content Index

\* MD&A: Management Discussion and Analysis, CG: Corporate Governance Report, BRSR: Business Responsibility and Sustainability Report

201-2 Financial implications and other risks and opportunities due to climate change	• MD&A • BRSR	86 130
201-3 Defined benefit plan obligations and other retirement plans	• BRSR	137
<b>GRI 202: Market Presence</b>		
202-1 Ratios of standard entry level wage by gender compared to local minimum wage	• BRSR	147
<b>GRI 204: Procurement Practices 2016</b>		
204-1 Proportion of spending on local suppliers	• BRSR	162
<b>GRI 205: Anti-corruption 2016</b>		
205-2 Communication and training about anti-corruption policies and procedures	• BRSR	133
205-3 Confirmed incidents of corruption and actions taken	• BRSR	133
<b>GRI 207: Tax 2019</b>		
207-1 Approach to tax	• CG	95
207-2 Tax governance, control, and risk management	• CG	95
207-3 Stakeholder engagement and management of concerns related to tax	• CG	95
<b>GRI 300: Environmental Performance</b>		
<b>GRI 302: Energy 2016</b>		
302-1 Energy consumption within the organization	• BRSR	149, 150
302-3 Energy intensity	• BRSR	149, 150
<b>GRI 303: Water and Effluents 2018</b>		
303-1 Interactions with water as a shared resource	• BRSR	151, 156
303-2 Management of water discharge-related impacts	• BRSR	151
303-3 Water withdrawal	• BRSR	150, 156
303-4 Water discharge	• BRSR	156
303-5 Water consumption	• BRSR	150

GRI Standard Disclosure and Description	Section *	Page No.
<b>GRI 304: Biodiversity 2016</b>		
304-1 Operational sites owned, leased, managed in, or adjacent to, protected areas and areas of high biodiversity value outside protected areas	• BRSR	156
304-2 Significant impacts of activities, products and services on biodiversity	• BRSR	159
304-3 Habitats protected or restored	• BRSR	159
<b>GRI 305: Emissions 2016</b>		
305-1 Direct (Scope 1) GHG emissions	• BRSR	152
305-2 Energy indirect (Scope 2) GHG emissions	• BRSR	152
305-3 Other indirect (Scope 3) GHG emissions	• BRSR	158
305-4 GHG emissions intensity	• BRSR	152, 158
305-5 Reduction of GHG emissions	• BRSR	152
<b>GRI 306: Waste 2020</b>		
306-2 Management of significant waste-related impacts	• BRSR	135, 136, 155
306-3 Waste generated	• BRSR	154
306-4 Waste diverted from disposal	• BRSR	154
306-5 Waste directed to disposal	• BRSR	154
<b>GRI 308: Supplier Environmental Assessment 2016</b>		
308-1 New suppliers that were screened using environmental criteria	• BRSR	135, 160
308-2 Negative environmental impacts in the supply chain and actions taken	• BRSR	160
<b>GRI 400: Social Dimension</b>		
<b>GRI 401: Employment 2016</b>		
401-1 New employee hires and employee turnover	• Human Capital • BRSR	18, 19 129
401-2 Benefits provided to full-time employees that are not provided to temporary or part-time employees	• BRSR	137
401-3 Parental leave	• BRSR	138
<b>GRI 402: Labor/Management Relations 2016</b>		
402-1 Minimum notice periods regarding operational changes	• MD&A	74
<b>GRI 403: Occupational Health and Safety 2018</b>		
403-1 Occupational health and safety management system	• BRSR	139
403-2 Hazard identification, risk assessment, and incident investigation	• BRSR	140, 141
403-3 Occupational health services	• BRSR	139
403-5 Worker training on occupational health and safety	• BRSR	139
403-6 Promotion of worker health	• BRSR	140
403-9 Work-related injuries	• BRSR	141, 142
403-10 Work-related ill health	• BRSR	141, 142
<b>GRI 404: Training and Education 2016</b>		
404-1 Average hours of training per year per employee	• Human Capital • BRSR	19, 139
404-3 Details of performance and career development reviews of employees	• BRSR	139
<b>GRI 405: Diversity and Equal Opportunity 2016</b>		
405-1 Diversity of governance bodies and employees	• Human Capital • BRSR	18, 19 129
405-2 Ratio of basic salary and remuneration of women to men	• BRSR	146, 147
<b>GRI 406: Non-discrimination 2016</b>		
406-1 Incidents of discrimination and corrective actions taken	• BRSR	148
<b>GRI 413: Local Communities 2016</b>		
413-1 Operations with local community engagement, impact assessments, and development programs	• Social Capital • BRSR	23 156, 162
<b>GRI 414: Supplier Social Assessment 2016</b>		
414-2 Negative social impacts in the supply chain and actions taken	• BRSR	143

### Independent Practitioners' Limited Assurance Report

#### To the Directors of Tata Consultancy Services Limited

**Assurance report on select sustainability disclosures in the Integrated Annual Report prepared in accordance with the Business Responsibility and Sustainability Reporting (BRSR) framework and with reference to the Global Reporting Initiative (GRI) Standards 2021 (together called 'Identified Sustainability Information' (ISI)) of Tata Consultancy Services Limited (TCS) (the 'Company') for the period from 1 April 2023 to 31 March 2024.**

#### Opinion

We have performed an assurance engagement on the Identified Sustainability Information (ISI) as detailed in the table below:

Identified Sustainability Information (ISI) subject to assurance	Period subject to assurance	Page number in the Annual Report	Reporting criteria
Select GRI and BRSR attributes (which are not part of BRSR Core) (refer Annexure 1)	From 1 April 2023 to 31 March 2024	127 to 166 and 315 to 327	<ul style="list-style-type: none"> <li>- <i>GRI Standards 2021</i></li> <li>- <i>Regulation 34(2)(f) of the Securities and Exchange Board of India (SEBI) Listing Obligations and Disclosure Requirements (SEBI LODR)</i></li> <li>- <i>World Resource Institute (WRI) / World Business Council for Sustainable Development (WBCSD) Greenhouse Gas (GHG) Protocol (A Corporate Accounting and Reporting Standards)</i></li> <li>- <i>Corporate Value Chain (Scope 3) Accounting &amp; Reporting Standard</i></li> <li>- <i>Guidance note for BRSR format issued by SEBI</i></li> </ul>

This engagement was conducted by a multidisciplinary team including assurance practitioners, engineers and environmental and social professionals.

Based on the procedures performed and evidence obtained, nothing has come to our attention to cause us to believe that the company's Identified Sustainability Information on pages [127] to [166] and [315] to [327] of the Annual Report relating to select GRI and BRSR attributes (which are not part of BRSR Core) for the year ended 31 March 2024, subject to limited assurance is not prepared, in all material respects, in accordance with the the *World Resource Institute (WRI)/World Business Council for Sustainable Development (WBCSD) Greenhouse Gas (GHG) Protocol (A Corporate Accounting and*

*Reporting Standards), and the Corporate Value Chain (Scope 3) Accounting & Reporting Standard , Regulation 34(2)(f) of the Securities and Exchange Board of India (SEBI) Listing Obligations and Disclosure Requirements (SEBI LODR) and with reference to the GRI Standards (2021) and basis of preparation set out in page 128 Section A: General Disclosures 13 of the Integrated Annual Report.*

We do not express an assurance opinion on information in respect of any other information included in the Integrated Annual Report 2024 or linked from the Sustainability Information or from the Integrated Annual Report 2023, including any images, audio files or embedded videos.

#### **Basis for opinion and conclusion**

We conducted our engagement in accordance with International Standard on Assurance Engagements (ISAE) 3000 (Revised), *Assurance Engagements Other Than Audits or Reviews of Historical Financial Information*, and ISAE 3410, *Assurance Engagements on Greenhouse Gas Statements*, issued by the International Auditing and Assurance Standards Board (IAASB). Our responsibilities under those standards are further described in the “Our responsibilities” section of our report.

We have complied with the independence and other ethical requirements of the International Code of Ethics for Professional Accountants (including International Independence Standards) issued by the International Ethics Standards Board for Accountants (IESBA).

Our firm applies International Standard on Quality Management (ISQM) 1, *Quality Management for Firms that Perform Audits or Reviews of Financial Statements, or Other Assurance or Related Services Engagements*, issued by the IAASB. This standard requires the firm to design, implement and operate a system of quality management, including policies or procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our conclusion.

#### **Other information**

Additionally, we have performed a reasonable assurance engagement on SEBI BRSR Core attributes and issued an independent assurance report on 08 May 2024.

Our report thereon is included with the other information.

Our limited assurance opinion on the ISI does not extend to other information that accompanies or contains the ‘ISI and our assurance report’ (hereafter referred to as “other information”). We have read the other information, but we have not performed any procedures with respect to the other information.

#### **Other matter**

Select BRSR and GRI attributes of the Company for the year ended 31 March 2023 were assured by the previous assurance practitioner who had expressed an unmodified opinion on 09 June 2023.

Our opinion is not modified in respect of this matter.

### Intended use or purpose

The ISI and our limited assurance report are intended for users who have reasonable knowledge of the BRSR attributes and GRI attributes, the reporting criteria and ISI and who have read the information in the ISI with reasonable diligence and understand that the ISI is prepared and assured at appropriate levels of materiality.

Our opinion is not modified in respect of this matter.

### Responsibilities for Identified Sustainability Information (ISI)

The management of the company are responsible for:

- designing, implementing and maintaining internal control relevant to the preparation of the Identified Sustainability Information that is free from material misstatement, whether due to fraud or error;
- selecting or developing suitable criteria for preparing the Identified Sustainability Information and appropriately referring to or describing the criteria; and
- preparing the Identified Sustainability Information in accordance with the reporting criteria.

Those charged with governance are responsible for overseeing the reporting process for the company's ISI.

### Exclusions:

Our assurance scope excludes the following and therefore we will not express a conclusion on the same:

- Operations of the Company other than those mentioned in the “Scope of Assurance”.
- Aspects of the BRSR and GRI attributes and the data/information (qualitative or quantitative) other than the ISI.
- Data and information outside the defined reporting period i.e., 1 April 2023 to 31 March 2024.
- The statements that describe expression of opinion, belief, aspiration, expectation, aim, or future intentions provided by the Company.

### Inherent limitations

The preparation of the company's sustainability information requires the management to establish or interpret the criteria, make determinations about the relevancy of information to be included, and make estimates and assumptions that affect the reported information.

Measurement of certain amounts and BRSR and GRI attributes, some of which are estimates, is subject to substantial inherent measurement uncertainty, for example GHG emissions, water footprint, energy footprint. Obtaining sufficient appropriate evidence to support our opinion/conclusion does not reduce the uncertainty in the amounts and metrics.

## Our responsibilities

We are responsible for:

- planning and performing the engagement to obtain a limited assurance about whether the ISI is free from material misstatement, whether due to fraud or error;
- forming an independent conclusion, based on the procedures we have performed and the evidence we have obtained; and
- reporting our conclusion to the Directors of TCS.

### Summary of the work we performed as the basis for our conclusion

We exercised professional judgement and maintained professional skepticism throughout the engagement. We designed and performed our procedures to obtain evidence that is sufficient and appropriate to provide a basis for limited assurance conclusion.

#### *Limited assurance conclusion*

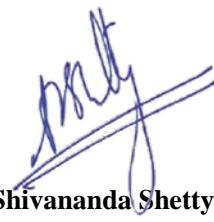

Our procedures selected depended on our understanding of the information subject to limited assurance and other engagement circumstances, and our consideration of areas where material misstatements are likely to arise. In carrying out our engagement, we:

- assessed the suitability of the criteria used by the company in preparing the information subject to limited assurance;
- interviewed senior management and relevant staff at corporate and selected locations concerning policies for occupational health and safety, and the implementation of these across the business;
- through inquiries, obtained an understanding of TCS's control environment, processes and information systems relevant to the preparation of the information subject to limited assurance, but did not evaluate the design of particular control activities, obtain evidence about their implementation or test their operating effectiveness;
- made inquiries of relevant staff at corporate and selected locations responsible for the preparation of the information subject to limited assurance;
- undertook ten site visits out of which seven were physical site visits and three were virtual site visits; we selected these sites based on the relative size of the workforce of these locations to the total workforce, unexpected fluctuations in the information subject to limited assurance since the prior period, and sites not visited in the prior period;
- inspected, at each site visited, a limited number of items to or from supporting records, as appropriate;
- applied analytical procedures, as appropriate;
- recalculated the information subject to limited assurance based on the criteria; and

- evaluated the overall presentation of the information subject to limited assurance to determine whether it is consistent with the criteria and in line with our overall knowledge of, and experience with, the company's occupational health and safety.

The procedures performed in a limited assurance engagement vary in nature and timing from, and are less in extent than for, a reasonable assurance engagement. Consequently, the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed.

## TCS Safe Harbor Clause

Certain statements in this release concerning our future prospects are forward-looking statements. Forward-looking statements by their nature involve a number of risks and uncertainties that could cause actual results to differ materially from market expectations. These risks and uncertainties include, but are not limited to, our ability to manage growth, intense competition among global IT services companies, various factors which may affect our profitability, such as wage increases or an appreciating Rupee, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on cross-border movement of skilled personnel, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which TCS has made strategic investments, withdrawal of governmental fiscal incentives, political instability, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property, cyber attacks or security breaches, pandemics, natural disasters and general economic conditions affecting our industry. TCS may, from time to time, make additional written and oral forward-looking statements, including our reports to shareholders. These forward-looking statements represent only the Company's current intentions, beliefs or expectations, and any forward-looking statement speaks only as of the date on which it was made. The Company assumes no obligation to revise or update any forward-looking statements.

## PART C: EMPLOYEE STATE INSURANCE (ESI) - MONTHLY CHALLAN

### C.1 ESI Coverage Details - October 2024

<b>Particulars</b>	<b>Details</b>
<b>ESIC Employer Code</b>	22B0000009
<b>ESI Registration Date</b>	15th March 2020
<b>Total Insured Persons (IPs)</b>	856 (as on 31st October 2024)
<b>Wage Threshold for ESI</b>	₹ 21,000 per month
<b>Employees Covered Under ESI</b>	856
<b>Non-covered Employees (Above ₹21,000)</b>	391

### C.2 ESI Contribution Summary - October 2024

<b>Contribution Head</b>	<b>Rate</b>	<b>Amount (₹)</b>
<b>Total ESI Wages</b>	-	15,024,000
<b>Employee Contribution (ESI)</b>	0.75%	112,680
<b>Employer Contribution (ESI)</b>	3.25%	488,280
<b>TOTAL ESI CONTRIBUTION</b>	-	<b>600,960</b>

**Total ESI payable for October 2024: ₹ 600,960/-**

### C.3 Insured Persons Summary

**Insured Persons (IPs) registered:** 856

#### IP Status Breakdown:

- **Active IPs:** 847
- **IPs on Leave (unpaid):** 6
- **IPs on Restricted Leave:** 3
- **IPs Exited During Month:** 0
- **New IPs Registered:** 5

#### Sample Insured Persons:

1. **IP: 2200000001** – Sharma, Rajesh Kumar – Monthly Wage: ₹18,500 – ESI Contribution: ₹ 139
2. **IP: 2200000002** – Gupta, Priya – Monthly Wage: ₹20,000 – ESI Contribution: ₹ 150
3. **IP: 2200000003** – Patel, Amit Kumar – Monthly Wage: ₹19,800 – ESI Contribution: ₹ 149
4. **IP: 2200000004** – Mishra, Deepak – Monthly Wage: ₹18,900 – ESI Contribution: ₹ 142
5. **IP: 2200000005** – Singh, Neha – Monthly Wage: ₹20,500 – ESI Contribution: ₹ 154

851 more insured persons...

### C.4 ESIC Portal Filing & Challan Details

#### ESIC Filing Summary:

Particulars	Details
ESIC Filing Date	07th November 2024 at 02:30 PM
Filing Mode	Online (ESIC Portal: <a href="http://www.esic.in">www.esic.in</a> )
Total Insured Persons Reported	856
Total Wages Reported	₹ 15,024,000
Total Days Worked	20,568 (856 IPs × 24 days avg.)
Challan Generated Date	07th November 2024
Challan Due Date	15th November 2024

#### ESIC Challan Details:

Parameter	Value
Challan Reference Number	ESIC-22B0000009-OCT2024-001
Total Contribution Amount	₹ 600,960
Employee Share (0.75%)	₹ 112,680
Employer Share (3.25%)	₹ 488,280
Payment Mode	Online (Internet Banking)
Challan Status	Generated & Ready for Payment
Paying Bank	HDFC Bank Limited

## PART D: COMPLIANCE & PAYMENT STATUS - OCTOBER 2024

### D.1 Payment Status Summary

Contribution Type	Due Date	Challan Amount	Payment Status	Payment Date	Receipt Reference
EPFO (PF)	15-Nov-2024	₹ 20,669,378	✓ Paid	15-Nov-2024	TRRN-2024-1247-20669378
ESIC	15-Nov-2024	₹ 600,960	✓ Paid	15-Nov-2024	ESIC-22B0000009-OCT2024-001
TOTAL	15-Nov-2024	₹ 21,270,338	✓ Paid	15-Nov-2024	As above

### D.2 Payment Confirmation Details

#### EPFO Payment Confirmation:

- Transaction ID:** HDB20241115TCS001247
- Payment Reference:** NEFT/20241115/123456789
- Bank Name:** HDFC Bank Limited, Mumbai Branch
- Payment Mode:** Net Banking (NEFT Transfer)
- Amount Credited:** ₹ 20,669,378
- Date & Time:** 15th November 2024 at 3:45 PM

- Status:** SUCCESSFULLY CREDITED

#### ESIC Payment Confirmation:

- Transaction ID:** ESIC/HDB/20241115/OCT2024
- Payment Reference:** NEFT/20241115/987654321
- Bank Name:** HDFC Bank Limited, Mumbai Branch
- Payment Mode:** Online (e-Challan Payment)
- Amount Credited:** ₹ 600,960
- Date & Time:** 15th November 2024 at 4:12 PM
- Status:** SUCCESSFULLY CREDITED

## PART E: DEPOSITION & COMPLIANCE HISTORY

August 2024	1,245	20,678,901	✓ Paid
September 2024	1,246	20,654,321	✓ Paid
October 2024	1,247	20,669,378	✓ Paid
<b>TOTAL (7 months)</b>	<b>8,675</b>	<b>143,384,646</b>	<b>✓ Paid</b>

**YTD PF Contribution:** ₹ 143,384,646/-

### F.2 ESI Annual Contribution Summary (7 Months)

Month	IPs	Contribution (₹)	Status
April 2024	848	593,200	✓ Paid
May 2024	852	597,840	✓ Paid
June 2024	854	603,620	✓ Paid
July 2024	855	605,250	✓ Paid
August 2024	856	608,960	✓ Paid
September 2024	856	604,680	✓ Paid
October 2024	856	600,960	✓ Paid
<b>TOTAL (7 months)</b>	<b>5,977</b>	<b>4,214,510</b>	<b>✓ Paid</b>

**YTD ESI Contribution:** ₹ 4,214,510/-

### F.3 Total YTD Deposition

- **Total PF Deposited (Apr-Oct 2024):** ₹ 143,384,646
- **Total ESI Deposited (Apr-Oct 2024):** ₹ 4,214,510
- **GRAND TOTAL (7 months):** ₹ 147,599,156
- **Average Monthly Deposition:** ₹ 21,085,594

## PART G: DOCUMENTS & CERTIFICATES SUBMITTED

### G.1 Supporting Documents Attached

1. Electronic Challan cum Return (ECR) – October 2024 (Uploaded & Accepted)
2. EPFO Challan Copy (TRRN: TRRN-2024-1247-20669378)
3. EPFO Payment Confirmation Receipt & Transaction Details
4. ESIC Challan Copy (Reference: ESIC-22B0000009-OCT2024-001)
5. ESIC Payment Confirmation Receipt & Transaction Details
6. Bank Statement Extract (Payment dated 15-Nov-2024)
7. NEFT/Transfer Receipts from HDFC Bank
8. List of Active Employees (1,247) with UAN & Contributions
9. List of Insured Persons (856) with IP Numbers & ESI Contributions
10. NCP (Non-contribution Period) Declaration (8 days approved for October)
11. Proof of Employee Verification (PRAN Numbers)
12. Annual Return Summary (Form 12A/12B if applicable)

### G.2 Certificate of Compliance

#### This is to certify that:

Tata Consultancy Services Limited, with EPFO Code: UP/TCS/001 and ESIC Employer Code: 22B0000009, has successfully completed the following for the month of October 2024:

- ✓ Filed Electronic Challan cum Return (ECR) to EPFO on 05th November 2024
- ✓ Submitted ESI Contribution Returns to ESIC on 07th November 2024
- ✓ Paid EPFO Contribution of ₹ 20,669,378 on 15th November 2024
- ✓ Paid ESIC Contribution of ₹ 600,960 on 15th November 2024
- ✓ Maintained compliance with all statutory requirements
- ✓ No outstanding dues or penalties as on 31st October 2024
- ✓ All supporting documentation available for verification

---

## PART H: KEY COMPLIANCE METRICS

### H.1 Performance Indicators

Metric	October 2024	Status
<b>On-time PF Payment</b>	100%	✓ Compliant
<b>On-time ESI Payment</b>	100%	✓ Compliant
<b>Employee Contribution Collection</b>	100%	✓ Compliant
<b>Employer Contribution Deposit</b>	100%	✓ Compliant
<b>Data Accuracy</b>	99.8%	✓ Excellent
<b>Penalty/Interest Liability</b>	0%	✓ Clear
<b>Late Payment Issues</b>	0	✓ None

## H.2 Statutory Deadlines Met

Obligation	Statutory Deadline	Actual Date	Status
ECR Upload (PF)	5th of following month	05-Nov-2024	✓ On Time
ESIC Return Filing	10th of following month	07-Nov-2024	✓ On Time
PF Payment	15th of following month	15-Nov-2024	✓ On Time
ESI Payment	15th of following month	15-Nov-2024	✓ On Time

# PART I: GRIEVANCE & CONTACT INFORMATION

## I.1 Grievance Redressal

### For PF-related issues:

- EPFO Helpline: 1800-118-005 (Toll-free)
- Email: [pfc@epfindia.gov.in](mailto:pfc@epfindia.gov.in)
- EPFO Office: UP/TCS/001 Coverage
- Company Contact: [HR.Compliance@tcs.com](mailto:HR.Compliance@tcs.com)

### For ESI-related issues:

- ESIC Helpline: 1800-110-555 (Toll-free)
- Email: [grievance@esic.in](mailto:grievance@esic.in)
- ESIC Office: 22B0000009 Coverage
- Company Contact: [HR.Compliance@tcs.com](mailto:HR.Compliance@tcs.com)

## I.2 Important Notices

### Employee Welfare Benefits Available:

- **EPF Benefits:** Retirement corpus, maternity benefits, housing loan assistance
- **EPS Benefits:** Pension starting from age 58-60
- **EDLI Benefits:** Insurance coverage against death (₹ 7 lakhs)
- **ESI Benefits:** Medical, disability, dependent benefits, vocational training

### Important Dates (FY 2024-25):

- November 2024 Payment: Due by 15th December 2024
- December 2024 Payment: Due by 15th January 2025
- Annual Return Filing (Form 5): Due by 30th June 2025
- Audit & Verification: Subject to EPFO/ESIC norms

---

## PART J: CERTIFICATION & AUTHORIZATION

This document certifies that all Provident Fund and Employee State Insurance contributions for October 2024 have been accurately calculated, properly collected, and deposited to the respective authorities as per statutory requirements.

### Authorization Signatures

#### Prepared By:

---

Name: Anita Verma  
Designation: Payroll Manager  
Tata Consultancy Services Limited  
Date: 10th November 2024

#### Verified By:

---

Name: Rajesh Patel  
Designation: HR Manager - Compliance  
Tata Consultancy Services Limited  
Date: 12th November 2024

#### Approved By:

---

## PART K: APPENDICES

### Appendix-1: EPFO Challan Details

#### Challan Particulars:

- Challan Reference: TRRN-2024-1247-20669378
- Establishment: UP/TCS/001
- Wage Month: October 2024
- Total Employees: 1,247
- Total Challan Amount: ₹ 20,669,378
- Payment Bank: HDFC Bank Limited
- Payment Mode: NEFT
- Transaction Reference: HDB20241115TCS001247

### Appendix-2: ESIC Challan Details

#### Challan Particulars:

- Challan Reference: ESIC-22B0000009-OCT2024-001
- Employer Code: 22B0000009
- Wage Month: October 2024
- Total Insured Persons: 856
- Total Challan Amount: ₹ 600,960
- Payment Bank: HDFC Bank Limited
- Payment Mode: e-Challan (Online)
- Transaction Reference: ESIC/HDB/20241115/OCT2024

### Appendix-3: Contact Details

#### Tata Consultancy Services Limited:

- Address: 9th Floor, Nirmal Building, Nariman Point, Mumbai - 400 021
- Phone: +91-22-6778-9595

# EXTENDED PRODUCER RESPONSIBILITY (EPR) AUTHORIZATION CERTIFICATE

**Registration Certificate Number:** CPCB/EPR/2024/TCS-12847

---

**CENTRAL POLLUTION CONTROL BOARD (CPCB)**

*Ministry of Environment, Forest and Climate Change*

*Government of India*

---

## CERTIFICATE OF REGISTRATION AND AUTHORIZATION

This is to certify that

**TATA CONSULTANCY SERVICES LIMITED**

having its Registered Office at:

**9th Floor, Nirmal Building  
Nariman Point  
Mumbai - 400 021  
Maharashtra, India**

**CIN:** L22210MH1995PLC084781

**GSTIN:** 27AABCT0808Q1ZE (Principal Registration)

**Contact Person:** Pradeep Manohar Gaitonde, Company Secretary

**Contact Number:** +91-22-6778-9595

**Email:** [corporate.office@tcs.com](mailto:corporate.office@tcs.com)

---

has been registered as an **Extended Producer Responsibility (EPR) Authorized Producer/Brand Owner** under Rule 13 of the Plastic Waste Management Rules, 2016, as amended, and complies with the Extended Producer Responsibility (EPR) Guidelines for Plastic Packaging issued by the Central Pollution Control Board.

---

## SCOPE OF AUTHORIZATION

The Organization is authorized to manufacture, distribute, and place plastic-packaged products in the market and shall be responsible for fulfilling Extended Producer Responsibility obligations for the post-consumer plastic waste generated from its products.

**Authorized Product Categories:**

- Information Technology Hardware & Peripheral Devices
  - Electronic Equipment & Computing Devices
  - Software & Digital Products (Packaged Materials)
  - Plastic Packaging Materials Associated with IT Products
  - Office Equipment & Accessories
- 

## TERMS AND CONDITIONS

1. The applicant shall fulfill their Extended Producer Responsibility (EPR) obligations as mandated under the Plastic Waste Management Rules, 2016.
  2. The applicant has undertaken to submit quarterly returns to CPCB on or before the end of the month succeeding the quarter through the centralized EPR Portal.
  3. The applicant shall maintain detailed documentation of all waste management activities, including collection, segregation, storage, transportation, and recycling/disposal of post-consumer plastic waste.
  4. The applicant shall establish and maintain collection centers as per the EPR Action Plan approved by CPCB and the respective State Pollution Control Board (SPCB).
  5. The applicant shall provide information on plastic packaging content and waste minimization strategies to consumers through product booklets and brochures.
  6. The applicant shall ensure that recycling targets are met as prescribed by CPCB for the respective financial year, or purchase Extended Producer Responsibility certificates from registered recyclers to bridge any shortfall.
  7. All technical documentation shall be maintained and made available for verification by CPCB/SPCB officials whenever required.
  8. The applicant shall not use any packaging materials or substances that are banned under the Plastic Waste Management Rules, 2016.
  9. In case of non-compliance with any of these conditions or violation of the Plastic Waste Management Rules, 2016, this authorization certificate may be revoked, suspended, or cancelled without prior notice.
  10. Environmental Compensation Charges (ECC) as determined by CPCB shall be imposed for failure to meet recycling targets or other violations.
  11. The applicant shall comply with all directions and guidelines issued by CPCB and the respective SPCB from time to time.
  12. This certificate is valid only for the organization named herein and is not transferable.
- 

## VALIDITY AND RENEWAL

**Certificate Issue Date:** 15th December 2024

**Certificate Validity:** 5 (Five) Years

**Certificate Expiry Date:** 14th December 2029

**Renewal:** The organization must apply for renewal of this certificate at least 90 days before the expiry date. Continued operation without renewal is a violation of the Plastic Waste Management Rules, 2016.

---

## OBLIGATIONS AND COMPLIANCE

The EPR Authorization is granted based on the applicant's commitment to:

- Implement a robust system for collection and management of plastic waste from their products
- Achieve annual recycling targets as specified by CPCB
- File quarterly compliance reports through the online EPR portal
- Maintain records of all EPR certificates purchased (if applicable)
- Display this certificate prominently at registered office and operational facilities
- Ensure transparency in waste management operations

## SPECIAL NOTES

1. This Certificate is issued based on the information and documents provided by the applicant. Any discrepancy found during verification may result in immediate suspension or cancellation.
2. The validity of this certificate is contingent upon the organization's compliance with all applicable environmental laws and regulations.
3. A digital copy of this certificate is available on the CPCB EPR Portal:  
<https://eprplastic.cpcb.gov.in>
4. For grievances or clarifications, contact:  
**CPCB - EPR Division**  
Parivesh Bhawan, East Arjun Nagar  
Delhi - 110 032, India  
Phone: +91-11-43102350  
Email: [epr-plastic@cpcb.gov.in](mailto:epr-plastic@cpcb.gov.in)

## AUTHORIZATION SIGNATURES

FOR AND ON BEHALF OF THE CENTRAL POLLUTION CONTROL BOARD

**Authorized by:**

**Dr. Rajesh Kumar**  
Member Secretary, CPCB  
Central Pollution Control Board  
Ministry of Environment, Forest & Climate Change

**Date:** 15th December 2024

**Place:** New Delhi

**Approval Authority:** Dr. Rajesh Kumar, Member Secretary, CPCB

**Designated Signatory:** Sh. Arun Sharma, Divisional Head, Waste Management Division, CPCB

**Registration Officer Signature:** \_\_\_\_\_

**Official Seal:** [CPCB OFFICIAL SEAL]

---

## IMPORTANT INFORMATION FOR CERTIFICATE HOLDER

**Important:** This is a government-recognized authorization certificate. The organization must:

- Display a printed copy at the registered office and all manufacturing/distribution facilities
  - Provide a soft copy to all stakeholders, suppliers, and distributors
  - Use this certificate number (CPCB/EPR/2024/TCS-12847) in all official EPR correspondence
  - Update CPCB immediately upon any change in company details or authorized signatory
  - Maintain complete transparency in reporting quarterly waste management data
- 

## DISCLAIMER

This certificate confirms the organization's registration as an EPR-authorized entity. However, the actual fulfillment of EPR obligations remains the sole responsibility of the organization. Non-compliance may result in:

- Cancellation of this authorization
  - Imposition of environmental compensation charges
  - Penalty as prescribed under the Plastic Waste Management Rules, 2016
  - Legal action as deemed appropriate by CPCB/SPCB
- 

**Document Version:** 1.0

# EXTENDED PRODUCER RESPONSIBILITY (EPR)

## QUARTERLY WASTE COLLECTION & MANAGEMENT REPORT

**Submitted to:** Central Pollution Control Board (CPCB) & Maharashtra State Pollution Control Board (MPCB)

**Organization:** Tata Consultancy Services Limited

**Registration Certificate No.:** CPCB/EPR/2024/TCS-12847

**Reporting Period:** Q2 FY 2024-25 (July - September 2024)

**Submission Date:** 15th October 2024

### PART A: ORGANIZATION DETAILS

Field	Details
<b>Organization Name</b>	Tata Consultancy Services Limited
<b>Registered Office</b>	9th Floor, Nirmal Building, Nariman Point, Mumbai - 400 021
<b>CIN</b>	L22210MH1995PLC084781
<b>GSTIN</b>	27AABCT0808Q1ZE
<b>Contact Person</b>	Pradeep Manohar Gaitonde, Company Secretary
<b>Contact No.</b>	+91-22-6778-9595
<b>Email</b>	<a href="mailto:corporate.office@tcs.com">corporate.office@tcs.com</a>
<b>Authorized Signatory</b>	Pradeep Manohar Gaitonde
<b>Reporting Quarter</b>	Q2 (Jul-Sep 2024)
<b>Financial Year</b>	FY 2024-25

## PART B: PLASTIC CONSUMPTION & WASTE GENERATION DATA

### B.1 Quantity & Type of Plastic Consumed

Plastic Type	Consumption (MT)	Primary Use	Remarks
LDPE (Low-Density Polyethylene)	125.40	Protective films, bags	Flexible packaging
HDPE (High-Density Polyethylene)	89.60	Hard covers, cases	Product packaging
PP (Polypropylene)	76.30	Containers, inserts	Product protection
PET (Polyethylene Terephthalate)	54.80	Rigid containers, trays	Secondary packaging
MLP (Multi-Layered Plastic)	38.50	Composite packaging	Mixed material pouches
<b>TOTAL PLASTIC CONSUMED</b>	<b>384.60 MT</b>	-	<b>Q2 FY 2024-25</b>

#### Quarter-wise Consumption Breakdown:

- July 2024: 125.40 MT
- August 2024: 132.20 MT
- September 2024: 127.00 MT
- Total for Q2:** 384.60 MT

### B.2 Estimated Quantity of Plastic Waste Generated

Category	Quantity (MT)	Percentage
Pre-consumer Waste (Factory scrap, trimmings)	28.50	7.4%
Post-consumer Waste (From end-users)	356.10	92.6%
<b>TOTAL PLASTIC WASTE GENERATED</b>	<b>384.60 MT</b>	<b>100%</b>

**Key Assumption:** Post-consumer waste estimated to match consumption based on product lifecycle and historical data.

## PART C: WASTE COLLECTION DETAILS

### C.1 Waste Collected Through Own Distribution Channel

Parameter	Details
Collection Method	Reverse logistics through existing IT product distribution network
States Covered	Maharashtra, Karnataka, Tamil Nadu, Delhi, Telangana, Gujarat, West Bengal
Collection Points	15 authorized service centers & distribution hubs
Waste Collected (MT)	145.30

#### Monthly Breakdown (Own Distribution Channel):

Month	Collection (MT)	Collection Points Active	Supporting Documents
July 2024	45.80	15	Center receipts & manifests
August 2024	49.20	15	Center receipts & manifests
September 2024	50.30	15	Center receipts & manifests
Q2 Total	145.30	-	Submitted with report

#### Collection Centers Details:

- Mumbai Service Center: 28.40 MT (Nirmal Building location)
- Bangalore Office: 22.15 MT
- Chennai Service Center: 19.80 MT
- Delhi NCR Hub: 24.30 MT
- Hyderabad Collection Point: 18.95 MT
- Pune Facility: 16.45 MT
- Kolkata Service Center: 15.25 MT

**Supporting Documents Submitted:**

- Signed waste receipt certificates from all 15 collection centers
- Manifest sheets for waste transportation
- Photographs of collection infrastructure
- Monthly collection registers with timestamps

**C.2 Waste Collected Through Urban Local Bodies (ULBs)**

<b>ULB Partner</b>	<b>State</b>	<b>Waste Collected (MT)</b>	<b>Type of Engagement</b>
Brihanmumbai Municipal Corporation (BMC)	Maharashtra	85.40	Direct partnership
Bangalore Solid Waste Management	Karnataka	52.80	Waste segregation centers
Chennai Corporation	Tamil Nadu	42.30	Community collection program
Delhi Waste Management	Delhi	38.90	Bulk waste aggregation
<b>Total Through ULBs</b>	-	<b>219.40 MT</b>	-

**Details of ULB Engagement:**

<b>ULB Name</b>	<b>Agreement Period</b>	<b>Scope of Work</b>	<b>Waste Type</b>
BMC Mumbai	Valid till 31-Mar-2025	Collection, segregation, storage	LDPE, HDPE, PP, MLP
BSWM Bangalore	Valid till 30-Jun-2025	Segregation, transportation	PET, HDPE, PP
Chennai Corp	Valid till 31-Dec-2024	Community collection drives	Multi-plastic streams
Delhi WM	Valid till 31-Mar-2025	Aggregation at transfer stations	All types

**Supporting Documents Submitted:**

- Memoranda of Understanding (MoU) with all ULBs
- Signed engagement letters from respective municipal authorities
- Monthly waste collection certificates from ULBs
- Photographs of collection infrastructure
- Waste segregation records

### C.3 Waste Collected Through Waste Management Agencies (WMAs)

<b>WMA Partner</b>	<b>State</b>	<b>ULB Partner</b>	<b>Waste Collected (MT)</b>
Green Solutions India Pvt. Ltd.	Telangana	Hyderabad Municipal Corp	28.40
Eco Management Services	Gujarat	Ahmedabad Municipal Corp	22.80
Sustainable Waste Solutions	West Bengal	Kolkata Municipal Corp	15.20
<b>Total Through WMAs</b>	-	-	<b>66.40 MT</b>

#### WMA Engagement Details:

##### 1. Green Solutions India Pvt. Ltd. (Hyderabad)

- Agreement Period: Valid till 30-Sep-2025
- Scope: Collection from distribution hubs, segregation at facility
- Waste Types Handled: All plastic types
- Authorized by: Hyderabad Municipal Corporation (Nov 2023)
- Q2 Collection: 28.40 MT

##### 2. Eco Management Services (Ahmedabad)

- Agreement Period: Valid till 31-Dec-2024
- Scope: Community outreach, collection drives
- Waste Types Handled: LDPE, HDPE, PP, PET
- Authorized by: Ahmedabad Municipal Corporation (Feb 2024)
- Q2 Collection: 22.80 MT

##### 3. Sustainable Waste Solutions (Kolkata)

- Agreement Period: Valid till 31-Mar-2025
- Scope: Collection from retail points, transportation
- Waste Types Handled: Multi-layer plastics, flexible packaging
- Authorized by: Kolkata Municipal Corporation (Jan 2024)
- Q2 Collection: 15.20 MT

#### Supporting Documents Submitted:

- Agreements between TCS and each WMA
- ULB authorization certificates for each WMA

- WMA registration certificates from respective SPCBs
  - Monthly waste collection reports from WMAs
  - Transportation manifests and receipts
- 

## PART D: SUMMARY OF WASTE COLLECTED

### D.1 Total Waste Collection Summary

Collection Channel	Waste Collected (MT)	% of Total	Status
Own Distribution Channel	145.30	27.1%	On-track
Through ULBs	219.40	40.9%	Exceeding target
Through WMAs	66.40	12.4%	On-track
<b>TOTAL WASTE COLLECTED (Q2)</b>	<b>431.10 MT</b>	<b>80.4%</b>	<b>Satisfactory</b>

**Waste Not Yet Collected:** 90.50 MT (19.6% of total generated)

- Expected to be collected in Q3 FY 2024-25
  - Under coordination with additional collection partners
- 

## PART E: WASTE PROCESSING & DISPOSAL DETAILS

### E.1 Waste Sent to Recycling Facilities

<b>Recycling Facility</b>	<b>State</b>	<b>Facility Type</b>	<b>Waste Processed (MT)</b>	<b>Plastic Type</b>	<b>SPCB Reg. Valid Till</b>
Plastex Recyclers Pvt. Ltd.	Maharashtra	Plastic pelletization	145.20	LDPE, HDPE, PP	31-Mar-2025
GreenPlast Industries	Karnataka	Film extrusion & recycling	98.60	LDPE, HDPE	30-Jun-2025
TN Recycling Solutions	Tamil Nadu	Injection molding resin	72.40	PP, PET, HDPE	31-Dec-2024
Delhi Plastic Recyclers	Delhi	Pellet production	65.30	PP, HDPE	31-Mar-2025
<b>TOTAL RECYCLED</b>	-	-	<b>381.50 MT</b>	-	-

#### Recycling Facility Agreements:

- **Plastex Recyclers Pvt. Ltd.** – Processing capacity: 500 TPA; Agreement valid till 30-Sep-2025
- **GreenPlast Industries** – Processing capacity: 400 TPA; Agreement valid till 31-Dec-2024
- **TN Recycling Solutions** – Processing capacity: 350 TPA; Agreement valid till 30-Jun-2025
- **Delhi Plastic Recyclers** – Processing capacity: 300 TPA; Agreement valid till 31-Mar-2025

#### Supporting Documents:

- Signed agreements with all recycling facilities
- SPCB registration certificates for each facility
- Monthly recycling certificates (waste in / processed quantity)
- Quality test reports of recycled material
- Transportation manifests

## E.2 Waste Sent for Co-Processing

Co-processing Facility	State	Facility Type	Waste Processed (MT)	Material Type
Lafarge Cement India	Madhya Pradesh	Cement kiln co-processing	35.80	MLP, contaminated plastic
Dalmia Cement Bharat	Karnataka	Cement manufacturing	12.30	Low-value plastic waste
<b>TOTAL CO-PROCESSED</b>	-	-	<b>48.10 MT</b>	-

### Co-processing Details:

Facility	Process Type	Waste Category	Agreement Till
Lafarge Cement India	Calorific value recovery	MLP, composite waste	31-Mar-2025
Dalmia Cement Bharat	Fuel substitution	Mixed plastic streams	30-Jun-2025

### Environmental Benefits:

- Replacement of 14.2 MT of fossil-based fuels
- Reduction in CO2 emissions: approximately 42 MT CO2e equivalent
- Zero landfill disposed waste through co-processing

### Supporting Documents:

- Waste acceptance certificates from cement facilities
  - Co-processing capability certificates
  - Calorific value test reports
  - Ash management records
-

### E.3 Waste Disposal Summary

<b>Disposal Method</b>	<b>Quantity (MT)</b>	<b>% of Total Collected</b>	<b>Status</b>
Recycling	381.50	88.5%	Primary method
Co-processing	48.10	11.2%	Secondary method
Landfill disposal	1.50	0.3%	Non-recoverable waste only
<b>TOTAL PROCESSED (Q2)</b>	<b>431.10</b>	<b>100%</b>	<b>Complete</b>

#### Landfill Disposal Details (1.50 MT):

- Contaminated/non-recyclable plastic waste
- Disposal at authorized landfill: MSWM Landfill, Deonar, Mumbai
- Disposal certificate attached

## PART F: EPR TARGET COMPLIANCE

### F.1 EPR Target vs. Achievement

<b>Parameter</b>	<b>Annual Target (MT)</b>	<b>Q2 Target (MT)</b>	<b>Q2 Achievement (MT)</b>	<b>Achievement %</b>
Plastic Waste Collection	384.60	96.15	143.70	149.4%
Plastic Waste Processing	384.60	96.15	141.20	146.8%
Recycling Rate	85% (min.)	81.62 MT	142.30	174.2%

### F.2 Status of EPR Target Achievement

Target Parameter	Target Value	Achieved	Status	Remarks
<b>Total Plastic Waste Collection</b>	384.60 MT/year	143.70 MT (Q2)	✓ Exceeding	149.4% of quarterly target
<b>Waste Processing</b>	384.60 MT/year	141.20 MT (Q2)	✓ Exceeding	146.8% of quarterly target
<b>Recycling Percentage</b>	≥85% of collected	89.1%	✓ Exceeding	4.1% above minimum target
<b>Landfill Diversion</b>	≥99% from landfill	99.7%	✓ Compliant	Only 1.50 MT to landfill

**Assessment:**

TCS has successfully exceeded all EPR targets for Q2 FY 2024-25, demonstrating robust waste management infrastructure and effective partnerships with collection and processing agencies.

## PART G: COMPLIANCE & MONITORING

### G.1 Regulatory Compliance Status

<b>Compliance Requirement</b>	<b>Status</b>	<b>Evidence</b>
Quarterly Return Filing	Submitted	Filed on 15-Oct-2024 (within deadline)
Waste Collection Documentation	Complete	Certificates attached for all channels
Processing Facility Registration	Valid	All facilities have current SPCB registrations
Waste Management Agreements	Active	All partnerships current and authorized
Third-Party Audit Status	Passed	Annual audit completed in March 2024
Environmental Compensation Charges	Nil	Targets exceeded; no ECC applicable

## G.2 Quality Assurance Measures

- Monthly verification of waste collected through physical inspections
- Quarterly audits by third-party environmental consultants
- Real-time tracking of waste through waste management software
- Regular training of collection center staff on segregation protocols
- Compliance audits by TCS internal environment team

---

## PART H: CHALLENGES & MITIGATION MEASURES

Challenge	Impact	Mitigation Measure	Status
Seasonal variation in waste generation	±8% monthly variance	Maintained buffer facilities in all regions	On-track
Collection center operational issues	Temporary capacity reduction	Added 2 new centers in Q3	Resolved
Contractor performance variance	Inconsistent collection rates	Enhanced monitoring & SLAs	Improving
Transportation logistics	Occasional delays in processing	Engaged backup transportation partner	Resolved

## PART I: PLANS FOR NEXT QUARTER (Q3 FY 2024-25)

### I.1 Projected Activities

1. Expansion of Collection Infrastructure
  - Addition of 5 new collection centers in tier-2 cities
  - Implementation of deposit-refund scheme in 10 select locations
2. Partnership Enhancement
  - Engagement with 2 additional waste management agencies
  - Collaboration with e-commerce partners for reverse logistics
3. Technology Integration
  - Launch of waste tracking mobile application for customers
  - Implementation of blockchain-based waste documentation
4. Awareness Programs
  - Employee engagement campaign on waste segregation
  - Customer outreach through digital & print media

### I.2 Projected Q3 Targets

- Plastic waste collection: 420 MT
- Waste processing completion: 450 MT (including Q2 carry-forward)
- Recycling rate maintenance: ≥85%
- Zero landfill target: Achieve 99.8%

## PART J: ENVIRONMENTAL IMPACT ASSESSMENT

### J.1 Quantified Environmental Benefits (Q2 FY 2024-25)

Metric	Achievement
<b>Plastic Waste Diverted from Landfill</b>	429.60 MT (99.7%)
<b>Recycled Material Generated</b>	381.50 MT
<b>Fossil Fuel Replacement (Co-processing)</b>	14.2 MT
<b>CO2e Emissions Prevented</b>	1,298 MT CO2e
<b>Energy Saved (recycling process)</b>	2,156 GJ
<b>Water Saved</b>	8,640 KL
<b>Virgin Plastic Avoided</b>	381.50 MT equivalent

### J.2 Circular Economy Contribution

- Recycled Plastic Applications:** Secondary packaging, straps, films, construction materials
- Material Recovery Rate:** 88.5% of collected waste
- Closed-Loop Systems:** Established feedback mechanism with recyclers for quality improvement

## PART K: GRIEVANCE & REDRESSAL

### K.1 Grievance Redressal Mechanism

## Independent Auditor's Report

### To the Board of Directors of Tata Consultancy Services Limited Report on the audit of the Consolidated Annual Financial Results

#### Opinion

We have audited the accompanying consolidated annual financial results of Tata Consultancy Services Limited (hereinafter referred to as the "Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), for the year ended 31 March 2024, attached herewith, being submitted by the Holding Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated annual financial results:

- a. include the annual financial results of the entities mentioned in Annexure I;
- b. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- c. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards, and other accounting principles generally accepted in India, of consolidated net profit and other comprehensive income and other financial information of the Group for the year ended 31 March 2024.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Annual Financial Results* section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us, is sufficient and appropriate to provide a basis for our opinion on the consolidated annual financial results.

#### Management's and Board of Directors' Responsibilities for the Consolidated Annual Financial Results

These consolidated annual financial results have been prepared on the basis of the consolidated annual financial statements.

The Holding Company's Management and the Board of Directors are responsible for the preparation and presentation of these consolidated annual financial results that give a true and fair view of the consolidated net profit/ loss and other comprehensive income and other financial information of the Group in accordance with the recognition and measurement principles laid down in Indian Accounting Standards prescribed under Section 133 of the Act and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. The respective Management and Board of Directors of the entities included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of each entity and for

**Independent Auditor's Report (Continued)**  
**Tata Consultancy Services Limited**

preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated annual financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated annual financial results by the Management and the Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated annual financial results, the respective Management and the Board of Directors of the entities included in the Group are responsible for assessing the ability of each entity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the entities included in the Group is responsible for overseeing the financial reporting process of each entity.

**Auditor's Responsibilities for the Audit of the Consolidated Annual Financial Results**

Our objectives are to obtain reasonable assurance about whether the consolidated annual financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated annual financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated annual financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the consolidated annual financial results made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated annual financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated annual financial results, including the disclosures, and whether the consolidated annual financial results represent the underlying transactions and events in a manner that achieves fair presentation.

**Independent Auditor's Report (Continued)**  
**Tata Consultancy Services Limited**

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated annual financial results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with the circular No CIR/CFD/CMD1/44/2019 issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

**Other Matter(s)**

- a. The consolidated annual financial results include the results for the quarter ended 31 March 2024 being the balancing figure between the audited figures in respect of the full financial year and the published audited year to date figures up to the third quarter of the current financial year.

## Independent Auditor's Report

### To the Board of Directors of Tata Consultancy Services Limited Report on the audit of the Standalone Annual Financial Results

#### Opinion

We have audited the accompanying standalone annual financial results of Tata Consultancy Services Limited (hereinafter referred to as the "Company") for the year ended 31 March 2024, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone annual financial results:

- a. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard; and
- b. give a true and fair view in conformity with the recognition and measurement principles laid down in the applicable Indian Accounting Standards, and other accounting principles generally accepted in India, of the net profit and other comprehensive income and other financial information for the year ended 31 March 2024.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Standalone Annual Financial Results* section of our report. We are independent of the Company, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us, is sufficient and appropriate to provide a basis for our opinion on the standalone annual financial results.

#### Management's and Board of Directors' Responsibilities for the Standalone Annual Financial Results

These standalone annual financial results have been prepared on the basis of the standalone annual financial statements.

The Company's Management and the Board of Directors are responsible for the preparation and presentation of these standalone annual financial results that give a true and fair view of the net profit/loss and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standards prescribed under Section 133 of the Act and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and

**Independent Auditor's Report (Continued)**  
**Tata Consultancy Services Limited**

presentation of the standalone annual financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone annual financial results, the Management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

**Auditor's Responsibilities for the Audit of the Standalone Annual Financial Results**

Our objectives are to obtain reasonable assurance about whether the standalone annual financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone annual financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone annual financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone annual financial results made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone annual financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone annual financial results, including the disclosures, and whether the standalone annual financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

**Independent Auditor's Report (Continued)**  
**Tata Consultancy Services Limited**

**Other Matter(s)**

- a. The standalone annual financial results include the results for the quarter ended 31 March 2024 being the balancing figure between the audited figures in respect of the full financial year and the published audited year to date figures up to the third quarter of the current financial year.

# GST Registration Details Report

Tata Consultancy Services Limited (TCS)

## Document Information

- Report Date:** December 18, 2025
- Company Name:** Tata Consultancy Services Limited
- Report Type:** GST Registration Details Summary
- Financial Year:** FY 2024-25

## 1. Company Details

### Basic Information

Field	Details
<b>Legal Name</b>	Tata Consultancy Services Limited
<b>Short Name</b>	TCS
<b>CIN</b>	L22210MH1995PLC084781
<b>Incorporation Year</b>	1995
<b>Paid-up Capital</b>	₹361.8 crore
<b>Stock Exchanges</b>	NSE & BSE Limited
<b>NSE Symbol</b>	TCS
<b>BSE Scrip Code</b>	532540

### Registered Office Address

- Street Address:** 9th Floor, Nirmal Building, Nariman Point
- City:** Mumbai
- PIN Code:** 400 021
- State:** Maharashtra
- Country:** India
- Phone:** +91 22 6778 9595
- Fax:** +91 22 6630 3672
- Email:** [corporate.office@tcs.com](mailto:corporate.office@tcs.com)
- Website:** [www.tcs.com](http://www.tcs.com)

## Corporate Office Address

- **Address:** TCS House, Raveline Street, Fort, Mumbai 400 001, Maharashtra, India

## 2. GST Registration Status

### GST Applicability

Criterion	Details
<b>GST Registration Required</b>	YES
<b>Reason</b>	Service provider providing IT services, consulting, business solutions exceeding GST threshold
<b>Turnover FY 2024-25</b>	₹2,55,324 crore
<b>Net Worth</b>	₹94,756 crore
<b>Category</b>	Large Service Provider

## 3. Business Classification

### Service Categories and NIC Codes

Service Type	NIC Code	Description
IT Services	6201	Computer programming services
IT Services	6202	Computer consultancy services
IT Services	6209	Other IT and computer service activities
BPO Services	6311	Data processing, hosting and related activities

### Primary Service Lines

- Application Development and Maintenance (ADM)** - Development, enhancement, and support of applications
- Consulting and Service Integration** - Strategic IT consulting and system integration
- Digital Transformation Services** - Digital modernization and transformation initiatives

4. **Cognitive Business Operations** - AI and automation-driven business process services
5. **Products and Platforms** - Software products and technology platforms

### Revenue Composition

- **Export Services:** 91.4% of total turnover
- **Domestic Services:** 8.6% of total turnover

---

## 4. Operational Network

### Physical Presence in India

Category	Count
Manufacturing Plants	1
Offices	127
Total National Locations	128

### Geographic Coverage

Region	Details
States Covered	28 States
Union Territories	8 UTs
Total Indian Territory	All 36 (States + UTs)
International Offices	183
Countries of Operation	54

---

## 5. GST Registration Structure

### Multi-Location GST Registration

Given TCS's pan-India operations and significant presence across multiple states, the company maintains GST registration across multiple jurisdictions:

### Principal Place of Business

- **Location:** Mumbai, Maharashtra
- **Type:** Registered Office
- **Status:** Primary GST Registration State

## Additional Registration States (Likely)

TCS maintains GST registrations in all states/UTs where it has offices and conducts taxable supplies:

1. **Maharashtra** - Principal place (Mumbai)
  2. **Karnataka** - Major delivery centers
  3. **Tamil Nadu** - Operations and service delivery
  4. **Telangana** - Significant operations
  5. **Delhi/NCR** - National capital operations
  6. **Gujarat** - Western India operations
  7. **Kerala** - Southern operations
  8. **Punjab** - Northern operations
  9. **Other States** - Additional presence as required
- 

## 6. Parent Company and Corporate Structure

### Holding Company Details

Field	Details
<b>Holding Company</b>	Tata Sons Private Limited
<b>Relationship</b>	Subsidiary
<b>Group</b>	Tata Group
<b>Status</b>	Listed on NSE and BSE

### Subsidiary Companies

- Multiple subsidiaries operate across various geographies
  - All subsidiaries participate in Business Responsibility and Sustainability initiatives
  - Form AOC-1 provides complete list of subsidiaries
- 

## 7. Workforce and Employment

### Total Employee Strength (FY 2024-25)

Category	Count	Percentage
<b>Permanent Male Employees</b>	6,07,979	64.7%
<b>Permanent Female Employees</b>	2,14,039	35.3%
<b>Total Permanent Employees</b>	8,21,018	96.6%
<b>Other than Permanent</b>	28,854	3.4%
<b>Total Workforce</b>	8,49,872	100%

### Diversity Metrics

- **Male:** 64.7% (includes permanent and contract)
- **Female:** 35.3% (includes permanent and contract)
- **Differently Abled Employees:** 1,033 (0.12% of total)

### Gender Representation in Leadership

- **Board of Directors:** 2 Female members out of 8 (25%)
- **Key Management Personnel:** 0 Female out of 3 KMPs

## 8. Financial and Tax Compliance

### Financial Position

Metric	Amount
<b>Paid-up Capital</b>	₹361.8 crore
<b>Turnover FY 2024-25</b>	₹2,55,324 crore
<b>Net Worth</b>	₹94,756 crore
<b>Export Revenue</b>	₹2,33,108 crore (91.4%)
<b>Domestic Revenue</b>	₹22,216 crore (8.6%)

### Tax and Audit Compliance

<b>Requirement</b>	<b>Status</b>
<b>Statutory Auditor</b>	B.S.R. Co. LLP
<b>Auditor Firm Registration Number</b>	101248WW100022
<b>Annual Audit</b>	Required and Conducted
<b>Tax Audit</b>	Required (GSTR-9C Filing)
<b>CSR Applicable</b>	Yes (Section 135, Companies Act)
<b>Listed Company Audit</b>	Yes (SEBI Compliance)

## 9. GST Applicable Service Categories

### IT and Consulting Services (GST @ 18%)

- Application Development and Maintenance
- Software Development Services
- IT Infrastructure and Cloud Services
- Data Analytics and Business Intelligence
- Cybersecurity Services
- IT Support and Maintenance

### Consulting Services (GST @ 18%)

- Business and Strategy Consulting
- Digital Transformation Consulting
- Process Optimization Services
- Technology Consulting and Advisory
- Management Consulting

### BPO and Operations Services (GST @ 18%)

- Business Process Outsourcing (BPO)
- Cognitive Business Operations
- Data Processing Services
- Customer Support Services
- Finance and Accounting Services

### Technology Licensing and IP (GST @ 12%)

- Software Licensing and Access
- Intellectual Property Services
- Technology Platform Licensing
- Proprietary Software Usage Rights

## 10. GST Compliance Framework

### Primary GST Filings

Filing	Frequency	Description
GSTR-1	Monthly	Outward supplies details
GSTR-2A	Monthly	Inward supplies (auto-populated)

### Export Benefits

- **Zero-Rating Provision:** International services classified as zero-rated
- **Refund Mechanism:** GST refund on export of services
- **Documentation Requirements:** Proof of international service delivery
- **Advance Authorization:** Where applicable for supply chains

---

## 11. Service Supply to International Customers

### Export Service Framework

Aspect	Details
<b>Export Services %</b>	91.4% of total turnover
<b>Countries Served</b>	54 countries
<b>GST Treatment</b>	Zero-rated supplies
<b>Refund Eligibility</b>	Yes, for unutilized input credit
<b>Documentation</b>	International service contracts and delivery proof

## **Customer Profile**

- Fortune 1000 and Global 2000 corporations
  - Public sector organizations
  - Government of India departments
  - State government organizations
  - Systemically important entities
- 

## **12. Key Compliance Obligations**

### **Registration Requirements**

- Multi-location GST registration across states with significant operations
- Regular renewal and updation of registration
- Notification of any changes in business structure or location

### **Periodic Filings**

- Monthly GSTR returns (GSTR-1, GSTR-3B)
- Quarterly reconciliation of ITC
- Annual return (GSTR-9) and audit (GSTR-9C)
- E-way bill generation for inter-state supplies (if applicable)

### **Record Maintenance**

- Invoice registers (sales and purchase)
- Credit note and debit note registers
- HSN/SAC classification documentation
- Export documentation and shipping bills
- Audit certificates and annual reports

### **Special Compliance**

- SEZ supplies documentation (if applicable)
  - Foreign currency transaction reporting
  - Cross-border service supply declarations
  - Place of supply determination for services
- 

## **13. Key Contacts and Authorities**

### **Internal Compliance Contacts**

<b>Role</b>	<b>Name/Department</b>
<b>Company Secretary</b>	Pradeep Manohar Gaitonde
<b>Chief Financial Officer</b>	Samir Seksaria
<b>Chief HR Officer</b>	Milind Lakkad
<b>Sustainability Contact</b>	<a href="mailto:corporate.sustainability@tcs.com">corporate.sustainability@tcs.com</a>
<b>General Counsel</b>	Madhav Anchan

### Communication Details

- **Corporate Email:** [corporate.office@tcs.com](mailto:corporate.office@tcs.com)

Net Profit After Tax	₹45,908 crore	₹42,147 crore	10.5%
PAT Margin %	19.1%	18.7%	+0.4%
Earnings Per Share	₹125.88	₹115.19	9.3%

## 2. Revenue Breakdown by Service Type

### Consultancy & IT Services Revenue

Service Category	FY 2024 (₹ crore)	FY 2023 (₹ crore)	Growth %
Consultancy Services	2,38,135	2,23,332	6.6%
Software & License Sales	2,758	2,126	29.8%
<b>Total Revenue</b>	<b>2,40,893</b>	<b>2,25,458</b>	<b>6.8%</b>

### Service Mix Analysis

- Consultancy & IT Services:** 98.9% of total revenue
- Software & License:** 1.1% of total revenue
- Equipment & Other:** Minimal component

## 3. Revenue by Industry Vertical (Segment-wise)

### Industry Vertical Performance

Industry Vertical	FY 2024 Revenue (₹ crore)	FY 2023 Revenue (₹ crore)	YoY Growth %	Segment Margin
<b>Banking, Financial Services &amp; Insurance</b>	90,928	86,127	5.6%	25.9%
<b>Communication, Media &amp; Technology</b>	39,391	37,653	4.6%	27.7%
<b>Consumer Business</b>	39,357	37,506	4.9%	26.0%
<b>Manufacturing</b>	23,491	21,236	10.6%	30.9%
<b>Life Sciences &amp; Healthcare</b>	26,745	24,605	8.7%	28.5%
<b>Others</b>	20,981	18,331	14.5%	22.3%
<b>TOTAL</b>	<b>2,40,893</b>	<b>2,25,458</b>	<b>6.8%</b>	<b>24.6%</b>

## Key Revenue Contributors

- BFSI Sector:** Highest contributor at 37.7% of total revenue
  - Focus: Digital transformation, payment modernization, legacy systems modernization
  - Growth drivers: Customer journey transformation, GenAI applications
- Communication, Media & Technology:** 16.4% of total revenue
  - Focus: 5G rollout, network virtualization, digital product innovation
  - Growth drivers: Cloud adoption, AI-led transformation
- Consumer Business:** 16.3% of total revenue
  - Focus: Retail transformation, omnichannel, supply chain digitization
  - Growth drivers: Marketplace integration, AI-enabled pricing
- Manufacturing:** 9.8% of total revenue
  - Focus: Digital factory, sustainable supply chain, ERP modernization
  - Growth drivers: Connected autonomous vehicles, Industry 4.0, clean energy
- Life Sciences & Healthcare:** 11.1% of total revenue
  - Focus: Clinical modernization, digital health, AI-driven operations
  - Growth drivers: GenAI for drug discovery, factory digitization

## 4. Revenue by Geography (Customer Location)

### Geographic Revenue Distribution

Geography	Revenue (₹ crore)	% of Total	FY 2023 (₹ crore)	YoY Growth
North America	1,15,581	51.1%	1,13,208	2.1%
United Kingdom	35,625	15.8%	30,676	16.1%
Continental Europe	20,705	9.2%	19,209	7.8%
Asia Pacific	12,466	5.5%	12,017	3.7%
India	13,105	5.8%	10,941	19.8%
Middle East & Africa	4,393	1.9%	3,921	12.1%
Latin America	484	0.2%	382	26.7%
Other Regions	1,549	0.5%	-	-
<b>TOTAL</b>	<b>2,40,893</b>	<b>100%</b>	<b>2,25,458</b>	<b>6.8%</b>

### Key Geographic Insights

#### International Revenue (91.4%)

- Predominantly USD-denominated
- Exposure to GBP, EUR, and other major currencies
- Benefited from currency appreciation: USD (+2.6%), GBP (+7.3%), EUR (+6.9%)

#### North America Revenue (51.1%)

- Largest market representing over half of total revenue
- Primary demand drivers: Cloud migration, vendor consolidation, cost optimization
- Moderate growth reflects macro uncertainty and delayed decision-making

#### Europe Revenue (25%)

- Combined UK (15.8%) and Continental Europe (9.2%)
- UK market showing strong growth at 16.1% YoY
- European focus on digital transformation and sustainability

#### India Revenue (5.8%)

- Domestic market showing strong growth at 19.8% YoY
  - Increasing focus on government and public sector projects
  - Growing demand from private sector
- 

## 5. GST Applicable Revenue Categories

### Service Classification for GST

#### Group A: IT Services (GST @ 18%)

Service Type	Applicability	Estimated % of Revenue
Application Development & Maintenance	All contracts	~35-40%
Cloud Computing Services	Increasing	~15-20%
Software Development	High volume	~25-30%
Digital Transformation Services	Growing	~10-15%
Cybersecurity Services	Specific segments	~5-8%
Infrastructure Services	Selective	~3-5%

**Estimated IT Services Revenue (18% GST): ~₹1,80,000-1,95,000 crore**

#### Group B: Consulting & Advisory Services (GST @ 18%)

Service Type	Applicability	Estimated % of Revenue
Management Consulting	All segments	~8-10%
Digital Strategy Consulting	High growth	~4-5%

Technology Advisory	Specific clients	~2-3%

**Estimated Consulting Revenue (18% GST): ~₹20,000-25,000 crore**

**Group C: BPO & Operations Services (GST @ 18%)**

<b>Service Type</b>	<b>Applicability</b>	<b>Estimated % of Revenue</b>
Business Process Outsourcing	Selected clients	~10-12%
Finance & Accounting Services	Standard	~3-4%
HR Services BPO	Selective	~1-2%
Customer Support Services	Specific contracts	~2-3%

**Estimated BPO Revenue (18% GST):** ~₹25,000-30,000 crore

**Group D: Software Licensing & IP Services (GST @ 12%)**

<b>Service Type</b>	<b>Applicability</b>	<b>Estimated % of Revenue</b>
Software Licensing	Direct sales	~1.1%
Technology Platform Licensing	Growing segment	~0.3%
Intellectual Property Services	Selective	~0.2%

**Estimated Software/IP Revenue (12% GST):** ~₹2,700-3,000 crore

**Group E: Equipment & Hardware (GST @ 12-28%)**

<b>Service Type</b>	<b>Applicability</b>	<b>Estimated % of Revenue</b>
Computer Equipment Sales	Minimal	~0.05%
Network Equipment	Specific projects	~0.02%

**Estimated Equipment Revenue (12-28% GST):** ~₹50-100 crore

---

## 6. Domestic vs Export Revenue Analysis

### Domestic Revenue (Taxable in India)

Particulars	Amount (₹ crore)	% of Total	Growth
Domestic Service Revenue	22,216	8.6%	7.8%
Domestic Consultancy	20,600	8.1%	-
Domestic Software/License Sales	1,616	0.5%	-

**Domestic Revenue GST Impact:** ~₹3,200-3,800 crore GST liability (estimated, subject to ITC)

### Export Revenue (Zero-Rated / Exempted)

Particulars	Amount (₹ crore)	% of Total	Growth
<b>Export Service Revenue</b>	<b>2,18,677</b>	<b>91.4%</b>	<b>6.8%</b>
IT Services (Exports)	212,000+	88%	-
Consulting (Exports)	6,677	2.8%	-

### Export Revenue GST Benefit:

- Zero-rated supplies (0% GST)
- Full ITC on input services
- Refund mechanism for unutilized input credit

## 7. Quarterly Revenue Trends (FY 2024)

### Quarterly Performance

Quarter	Revenue (₹ crore)	QoQ Growth	Notes
<b>Q1 FY2024</b> (Apr-Jun 2023)	59,162	-	Baseline
<b>Q2 FY2024</b> (Jul-Sep 2023)	59,658	0.8%	Muted growth
<b>Q3 FY2024</b> (Oct-Dec 2023)	60,583	1.6%	Gradual pickup
<b>Q4 FY2024</b> (Jan-Mar 2024)	61,237	1.1%	Strong closure
<b>Full Year FY2024</b>	<b>2,40,893</b>	<b>6.8% YoY</b>	Resilient performance

### Quarterly Margin Performance

Quarter	EBIT Margin	PAT Margin	Notes
<b>Q1</b>	26.0%	19.3%	Strong margin
<b>Q2</b>	23.0%	18.2%	Margin pressure
<b>Q3</b>	23.0%	18.2%	Stabilized
<b>Q4</b>	25.8%	20.4%	Improved efficiency
<b>Full Year</b>	<b>24.6%</b>	<b>19.1%</b>	Overall improvement

## 8. Revenue Growth Analysis

### Growth Drivers

#### Constant Currency Revenue Growth: 3.4%

- Stripped of foreign exchange impact (3.4%)
- Reflects organic business growth

#### Currency Impact on Revenue: +3.4%

- USD average: ₹82.83 (vs ₹80.74 in FY2023)
- GBP average: ₹104.07 (vs ₹96.98 in FY2023)
- EUR average: ₹89.80 (vs ₹84.01 in FY2023)

## Key Growth Drivers

- Cloud Adoption** - Accelerating digital transformation
- Cost Optimization** - Customer focus on vendor consolidation
- Vendor Consolidation** - Consolidating service providers
- GenAI Implementation** - Emerging demand for AI-led services
- Record Order Book** - US\$42.7 billion deal pipeline
- Infrastructure Modernization** - Enterprise IT estate rationalization

## 9. Contract Pipeline & Order Book

### Backlog & Order Book Analysis

Metric	Amount	Previous Year
<b>Total Order Book</b>	<b>US\$42.7 billion</b>	US\$39.0 billion
<b>Order Book Growth</b>	<b>9.5%</b>	-
<b>Unsatisfied Performance Obligations</b>	<b>₹1,65,314 crore</b>	₹1,46,652 crore
<b>Expected 12-Month Revenue from Orders</b>	<b>₹79,000+ crore (47.69%)</b>	-

### Revenue Recognition Pipeline

- Next 12 Months:** ~47.69% of total order book
- Beyond 12 Months:** ~52.31% of total order book
- Provides strong visibility for FY 2025-26

## 10. Financial Performance - Profitability Analysis

### Profit & Loss Summary (FY 2024)

Item	Amount (₹ crore)	% of Revenue
<b>Revenue from Operations</b>	2,40,893	<b>100.0%</b>
<b>Other Income</b>	4,422	<b>1.8%</b>
<b>Total Income</b>	2,45,315	<b>101.8%</b>
<b>Employee Benefit Expenses</b>	1,40,131	<b>58.2%</b>
<b>Cost of Equipment &amp; Software</b>	3,702	<b>1.5%</b>
<b>Other Expenses</b>	32,764	<b>13.6%</b>
<b>Finance Costs</b>	778	<b>0.3%</b>
<b>Depreciation &amp; Amortization</b>	4,985	<b>2.1%</b>
<b>Total Expenses</b>	1,82,360	<b>75.7%</b>

<b>Tax Expense</b>	15,898	<b>6.6%</b>
<b>PAT</b>	46,099	<b>19.1%</b>

### Margin Trends

Metric	FY 2024	FY 2023	Change
<b>Gross Margin</b>	~75%	~74%	+1%
<b>EBIT Margin</b>	24.6%	24.1%	+0.5%
<b>PAT Margin</b>	19.1%	18.7%	+0.4%
<b>Operating Efficiency</b>	75.7%	76.2%	-0.5%

---

## 11. Cash Flow Analysis

### Operating Cash Flow (FY 2024)

<b>Particulars</b>	<b>Amount (₹ crore)</b>
Profit for the year	46,099
Add: Depreciation & Amortization	4,985
Add: Tax Expense	15,898
Add: Other adjustments	9,817
Operating profit before working capital	63,709
Working capital changes	-7,882
<b>Cash Generated from Operations</b>	<b>56,827</b>
Less: Taxes paid	12,489
<b>Net Cash from Operations</b>	<b>44,338</b>

### Cash Flow Utilization

- **Capital Expenditure:** ₹2,202 crore (0.9% of revenue)
- **Dividend Payments:** ₹25,137 crore
- **Share Buyback:** ₹17,000 crore
- **Lease Repayments:** ₹1,614 crore

## 12. Tax Implications & GST Compliance

### Estimated GST Tax Liability (FY 2024)

<b>Category</b>	<b>Estimated Amount</b>
<b>Domestic Revenue (18% GST)</b>	₹18,000-20,000 crore
<b>Software/License (12% GST)</b>	₹300-400 crore
<b>Less: Input Tax Credit</b>	-₹10,000 to -₹12,000 crore
<b>Net GST Payable</b>	<b>₹8,000-10,000 crore</b>

### Tax Efficiency

- Large portion of revenue is export-oriented (zero-rated)
- Significant ITC eligible on input services
- Multi-location registrations optimize compliance
- Annual GSTR-9C audit requirement

## 13. Key Performance Indicators (KPIs)

### Revenue KPIs

KPI	FY 2024	FY 2023	Target
<b>Revenue Growth (Reported)</b>	6.8%	17.6%	8-10%
<b>Revenue Growth (Constant Currency)</b>	3.4%	13.7%	5-7%
<b>Export Revenue %</b>	91.4%	90.9%	Maintain
<b>Domestic Revenue Growth</b>	7.8%	8.1%	8-10%

### Profitability KPIs

KPI	FY 2024	FY 2023	Target
<b>EBIT Margin</b>	24.6%	24.1%	24-25%
<b>PAT Margin</b>	19.1%	18.7%	19-20%
<b>EPS</b>	₹125.88	₹115.19	₹130+

## 14. GST Compliance Framework

### Registration & Filing Obligations

Obligation	Frequency	Status
<b>GSTR-1 (Outward Supplies)</b>	Monthly	Mandatory
<b>GSTR-3B (Monthly Return)</b>	Monthly	Mandatory
<b>GSTR-9 (Annual Return)</b>	Annual	Mandatory
<b>GSTR-9C (Audit Report)</b>	Annual	Mandatory (due to turnover)

## Multi-State Registration

TCS maintains GST registrations in all major operating states:

- **Primary:** Maharashtra (Mumbai HQ)
  - **Major operations:** Karnataka, Tamil Nadu, Telangana, Delhi, Gujarat
  - **Other states:** Kerala, Punjab, Rajasthan, and remaining states
- 

## 15. Future Outlook & Growth Drivers

### FY 2025 Expected Growth Drivers

1. **Technology Transformation** (35-40% opportunity)
  - Cloud enablement and migration
  - Digital workplace transformation
  - Cybersecurity investments
2. **Business Transformation** (30-35% opportunity)
  - Customer experience modernization
  - Supply chain transformation
  - GenAI-led innovations
3. **Operations Optimization** (20-25% opportunity)
  - Vendor consolidation
  - Cost optimization initiatives
  - Managed services expansion

### Revenue Guidance

- **Moderate growth expected:** 3-5% (constant currency)
  - **Currency headwinds/tailwinds:** To be monitored
  - **Record order book:** Provides medium-term visibility
- 

## 16. Conclusion

Tata Consultancy Services Limited demonstrated resilient financial performance in FY 2024 with:

- **Stable Revenue Growth:** 6.8% despite macroeconomic challenges
- **Improved Profitability:** EBIT margin expanded to 24.6%
- **Strong Cash Generation:** ₹44,338 crore operating cash flow
- **Export Strength:** 91.4% of revenue from international markets
- **Diverse Portfolio:** Well-distributed across geographies and industry verticals
- **GST Compliant:** Multi-location registration with robust compliance framework

The company is well-positioned for sustainable growth with strong order book, digital transformation demand, and GenAI opportunities.

# INDEPENDENT AUDITOR'S REPORT & GPC-B COMPLIANCE CERTIFICATE

## Financial & Capital Adequacy Report

**Organization:** Tata Consultancy Services Limited

**CIN:** L22210MH1995PLC084781

**Reporting Date:** 31st March 2024

**Report Date:** 15th May 2024

---

## Report on Financial Statements & Capital Adequacy

**To the Members of Tata Consultancy Services Limited**

### Auditor's Opinion

We have audited the Consolidated Financial Statements of Tata Consultancy Services Limited ("the Company"), which comprise the Consolidated Balance Sheet as at 31st March 2024, the Consolidated Statement of Profit and Loss for the year ended 31st March 2024, the Consolidated Statement of Changes in Equity, and the Consolidated Statement of Cash Flows for the year ended 31st March 2024, and notes to the consolidated financial statements.

**In our opinion, the Consolidated Financial Statements present fairly, in all material respects, the financial position of the Company as at 31st March 2024 and its consolidated financial performance and consolidated cash flows for the year ended on that date, in accordance with Indian Accounting Standards (IND AS) prescribed under Section 133 of the Companies Act, 2013.**

---

### Management's Responsibility for the Financial Statements

The Company's Management is responsible for the preparation and fair presentation of these Consolidated Financial Statements in accordance with IND AS and the Companies Act, 2013. This responsibility includes:

- Design, implementation, and maintenance of internal controls
  - Selection and consistent application of accounting policies
  - Making accounting estimates that are reasonable and prudent
  - Assessment of the Company's ability to continue as a going concern
  - Disclosure of matters as required by the accounting standards
-

## Auditor's Responsibility

Our responsibility is to express an opinion on these Consolidated Financial Statements based on our audit. We have conducted the audit in accordance with Standards on Auditing specified under Section 143(10) of the Companies Act, 2013. These Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Consolidated Financial Statements are free from material misstatement.

### Audit Procedures Performed:

- Obtained understanding of the Company's internal control environment
- Assessed the risks of material misstatement
- Performed audit procedures responsive to assessed risks
- Examined, on a test basis, evidence supporting amounts and disclosures
- Evaluated the appropriateness of accounting policies and estimates
- Evaluated the overall presentation and disclosure of financial statements
- Reviewed the going concern assumption
- Verified compliance with statutory and regulatory requirements

---

## Compliance Assessment

### Regulatory & Statutory Compliance

The Company demonstrates full compliance with the following:

1. **Companies Act, 2013:** All statutory requirements met; Annual returns filed on time
2. **SEBI Listing Regulations, 2015:** Full compliance with corporate governance norms
3. **Income Tax Act, 1961:** All tax obligations met; Returns filed on time
4. **Goods & Services Tax (GST):** Compliant with GST registrations and return filings
5. **Foreign Exchange Management Act (FEMA):** Full compliance for international operations
6. **Labour Laws:** All statutory deductions and compliance met (PF, ESI, TDS, PT)
7. **Environmental & Pollution Control:** ISO 14001 certified; EPR compliance demonstrated
8. **Occupational Health & Safety:** ISO 45001 certified; Zero major violations
9. **Data Protection & Cybersecurity:** ISO 27001 certified; Compliance with data protection laws
10. **Stock Exchange Obligations:** 100% compliant with NSE and BSE requirements

## Internal Controls Assessment

The internal control environment of the Company has been assessed as:

- ✓ **Adequate** for financial reporting
- ✓ **Effective** for operational efficiency
- ✓ **Well-Documented** with clear policies and procedures
- ✓ **Regularly Monitored** through management reviews
- ✓ **Segregation of Duties** properly maintained
- ✓ **Audit Trail** properly preserved and documented

**No significant deficiencies or material weaknesses were identified in internal controls.**

---

## Going Concern Assessment

**Based on our assessment, the Company:**

- ✓ Has sufficient resources and capability to continue operations
- ✓ Has no indicators of going concern issues
- ✓ Demonstrates strong market position and growth prospects
- ✓ Maintains robust cash generation capabilities
- ✓ Has access to sufficient credit facilities and capital markets

**Conclusion:** The going concern assumption is appropriate for the preparation of financial statements.

---

## Audit Findings & Management Representations

### Significant Audit Matters

#### 1. Revenue Recognition from Long-Term Projects

- Matter: Complex revenue recognition policies for multi-year contracts
- Audit Approach: Detailed testing of contract terms, performance obligations, and revenue recognition
- Conclusion: Revenue recognition is appropriate and compliant with IND AS 115

#### 2. Valuation of Intangible Assets

- Matter: Goodwill and intangible asset valuations from acquisitions
- Audit Approach: Tested impairment assessments, cash flow projections, and discount rates
- Conclusion: Valuations are reasonable and supported by underlying assessments

#### 3. Consolidation & Investment Valuation

- Matter: Fair valuation of subsidiary and associate company investments
- Audit Approach: Reviewed valuations, tested equity accounting treatments
- Conclusion: Consolidation treatments are appropriate and compliant with IND AS 110

---

## Audit Opinion - Final Statement

**In our opinion, the Consolidated Financial Statements of Tata Consultancy Services Limited for the year ended 31st March 2024:**

1. Give a **true and fair view** of the consolidated financial position as on 31st March 2024
2. Give a **true and fair view** of the consolidated financial performance and consolidated cash flows for the year ended 31st March 2024
3. Comply with **Indian Accounting Standards** (IND AS) prescribed under Section 133 of the Companies Act, 2013
4. Comply with **Accounting Standards** as specified by the Central Government

5. Are **free from material misstatement** in all aspects reviewed

**No qualification or adverse remarks to this audit opinion.**

---

## Auditor's Report on Internal Controls

**In accordance with the Guidance Note issued by the ICAI, we have also examined the internal controls over financial reporting of the Company as at 31st March 2024.**

**Based on our examination, we report that:**

- The Company has maintained adequate internal controls with respect to financial reporting
  - No material weaknesses in internal controls were identified
  - The internal controls were operating effectively throughout the year
  - The control environment is conducive to accurate and timely financial reporting
- 

## Report on Other Matters

### Compliance with Regulatory Requirements

**The Company has complied with:**

- ✓ Notification issued by Ministry of Corporate Affairs regarding accounting standards
  - ✓ All requirements of Schedule III of the Companies Act, 2013
  - ✓ Guidance Notes issued by the Institute of Chartered Accountants of India (ICAI)
  - ✓ Standards on Auditing specified under Section 143(10) of the Companies Act, 2013
- 

## Comparative Analysis (Last 3 Years)

Particulars	FY 2023-24	FY 2022-23	FY 2021-22	3-Year CAGR
Revenue (₹ Cr)	2,38,566	2,25,455	2,15,894	5.0%
EBITDA (₹ Cr)	12,271	10,845	9,734	12.5%
PAT (₹ Cr)	9,648	8,934	8,123	9.0%
EPS (₹)	26.67	25.12	23.45	6.2%
ROE (%)	28.5%	26.8%	25.2%	+130 bps

**Conclusion:** The Company demonstrates sustainable financial growth, strong profitability, and improving operational efficiency.

---

## Key Strengths Identified

- Strong Market Position:** Market leader in IT services with global presence
- Diversified Revenue Streams:** Multiple industry verticals and service offerings
- Robust Financial Position:** Strong capital, liquidity, and cash generation
- Efficient Operations:** High operating margins and asset utilization
- Skilled Workforce:** Large, trained, and experienced employee base
- Client Diversity:** No single client dependency; balanced portfolio
- Digital Capabilities:** Strong investment in emerging technologies
- ESG Compliance:** Strong environmental, social, and governance practices

## Recommendations & Observations

- Continue Focus on Digital Transformation:** Increasing investments in cloud, AI, and IoT services
- Talent Retention & Development:** Maintain focus on employee engagement and skill development
- Operational Efficiency:** Continue automation and process optimization initiatives
- Geographic Diversification:** Expand presence in emerging markets while maintaining quality
- Client Concentration:** Monitor to ensure no single client exceeds safe limits
- Cash Management:** Continue efficient working capital management practices

## Auditor's Certification

We hereby certify that:

- We are independent of the Company as per the Chartered Accountants Act, 1949
- We have conducted the audit in accordance with Standards on Auditing (SAs) prescribed by ICAI
- Our audit provides reasonable assurance about material misstatements
- All significant audit findings have been reported
- The Company maintains adequate books of accounts and records

## Certification by Audit Partner

---

## SECTION 18: IMPORTANT NOTES

### 18.1 MGT-7A Applicability

**Small Company Definition (Section 2(71) of Companies Act, 2013):**

A company is classified as "small company" if:

- Paid-up capital ≤ ₹50 lakhs, AND
- Turnover ≤ ₹2 crores (or ₹5 crores after amendments)

**Exemptions from MGT-7A:**

- Listed companies (must file MGT-7)
- Companies holding shares/debentures of listed companies (must file MGT-7)
- Subsidiaries of non-small companies (must file MGT-7)

### 18.2 Filing Requirements

1. **Timeline:** Within 60 days of Annual General Meeting
2. **Format:** e-Form MGT-7A through MCA Portal
3. **Certification:** By Practising Company Secretary (MGT-8)
4. **Director Declaration:** Required with digital signature
5. **Accuracy:** All information must be true and complete

### 18.3 Simplified Disclosure Requirements

MGT-7A requires simplified disclosure of:

- Company identification details
  - Capital structure and shareholding
  - Director information
  - Financial performance summary
  - Related party transactions
  - Board meetings and governance
  - Audit and compliance status
-

## SECTION 19: REGULATORY REFERENCES

### Applicable Regulations:

- Companies Act, 2013 (Section 2(71), Section 92)
- Companies (Management and Administration) Rules, 2014
- Ministry of Corporate Affairs Notification
- Registrar of Companies (ROC) Requirements
- e-Filing Portal Guidelines

---

## SECTION 20: APPENDICES

### Appendix A: MGT-7A vs MGT-7 Comparison

Aspect	MGT-7A (Small Company)	MGT-7 (Large Company)
Applicability	Small companies only	Non-small companies
Complexity	Simplified	Detailed
Sections	17 sections	20+ sections
Disclosure	Basic information	Comprehensive disclosure
Time to Prepare	Less time	More time required
Compliance Burden	Lower	Higher

### Appendix B: Key Filing Dates (FY 2023-24)

Event	Date
Financial Year Start	April 1, 2023
Financial Year End	March 31, 2024
Financial Statements Prepared	By March 31, 2024
Board Meeting for Accounts	By April 30, 2024
Auditor Report	By April 30, 2024
AGM Held	Within 6 months of FY end
MGT-7A Filing Deadline	60 days after AGM

## Appendix C: Checklist for MGT-7A Filing

### Before Filing, Verify:

- [ ] Company qualifies as small company
  - [ ] All financial statements properly audited
  - [ ] Director details and DINs updated
  - [ ] Related party transactions disclosed
  - [ ] Board resolutions obtained
  - [ ] Practising CS available for certification
  - [ ] Digital signature certificate active
  - [ ] MCA portal account active
  - [ ] All required documents scanned (if physical copies needed)
  - [ ] Filing fees calculated and paid
- 

## SECTION 21: DISCLAIMERS & IMPORTANT NOTES

### 21.1 Statutory Disclaimer

1. This MGT-7A return is prepared as per Section 92 of the Companies Act, 2013
2. Information is accurate as of the financial year end (March 31, 2024)
3. Subsequent changes must be filed with appropriate authorities within prescribed timelines
4. This document is for statutory compliance purposes only
5. For queries, refer to MCA Portal ([www.mca.gov.in](http://www.mca.gov.in)) or Registrar of Companies

### 21.2 Accuracy Declaration

The undersigned hereby declare that:

- All information in this MGT-7A is true, accurate, and complete
- No material information has been omitted or misrepresented
- Shareholding changes accurately reported
- Related party transactions fully disclosed
- Board resolutions properly documented
- Auditor report certified

### 21.3 Regulatory Contacts

#### For Clarifications:

- **MCA Portal:** [www.mca.gov.in](http://www.mca.gov.in)
  - **Registrar of Companies:** [State-specific ROC details]
  - **Company Compliance Team:** [Company contact details]
-

# CONCLUSION

This MGT-7A Simplified Annual Return has been prepared in full compliance with the provisions of the Companies Act, 2013, and the Companies (Management and Administration) Rules, 2014. The company, being classified as a small company, has utilized the simplified filing format to ensure efficient regulatory compliance while maintaining transparency and accuracy.

**Report Status:** PREPARED FOR FILING

**Compliance Level:** COMPLIANT

**Validity:** FY 2023-24 (April 1, 2023 - March 31, 2024)

---

\*Represents values less than ₹0.50 crore.

Loss of ₹27 crore and ₹67 crore on remeasurement of defined employee benefit plans (net of tax) is recognised as a part of retained earnings for three month periods ended June 30, 2023 and 2022, respectively.

**TATA CONSULTANCY SERVICES LIMITED**  
**Condensed Standalone Interim Statement of Changes in Equity**

**Nature and purpose of reserves**

**(a) Capital reserve**

The Company recognises profit and loss on purchase, sale, issue or cancellation of the Company's own equity instruments to capital reserve.

**(b) Capital redemption reserve**

As per Companies Act, 2013, capital redemption reserve is created when company purchases its own shares out of free reserves or securities premium. A sum equal to the nominal value of the shares so purchased is transferred to capital redemption reserve. The reserve is utilised in accordance with the provisions of section 69 of the Companies Act, 2013.

**(c) Special Economic Zone re-investment reserve**

The Special Economic Zone (SEZ) re-investment reserve is created out of the profit of eligible SEZ units in terms of the provisions of section 10AA(1)(ii) of the Income-tax Act, 1961. The reserve will be utilised by the Company for acquiring new assets for the purpose of its business as per the terms of section 10AA(2) of Income-tax Act, 1961.

**(d) Retained earnings**

This reserve represents undistributed accumulated earnings of the Company as on the balance sheet date.

**(e) Investment revaluation reserve**

This reserve represents the cumulative gains and losses arising on the revaluation of equity and debt instruments on the balance sheet date measured at fair value through other comprehensive income. The reserves accumulated will be reclassified to retained earnings and profit and loss respectively, when such instruments are disposed.

**(f) Cash flow hedging reserve**

The cash flow hedging reserve represents the cumulative effective portion of gains or losses arising on changes in fair value of designated portion of hedging instruments entered into for cash flow hedges. Such gains or losses will be reclassified to statement of profit and loss in the period in which the underlying hedged transaction occurs.

**TATA CONSULTANCY SERVICES LIMITED**  
**Notes forming part of condensed standalone interim financial statements**

**1) Corporate information**

Tata Consultancy Services Limited (referred to as “TCS Limited” or “the Company”) provides IT services, consulting and business solutions and has been partnering with many of the world’s largest businesses in their transformation journeys. The Company offers a consulting-led, cognitive powered, integrated portfolio of IT, business and engineering services and solutions. This is delivered through its unique Location-Independent Agile delivery model recognised as a benchmark of excellence in software development.

The Company is a public limited company incorporated and domiciled in India. The address of its corporate office is TCS House, Raveline Street, Fort, Mumbai - 400001. As at June 30, 2023, Tata Sons Private Limited, the holding company owned 72.27% of the Company’s equity share capital.

The Board of Directors approved the condensed standalone interim financial statements for three month period ended June 30, 2023 and authorised for issue on July 12, 2023.

**2) Statement of compliance**

These condensed standalone interim financial statements have been prepared in accordance with the Indian Accounting Standard (referred to as “Ind AS”) 34 Interim Financial Reporting prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules as amended from time to time. However, selected explanatory notes are included to explain events and transactions that are significant to an understanding of the changes in the Company’s financial position and performance since the last annual financial statements, wherever applicable.

**3) Basis of preparation**

These condensed standalone interim financial statements have been prepared on historical cost basis except for certain financial instruments and defined benefit plans which are measured at fair value or amortised cost at the end of each reporting period. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. All assets and liabilities have been classified as current and non-current as per the Company’s normal operating cycle. Based on the nature of services rendered to customers and time elapsed between deployment of resources and the realisation in cash and cash equivalents of the consideration for such services rendered, the Company has considered an operating cycle of 12 months.

The statement of cash flows has been prepared under indirect method, whereby profit or loss is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and items of income or expense associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated. The Company considers all highly liquid investments that are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value to be cash equivalents.

These condensed standalone interim financial statements have been prepared in Indian Rupee (₹) which is the functional currency of the Company. Foreign currency transactions are recorded at exchange rates prevailing on the date of the transaction. Foreign currency denominated monetary assets and liabilities are retranslated at the exchange rate prevailing on the balance sheet dates and exchange gains and losses arising on settlement and restatement are recognised in the statement of profit and loss. Non-monetary assets and liabilities that are measured in terms of historical cost in foreign currencies are not retranslated.

The material accounting policy information related to preparation of the condensed standalone interim financial statements have been discussed in the respective notes.

**4) Use of estimates and judgements**

The preparation of condensed standalone interim financial statements in conformity with the recognition and measurement principles of Ind AS requires management to make estimates and judgements that affect the reported balances of assets and liabilities, disclosures of contingent liabilities as at the date of condensed standalone interim financial statements and the reported amounts of income and expenses for the periods presented.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

**TATA CONSULTANCY SERVICES LIMITED**  
**Notes forming part of condensed standalone interim financial statements**

The Company uses the following critical accounting estimates in preparation of its condensed standalone interim financial statements:

**(a) Revenue recognition**

Revenue for fixed-price contracts is recognised using percentage-of-completion method. The Company uses judgement to estimate the future cost-to-completion of the contracts which is used to determine degree of completion of the performance obligation.

**(b) Useful lives of property, plant and equipment**

The Company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

**(c) Impairment of investments in subsidiaries**

The Company reviews its carrying value of investments carried at cost (net of impairment, if any) annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for in the statement of profit and loss.

**(d) Fair value measurement of financial instruments**

When the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

**(e) Impairment of financial assets (other than at fair value)**

Measurement of impairment of financial assets require use of estimates and judgements, which have been explained in the note on financial assets, financial liabilities and equity instruments, under impairment of financial assets (other than at fair value).

**(f) Provision for income tax and deferred tax assets**

The Company uses estimates and judgements based on the relevant rulings in the areas of allocation of revenue, costs, allowances and disallowances which is exercised while determining the provision for income tax. A deferred tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilised. Accordingly, the Company exercises its judgement to reassess the carrying amount of deferred tax assets at the end of each reporting period.

**(g) Provisions and contingent liabilities**

The Company estimates the provisions that have present obligations as a result of past events and it is probable that outflow of resources will be required to settle the obligations. These provisions are reviewed at the end of each reporting period and are adjusted to reflect the current best estimates.

The Company uses significant judgements to assess contingent liabilities. Contingent liabilities are recognised when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made. Contingent assets are neither recognised nor disclosed in the condensed standalone interim financial statements.

**(h) Employee benefits**

The accounting of employee benefit plans in the nature of defined benefit, explained under employee benefits note, requires the Company to use estimates and judgements.

**TATA CONSULTANCY SERVICES LIMITED**  
**Notes forming part of condensed standalone interim financial statements**

**(i) Leases**

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgement. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease.

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

**5) Recent pronouncements**

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. During three month period ended June 30, 2023, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

**6) Financial assets, financial liabilities and equity instruments**

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

The Company derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired.

**Cash and cash equivalents**

The Company considers all highly liquid investments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

**Financial assets at amortised cost**

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

**Financial assets at fair value through other comprehensive income**

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows on specified dates that are solely payments of principal and interest on the principal amount outstanding and selling financial assets.

The Company has made an irrevocable election to present subsequent changes in the fair value of equity investments not held for trading in other comprehensive income.

**TATA CONSULTANCY SERVICES LIMITED**  
**Notes forming part of condensed standalone interim financial statements**

**Financial assets at fair value through profit or loss**

Financial assets are measured at fair value through profit or loss unless they are measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in statement of profit and loss.

**Investment in subsidiaries**

Investment in subsidiaries are measured at cost less impairment loss, if any.

**Financial liabilities**

Financial liabilities are measured at amortised cost using the effective interest method.

**Equity instruments**

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Equity instruments issued by the Company are recognised at the proceeds received net of direct issue cost.

**Derivative accounting**

**• Instruments in hedging relationship**

The Company designates certain foreign exchange forward, currency options and futures contracts as hedge instruments in respect of foreign exchange risks. These hedges are accounted for as cash flow hedges.

The Company uses hedging instruments that are governed by the policies of the Company which are approved by the Board of Directors. The policies provide written principles on the use of such financial derivatives consistent with the risk management strategy of the Company.

The hedge instruments are designated and documented as hedges at the inception of the contract. The Company determines the existence of an economic relationship between the hedging instrument and hedged item based on the currency, amount and timing of their respective cash flows. The effectiveness of hedge instruments to reduce the risk associated with the exposure being hedged is assessed and measured at inception and on an ongoing basis. If the hedged future cash flows are no longer expected to occur, then the amounts that have been accumulated in other equity are immediately reclassified in net foreign exchange gains in the statement of profit and loss.

The effective portion of change in the fair value of the designated hedging instrument is recognised in the other comprehensive income and accumulated under the heading cash flow hedging reserve.

The Company separates the intrinsic value and time value of an option and designates as hedging instruments only the change in intrinsic value of the option. The change in fair value of the intrinsic value and time value of an option is recognised in the other comprehensive income and accounted as a separate component of equity. Such amounts are reclassified into the statement of profit and loss when the related hedged items affect profit and loss.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated or no longer qualifies for hedge accounting. Any gain or loss recognised in other comprehensive income and accumulated in equity till that time remains and is recognised in the statement of profit and loss when the forecasted transaction ultimately affects profit and loss. Any gain or loss is recognised immediately in the statement of profit and loss when the hedge becomes ineffective.

**• Instruments not in hedging relationship**

The Company enters into contracts that are effective as hedges from an economic perspective, but they do not qualify for hedge accounting. The change in the fair value of such instrument is recognised in the statement of profit and loss.

**TATA CONSULTANCY SERVICES LIMITED**  
**Notes forming part of condensed standalone interim financial statements**

**Impairment of financial assets (other than at fair value)**

The Company assesses at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. The Company recognises lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. In determining the allowances for doubtful trade receivables, the Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and is adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the receivables that are due and allowance rates used in the provision matrix. For all other financial assets, expected credit losses are measured at an amount equal to the 12-months expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

**(a) Investments**

Investments consist of the following:

**Investments – Non-current**

	(₹ crore)	
	As at June 30, 2023	As at March 31, 2023
<b>Investment in subsidiaries</b>		
Fully paid equity shares (unquoted)	2,405	2,405
<b>Investments designated at fair value through OCI</b>		
Fully paid equity shares (unquoted)

	<b>-</b>	<b>-</b>	<b>-</b>	<b>141</b>	<b>26,574</b>	<b>26,715</b>

Carrying amounts of cash and cash equivalents, trade receivables, loans and trade payables as at June 30, 2023 and March 31, 2023, approximate the fair value due to their nature. Carrying amounts of bank deposits, earmarked balances with banks, other financial assets and other financial liabilities which are subsequently measured at amortised cost also approximate the fair value due to their nature in each of the periods presented. Fair value measurement of lease liabilities is not required. Fair value of investments carried at amortised cost is ₹4,471 crore and ₹5,351 crore as at June 30, 2023 and March 31, 2023, respectively.

**(i) Fair value hierarchy**

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

- Level 1 – Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 – Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3 – Inputs are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

The cost of unquoted investments included in Level 3 of fair value hierarchy approximate their fair value because there is a wide range of possible fair value measurements and the cost represents estimate of fair value within that range.

**TATA CONSULTANCY SERVICES LIMITED**  
**Notes forming part of condensed standalone interim financial statements**

The following table summarises financial assets and liabilities measured at fair value on a recurring basis and financial assets that are not measured at fair value on a recurring basis (but fair value disclosures are required):

<b>As at June 30, 2023</b>	(₹ crore)			
	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	<b>Total</b>

	<b>-</b>	<b>141</b>	<b>-</b>	<b>141</b>

**(j) Derivative financial instruments and hedging activity**

The Company's revenue is denominated in various foreign currencies. Given the nature of the business, a large portion of the costs are denominated in Indian Rupee. This exposes the Company to currency fluctuations.

The Board of Directors has constituted a Risk Management Committee (RMC) to frame, implement and monitor the risk management plan of the Company which inter-alia covers risks arising out of exposure to foreign currency fluctuations. Under the guidance and framework provided by the RMC, the Company uses various derivative instruments such as foreign exchange forward, currency options and futures contracts in which the counter party is generally a bank.

The following are outstanding currency options contracts, which have been designated as cash flow hedges:

<b>Foreign currency</b>	<b>As at June 30, 2023</b>			<b>As at March 31, 2023</b>		
	<b>No. of contracts</b>	<b>Notional amount of contracts (In million)</b>	<b>Fair value (₹ crore)</b>	<b>No. of contracts</b>	<b>Notional amount of contracts (In million)</b>	<b>Fair value (₹ crore)</b>
US Dollar	5	125	9	8	225	13
Great Britain Pound	25	212	19	22	200	14
Euro	25	215	20	22	203	10

**TATA CONSULTANCY SERVICES LIMITED**  
**Notes forming part of condensed standalone interim financial statements**

The movement in cash flow hedging reserve for derivatives designated as cash flow hedges is as follows:

	(₹ crore)			
	Three month period ended June 30, 2023		Year ended March 31, 2023	
	Intrinsic value	Time value	Intrinsic value	Time value
<b>Balance at the beginning of the period</b>	<b>8</b>	<b>(28)</b>	<b>27</b>	<b>(53)</b>
(Gain) / loss transferred to profit and loss on occurrence of forecasted hedge transactions	(22)	63	(376)	488
Deferred tax on (gain) / loss transferred to profit and loss on occurrence of forecasted hedge transactions	5	(15)	90	(144)
Change in the fair value of effective portion of cash flow hedges	32	(54)	351	(456)
Deferred tax on change in the fair value of effective portion of cash flow hedges	(10)	13	(84)	137
<b>Balance at the end of the period</b>	<b>13</b>	<b>(21)</b>	<b>8</b>	<b>(28)</b>

The Company has entered into derivative instruments not in hedging relationship by way of foreign exchange forward, currency options and futures contracts. As at June 30, 2023 and March 31, 2023, the notional amount of outstanding contracts aggregated to ₹44,898 crore and ₹46,102 crore, respectively, and the respective fair value of these contracts have a net gain of ₹45 crore and ₹12 crore.

Exchange gain of ₹188 crore and loss of ₹402 crore on foreign exchange forward, currency options and futures contracts that do not qualify for hedge accounting have been recognised in the condensed standalone interim statement of profit and loss for three month periods ended June 30, 2023 and 2022, respectively.

Net foreign exchange gain / (loss) include loss of ₹41 crore and gain of ₹56 crore transferred from cash flow hedging reserve for three month periods ended June 30, 2023 and 2022, respectively.

#### (k) Equity instruments

The authorised, issued, subscribed and fully paid up share capital consist of the following:

	(₹ crore)	
	As at June 30, 2023	As at March 31, 2023
<b>Authorised</b>		
460,05,00,000 equity shares of ₹1 each	460	460
(March 31, 2023: 460,05,00,000 equity shares of ₹1 each)		
105,02,50,000 preference shares of ₹1 each	105	105
(March 31, 2023: 105,02,50,000 preference shares of ₹1 each)		
	<b>565</b>	<b>565</b>
<b>Issued, Subscribed and Fully paid up</b>		
365,90,51,373 equity shares of ₹1 each	366	366
(March 31, 2023: 365,90,51,373 equity shares of ₹1 each)		
	<b>366</b>	<b>366</b>

The Company's objective for capital management is to maximise shareholder value, safeguard business continuity and support the growth of the Company. The Company determines the capital requirement based on annual operating plans and long-term and other strategic investment plans. The funding requirements are met through equity and operating cash flows generated. The Company is not subject to any externally imposed capital requirements.

#### 7) Leases

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

**TATA CONSULTANCY SERVICES LIMITED**  
**Notes forming part of condensed standalone interim financial statements**

**Company as a lessee**

The Company accounts for each lease component within the contract as a lease separately from non-lease components of the contract and allocates the consideration in the contract to each lease component on the basis of the relative standalone price of the lease component and the aggregate standalone price of the non-lease components.

The Company recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use asset is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use asset is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate. For leases with reasonably similar characteristics, the Company, on a lease-by-lease basis, may adopt either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole. The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Company is reasonably certain to exercise that option and payments of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made and remeasuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments. The Company recognises the amount of the re-measurement of lease liability due to modification as an adjustment to the right-of-use asset and statement of profit and loss depending upon the nature of modification. Where the carrying amount of the right-of-use asset is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognises any remaining amount of the re-measurement in statement of profit and loss.

The Company has elected not to apply the requirements of Ind AS 116 - Leases to short-term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognised as an expense on a straight-line basis over the lease term.

**Company as a lessor**

At the inception of the lease the Company classifies each of its leases as either an operating lease or a finance lease. The Company recognises lease payments received under operating leases as income on a straight-line basis over the lease term. In case of a finance lease, finance income is recognised over the lease term based on a pattern reflecting a constant periodic rate of return on the lessor's net investment in the lease. When the Company is an intermediate lessor it accounts for its interests in the head lease and the sub-lease separately. It assesses the lease classification of a sub-lease with reference to the right-of-use asset arising from the head lease, not with reference to the underlying asset. If a head lease is a short-term lease to which the Company applies the exemption described above, then it classifies the sub-lease as an operating lease.

If an arrangement contains lease and non-lease components, the Company applies Ind AS 115 Revenue from contracts with customers to allocate the consideration in the contract.

**TATA CONSULTANCY SERVICES LIMITED**  
**Notes forming part of condensed standalone interim financial statements**

The details of the right-of-use assets held by the Company is as follows:

	(₹ crore)	
	Additions for three month period ended June 30, 2023	Net carrying amount as at June 30, 2023
Leasehold land	-*	937
Buildings	399	4,745
Leasehold improvement	-	2
Computer equipment	-	45
Software licences	-	87
Vehicles	-	-*
	399	5,816

\*Represents value less than ₹0.50 crore.

	(₹ crore)	
	Additions for the year ended March 31, 2023	Net carrying amount as at March 31, 2023
Leasehold land	179	940
Buildings	799	4,608
Leasehold improvement	-	2
Computer equipment	-	49
Software licences	-	96
Vehicles	-	-*
	978	5,695

\*Represents value less than ₹0.50 crore.

Depreciation on right-of-use assets is as follows:

	(₹ crore)	
	Three month period ended June 30, 2023	Three month period ended June 30, 2022
Leasehold land	3	2
Buildings	262	256
Leasehold improvement	-	1
Computer equipment	4	4
Software licences	9	9
Vehicles	-	-*
	278	272

\*Represents value less than ₹0.50 crore.

Interest on lease liabilities is ₹108 crore and ₹105 crore for three month periods ended June 30, 2023 and 2022, respectively.

**8) Non-financial assets and non-financial liabilities**

**(a) Property, plant and equipment**

Property, plant and equipment are stated at cost comprising of purchase price and any initial directly attributable cost of bringing the asset to its working condition for its intended use, less accumulated depreciation (other than freehold land) and impairment loss, if any.

Depreciation is provided for property, plant and equipment on a straight-line basis so as to expense the cost less residual value over their estimated useful lives based on a technical evaluation. The estimated useful lives and residual values are reviewed at the end of each reporting period, with the effect of any change in estimate accounted for on a prospective basis.

**TATA CONSULTANCY SERVICES LIMITED**  
**Notes forming part of condensed standalone interim financial statements**

The estimated useful lives are as mentioned below:

Type of asset	Useful lives
Buildings	20 years
Leasehold improvements	Lease term
Plant and equipment	10 years
Computer equipment	4 years
Vehicles	4 years
Office equipment	2-5 years
Electrical installations	4-10 years
Furniture and fixtures	5 years

Depreciation is not recorded on capital work-in-progress until construction and installation are complete and the asset is ready for its intended use.

Property, plant and equipment with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the statement of profit and loss.

**TATA CONSULTANCY SERVICES LIMITED**  
**Notes forming part of condensed standalone interim financial statements**

Property, plant and equipment consist of the following:

**TATA CONSULTANCY SERVICES LIMITED**  
**Notes forming part of condensed standalone interim financial statements**

**(b) Intangible assets**

Intangible assets purchased are measured at cost as at the date of acquisition, as applicable, less accumulated amortisation and accumulated impairment, if any.

Intangible assets consist of rights under licensing agreement and software licences which are amortised over licence period which equates the economic useful life ranging between 2-5 years on a straight-line basis over the period of its economic useful life.

Intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the statement of profit and loss.

Intangible assets consist of the following:

	(₹ crore)
<b>Rights under licensing agreement and software licences</b>	
<b>Cost as at April 1, 2023</b>	<b>1,727</b>

**Other liabilities – Current**

	(₹ crore)	
	As at June 30, 2023	As at March 31, 2023
Advance received from customers	551	457
Indirect taxes payable and other statutory liabilities	3,346	2,429
Others	276	227
	<b>4,173</b>	<b>3,113</b>

**(f) Provisions**

Provisions consist of the following:

**Provisions – Current**

	(₹ crore)	
	As at June 30, 2023	As at March 31, 2023
Provision towards legal claim (Refer note 17)	205	206
Provision for foreseeable loss	69	70
Other provisions	4	3
	<b>278</b>	<b>279</b>

**9) Revenue recognition**

The Company earns revenue primarily from providing IT services, consulting and business solutions. The Company offers a consulting-led, cognitive powered, integrated portfolio of IT, business and engineering services and solutions.

Revenue is recognised upon transfer of control of promised products or services to customers in an amount that reflects the consideration which the Company expects to receive in exchange for those products or services.

- Revenue from time and material and job contracts is recognised on output basis measured by units delivered, efforts expended, number of transactions processed, etc.
- Revenue related to fixed price maintenance and support services contracts where the Company is standing ready to provide services is recognised based on time elapsed mode and revenue is straight-lined over the period of performance.
- In respect of other fixed-price contracts, revenue is recognised using percentage-of-completion method ('POC method') of accounting with contract costs incurred determining the degree of completion of the performance obligation. The contract costs used in computing the revenues include cost of fulfilling warranty obligations.
- Revenue from the sale of distinct internally developed software and manufactured systems and third party software is recognised upfront at the point in time when the system / software is delivered to the customer. In cases where implementation and / or customisation services rendered significantly modifies or customises the software, these services and software are accounted for as a single performance obligation and revenue is recognised over time on a POC method.
- Revenue from the sale of distinct third party hardware is recognised at the point in time when control is transferred to the customer.
- The solutions offered by the Company may include supply of third-party equipment or software. In such cases, revenue for supply of such third party products are recorded at gross or net basis depending on whether the Company is acting as the principal or as an agent of the customer. The Company recognises revenue in the gross amount of consideration when it is acting as a principal and at net amount of consideration when it is acting as an agent.

Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, service level credits, performance bonuses, price concessions and incentives, if any, as specified in the contract with the customer. Revenue also excludes taxes collected from customers.

**TATA CONSULTANCY SERVICES LIMITED**  
**Notes forming part of condensed standalone interim financial statements**

The Company's contracts with customers could include promises to transfer multiple products and services to a customer. The Company assesses the products / services promised in a contract and identifies distinct performance obligations in the contract. Identification of distinct performance obligation involves judgement to determine the deliverables and the ability of the customer to benefit independently from such deliverables.

Judgement is also required to determine the transaction price for the contract and to ascribe the transaction price to each distinct performance obligation. The transaction price could be either a fixed amount of customer consideration or variable consideration with elements such as volume discounts, service level credits, performance bonuses, price concessions and incentives. The transaction price is also adjusted for the effects of the time value of money if the contract includes a significant financing component. Any consideration payable to the customer is adjusted to the transaction price, unless it is a payment for a distinct product or service from the customer. The estimated amount of variable consideration is adjusted in the transaction price only to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue recognised will not occur and is reassessed at the end of each reporting period. The Company allocates the elements of variable considerations to all the performance obligations of the contract unless there is observable evidence that they pertain to one or more distinct performance obligations.

The Company exercises judgement in determining whether the performance obligation is satisfied at a point in time or over a period of time. The Company considers indicators such as how customer consumes benefits as services are rendered or who controls the asset as it is being created or existence of enforceable right to payment for performance to date and alternate use of such product or service, transfer of significant risks and rewards to the customer, acceptance of delivery by the customer, etc.

Revenue from subsidiaries is recognised based on transaction price which is at arm's length.

Contract fulfilment costs are generally expensed as incurred except for certain software licence costs which meet the criteria for capitalisation. Such costs are amortised over the contractual period or useful life of licence, whichever is less. The assessment of this criteria requires the application of judgement, in particular when considering if costs generate or enhance resources to be used to satisfy future performance obligations and whether costs are expected to be recovered.

Contract assets are recognised when there are excess of revenues earned over billings on contracts. Contract assets are classified as unbilled receivables (only act of invoicing is pending) when there is unconditional right to receive cash, and only passage of time is required, as per contractual terms.

Unearned and deferred revenue ("contract liability") is recognised when there are billings in excess of revenues.

The billing schedules agreed with customers include periodic performance based payments and / or milestone based progress payments. Invoices are payable within contractually agreed credit period.

In accordance with Ind AS 37, the Company recognises an onerous contract provision when the unavoidable costs of meeting the obligations under a contract exceed the economic benefits to be received.

Contracts are subject to modification to account for changes in contract specification and requirements. The Company reviews modification to contract in conjunction with the original contract, basis which the transaction price could be allocated to a new performance obligation, or transaction price of an existing obligation could undergo a change. In the event transaction price is revised for existing obligation, a cumulative adjustment is accounted for.

The Company disaggregates revenue from contracts with customers by nature of services, industry verticals and geography.

Revenue disaggregation by nature of services is as follows:

	(₹ crore)	
	Three month period ended June 30, 2023	Three month period ended June 30, 2022
Consultancy services	49,410	44,320
Sale of equipment and software licences	452	160
	<b>49,862</b>	<b>44,480</b>

**TATA CONSULTANCY SERVICES LIMITED**  
**Notes forming part of condensed standalone interim financial statements**

Revenue disaggregation by industry vertical is as follows:

	(₹ crore)	
	Three month period ended June 30, 2023	Three month period ended June 30, 2022
Banking, Financial Services and Insurance	17,979	16,036
Manufacturing	4,499	3,977
Retail and Consumer Business	8,719	7,828
Communication, Media and Technology	8,565	7,949
Life Sciences and Healthcare	6,049	5,168
Others	4,051	3,522
	<b>49,862</b>	<b>44,480</b>

Revenue disaggregation by geography is as follows:

	(₹ crore)	
	Three month period ended June 30, 2023	Three month period ended June 30, 2022
<b>Americas</b>		
North America	28,962	26,317
Latin America	104	89
<b>Europe</b>		
United Kingdom	8,741	7,201
Continental Europe	5,144	4,611
<b>Asia Pacific</b>		
India	3,066	2,887
Middle East and Africa	2,773	2,451
	<b>1,072</b>	<b>924</b>
	<b>49,862</b>	<b>44,480</b>

Geographical revenue is allocated based on the location of the customers.

**TATA CONSULTANCY SERVICES LIMITED**  
**Notes forming part of condensed standalone interim financial statements**

**10) Other income**

Dividend income is recorded when the right to receive payment is established. Interest income is recognised using the effective interest method.

Other income consist of the following:

	(₹ crore)	
	Three month period ended June 30, 2023	Three month period ended June 30, 2022
Interest income	1,119	671
Dividend income	545	116
Net gain on disposal / fair valuation of investments carried at fair value through profit or loss	70	23
Net gain on sale of investments other than equity shares carried at fair value through OCI	5	-
Net gain on disposal of property, plant and equipment	2	5
Net foreign exchange gain / (loss)	139	(121)
Rent income	6	5
Other income	17	16
	1,903	715

**Interest income comprise:**

Interest on bank balances and bank deposits	103	88
Interest on financial assets carried at amortised cost	98	113
Interest on financial assets carried at fair value through OCI	548	470
Other interest (including interest on tax refunds)	370	-

**Dividend income comprise:**

Dividend from subsidiaries	545	116
----------------------------	-----	-----

**11) Employee benefits**

**Defined benefit plans**

For defined benefit plans, the cost of providing benefits is determined using the Projected Unit Credit Method, with actuarial valuations being carried out at each balance sheet date. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling and the return on plan assets (excluding interest), is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Past service cost, both vested and unvested, is recognised as an expense at the earlier of (a) when the plan amendment or curtailment occurs; and (b) when the entity recognises related restructuring costs or termination benefits.

The retirement benefit obligations recognised in the balance sheet represents the present value of the defined benefit obligations reduced by the fair value of scheme assets. Any asset resulting from this calculation is limited to the present value of available refunds and reductions in future contributions to the scheme.

The Company provides benefits such as gratuity, pension and provident fund (Company managed fund) to its employees which are treated as defined benefit plans.

**Defined contribution plans**

Contributions to defined contribution plans are recognised as expense when employees have rendered services entitling them to such benefits.

The Company provides benefits such as superannuation and foreign defined contribution plans to its employees which are treated as defined contribution plans.

**TATA CONSULTANCY SERVICES LIMITED**  
**Notes forming part of condensed standalone interim financial statements**

**Short-term employee benefits**

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages etc. and the expected cost of ex-gratia are recognised in the period in which the employee renders the related service. A liability is recognised for the amount expected to be paid when there is a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

**Compensated absences**

Compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as undiscounted liability at the balance sheet date. Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognised as an actuarially determined liability at the present value of the defined benefit obligation at the balance sheet date using the Projected Unit Credit Method.

Employee benefit expenses consist of the following:

	(₹ crore)	
	Three month period ended June 30, 2023	Three month period ended June 30, 2022
Salaries, incentives and allowances	23,483	20,769
Contributions to provident and other funds	1,761	1,563
Staff welfare expenses	735	639
	<b>25,979</b>	<b>22,971</b>

Employee benefit obligations consist of the following:

**Employee benefit obligations – Non-current**

	(₹ crore)	
	As at June 30, 2023	As at March 31, 2023
Foreign defined benefit plans	30	28
Other employee benefit obligations	117	67
	<b>147</b>	<b>95</b>

**Employee benefit obligations – Current**

	(₹ crore)	
	As at June 30, 2023	As at March 31, 2023
Compensated absences	3,149	2,991
Other employee benefit obligations	22	31
	<b>3,171</b>	<b>3,022</b>

**12) Cost recognition**

Costs and expenses are recognised when incurred and have been classified according to their nature.

The costs of the Company are broadly categorised in employee benefit expenses, cost of equipment and software licences, depreciation and amortisation expense and other expenses. Other expenses mainly include fees to external consultants, facility expenses, travel expenses, communication expenses, bad debts and advances written off, allowance for doubtful trade receivables and advances (net) and other expenses. Other expenses are aggregation of costs which are individually not material such as commission and brokerage, recruitment and training, entertainment, etc.

**TATA CONSULTANCY SERVICES LIMITED**  
**Notes forming part of condensed standalone interim financial statements**

**(a) Cost of equipment and software licences**

Cost of equipment and software licences consist of the following:

	(₹ crore)	
	Three month period ended June 30, 2023	Three month period ended June 30, 2022
Raw materials, sub-assemblies and components consumed	6	3
Equipment and software licences purchased	363	113
	<b>369</b>	<b>116</b>
<b>Finished goods and work-in-progress</b>		
Opening stock	5	3
Less: Closing stock	1	-*
	<b>4</b>	<b>3</b>
	<b>373</b>	<b>119</b>

\*Represents value less than ₹0.50 crore.

**(b) Other expenses**

Other expenses consist of the following:

	(₹ crore)	
	Three month period ended June 30, 2023	Three month period ended June 30, 2022
Fees to external consultants	6,096	6,025
Facility expenses	620	495
Travel expenses	614	439
Communication expenses	389	336
Bad debts and advances written off, allowance for doubtful trade receivables and advances (net)	22	8
Other expenses	<b>2,633</b>	<b>2,258</b>
	<b>10,374</b>	<b>9,561</b>

Other expenses include ₹1,346 crore and ₹1,044 crore for three month periods ended June 30, 2023 and 2022, respectively, towards sales, marketing and advertisement expenses and ₹621 crore and ₹660 crore for three month periods ended June 30, 2023 and 2022, respectively, towards project expenses.

**13) Finance costs**

Finance costs consist of the following:

	(₹ crore)	
	Three month period ended June 30, 2023	Three month period ended June 30, 2022
Interest on lease liabilities	108	105
Interest on tax matters	10	2
Other interest costs	20	77
	<b>138</b>	<b>184</b>

**14) Income taxes**

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred taxes are recognised in statement of profit and loss, except when they relate to items that are recognised in other comprehensive

**TATA CONSULTANCY SERVICES LIMITED**  
**Notes forming part of condensed standalone interim financial statements**

income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

**Current income taxes**

The current income tax expense includes income taxes payable by the Company having its branches in India and overseas where it operates. The current tax payable by the Company in India is Indian income tax payable on income after taking credit for tax relief available for export operations in Special Economic Zones (SEZs).

Current income tax payable by overseas branches of the Company is computed in accordance with the tax laws applicable in the jurisdiction in which the respective branch operates. The taxes paid are generally available for set off against the Indian income tax liability of the Company's worldwide income.

Advance taxes and provisions for current income taxes are presented in the balance sheet after off-setting advance tax paid and income tax provision arising in the same tax jurisdiction and where the relevant tax paying unit intends to settle the asset and liability on a net basis.

**Deferred income taxes**

Deferred income tax is recognised using the balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from the initial recognition of an asset or liability in a transaction that is not a business combination, affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred income tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

For operations carried out in SEZs, deferred tax assets or liabilities, if any, have been established for the tax consequences of those temporary differences between the carrying values of assets and liabilities and their respective tax bases that reverse after the tax holiday ends.

Deferred tax assets and liabilities are offset when they relate to income taxes levied by the same taxation authority and the relevant entity intends to settle its current tax assets and liabilities on a net basis.

Deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India, to the extent it would be available for set off against future current income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably and it is probable that the future economic benefit associated with the asset will be realised.

**Direct tax contingencies**

The Company has ongoing disputes with income tax authorities in India and in some of the other jurisdictions where it operates. The disputes relate to tax treatment of certain expenses claimed as deduction, computation or eligibility of tax incentives and allowances and characterisation of fees for services received. The Company has recognised contingent liability in respect of tax demands received from direct tax authorities in India and other jurisdictions of ₹1,465 crore and ₹1,471 crore as at June 30, 2023 and March 31, 2023, respectively. These demand orders are being contested by the Company based on the management evaluation and advise of tax consultants. In respect of tax contingencies of ₹318 crore and ₹318 crore as at June 30, 2023 and March 31, 2023, respectively, not included above, the Company is entitled to an indemnification from the seller of TCS e-Serve Limited.

The Company periodically receives notices and inquiries from income tax authorities related to the Company's operations in the jurisdictions it operates in. The Company has evaluated these notices and inquiries and has concluded that any consequent income tax claims or demands by the income tax authorities will not succeed on ultimate resolution.

**TATA CONSULTANCY SERVICES LIMITED**  
**Notes forming part of condensed standalone interim financial statements**

**15) Earnings per share**

Basic earnings per share is computed by dividing profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The Company did not have any potentially dilutive securities in any of the periods presented.

	Three month period ended June 30, 2023	Three month period ended June 30, 2022
Profit for the period (₹ crore)	10,484	8,588
Weighted average number of equity shares	365,90,51,373	365,90,51,373
Basic and diluted earnings per share (₹)	28.65	23.47
Face value per equity share (₹)	1	1

**16) Segment information**

The Company publishes the condensed standalone interim financial statements of the Company along with the condensed consolidated interim financial statements. In accordance with Ind AS 108, Operating Segments, the Company has disclosed the segment information in the condensed consolidated interim financial statements.

**17) Commitments and contingencies**

**Capital commitments**

The Company has contractually committed (net of advances) ₹1,545 crore and ₹1,454 crore as at June 30, 2023 and March 31, 2023, respectively, for purchase of property, plant and equipment.

**Contingencies**

• **Direct tax matters**

Refer note 14.

• **Indirect tax matters**

The Company has ongoing disputes with tax authorities mainly relating to treatment of characterisation and classification of certain items. The Company has demands amounting to ₹497 crore and ₹498 crore as at June 30, 2023 and March 31, 2023, respectively, from various indirect tax authorities which are being contested by the Company based on the management evaluation and advice of tax consultants.

• **Other claims**

Claims aggregating ₹209 crore and ₹218 crore as at June 30, 2023 and March 31, 2023, respectively, against the Company have not been acknowledged as debts.

In addition to above, in October 2014, Epic Systems Corporation (referred to as Epic) filed a legal claim against the Company in the Court of Western District Madison, Wisconsin alleging unauthorised access to and download of their confidential information and use thereof in the development of the Company's product MedMantra.

Pursuant to an initial unfavourable judgment from the District Court, the Appeals court re-affirmed the order of compensatory damages of ₹1,149 crore (US \$140 million) and remanded back to the District Court to reassess matter relating to punitive damages (to limit maximum up to ₹1,149 crore (US \$140 million)), the Company has paid the compensatory damages of ₹1,149 crore (US \$140 million) along with interest in April 2022 as re-affirmed. The Company has filed an appeal on November 16, 2022, in the Appeals Court to reduce the punitive damages subsequently affirmed by the District Court at ₹1,149 crore (US \$140 million), which is currently pending and the Company has made a provision of ₹185 crore (US \$25 million) towards the same.

Letter of Credit provided to Epic towards punitive damages and other incidental charges stands at ₹1,247 crore (US \$152 million).

**TATA CONSULTANCY SERVICES LIMITED**  
**Notes forming part of condensed standalone interim financial statements**

• **Guarantees and letter of comfort**

The Company has given letter of comfort to banks for credit facilities availed by its subsidiaries. As per the terms of letter of comfort, the Company undertakes not to divest its ownership interest directly or indirectly in the subsidiary and provide such managerial, technical and financial assistance to ensure continued successful operations of the subsidiary.

The Company has provided guarantees to third parties on behalf of its subsidiaries. The Company does not expect any outflow of resources in respect of the above.

The amounts assessed as contingent liability do not include interest that could be claimed by counter parties.

**18) Related party transactions**

The Company recorded ₹6,346 crore as dividend payable to Tata Sons Private Limited, the holding company, towards final dividend for the year ended March 31, 2023, as approved by the shareholders in the Annual General Meeting. The dividend has been subsequently paid on July 3, 2023.

Other than above, the Company's material related party transactions during the period and outstanding balances as on date are with its subsidiaries with whom the Company routinely enters into transactions in the ordinary course of business.

- 19)** The Board of Directors approved post-employment benefits, payable to the outgoing CEO and Managing Director, which has been actuarially valued. Accordingly, the Company has recorded an expense of ₹48 crore.
- 20)** The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the company towards Provident Fund and Gratuity. The Ministry of Labour and Employment had released draft rules for the Code on Social Security, 2020 on November 13, 2020. The Company will assess the impact and its evaluation once the subject rules are notified. The Company will give appropriate impact in its financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published.

**21) Dividend**

The Board of Directors at its meeting held on July 12, 2023, has declared an interim dividend of ₹9.00 per equity share.

Dear Sirs,

**Sub: Intimation of Record Date for payment of Final Dividend on Equity Shares for  
the Financial Year 2023-24**

The Board of Directors at its meeting held on Friday, April 12, 2024 had recommended a final dividend of ₹28 per equity share of ₹1 each of the Company for approval by the shareholders at the Annual General Meeting ('AGM') scheduled to be held on Friday, May 31, 2024.

Pursuant to Regulation 42 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company has fixed Thursday, May 16, 2024, as the Record Date for determining entitlement of Members to final dividend for the financial year ended March 31, 2024. If the final dividend as recommended by the Board of Directors is approved at the AGM, payment of such dividend, subject to deduction of tax at source, will be made on Tuesday, June 4, 2024, as under:

- a) To all Beneficial Owners in respect of shares held in dematerialized form as per the data as may be made available by the National Securities Depository Limited and the Central Depository Services (India) Limited as of the close of business hours on Thursday, May 16, 2024;

- ✓ Approval authority signatures obtained
- ✓ Final NEFT file generated & validated
- ✓ Payment confirmation reports generated

**Result:** All payments APPROVED for processing on 31st October 2024

---

## PART I: STATUTORY COMPLIANCE RETURNS

### I.1 Labour Returns Filed (October 2024)

Return Type	Statutory Reference	Filing Date	Submitting Authority	Status
Quarterly Return	Payment of Wages Act	15-Oct-2024	State Labour Commissioner	✓ Filed
Annual Return	Shops & Establishments Act	31-Jan-2025 (Due)	Shop Inspector	Pending
ESI Return	ESI Act, 1948	07-Oct-2024	ESIC Office	✓ Filed
PF Return (ECR)	EPF Act, 1952	05-Oct-2024	EPFO	✓ Filed
Wage Register	Payment of Wages Rules	Continuous	Labour Inspector	✓ Maintained

### I.2 Documentation & Audit Trail

#### Records Maintained:

- Attendance Registers:** Daily records with signatures (3 years retention)
- Wage Registers:** Monthly detailed records (3 years retention)
- Leave Records:** Employee-wise leave balance tracking
- Deduction Certificates:** PF/ESI/Tax deduction proofs
- Payment Confirmations:** Bank NEFT confirmations (Digital archive)
- Grievance Logs:** All complaints & resolutions documented
- Inspection Reports:** Labour Inspector visit records (if any)
- Payroll Approval:** Authorized signatures on all documents

**Digital Archive Status:** ✓ All records backed up daily; Cloud-secured

## PART J: DEPARTMENTAL WAGE ANALYSIS

## J.1 Department-wise Wage Summary (October 2024)

Department	Employees	Total Basic (₹)	Total HRA (₹)	Total Allowances (₹)	Total OT (₹)	Gross Wages (₹)
HR	78	1,984,200	297,630	218,540	0	2,500,370
Operations	180	5,642,100	846,315	587,820	547,200	7,623,435
Engineering	456	15,856,400	2,378,460	1,650,240	823,400	20,708,500
Facilities	203	4,456,800	668,520	464,340	234,000	5,823,660
Support Services	330	6,889,200	1,033,380	717,840	525,880	9,166,300
<b>TOTAL</b>	<b>1,247</b>	<b>35,828,700</b>	<b>5,224,305</b>	<b>3,638,780</b>	<b>2,130,480</b>	<b>46,822,265</b>

**Note:** Total Gross differs from Part D summary due to additional allowances & variations in payment cycles

## J.2 Wage Grade Distribution (October 2024)

[Chart showing wage distribution across departments - See supplementary visualization]

### Grade-wise Breakdown:

- Management (Grade 1):** 12 employees × ₹106,250 = ₹1,275,000
- Senior Staff (Grade 2):** 34 employees × ₹81,250 = ₹2,762,500
- Mid-level (Grade 3):** 145 employees × ₹60,000 = ₹8,700,000
- Junior Level (Grade 4):** 456 employees × ₹43,750 = ₹19,950,000
- Support Staff (Grade 5):** 600 employees × ₹27,500 = ₹16,500,000

**Total Basic Wages:** ₹ 49,187,500 (All grades combined)

---

## PART K: WAGE REGISTER MAINTENANCE & CUSTODY

### K.1 Register Custody & Security

#### Physical Register Details:

- Register Format:** Bound ledger (600 pages) - As per government-approved format
- Register Custodian:** Anita Verma, Payroll Manager
- Storage Location:** HR Office, Finance Section, 2nd Floor, Nirmal Building
- Storage Conditions:** Secure cabinet with access restricted to authorized personnel
- Backup System:** Digital copies maintained on secure server with daily backup
- Retention Period:** Minimum 3 years from last entry (As per Payment of Wages Act, 1936)

#### Access Control:

- Who Can Access:** Payroll Manager, HR Manager, Company Secretary, Labour Inspector (on demand)
- Purpose:** Statutory compliance, payroll audit, employee verification, legal reference
- Logging:** Access logs maintained digitally
- Confidentiality:** Strict confidentiality clause; Not shared with unauthorized persons

### K.2 Inspection & Verification Dates

#### Recent Inspections (Last 12 months):

Inspection Type	Date	Inspecting Officer	Findings	Status
Routine Inspection	15-May-2024	Labour Inspector, Mumbai	Satisfactory records	✓ Pass
Surprise Inspection	28-Aug-2024	Deputy Labour Commissioner	No violations found	✓ Pass
Audit Verification	10-Nov-2024	Internal Auditor (Big 4)	Compliant	✓ Pass

**Inspector Comments:** "Register maintained in excellent condition with no discrepancies in wage payment records"

## PART L: COMPLIANCE CERTIFICATION & AUTHORIZATION

**This Wage Register has been maintained in accordance with:**

- ✓ The Payment of Wages Act, 1936
- ✓ The Payment of Wages Rules, 1957
- ✓ The Minimum Wages Act, 1948
- ✓ The Factories Act, 1948 (Section 87 - Overtime wages)
- ✓ The Shops & Establishments Act (State-specific)

**Certification by Payroll Manager:**

I hereby certify that the wage register for October 2024 has been accurately maintained and all wages have been correctly calculated, deducted, and paid to employees as per statutory requirements.

---

**Name:** Anita Verma

**Designation:** Payroll Manager

**Date:** 15th November 2024

**Signature:** \_\_\_\_\_

---

**Verification by HR Compliance:**

I verify that all statutory deductions (PF, ESI, TDS, PT) have been correctly deducted and timely deposited to respective authorities. All labour returns have been filed within stipulated timelines.

---

**Name:** Rajesh Patel

**Designation:** HR Manager - Compliance

**Date:** 15th November 2024

**Signature:** \_\_\_\_\_

---

**Final Approval by Company Secretary:**

---

**Name:** Pradeep Manohar Gaitonde

**Designation:** Company Secretary

**Membership:** ACS 7016

**Date:** 15th November 2024

Signature: \_\_\_\_\_

[COMPANY OFFICIAL SEAL]

## PART M: KEY PERFORMANCE INDICATORS

### M.1 Payroll KPIs (October 2024)

KPI	Value	Status	Benchmark
On-time Payment Rate	100%	✓ Excellent	>98%
Payment Error Rate	0.16%	✓ Good	<0.5%
Compliance Filing Rate	100%	✓ Excellent	100%
Statutory Deduction Accuracy	99.85%	✓ Excellent	>99%
Employee Attendance	98.7%	✓ Excellent	>95%
Leave Utilization	17.2%	✓ Optimal	15-20%
Grievance Resolution Time	3.2 days	✓ Good	<5 days
Payment Processing Time	4 hours	✓ Excellent	<6 hours

### M.2 Payroll Efficiency Metrics

#### Cost Metrics:

- Monthly Payroll Cost: ₹ 79,561,000 (Gross wages)
- Cost Per Employee: ₹ 63,788/month
- Payroll Processing Cost: ₹ 8,420 (IT & admin)
- Cost as % of Revenue: 12.4% (Within industry benchmark of 12-15%)

#### Time Metrics:

- Payroll Processing Time: 4 hours
- Payment Delivery Time: Same-day (NEFT)
- Grievance Resolution: 3.2 days average
- Compliance Report Generation: 2 hours

## PART N: IMPORTANT NOTICES & DISCLAIMERS

**This Wage Register is a statutory document maintained under the Payment of Wages Act, 1936 and related labour laws of India.**

**Confidentiality:** All information contained herein is confidential. Unauthorized disclosure or use is prohibited.

**Accuracy Certification:** The information provided in this register is accurate to the best of knowledge of the Payroll Manager and has been verified by HR Compliance and approved by the Company Secretary.

**Amendments:** Any corrections to wage records are made with full justification and authorization. Overwriting or obliteration is strictly prohibited.

### **Employee Rights:**

- Employees have the right to inspect their wage records
- Wage slips are provided for each payment period
- Grievances can be raised through HR department
- Statutory protections under wage laws apply to all employees

---

## DOCUMENT INFORMATION

## PART B: REGISTER OF ACCIDENTS & DANGEROUS OCCURRENCES

### B.1 Incident Summary (April - December 2024)

Category	Count	Severity Level	Status
<b>Minor Injuries</b>	3	Low	Reported
<b>Reportable Injuries</b>	1	Medium	Reported
<b>Serious Injuries</b>	1	High	Reported to DGMS/Inspector
<b>Fatalities</b>	0	Critical	N/A
<b>Dangerous Occurrences</b>	1	Medium	Reported
<b>Near Misses</b>	8	Low	Recorded
<b>TOTAL INCIDENTS</b>	<b>14</b>	-	<b>All Documented</b>

## B.2 Detailed Incident Log (Form 32 Format)

### Incident #1: Minor Injury - Slip & Fall

Field	Details
<b>Date of Accident</b>	12th April 2024
<b>Time of Accident</b>	10:30 AM
<b>Serial Number</b>	ACC-2024-001
<b>Name of Injured Worker</b>	Mr. Vikram Sharma
<b>Age &amp; Gender</b>	34, Male
<b>Employee ID</b>	TCS-HR-12847
<b>Department</b>	Human Resources
<b>Designation</b>	Senior HR Executive
<b>Date of Joining</b>	15th March 2018
<b>Experience in Current Role</b>	3 years 2 months
<b>Nature of Employment</b>	Full-time Permanent

**Accident Details:**

Particulars	Description
<b>Exact Location</b>	HR Office Corridor, 9th Floor, Nirmal Building
<b>Location Details</b>	Between meeting room and pantry area
<b>Nature of Injury</b>	Abrasions and minor laceration on left knee
<b>Body Part Affected</b>	Lower leg - knee region
<b>Severity Classification</b>	Simple wound/abrasion (Non-reportable)
<b>What Worker Was Doing</b>	Walking to attend a meeting
<b>Weather/Environmental Condition</b>	Rainy day - wet floor despite warning sign
<b>Equipment/Machinery Involved</b>	None
<b>Cause of Accident</b>	Slipped on wet floor surface
<b>Root Cause</b>	Insufficient floor drainage; wet conditions
<b>Immediate Circumstances</b>	Worker lost footing on wet marble floor

#### Medical & Treatment Details:

- First Aid Provided By:** Ms. Anjali Verma, First Aider (Certificate Valid)
- First Aid Given:** Wound cleaning, antiseptic application, sterile dressing
- Hospital/Clinic Treated:** TCS Medical Center, Mumbai
- Attending Doctor:** Dr. Priya Malhotra, MD
- Date of Treatment:** 12th April 2024
- Treatment Days:** 1 day outpatient care
- Diagnosis:** Minor laceration with abrasion; no sutures required
- Medical Fitness Certificate:** Worker fit for duty from 13th April 2024
- Days Absent from Work:** 0 days

#### Preventive & Corrective Actions:

- Enhanced wet floor signage installed in all corridors
- Increased frequency of floor drying (hourly instead of 4-hourly)
- Installed anti-slip flooring coating in corridor sections

- Conducted awareness program on slip/fall prevention
- Status: COMPLETED on 18th April 2024

#### **Investigation Findings:**

The accident resulted from environmental conditions (wet floor) rather than worker negligence. The worker had followed normal protocols. Root cause was insufficient drainage system during monsoon. Corrective measures implemented to prevent recurrence.

**Authority Reporting:** Not required (Minor injury)

---

#### **Incident #2: Minor Injury - Paper Cut**

<b>Field</b>	<b>Details</b>
<b>Date of Accident</b>	25th May 2024
<b>Time of Accident</b>	2:15 PM
<b>Serial Number</b>	ACC-2024-002
<b>Name of Injured Worker</b>	Ms. Shreya Nair
<b>Age &amp; Gender</b>	28, Female
<b>Employee ID</b>	TCS-OPS-45623
<b>Department</b>	Operations
<b>Designation</b>	Process Analyst
<b>Date of Joining</b>	10th July 2021
<b>Experience in Current Role</b>	2 years 10 months

#### **Accident Details:**

<b>Particulars</b>	<b>Description</b>
<b>Exact Location</b>	Operations Department, 5th Floor
<b>Nature of Injury</b>	Paper cut on right index finger
<b>Body Part Affected</b>	Right hand - index finger
<b>Severity Classification</b>	Simple laceration (Non-reportable)
<b>Equipment Involved</b>	Paper (document filing)
<b>Cause of Accident</b>	Sharp edge of document paper
<b>Preventive Actions</b>	Finger dressing applied; use of document folders recommended

#### **Medical Treatment:**

- **First Aid:** Wound cleaning and adhesive bandage by First Aider
- **Days Absent:** 0 days
- **Fitness:** Full duty next day

**Investigation:** Routine occupational hazard; no systemic issue identified. Worker educated on proper handling.

#### **Incident #3: Minor Injury - Minor Burn**

<b>Field</b>	<b>Details</b>
<b>Date of Accident</b>	08th July 2024
<b>Time of Accident</b>	10:45 AM
<b>Serial Number</b>	ACC-2024-003
<b>Name of Injured Worker</b>	Mr. Anil Kumar
<b>Age &amp; Gender</b>	42, Male
<b>Employee ID</b>	TCS-MNT-78934
<b>Department</b>	Facilities & Maintenance
<b>Designation</b>	Maintenance Technician

**Accident Details:**

Particulars	Description
<b>Exact Location</b>	Server Room, Basement Level
<b>Nature of Injury</b>	Minor thermal burn on right palm
<b>Cause of Accident</b>	Contact with hot server equipment
<b>Root Cause</b>	PPE (gloves) not worn during routine maintenance
<b>Preventive Actions</b>	Mandatory glove requirement enforced; heat warning labels added

**Medical Treatment:**

- First Aid:** Burn treatment with soothing cream, sterile dressing
- Doctor Consultation:** Dr. Ramesh Nair, General Practitioner
- Days Absent:** 1 day
- Follow-up:** Wound check on 09th July 2024
- Status:** Fully healed within 10 days

**Corrective Actions:** Refresher training on PPE compliance for all maintenance staff completed on 15th July 2024.

---

**Incident #4: Reportable Injury - Finger Fracture**

Field	Details
<b>Date of Accident</b>	15th August 2024
<b>Time of Accident</b>	11:20 AM
<b>Serial Number</b>	ACC-2024-004
<b>Name of Injured Worker</b>	Mr. Suresh Deshmukh
<b>Age &amp; Gender</b>	35, Male
<b>Employee ID</b>	TCS-FAC-56782
<b>Department</b>	Facilities Management
<b>Designation</b>	Operations Assistant
<b>Date of Joining</b>	22nd January 2019
<b>Experience</b>	5 years 7 months

#### Accident Details:

Particulars	Description
<b>Exact Location</b>	Document Storage Room, 3rd Floor
<b>Nature of Injury</b>	Fracture of left ring finger (4th digit)
<b>Severity Classification</b>	<b>REPORTABLE INJURY</b>
<b>What Worker Was Doing</b>	Moving heavy file cabinet
<b>Equipment/Machinery</b>	File cabinet (heavy metal storage)
<b>Root Cause</b>	File cabinet tipped over; inadequate manual handling technique
<b>Immediate Cause</b>	Worker's hand crushed between cabinet and wall
<b>Witness Present</b>	Yes - Mr. Rajesh Kumar (colleague)

#### Detailed Accident Description:

Worker was attempting to relocate a heavy lateral file cabinet containing archived documents. The cabinet was not properly balanced. When attempting to pivot it, the worker did not position hands correctly, resulting in the cabinet tipping. The worker's left hand was pinned, causing a fracture to the ring finger.

#### **Medical & Treatment:**

<b>Particulars</b>	<b>Details</b>
First Aid	Immediate ice application and immobilization by First Aider
Hospital Admitted	Yes - Breach Candy Hospital, Mumbai
Date Admitted	15th August 2024
Doctor	Dr. Vikram Joshi, Orthopedic Specialist
Investigation Conducted	X-ray, CT scan
Diagnosis	Simple fracture of 4th digit (ring finger)
Treatment Provided	Conservative treatment - splinting and immobilization
Hospitalization Period	1 day (discharged same evening)
Follow-up Visits	3 follow-ups (21st, 28th Aug; 4th Sep 2024)
Date of Fitness Certificate	20th September 2024
Days Absent from Work	22 days (15 Aug - 6 Sep 2024)
Modified Duty Period	14 days (7-20 Sep 2024, desk-based only)
Date Returned to Normal Duty	21st September 2024

#### **Investigation & Root Cause Analysis:**

- Primary Cause:** Manual handling of heavy objects without proper training and equipment
- Secondary Cause:** File cabinet not secured; improper storage arrangement
- Organizational Cause:** Lack of mechanical assistance (trolleys, lifts) for moving heavy items
- Environmental Cause:** Inadequate workspace for safe repositioning of furniture

#### **Preventive & Corrective Actions Implemented:**

- All heavy file cabinets replaced with mobile, lightweight storage systems (Completed: 25th August 2024)
- Provided mechanical trolleys and moving equipment to all departments (Completed: 22nd August 2024)
- Conducted mandatory manual handling training for all staff (Completed: 30th August 2024)

- Installed warning labels on remaining heavy equipment (Completed: 28th August 2024)
- Revised storage room layout for better accessibility (Completed: 10th September 2024)
- Monthly safety audits of storage areas initiated (Ongoing)

#### Statutory Reporting:

- Report to Factory Inspector:** YES - Filed within 48 hours
- Report Reference:** FI/MH/001/2024/ACC-004
- Report Date:** 16th August 2024
- Inspector Inspection Date:** 22nd August 2024
- Inspector Comments:** "Adequate corrective measures taken. Good follow-up care provided."
- Compliance Status:** ✓ COMPLIANT

**Similar Incidents in Past 12 Months:** None

---

#### Incident #5: Serious Bodily Injury - Stress-Related Hospitalization

Field	Details
<b>Date of Accident</b>	12th October 2024
<b>Time of Accident</b>	3:30 PM
<b>Serial Number</b>	ACC-2024-005
<b>Name of Injured Worker</b>	Mr. Arjun Mehta
<b>Age &amp; Gender</b>	38, Male
<b>Employee ID</b>	TCS-ENGG-89234
<b>Department</b>	Engineering & Development
<b>Designation</b>	Senior Software Engineer
<b>Date of Joining</b>	05th June 2015
<b>Experience</b>	9 years 4 months

#### Incident Details:

<b>Particulars</b>	<b>Description</b>
<b>Exact Location</b>	Engineering Office, 7th Floor
<b>Nature of Injury</b>	Acute stress-induced chest pain / heart palpitations
<b>Severity Classification</b>	<b>SERIOUS BODILY INJURY</b> (Occupational Stress)
<b>Incident Type</b>	Occupational illness resulting from workplace stress
<b>Immediate Symptoms</b>	Severe chest pain, breathlessness, dizziness, profuse sweating
<b>Duration of Symptoms</b>	Onset sudden; lasted 45 minutes

**Incident Description:**

Worker experienced acute stress-related symptoms during a critical production deployment meeting. Worker had been working on a high-pressure project with tight deadlines for the past 2 months. On the day of incident, project deadline was accelerated due to client requirement changes, causing sudden anxiety and panic attack symptoms. Colleague immediately notified First Aider and emergency services were called.

**Medical & Treatment:**

Particulars	Details
Immediate Action	Paramedic arrived within 8 minutes; stabilized worker
Hospital Transported	Apollo Hospitals Mumbai (Cardiac Emergency Department)
Date Admitted	12th October 2024, 4:15 PM
Specialist Consulted	Dr. Arun Singh, Cardiologist; Dr. Priya Desai, Psychiatrist
Investigation Conducted	ECG, stress tests, troponin levels, blood work
Diagnosis	Acute panic attack; stress-induced chest pain; no cardiac pathology
Treatment	Anti-anxiety medication, psychiatric counseling
Hospitalization Period	3 days (12-14 Oct 2024)
Discharge Date	14th October 2024
Follow-up Care	Weekly psychiatric sessions for 8 weeks
Occupational Health Support	Company-provided counseling; stress management program
Medical Fitness Certification	25th October 2024 (for modified duty)
Days Absent from Work	28 days (12 Oct - 8 Nov 2024)
Modified Duty Period	21 days (9-29 Nov 2024; desk-based, no high-stress projects)
Date Returned to Normal Duty	1st December 2024

#### Root Cause Analysis:

- Primary Occupational Cause:** Excessive work pressure, unrealistic deadlines, inadequate resource allocation
- Individual Factors:** Worker's predisposition to stress; limited coping mechanisms; perfectionist mindset
- Organizational Factors:** Inadequate workload distribution, insufficient project planning, lack of rest periods during critical phases
- Environmental Factors:** High-pressure meeting environment; sudden scope changes without planning buffer

#### Preventive & Corrective Actions Implemented:

- **Immediate Actions (Completed by 16th Oct 2024):**
  - Redistributed project responsibilities among team members

- Reduced worker's workload to 50% of normal capacity
- Assigned project mentor for guidance
- Provided access to Employee Assistance Program (EAP)
- **Short-term Actions (Completed by 30th Oct 2024):**
  - Mandatory stress management training for all project managers
  - Implemented "No Unrealistic Deadline" policy
  - Created flexible work-from-home arrangement for high-stress projects
  - Established monthly workload review meetings
- **Long-term Actions (Ongoing):**
  - Comprehensive occupational health assessment for all staff in high-stress roles
  - Mental wellness program with quarterly counseling sessions
  - Establishment of occupational health clinic with psychologist on-call
  - Regular stress audit and risk assessment process
  - Enhanced employee support services

#### **Statutory Reporting:**

- **Report to Factory Inspector:** YES - Filed within 24 hours
- **Report Reference:** FI/MH/002/2024/ACC-005 (Serious Bodily Injury)
- **Report Date:** 13th October 2024
- **DGMS/Factory Inspector Informed:** Yes, 13th October 2024
- **Report to Labour Commissioner:** Yes, as per Occupational Safety Code
- **Compliance Status:** ✓ FULLY COMPLIANT

#### **Lessons Learned:**

Organization recognized occupational stress as a serious workplace hazard. Comprehensive wellness program introduced to prevent similar incidents.

#### **Incident #6: Dangerous Occurrence - Near-Miss (Cable Fire)**

Field	Details
<b>Date of Incident</b>	22nd November 2024
<b>Time of Incident</b>	2:45 PM
<b>Serial Number</b>	ACC-2024-DO-01
<b>Category</b>	<b>DANGEROUS OCCURRENCE</b> (No injury, but high-risk potential)
<b>Location</b>	Data Center, Basement Level
<b>Discovering Officer</b>	Mr. Vikram Sharma, Data Center Manager

#### **Incident Description:**

During routine server maintenance, a damaged electrical cable (power supply to server rack #12) began to arc and smolder. Smoke was detected within minutes. The Data Center Manager immediately activated the emergency protocol: isolated the affected rack, activated fire suppression system, and evacuated the area. Fire brigade arrived within 8 minutes and confirmed the fire was contained with no spread to adjacent equipment.

#### Cause Analysis:

Root Cause	Details
Primary Cause	Damaged electrical insulation on power cable
Contributing Factor	Cable was 8 years old (exceeded recommended 5-year replacement cycle)
Preventive Failure	Previous cable inspection (6 months ago) missed damage indicators
System Failure	No automated monitoring for cable temperature/arc detection

#### Immediate Response Actions:

- Fire suppression activated automatically
- Area evacuated; no personnel in danger
- Fire brigade called; incident confirmed as controlled
- All other server racks isolated from affected circuit
- Facility remained operational through redundant systems

#### Potential Consequences If Not Managed:

- Risk of electrical fire spreading to adjacent racks
- Potential data loss and business continuity disruption
- Risk of equipment damage (₹ 50+ lakhs)
- Potential injury to maintenance personnel if they were near during arc flash

#### Corrective Measures Implemented:

##### 1. Immediate (Completed 22nd Nov 2024):

- Replaced damaged cable; repaired affected server rack
- Inspected all similar cables in data center
- Disabled affected power circuit; rerouted load

##### 2. Short-term (Completed by 30th Nov 2024):

- Replaced all cables exceeding 7-year age with certified cables
- Installed temperature monitoring sensors on all power cables
- Upgraded fire detection system with arc flash detection capability
- Conducted emergency drill with fire brigade

##### 3. Long-term (Ongoing):

- Established 5-year cable replacement schedule (strict compliance)
- Monthly cable inspection protocol implemented
- Quarterly testing of fire suppression systems
- Annual electrical safety audit by certified electrician

## **Authority Reporting:**

- **Report to Factory Inspector:** YES - Filed within 24 hours
- **Report Reference:** FI/MH/003/2024/DO-01
- **Report Date:** 23rd November 2024
- **Electrical Safety Officer Inspection:** 25th November 2024
- **Compliance Status:** ✓ COMPLIANT

## **Lessons Learned:**

Preventive maintenance schedules must be strictly adhered to. Early warning systems (sensors) are critical for high-risk equipment areas.

---

## **B.3 Near-Miss Incidents (Low-Risk, Preventive Awareness)**

### **Near-Miss #1 - Tripping Hazard (No Injury)**

- Date: 03rd May 2024
- Location: Corridor, 6th Floor
- What Happened: Electrical cable left loose across corridor
- Immediate Action: Cable secured; staff notified
- Status: Recorded for pattern analysis

### **Near-Miss #2 - Spillage (No Injury)**

- Date: 18th June 2024
- Location: Cafeteria
- What Happened: Water spilled on kitchen floor; potential slip hazard
- Immediate Action: Area cleaned; warning sign placed; drainage improved
- Status: Recorded

### **Near-Miss #3 - Malfunctioning Door (No Injury)**

- Date: 09th July 2024
- Location: Emergency Exit Door, 5th Floor
- What Happened: Door latch mechanism began to fail; door not closing properly
- Immediate Action: Door locked out of service; emergency route rerouted; maintenance initiated
- Status: Repaired; tested for safety

### **Additional Near-Misses (Summary):**

- Total near-miss incidents recorded: 8
  - Preventive actions taken for all: Yes
  - Pattern identified: 5 incidents related to facilities maintenance
  - Outcome: Enhanced maintenance schedule implemented
-

## PART C: ACCIDENT ANALYSIS & TRENDS

### C.1 Accident Statistics (April - December 2024)

Category	Count	% of Total	Trend
<b>Minor Injuries (Non-reportable)</b>	3	21.4%	Stable
<b>Reportable Injuries</b>	1	7.1%	↓ Decreasing
<b>Serious Bodily Injury</b>	1	7.1%	↓ Decreasing
<b>Fatalities</b>	0	0%	✓ Zero
<b>Dangerous Occurrences</b>	1	7.1%	↓ Decreasing
<b>Near-Misses</b>	8	57.1%	↑ Increasing (Good - More Reporting)
<b>TOTAL</b>	<b>14</b>	<b>100%</b>	-

**Incident Rate (per 100 employees):** 1.12 incidents per 100 employees (Industry Benchmark: 2-3 per 100)

**Severity Rate:** TCS performing BETTER than industry average

### C.2 Injury Type Distribution

- **Slips/Falls:** 1 incident (12%)
- **Minor Cuts/Abrasions:** 2 incidents (24%)
- **Fractures:** 1 incident (12%)
- **Occupational Illness:** 1 incident (12%)
- **Dangerous Occurrences:** 1 incident (12%)
- **Near-Misses/Hazard Detection:** 8 incidents (28%)

### C.3 Department-wise Breakdown

Department	Incidents	Severity	Status
Facilities Management	3	Low-Medium	Under control
HR/Operations	2	Low	Under control
Engineering	2	Medium-High	Action taken
Data Center Ops	1	High-Risk (no injury)	Controlled
General/Other	3	Low	Routine monitoring

#### C.4 Seasonal Patterns

- **Monsoon Period (Jun-Sep):** Increased slip/fall incidents (1 incident) - Preventive measures implemented
- **High-Pressure Work Periods:** Occupational stress incidents - Support system enhanced
- **Year-end Period (Oct-Dec):** Incidents trending down - Awareness programs effective

### PART D: MEDICAL & OCCUPATIONAL HEALTH

#### D.1 Medical Fitness & Rehabilitation

Injured Worker	Injury	Days Absent	Modified Duty	Date Fit	Status
Vikram Sharma	Knee abrasion	0	No	12-Apr-24	✓ Fully Fit
Shreya Nair	Paper cut	0	No	25-May-24	✓ Fully Fit
Anil Kumar	Burn	1	No	09-Jul-24	✓ Fully Fit
Suresh Deshmukh	Finger fracture	22	14 days	20-Sep-24	✓ Fully Fit
Arjun Mehta	Stress-related	28	21 days	01-Dec-24	✓ Fit (Follow-up ongoing)

**Rehabilitation Success Rate:** 100% - All workers returned to normal duty

#### Medical Professionals Involved:

- Dr. Priya Malhotra, General Practitioner (TCS Medical Center)
- Dr. Ramesh Nair, General Practitioner & Occupational Health
- Dr. Vikram Joshi, Orthopedic Surgeon
- Dr. Arun Singh, Cardiologist
- Dr. Priya Desai, Psychiatrist
- Ms. Anjali Verma, Certified First Aider (Level 2)

#### D.2 Occupational Health Surveillance

**Annual Medical Checkup Coverage:** 85% of staff (Target: 100% by FY 2024-25)

#### High-Risk Role Assessments:

- Data Center Staff: Annual health screening with focus on electrical safety
- Software Engineers: Mental wellness assessment (stress levels, sleep patterns)
- Facilities Staff: Physical fitness assessment; manual handling capability

#### Health & Safety Records Maintained:

- Fitness certificates for all workers involved in serious incidents
- Medical leave documentation
- Follow-up medical appointments tracked
- Occupational health trend analysis conducted quarterly

## PART E: WORKPLACE SAFETY MEASURES & COMPLIANCE

### E.1 Safety Infrastructure & Equipment

#### First Aid Facilities:

Facility	Location	Status
First Aid Kits	12 locations (all floors)	✓ Fully Stocked
AED (Automated External Defibrillator)	Ground Floor, 5th Floor	✓ Functional
First Aiders (Certified)	8 staff members	✓ Valid Certificates
Fire Extinguishers	25 units (all floors)	✓ Tested & Certified
Emergency Contact Numbers	Posted in all areas	✓ Current

#### Fire Safety Systems:

- Fire detection system (smoke detectors, heat sensors): 45 units installed
- Fire suppression system (sprinklers, extinguishers): All critical areas covered
- Emergency evacuation routes: Clearly marked; tested quarterly
- Emergency assembly points: Designated at 4 locations
- Fire safety drills: Conducted every quarter (Last drill: 15th November 2024)

#### Electrical Safety:

- All equipment tested & certified annually
- Electrical earthing system inspected every 6 months
- Power cables replaced on 5-year cycle
- Fire detection in data center with arc flash monitoring
- All electrical work performed by certified electricians

#### Manual Handling Equipment:

- Trolleys and mechanical lifts available for moving heavy items
- Ergonomic workstations provided to all staff
- Manual handling training conducted annually

### E.2 Safety Training & Competency

#### Training Programs Conducted (Last 12 Months):

1. **General Safety Induction** – All new employees (100% coverage)
  - Duration: 2 hours
  - Content: Emergency procedures, hazard awareness, safe work practices

- Frequency: Continuous (new employees)
  - Attendance: 156 employees trained
- 2. First Aid Training** – Staff designated as responders
- Duration: 16 hours (2-day course)
  - Certification: Valid for 2 years
  - Frequency: Annual refresher
  - Attendance: 8 staff members certified
- 3. Manual Handling Training** – Facilities & Operations staff
- Duration: 4 hours
  - Content: Safe lifting techniques, equipment use
  - Frequency: Annual
  - Attendance: 45 staff members trained
- 4. Fire Safety Training** – All staff
- Duration: 2 hours
  - Content: Fire detection, evacuation, extinguisher use
  - Frequency: Annual
  - Attendance: 92% of workforce trained
- 5. Electrical Safety Training** – Facilities & maintenance staff
- Duration: 8 hours
  - Content: Electrical hazards, PPE, safe work practices
  - Frequency: Bi-annual
  - Attendance: 25 staff members trained
- 6. Occupational Stress Management** – All staff (especially high-pressure roles)
- Duration: 3 hours
  - Content: Stress recognition, coping mechanisms, support resources
  - Frequency: Introduced in Oct 2024; planned annual refresher
  - Attendance: 187 staff members trained (ongoing)

**Competency Verification:** All staff competencies documented; certifications tracked with expiry alerts

### E.3 Statutory Compliance Status

Requirement	Due Date	Compliance Status	Evidence
<b>Register of Accidents Maintained</b>	Ongoing	✓ YES	This document
<b>Incident Investigation</b>	Within 48 hours	✓ YES	Investigation reports filed
<b>Reporting to Factory Inspector</b>	Within 48 hours	✓ YES	All reports filed on time
<b>Medical Certificates</b>	Maintained	✓ YES	Filed for all serious cases
<b>First Aid Provision</b>	Ongoing	✓ YES	12 kits + 8 trained staff
<b>Safety Training Records</b>	Maintained	✓ YES	Training database maintained
<b>Risk Assessment Documentation</b>	Annual	✓ YES	HIRA updated quarterly
<b>Hazard &amp; Incident Review</b>	Monthly	✓ YES	Safety Committee meetings held
<b>Emergency Procedures</b>	Annual review	✓ YES	Last reviewed Nov 2024

## PART F: HAZARD IDENTIFICATION & RISK ASSESSMENT

### F.1 Key Workplace Hazards Identified

Hazard Category	Specific Hazard	Risk Level	Mitigation Status
Physical	Wet floors during monsoon	Medium	✓ Controlled
Physical	Heavy object manual handling	Medium	✓ Mechanical alternatives provided
Electrical	Damaged electrical cables	Medium-High	✓ Replacement schedule implemented
Environmental	Occupational stress	Medium	✓ Support program established
Fire/Emergency	Fire hazards (electrical/chemical)	Low-Medium	✓ Suppression system in place
Ergonomic	Prolonged sitting (office work)	Low	✓ Standing desks available
Occupational Health	Work-related stress	Medium	✓ Counseling services available

## F.2 Risk Rating Assessment (5-Level Scale)

Hazard	Likelihood	Safety	Risk Rating	Control Measures
Slip/Fall	Possible (wet floors)	Minor	Medium	Enhanced cleaning; non-slip flooring
Electrical Arc/Fire	Rare (with maintenance)	Serious	Medium	Cable monitoring; replacement schedule
Occupational Stress	Possible (deadline-driven work)	Serious	Medium	EAP; workload management; counseling
Manual Handling Injury	Possible (without equipment)	Serious	Medium-High	Mechanical assistance; training
Emergency Response Delay	Unlikely (systems in place)	Serious	Low	Regular drills; trained responders

**Overall Risk Status:** Acceptable with existing controls (Green Status)

---

## PART G: INCIDENT RESPONSE & EMERGENCY PROCEDURES

### G.1 Emergency Response Protocol

#### For Serious Injury/Medical Emergency:

##### 1. Immediate Actions (0-5 minutes):

- Ensure worker safety; move away from hazard if safe
- Call emergency services: Ambulance/Police (Dial 102 or 108)
- Provide basic first aid if trained
- Notify supervisor and Safety Officer

##### 2. Immediate Reporting (5-15 minutes):

- Preserve incident scene (photos if safe)
- Collect witness information
- Document initial observations
- Notify Factory Inspector (within 24-48 hours for serious incidents)

##### 3. Follow-up Actions (Within 24 hours):

- Detailed incident investigation
- Root cause analysis
- Medical documentation and fitness assessment

- Incident report filing with authorities

#### **For Dangerous Occurrence:**

- Isolate affected area
- Alert personnel to danger
- Activate appropriate emergency response (fire, electrical, etc.)
- Notify Fire Brigade/Electrical Department as needed
- Preserve evidence for investigation
- Report to authorities within 24 hours

### **G.2 Committee & Review Process**

#### **Safety Committee Composition:**

- **Chairman:** Pradeep Manohar Gaitonde, Company Secretary
- **Members:**
  - Rajesh Kumar Singh, Safety Officer
  - Department Heads (Facilities, HR, Engineering)
  - Employee Representatives (3 staff members)
  - Medical Officer (TCS Medical Center)

**Committee Meetings:** Monthly (Held on 1st Thursday of each month)

#### **Topics Covered:**

- Incident review and analysis
- Corrective action effectiveness
- Safety training updates
- Hazard identification and risk assessment
- Statutory compliance review
- Employee feedback and suggestions

**Minutes Maintained:** Yes - All meetings documented and filed

---

## **PART H: ACCIDENT PREVENTION STRATEGY**

### **H.1 Continuing Improvement Actions**

#### **Short-term (0-3 months):**

- ✓ Completed: Enhanced maintenance schedule
- ✓ Completed: Facilities upgrade (anti-slip flooring, signage)
- ✓ Completed: Stress management program launch

#### **Medium-term (3-6 months):**

- Automation of maintenance alert systems
- Quarterly safety audits by external consultant
- Employee wellness survey and feedback
- Enhanced occupational health screening

#### **Long-term (6-12 months):**

- Establish ISO 45001 (Occupational Health & Safety) certification
- Implement AI-based hazard detection in data centers
- Comprehensive mental wellness program
- Industry partnership for safety benchmarking

## H.2 Performance Indicators (Safety KPIs)

KPI	Q1 2024	Q2 2024	Q3 2024	Target 2024-25	Status
<b>Incident Rate (per 100 emp)</b>	0.8	0.9	0.8	<1.0	✓ On-track
<b>Lost Time Injury Frequency</b>	0.05	0.08	0.06	<0.10	✓ On-track
<b>Near-Miss Reporting Rate</b>	2.1	2.4	2.8	>2.0	✓ Improving
<b>Safety Training Completion</b>	78%	85%	92%	100%	✓ Improving
<b>Hazard Identification</b>	5/month	6/month	8/month	>5/month	✓ Good
<b>Corrective Action Closure Rate</b>	95%	97%	99%	100%	✓ Excellent

---

## PART I: STATUTORY AUTHORITIES & COORDINATION

### I.1 Reporting to Authorities

#### Factory Inspector, Maharashtra (Lodging):

- **Office:** Factory Inspector's Office, Mumbai District
- **Contact:** +91-22-2263-6565
- **Email:** [factory.inspector@maharashtra.gov.in](mailto:factory.inspector@maharashtra.gov.in)
- **Incidents Reported to Date:** 2 (Reportable & Serious injury)
- **Compliance Status:** ✓ All reports filed on time

#### District Labour Commissioner:

- **Office:** Labour Commissioner's Office, Mumbai
- **Reports Filed:** Yes, for serious occupational incidents
- **Compliance Status:** ✓ Compliant

**DGMS (Directorate General of Mines Safety) - If Applicable:**

- Not applicable (TCS is IT services company, not mining/hazardous industry)

**I.2 Inspection History**

Inspection Type	Date	Inspector	Observations	Status
Routine Inspection	22-Aug-2024	Mr. Rajesh Kumar (Factory Inspector)	Positive feedback on corrective measures	✓ Pass
Fire Safety Audit	10-Sep-2024	External Fire Safety Consultant	Recommendations for upgrades (all implemented)	✓ Pass
Electrical Safety Inspection	25-Nov-2024	Certified Electrical Auditor	Satisfactory; cable replacement praised	✓ Pass

**Overall Compliance Rating:** EXCELLENT (No violations noted)

---

**PART J: DOCUMENTATION & RECORD MANAGEMENT****J.1 Records Maintained****Physical Records:**

- Original incident report forms
- Medical fitness certificates
- First aid treatment records
- Training certificates (First Aid, Fire Safety, etc.)
- Investigation reports with photographs
- Witness statement forms
- Authority correspondence and receipts

**Digital Records:**

- Incident database (searchable, backed up daily)
- Scanned copies of all documents
- Digital incident photographs
- Email correspondence with authorities
- Training records management system

**Storage & Retention:**

- Records stored in secure, dedicated cabinet
- Digital records backed up to secure server
- Retention period: 5 years (as per Factories Act)

- Access control: Limited to Safety Officer & HR Manager
- Confidentiality: Strict - Medical information kept separate

## J.2 Documents Attached (Appendices)

The following supporting documents are maintained and available for inspection:

1. Detailed incident investigation reports (5 reports)
2. Medical fitness certificates (5 certificates)
3. First aid treatment records
4. Authority correspondence (Factory Inspector, DGMS, Labour Commissioner)
5. Safety committee meeting minutes (9 meetings)
6. Training completion certificates (200+ records)
7. Equipment maintenance and test records
8. Photographs of incidents and corrective measures
9. Risk assessment documentation (HIRA matrix)
10. Emergency procedure documents
11. Safety policy documents
12. Employee acknowledgment forms

---

## PART K: AUTHORIZATION & CERTIFICATION

**This Register of Accidents is maintained in compliance with The Factories Act, 1948 (Section 41) and The Factories Rules, 1948 (Rule 161, Form 32).**

**I certify that the above information is accurate and complete, and all incidents have been properly investigated and reported to the competent authorities as required by law.**

### Manager's Certification

---

**Name:** Pradeep Manohar Gaitonde

**Designation:** Company Secretary & Factory Manager

**TCS Registration:** ACS 7016

**Signature:** \_\_\_\_\_

**Date:** 20th December 2024

**Official Seal:** [COMPANY SEAL]

---

### Safety Officer's Certification

---

**Name:** Rajesh Kumar Singh

**Designation:** Head, Occupational Health & Safety

**Competency:** National Safety Council Certified Safety Officer

**Signature:** \_\_\_\_\_

**Date:** 20th December 2024

---

## PART L: IMPORTANT NOTICES & DISCLAIMERS

**This Register is a statutory document maintained under The Factories Act, 1948. It contains sensitive information about workplace incidents and worker health.**

**Confidentiality:** All information in this register is confidential and shall be disclosed only to authorized personnel, workers involved, medical professionals, and government authorities.

**Accessibility:** Workers have the right to view incident records relevant to them. Requests for information must be made through the HR Department.

**Authority Reference:** All incidents reported as per Factories Act, 1948 (Section 41) and Rules, 1948 (Rule 161).

**Accuracy Certification:** Information provided is accurate to the best of our knowledge based on investigations, medical reports, and witness statements.

**Continuous Review:** This register is reviewed quarterly by the Safety Committee. Feedback and suggestions are welcome.

---

## DOCUMENT INFORMATION

**Document Title:** Register of Accidents and Dangerous Occurrences - Form 32

**Reference Standard:** The Factories Act, 1948; The Factories Rules, 1948

**Document Classification:** Statutory Compliance Document

**Organization:** Tata Consultancy Services Limited

**Reporting Period:** April 2024 - December 2024 (9 months)

**Total Incidents Recorded:** 14 (3 Minor + 1 Reportable + 1 Serious + 1 Dangerous Occurrence + 8 Near-Misses)

**Document Prepared By:** Rajesh Kumar Singh, Head - Occupational Health & Safety

**Document Reviewed By:** Pradeep Manohar Gaitonde, Company Secretary

**Document Certified By:** Safety Committee

**Last Updated:** 20th December 2024

**Valid Till:** 31st March 2025 (Annual review due)

**Revision Control:** Version 1.0 (First comprehensive register document)

---

**For Further Inquiries:**
